INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Management
Mazuma Credit Union 401(k) Success Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Mazuma Credit Union 401(k) Success Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities in accordance with the ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MAZUMA CREDIT UNION 401(k) SUCCESS SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Note 1 – Description of the Plan

General

The Mazuma Credit Union 401(k) Success Sharing Plan (the Plan) is a 401(k) defined contribution plan that was established on July 1, 1996 by Mazuma Credit Union (the Credit Union). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The following description of the Plan is provided for general information purposes only. Participants should refer to the Summary Plan Description or the Adoption Agreement, including amendments thereto, for a complete description of the Plan's provisions.

Administration

The Plan Sponsor and named Plan Administrator is the Credit Union. The Plan Administrator is responsible for oversight of the Plan. The Plan has a Retirement Committee made up of the Plan Trustees and the Credit Union's human resources department. The Retirement Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance and fees. The Plan's Trustee and Investment Custodian is Fidelity Management Trust Company (Fidelity). The Trustee holds all of the Plan's assets and executes all of the Plan's transactions and is also retained to provide participant recordkeeping and administrative services.

Eligibility

The Plan covers substantially all employees of the Credit Union. All eligible employees must obtain two months of service to begin participating in the Plan, with the entry date being the first day of each Plan year and the first day of the seventh month of each Plan year after meeting the participation requirements. Effective April 1, 2022, the plan was amended to change the entry date to be the first of the month after meeting the participation requirements.

Contributions to the Plan

Each year, participants may contribute up to 100% of their pre-tax annual compensation, as defined in the plan document, through payroll withholdings. The Plan also allows participants to make after-tax Roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other defined benefit or defined contribution plans (rollovers). The Plan includes an auto-enrollment provision whereby all newly eligible participants are automatically enrolled at a deferral rate of 5% unless they affirmatively elect not to participate. Auto-enrollment contributions are invested in a designated target- fund until changed by the participant.

The Credit Union contributes safe harbor matching contributions equal to 100% of the first 3% and 50% of the next 2% of plan compensation that a participant contributes to the Plan. Total safe harbor matching contributions for 2023 were approximately \$647,000.

Participants direct the investment of both their individual contributions plus their share of employer contributions into the various investment options offered by the Plan. The Credit Union's contributions are allocated in the same manner as that of the participant's elective contributions.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

MAZUMA CREDIT UNION 401(k) SUCCESS SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Participant Accounts

Each participant's account is increased by the participant's contributions and allocation of (a) the Credit Union's contributions and (b) Plan earnings, and reduced by distributions and administrative expenses. Allocations are based on participants' earnings, account balances, or specific participant transactions, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the vested portion of the participant's account.

Notes Receivable from Participants

A participant may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. Interest rates on loans outstanding as of December 31, 2023 range from 5.25% to 10.50%. The loan terms may range from one to five years, except for a loan used to acquire a dwelling as the principal residence of the participant. Principal and interest payments are paid through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a period of time not to exceed the participant's life expectancy, or the life expectancy of the participant's designated beneficiary. A lump-sum distribution is required if a participant's vested balance is less than \$1,000. In addition, if a participant's vested balance is between \$1,000 and \$5,000, the account will be rolled into an individual retirement account with Fidelity, unless the participant elects otherwise. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account in a lump-sum distribution. The Plan allows for in-service distributions upon attainment of age 59½. In addition, hardship distributions are permitted if certain criteria are met.

Vesting

Participants are immediately vested in their contributions and the Credit Union's safe harbor matching contributions plus actual earnings thereon. Vesting in the Credit Union's success sharing portion of their account plus actual earnings thereon is based on years of credited service. Participants vest in increments of 20% for each year of credited service beginning at the end of the second year and continuing until the end of the fifth year, such that a participant is 100% vested after five years of credited service.

Forfeitures

Forfeited balances of terminated participants' non-vested accounts are used to pay Plan administrative expenses and reduce Credit Union contributions. During the year ended December 31, 2023, approximately \$16,000 in forfeitures were used to reduce the Credit Union's contributions. No forfeitures were used for the payment of Plan expenses during 2023. The forfeited account balance available to pay future Plan expenses or reduce the Credit Union's contributions approximated \$200 as of December 31, 2023 and 2022.

MAZUMA CREDIT UNION 401(k) SUCCESS SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The Plan's financial statements have been prepared on the accrual basis of accounting. Income from investments is recorded when it is earned. Expenses are recorded in the accounting period in which they are incurred.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Retirement Committee determines the Plan's valuation policies utilizing information provided by the Trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are charged to expense when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Fees and Expenses

Certain expenses of maintaining the Plan are paid directly by the Credit Union and are excluded from these financial statements. Fees associated with early withdrawals are paid by the participant from the Plan's assets. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

MAZUMA CREDIT UNION 401(k) SUCCESS SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Subsequent Events

The Plan has evaluated subsequent events through September 24, 2024, the date the financial statements were available to be issued.

Note 3 – Unaudited Information Certified by the Trustee

Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the following information has been certified by Fidelity as to its completeness and accuracy and was not subjected to any auditing procedures performed by the Plan's independent auditors:

1. All investment balances reflected in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2023 and 2022,
2. All investment activity reflected in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023,
3. All investment-related information included in the Supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023 and
4. The notes receivable from participants as of December 31, 2023 and 2022 and the related income on notes receivable from participants for the year ended December 31, 2023.

Note 4 – Fair Value Measurements

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified contractual term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

MAZUMA CREDIT UNION 401(k) SUCCESS SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Registered investment companies: Registered investment companies held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trusts: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Money market mutual fund: Valued at the daily closing price as reported by the fund. The money market mutual fund held by the Plan is an open-end fund that is registered with the SEC. This fund is required to publish its NAV and to transact at that price. This fund is deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The tables below segregate all financial assets as of December 31, 2023 and 2022 that are measured at fair value on a recurring basis (at least annually) into the most appropriate level within the fair value hierarchy based on the inputs used to determine the fair value at the measurement date:

	As of December 31, 2023			
	Total	Level 1	Level 2	Level 3
Registered investment companies	\$ 6,599,009	\$ 6,599,009	\$ -	\$ -

Investments measured at NAV (a)	12,375,734			
Total assets at fair value	<u>\$ 19,606,890</u>			

MAZUMA CREDIT UNION 401(k) SUCCESS SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

	As of December 31, 2022			
	Total	Level 1	Level 2	Level 3
Registered investment companies	\$ 5,753,193	\$ 5,753,193	\$ -	\$ -
Money market mutual fund	717,776	717,776	-	-
Total assets in fair value hierarchy	<u>\$ 6,470,969</u>	<u>\$ 6,470,969</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at NAV (a)	9,389,550			
Total assets at fair value	<u>\$ 15,860,519</u>			

(a) In accordance with Sub-topic 820-10 of the Financial Accounting Standards Board Accounting Standards Codification, certain investments were measured at NAV per share (or its equivalent) and have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

Fair Value of Investments in Entities that use NAV

The following table sets forth additional disclosures for the fair value measurement of investments in certain entities that calculate NAV, or its equivalent, as of December 31, 2023 and 2022:

	2023 Fair Value	2022 Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common/collective trusts (b)	\$ 12,375,734	\$ 9,389,550	\$ -	Daily	Daily

(b) The common/collective trusts are comprised of target retirement date funds that focus on growth consistent with its target retirement date and, as it approaches its target date, management of retirement income risk. It seeks to allocate between fixed income and equity growth investments to balance income risk management against the opportunity to grow expected retirement income. The overall effect of interest rate fluctuations and equity market performance may impact the ability to achieve a desired level of retirement income. The funds invest in an allocation of global equities, global fixed income, and treasury inflation protected securities by investing in mutual funds, collective investment funds, exchange-traded funds and other pooled investment vehicles.

Note 5 – Party-in-Interest Transactions

Certain Plan investments are managed by Fidelity, who is the Plan's Trustee and Investment Custodian. During the year ended December 31, 2023, the Plan paid direct compensation of approximately \$33,000 to the Investment Custodian for services rendered, and approximately \$49,000 for investment advisory services to Two West Capital Advisor, LLC, the Plan's Investment Advisor. Indirect compensation (that is netted against investment income on the Statement of Changes in Net Assets Available for Benefits) is paid to the Investment Custodian from total annual operating expenses charged on the balance of fund investments, depending on the particular fund. Transactions involving these investments are considered party-in-interest transactions; however, these transactions are not considered prohibited transactions under 29 CFR 408(b) of the ERISA regulations.

401(k) SUCCESS SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Note 6 – Plan Termination

Although management has not expressed any intent to do so, management has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 7 – Plan Amendment and Tax Status

The Plan is utilizing a non-standardized pre-approved plan, which has been filed with the IRS and has received a favorable advisory letter dated June 30, 2020. The Plan Sponsor has not elected to apply for an individual IRS determination letter upon adoption of the Plan nor on any subsequent amendments. However, the Plan Sponsor believes that the Plan is currently designed and being operated in compliance with applicable requirements of the Internal Revenue Code and, therefore, that the Plan is qualified under Section 401(a) and that the related trust is tax-exempt as of December 31, 2023.

The Plan document was most recently amended on April 18, 2022. However, there were no significant changes from the prior Plan document, other than those disclosed in Note 1.

The Plan permitted provisions of SECURE Act 2.0 during the year ended December 31, 2023. Written amendments to the Plan document to reflect these operational changes will be adopted at a later date in accordance with the deadlines pursuant to applicable laws and IRS guidance

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the DOL or the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 – Risks and Uncertainties

The Plan's investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Note 9 – Reconciliation of Form 5500 to the Financial Statements

The following is a reconciliation of net assets available for benefits per the Form 5500 to the financial statements as of December 31, 2023 and 2022:

	2023	2022
Net assets available for benefits per the financial statements	\$ 19,963,976	\$ 16,191,090
