Independent Auditor's Report

Participants and Plan Committee
Gold Eagle Company Profit Sharing and Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Gold Eagle Company Profit Sharing and Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter—Plan Merger

As discussed in Note 10 to the financial statements, the Board of Directors of Gold Eagle Company, the Plan's sponsor, voted on March 1, 2023, to merge Lubrication Specialties 401(k) Plan into the Plan effective January 1, 2024. All plan assets were transferred to the Plan between January 2, 2024 and January 22, 2024. Our opinion has not been modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, line 4i-schedule of assets (held at the end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Gold Eagle Company Profit Sharing and Savings Plan

Notes to Financial Statements

Note 1. Plan Description

The following brief description of the Gold Eagle Company Profit Sharing and Savings Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a contributory profit sharing plan and a defined contribution plan maintained for the benefit of eligible employees of Gold Eagle Company (the Company or Plan Sponsor). All full-time employees of the Company become eligible immediately upon employment. Plan entry dates are the pay period immediately following the employee's date of hire. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate within 30 days. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. The Plan also includes an auto-increase provision whereby enrolled participants have their deferral rate increased 1% annually up to a maximum of 12% of eligible compensation. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions: Participants may contribute up to the maximum of 30% of pretax annual compensation, as defined in the Plan, through payroll deductions, not to exceed regulatory limits according to the Internal Revenue Code (IRC). Participants who were age 50 or older by December 31, 2023, were able to make catch-up contributions to the Plan. The Company provides a matching contribution for all participants equal to 50% of participant contributions, subject to a maximum of \$3,000 per participant for any plan year. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Company also provides an employer profit sharing contribution which is discretionary. Participants who have completed one year of service (at least 1,000 hours of service) will be eligible to receive an allocation of the Company discretionary contribution, based on eligible compensation. For the year ended December 31, 2023, the employer profit sharing contribution was approximately \$125,000, which was remitted to the Plan in June 2024.

Roth 401(k) contributions: The Plan allows for Roth elective deferrals that are includible in a participant's gross income at the time deferred and have been irrevocably designated as Roth elective deferrals by the participant.

Participant accounts: Each participant's account is credited with the participant's contribution, the Company's matching contribution, the Company's profit sharing contribution and allocations of plan earnings or losses. Allocations are based on participant compensation or account balances, as defined. Each participant's account is charged with administrative fees paid by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their contributions and the Company matching contribution and actual earnings or losses thereon. Vesting of the Company's profit sharing contributions plus actual earnings or losses thereon is 10% after each of the first two years of credited service, and 20% per year thereafter, with full vesting reached after six years of credited service. Participants become fully vested upon normal retirement, death or disability. If an active participant dies or becomes disabled prior to attaining the normal retirement age, the participant's account becomes 100% vested.

Note 1. Plan Description (Continued)

Payment of benefits: Benefit payments are made to participants or their beneficiaries upon death, retirement, disability, termination of employment or in the event of hardship, as described in the Plan. Benefits are payable in a lump-sum or in installments. For vested account balances exceeding \$5,000, the participant may elect to postpone their distribution until the required distribution age, or if the account balance is less than \$5,000, the benefit payment will be made regardless of whether the participant consents to receive it in the form of a lump sum.

Participant-directed investments: The participant may elect the way in which contributions are invested in a variety of investment choices within the Plan as more fully described in the Plan's literature. The investment elections will apply to both participant and employer contributions. Participants may change their investment options at any time.

Notes receivable from participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of 50% of their vested account balance or \$50,000, whichever is less. Loan terms range from one to five years, unless it is for the purchase of a primary residence, for which the term will not exceed 10 years from the date of the loan. As of November 29, 2019, the Plan was amended to only allow participants to have one loan outstanding at any given time. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates, as determined upon the initiation of the loan. Interest rates on participant loans range from 5.25% to 10.50% at December 31, 2023, and mature at various dates through 2028. Principal and interest are paid ratably through payroll deductions.

Forfeited accounts: Forfeitures of unvested portions of terminated participants' accounts are to be used to pay any administrative expenses and any remaining forfeitures can be used to either offset any discretionary employer contribution or allocated to employees as an additional discretionary contribution by the Plan Sponsor. At December 31, 2023 and 2022, forfeited unvested accounts totaled \$35,970 and \$69,129, respectively. During 2023, approximately \$50,000 of forfeitures were used to reduce the discretionary employer contribution and approximately \$21,500 of forfeitures were used to pay administrative expenses.

Note 2. Significant Accounting Policies

Basis of accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Accounting estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment valuation and income recognition: The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Committee determines the Plan's valuation policies utilizing information provided by the trustee. See Note 4 for discussion of fair value measurements.

Notes to Financial Statements

Note 2. Significant Accounting Policies (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's investment gains on investments bought and sold as well as held during the year.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid balances plus any accrued interest. Delinquent loans are treated as distributions based upon the terms of the plan document.

Payment of benefits: Benefits are recorded when paid.

Expenses: Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements.

Note 3. Information Certified and Provided by Fidelity Management Trust Company (Fidelity), the Trustee

The following is a summary of the Plan's asset and income information as of December 31, 2023 and 2022, and for the year ended December 31, 2023, included throughout the Plan's financial statements and ERISA required supplemental schedule, obtained by management and agreed to or derived from information certified by Fidelity Management Trust Company, the trustee of the Plan. The Plan Administrator has obtained certifications from the trustee that the information provided to the Plan Administrator by the trustee related to the following assets and income is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and supplemental schedule related to the following assets and income:

	2023	2022
Investments at fair value:		
Shares of registered investment companies and money market fund	\$ 41,191,923	\$ 38,535,815
Units of common/collective trust	3,764,834	6,494,106
Self-directed brokerage accounts	1,945,576	18,992
Notes receivable from participants	464,676	409,332
Net appreciation in fair value of investments	6,833,148	-
Interest and dividends	1,266,151	-
Interest income on notes receivable from participants	31,447	-

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

Gold Eagle Company Profit Sharing and Savings Plan

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

The three levels of the fair value hierarchy under Accounting Standards Codification 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of the observable inputs and minimize the use of unobservable inputs.

Following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Shares of registered investment companies and money market fund: Valued at the daily closing price as reported by the fund. Shares of registered investment companies and the money market fund held by the Plan are open-ended funds that are registered with the Securities and Exchange Commission. These funds are required to public their daily net asset value (NAV) and to transact at that price. The registered investment companies and the money market fund held by the Plan are deemed to be actively traded.

Common stock: Valued at the closing price reported on the active market on which the individual securities are traded.

Exchange traded funds: Consist of investments in securities traded on a national securities exchange, or reported on the National Association of Securities Dealers Automated Quotations (NASDAQ), which are stated at the last reported sales price on the day of valuation.

Units of common/collective trust: Valued based on the NAV of units of the common/collective trust held by the Plan at year-end. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments comprising the trust, as determined by the trustee. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Note 4. Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets measured at fair value as of December 31, 2023 and 2022:

	2023			
	Level 1	Level 2	Level 3	Total
Shares of registered investment companies	\$ 41,153,383	\$ -	\$ -	\$ 41,153,383
Money market fund	38,540	-	-	38,540
Common stock	1,937,508	-	-	1,937,508
Exchange traded funds	8,068	-	-	8,068
Total investments in fair value hierarchy	<u>\$ 43,137,499</u>	<u>\$ -</u>	<u>\$ -</u>	<u>43,137,499</u>
Investments measured at NAV (a)				<u>3,764,834</u>
Investments at fair value				<u>\$ 46,902,333</u>

	2022			
	Level 1	Level 2	Level 3	Total
Shares of registered investment companies	\$ 37,021,305	\$ -	\$ -	\$ 37,021,305
Money market fund	1,513,074	-	-	1,513,074
Common stock	15,097	-	-	15,097
Exchange traded funds	5,331	-	-	5,331
Total investments in fair value hierarchy	<u>\$ 38,554,807</u>	<u>\$ -</u>	<u>\$ -</u>	<u>38,554,807</u>
Investments measured at NAV (a)				<u>6,494,106</u>
Investments at fair value				<u>\$ 45,048,913</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table sets forth the fair value of investments in certain funds that calculate NAV per share (or its equivalent) as of December 31, 2023 and 2022:

Investment	Fair Value		Unfunded Commitment	Redemption Frequency	Redemption Notice Period
	2023	2022			
Units of common/collective trust	<u>\$ 3,764,834</u>	<u>\$ 6,494,106</u>	<u>\$ -</u>	Immediate	12 months

Changes in fair value levels: To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another.

Plan management evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2023, there were no transfers between levels.

Note 5. Related-Party and Party-in-Interest Transactions

The Plan's investments are currently managed and administered by Fidelity, the trustee, as defined by the Plan. Therefore, these transactions qualify as party-in-interest. Fidelity also performs administrative and recordkeeping services for the Plan. The administrative expenses paid by the Plan to Fidelity were \$41,352 for the year ended December 31, 2023. The administrative expenses paid by the Plan to other service providers were \$112,479 for the year ended December 31, 2023.

Certain administrative expenses are paid by the Company on behalf of the Plan. In addition, certain administrative functions are performed by employees of the Company for which no compensation was received from the Plan.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

Note 7. Tax Status

The Plan has adopted a volume submitter plan sponsored by Fidelity Management Research Company. The Internal Revenue Service issued an opinion letter stating that the volume submitter plan was designed in accordance with applicable sections of the IRC. The volume submitter advisory opinion letter has been relied upon by the Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would be sustained upon examination. The Plan Administrator has reviewed tax positions taken by the Plan as of December 31, 2023, and concluded no uncertain tax position exists. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31, 2023 and 2022:

	2023	2022
Net assets available for benefits per the financial statements	\$ 47,491,685	\$ 45,458,245
Shares of registered investment companies	8,462	3,895
Self-directed brokerage accounts	(8,068)	(3,896)
Non-interest bearing cash	(394)	-
Company contributions receivable	(124,676)	-

Note 8. Reconciliation of Financial Statements to Form 5500 (Continued)

The following is a reconciliation of the change in net assets available for benefits per the financial statements to Form 5500 for the year ended December 31, 2023:

Change in net assets available for benefits per the financial statements	\$ 2,033,440
Company contributions	(124,675)
Net depreciation in fair value of investments	(68,329)
Administrative expenses	(1,162)
Interest and dividends	69,125
Interest income on notes receivable from participants	366
Change in net assets available for benefits per Form 5500	<u>\$ 1,908,765</u>

Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 10. Subsequent Events

Plan management has evaluated subsequent events through September 20, 2024, the date the financial statements were available to be issued.

In March 2023, the Plan sponsor of Lubrication Specialist 401(k) Plan elected to merge into the Plan effective January 1, 2024. Legal title and responsibility of net assets were transferred to the Plan. The investments and notes receivable were liquidated and transferred to the Plan in January 2024. Total assets transferred into the Plan was approximately \$741,000.
