INDEPENDENT AUDITOR'S REPORT

To the Trustees of
the SWLACHS Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Southwest Louisiana Center for Health Services Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Southwest Louisiana Center for Health Services Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Southwest Louisiana Center for Health Services Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Southwest Louisiana Center for Health Services Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Southwest Louisiana Center for Health Services Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Southwest Louisiana Center for Health Services Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets held for investment purposes for the year ended December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements (Continued)
December 31, 2023

Note 1 - Description of the Plan

The following description of the Southwest Louisiana Center for Health Services (“Company”) Retirement Plan (“Plan”) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering employees of the company who have completed three (3) months of service. It is subject to the provisions of the Employee Retirement Income Security Act (ERISA).

Contributions

The plan allows participants to defer from up to 100% of eligible compensation as defined in the Plan on a pre-tax basis. The Internal Revenue Code limits the amount a participant is permitted to contribute to the plan to the lesser of 100% or \$22,500 for 2023. Total contributions may not exceed the limits of the plan.

Participants who will be at least age 50 by the end of the Plan year may elect to make “catch-up” contributions, not to exceed an additional deferral of \$7,500 in 2023 (subject to adjustment in future years).

Effective January 1, 2023, the Plan is referred to as a “safe harbor 401(k) plan”. In order to maintain safe harbor status, the employer will make a safe harbor matching contribution to the participating employee’s account equal to 100% of the participating employee’s salary deferrals up to six percent (6%) of the participating employee’s compensation. The Company may also make a discretionary matching contribution to the participating employee’s account equal to a discretionary percentage, to be determined by the Employer for each plan year. In 2023, the employer made discretionary matching contributions equal to the percentage of participant’s compensation deferred up to one percent (1%) of deferred participant compensation.

Vesting

The balance in each participant's account that is attributable to his own contributions shall be fully vested at all times.

The vested portion of the participant's account attributable to employer contributions shall be based on the number of years of service as of the date of termination of employment as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Notes to Financial Statements (Continued)
December 31, 2023

Note 1 - Description of the Plan (Continued)

Benefit Payments

Upon the participant's retirement, the administrator shall take the steps necessary to distribute to the participant the value of his account. If the participant's vested account balance exceeds \$5,000, the participant is not required to take a payment from the Plan. An election may be made to rollover to a qualified plan, or the distribution shall be in a lump-sum payment or non-recurring partial payments.

If the participant's vested account balance does not exceed \$5,000, no benefit distribution consent is required upon termination and the distribution will be in the form of a single lump-sum payment or rollover to a qualified plan.

As of December 31, 2023 and 2022, there were no amounts allocated to participants for unpaid benefit payments.

Forfeitures

Forfeited non-vested amounts that occur during the normal operation of the Plan reduce employer obligations for future or current contributions. The Plan had \$40,522 in forfeitures during the year and the gain on the forfeitures totaled \$883. Forfeitures in the amount of \$-0- were used to reduce the employer's obligation during the year. The Plan had \$41,405 in unallocated forfeitures as of December 31, 2023. The Plan had \$-0- in unallocated forfeitures as of December 31, 2022.

Investment Options

Participants of the Plan self-direct the investments in their participant accounts. The Plan offers different investment options with varying levels of risk for the participant to choose from.

Note 2 - Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contribution, forfeitures of terminated participant's non-vested accounts, and the participant's share of Plan income.

Concentrations of Credit Risk

Financial instruments, which potentially subject the Plan to concentration of credit risk, consisted principally of exchange-traded funds and money market funds.

Note 2 - Summary of Significant Accounting Policies (Continued)

Valuation of Investments

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 8 for discussion of fair value measurements. The Ascensus Trust Company has provided the fair values as of December 31, 2023 and 2022.

Net appreciation/depreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Limited Scope - Certified Information

The Ascensus Trust Company holds all of the Plan's investment assets and executes investment transactions therein. Financial information relating to the assets is included in the accompanying financial statements and schedule and is based on information provided by The Ascensus Trust Company. The Plan administrator has instructed the independent public accountants not to examine the information certified as complete and accurate by the custodian. The custodian's certification applies to substantially all Plan assets and transactions for the dates presented.

The Ascensus Trust Company certification applies to all investments, participant loans and the Statement of Assets Held for Investment Purposes.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

Expenses Paid by Employer Sponsor

The employer sponsor paid for various administrative fees on behalf of the Plan during the year.

Note 3 - Plan Termination

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, employees become 100% vested in their accounts.

Note 4 - Notes Receivable From Participants

Upon written application by any participant the trustee may make a loan to such participant. The trustees must make loans available in a uniform nondiscriminatory manner.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

All loans made to participants by the Plan must be adequately secured by the balance in the participant's account and bear a reasonable rate of interest equal to the interest rate then being charged for similar types of loans by commercial banks. Principal and interest are paid ratably through monthly payroll deductions.

The amount of any loan made by the Plan to a participant is limited to the lessor of \$50,000 reduced by the excess, if any, of your highest outstanding balance of loans from the Plan during the one-year period ending on the day before the date of the new loan over your current outstanding balance of loans as of the date of the new loan; or \$50,000.

Note 5 - Tax Status

The IRS has determined and informed the plan sponsor by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRS and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

The Plan's Forms 5500, *Annual Return/Report of Employee Benefit Plan*, are subject to examination by the IRS, generally for three years after they are filed.

Note 6 - Risks and Uncertainties

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 7 - Information Prepared and Certified by Trustee

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustee, The Ascensus Trust Company has provided fair values as of December 31, 2023 and 2022.

	December 31,	
	2023	2022
Cash	\$ -0-	\$ 49
Money market fund	63,328	6,151
Exchange-traded funds	5,289,050	4,122,873
Loans to participants	110,884	73,904
	<u>\$ 5,463,262</u>	<u>\$ 4,202,977</u>
	Year Ended December 31, 2023	
Interest Income – participant loans	\$ 7,050	
Dividends and interest	\$ 107,030	

During 2023, the net appreciation (including gains and losses on investments bought and sold, as well as held during the year) in fair value of exchange-traded funds was \$668,966.

Note 8 - Fair Value Measurements

Financial Accounting Standards Board (FASB) Codification No. 820-10, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 Measurements) and the lowest priority to unobservable inputs (level 3 Measurements). The three levels of the fair value hierarchy under FASB Codification No. 820-10 are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2

Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Note 8 - Fair Value Measurements (Continued)

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement. The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Cash: The Plan considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

Money Market Fund: The carrying value approximates fair value. Money Market funds are valued on a daily basis at the net asset value ("NAV") using the amortized cost of the securities held in the fund.

Exchange-Traded Funds: Valued at quoted market prices at plan year end. Cost is valued at the net asset value of the fund's assets minus its liabilities, as calculated by the fund at the end of each business day. A complete description of the valuation method used by the underlying Fund may be found in the underlying Fund's prospectus.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2023 and 2022:

Assets at Fair Value as of December 31, 2023

	Level 1	Level 2	Level 3	Total

Note 9 - Related Party Transactions

Certain Plan investments held during the plan year were investments managed by the Ascensus Trust Company. The Ascensus Trust Company was also the investment custodian as defined in the Plan. Therefore, these transactions qualified as party-in-interest transactions.

Note 10 - Excess Contributions Refundable

The Plan is subject to certain non-discrimination rules under ERISA and the Internal Revenue Code. For the Plan year ended December 31, 2022, the Plan failed non-discrimination tests under the Code due to lower contribution percentages by non-highly compensated eligible employees relative to the contribution percentages of highly compensated participants. The refunds totaled \$54,835 for the year ended December 31, 2022. The refund is recorded as "Excess contributions payable to participants" in the Statements of Net Assets Available for Benefits and included in the "Benefits paid to participants" on the Statement of Changes in Net Assets Available for Benefits.

Note 11 - Subsequent Events

The Plan evaluated its December 31, 2023 financial statements for subsequent events through the date of the audit report, the date the financial statements were available to be issued. The Plan is not aware of any subsequent events which would require recognition or disclosure in the financial statements.

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions.)

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)

b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)

c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)

d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)

e Was this plan covered by a fidelity bond?

f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?

g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?

h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?

i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)

j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)

k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?

l Has the plan failed to provide any benefit when due under the plan?

m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)

n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☐ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year
