We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Gehring Tricot Corp. 401(k) Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Gehring Tricot Corp. 401(k) Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Gehring Tricot Corp. 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Gehring Tricot Corp. 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matter – Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

GEHRING TRICOT CORP. 401(K) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF PLAN

The following description of the Gehring Tricot Corp. 401(k) Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a 401(k) salary reduction plan covering substantially all of the employees of Gehring Tricot Corp. and its wholly-owned subsidiaries ("Company" or "Plan Sponsor") who meet certain eligibility requirements. Employees are eligible for enrollment provided they are not less than 18 years of age and were continuously employed for 60 days. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 100% of pre-tax annual compensation up to a maximum calendar year limit, as defined by the Internal Revenue Code (IRC).

The Company makes a safe harbor matching contribution equal to 100% of the employee's salary deferral up to 3% of their compensation, plus 50% of the employees' salary deferral between 3% and 5% of their compensation.

The Plan Sponsor may also make matching contributions equal to a discretionary percentage, to be determined by the Executive Committee of the Plan Sponsor, of the participant's salary reductions. In addition, the Plan Sponsor, at its discretion, may make a Qualified Non-Elective Contribution. Contributions are subject to certain limitations. For the years ended December 31, 2023 and 2022, the Plan Sponsor determined there would be no discretionary contributions.

Participant Accounts

Each participant's account is credited with (a) the participant's contribution (b) the employer safe harbor match (c) allocation of the Company's discretionary contribution and (d) allocation of Plan earnings (losses). Plan earnings (losses) are allocated based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their deferral contributions, safe harbor contributions, and rollover contributions, plus actual earnings (losses) thereon. Vesting in the Company's discretionary contribution portion of their accounts plus actual earnings (losses) thereon is based on a graded ratable vesting schedule with 100% vesting after 5 years of service.

Investment Options

The Plan entered into a custodian agreement with NBT Bank, whereby the custodian directs contributions, in accordance with the participants' elections, into a choice of twenty (20) investment options including mutual funds and a collective investment trust.

Participants may change their investment options and transfer funds amongst investments daily.

1. DESCRIPTION OF PLAN (Continued)

Payment of Benefits

On termination of service, a participant will receive an amount equal to the value of the participant's vested interest in his or her account in a qualified joint and survivor annuity, unless the participant elects to receive the amount in a lump sum, installment arrangement, or life annuity.

Prior to termination of service, participants may elect disbursement of all or part of their vested account balance upon the attainment of age 59 ½. Participants may also withdraw any of their rollover contribution balance at any time.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Loan transactions are treated as a participant-directed investment. Loans are to be amortized over a period not to exceed 5 years, except for the purchase of a primary residence which may be longer than 5 years. The loans are secured by the vested balance in the participant's account and bear interest at a reasonable rate determined at the time of the loan.

Forfeitures

Forfeitures of a terminated participant's nonvested account balance will occur as of the earlier of (1) the last day of the plan year in which the former participant incurs five consecutive 1-year breaks in service or (2) the distribution of the entire vested portion of the participant's account.

Forfeitures may be used to reduce employer contributions. As of December 31, 2023 and 2022, the balance of forfeited nonvested accounts available to be used to reduce future employer contributions was \$4,425 and \$4,299, respectively. For each of the years ended December 31, 2023 and 2022, forfeitures used to reduce employer contributions were \$0.

Administrative Expenses

The majority of Plan administrative expenses are paid by the Plan. The primary administrative expenses incurred for 2023 and 2022 were investment advisory/management fees and professional fees.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as accounts payable, with a corresponding reduction to contributions received from participants.

Risks and Uncertainties

The Plan provides for various investment options in a variety of investment securities. Investment securities are exposed to various risks, such as interest rate risk, financial market risk and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amount reported in the statements of net assets available for benefits.

Payment of Benefits

Benefits to participants are recorded when paid.

Financial Instruments Measured at Fair Value

The Plan has financial instruments which are recorded at fair value in the accompanying statements of net assets available for benefits. The Plan makes estimates regarding the valuation of assets and liabilities measured at fair value in the financial statements. These assets and liabilities include the investments in mutual funds. The collective investment trust is measured using the net asset value (NAV) per share practical expedient as determined by the issuer based on the current fair values of the underlying assets of the fund as of December 31, 2023 and 2022.

Fair Value Measurements - Definition and Hierarchy

The Plan uses various valuation techniques in determining fair value and classifies assets into a three-level hierarchy based on the nature of the inputs. Level 1 valuations are based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access. Level 2 valuations are based on inputs, other than quoted prices included within Level 1 that are observable either directly or indirectly. Level 3 valuations are based on inputs that are unobservable and significant to the overall fair value measurement. The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Financial Instruments Measured at Fair Value (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the net asset value of shares held by the Plan at year end based on quoted prices in active markets.

Collective investment trust: Valued based on the fair value using the NAV practical expedient as determined by the issuer based on the current fair values of the underlying assets of the fund.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

3. FAIR VALUE MEASUREMENTS

At December 31, 2023, the Plan's investments are measured at fair value on a recurring basis and are valued within the fair value hierarchy as follows:

	Fair Value Measurements at the End of the Reporting Period Using:			<u>Total</u>
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Other Observable Inputs (Level 2)	Unobservable Inputs (Level 3)	
Mutual funds	<u>\$ 9,093,991</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 9,093,991
Investments measured at net asset value as a practical expedient				<u>633,519</u>
Total investments, at fair value				<u>\$ 9,727,510</u>

3. FAIR VALUE MEASUREMENTS (Continued)

At December 31, 2022, the Plan's investments are measured at fair value on a recurring basis and are valued within the fair value hierarchy as follows:

	Fair Value Measurements at the End of the Reporting Period Using:			<u>Total</u>
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Other Observable Inputs (Level 2)	Unobservable Inputs (Level 3)	
Mutual funds	<u>\$ 8,419,554</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 8,419,554
Investments measured at net asset value as a practical expedient				<u>566,833</u>
Total investments, at fair value				<u>\$ 8,986,387</u>

In accordance with ASC 820, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Investments Measured using the Net Asset Value per Share Practical Expedient

The following tables summarize investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2023 and 2022. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2023</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Eligible)</u>	<u>Redemption Notice Period</u>
Collective investment trust	\$ 633,519	N/A	Daily	Daily
<u>December 31, 2022</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Eligible)</u>	<u>Redemption Notice Period</u>
Collective investment trust	\$ 566,833	N/A	Daily	Daily

3. FAIR VALUE MEASUREMENTS (Continued)

Investments Measured using the Net Asset Value per Share Practical Expedient (Continued)

The collective investment trust is a stable value fund with an intended purpose of providing stable principal and high current income. Investments in this fund include guaranteed investment contracts (GICs), separate account guaranteed investment contracts (SGICs), synthetic guaranteed investment contracts (SICs), money market mutual funds and other stable value products. The collective investment trust seeks to avoid excessive yield volatility and unnecessary net asset value risk.

4. PARTY-IN-INTEREST TRANSACTIONS

The Plan has allowed employees who are participants to receive notes receivable under specific circumstances. The borrowing transactions and notes receivables qualify as party-in-interest transactions.

5. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN

The following information included in the financial statements and accompanying supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the custodian, NBT Bank, as of and for the years ended December 31:

	<u>2023</u>	<u>2022</u>
Investments, at fair value	\$ 9,727,510	\$ 8,986,387
Net appreciation (depreciation) in fair value of investments	\$ 1,178,408	\$ (1,679,260)
Interest and dividends	\$ 156,431	\$ 115,367

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

7. INCOME TAX STATUS

The Plan is designed from a prototype plan offered by EPIC Advisors, Inc. The Internal Revenue Service has determined and informed EPIC Advisors, Inc., by letter dated June 30, 2020, that the written form of the underlying prototype plan document is acceptable under Section 401 of the Internal Revenue Code (IRC) for use by employers for the benefit of their employees. The Plan has not applied for its own determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC.

8. SUBSEQUENT EVENTS

Subsequent events have been evaluated through September 27, 2024, which is the date the financial statements were available to be issued.
