As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedules of Form 5500, Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ENKI HEALTH SERVICES, INC. 401(K) PROFIT SHARING PLAN

Notes to Financial Statements

December 31, 2023

NOTE 1 - PLAN DESCRIPTION AND RELATED INFORMATION

The following description of the Enki Health Services, Inc.'s (the "Company") 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all employees (the "Participants") of the Company, except members of a collective bargaining unit and leased employees. Eligibility for elective contributions requires six (6) months of completed service and the employee to be at least 18 years of age or older. To be eligible for safe harbor non-elective contributions, an employee must have completed twelve (12) months of service (with a minimum of 1,000 hours during the period) and be 18 years of age or older. To be eligible for profit sharing, an employee must meet the non-Safe-Harbor non-elective eligibility requirement and be employed at the last day of the plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Administrative Committee is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Trustees.

Administration of Plan Assets - The Company administers the Plan. The Plan's investment assets are held by Charles Schwab Trust Bank, the trustee of the Plan (the "Trustee").

The Company out-sources the recordkeeping function to Schwab Retirement Plan Services, Inc. The Company absorbs all administrative costs related to the Plan. Investment related expenses are included in net asset appreciation (depreciation) of fair value of investments.

Employee Contributions - Participants may elect to defer up to 70% of their pre-tax annual compensation, as defined by the Plan, not to exceed the maximum allowed under appropriate provisions of the Internal Revenue Code ("IRC"). For the year ended December 31, 2023, employees can defer up to \$22,500. This amount increases to \$23,000 for the year ending December 31, 2024. Effective February 1, 2023, the Plan was amended to allow participants to make Roth elective deferrals. Participants may also contribute amounts representing rollovers, including Roth rollovers, from other qualified plans. After-tax voluntary employee contributions are not permitted.

Participants who are age 50 or older may make catch-up contributions to the Plan up to maximum amount limited by the Internal Revenue Service ("IRS"). For the year ended December 31, 2023, this additional catch-up contribution is \$7,500. This amount will stay the same for the year ending December 31, 2024.

Employer Contributions - As of January 1, 2023, and thereafter, the Plan discontinued the safe harbor matching contributions. The Plan is now subject to the annual non-discrimination testing. The IRS allows an employer to make an additional contribution to the Non-Highly Compensated Group (NHCE) group to help pass the Actual Deferral Percentage (ADP) non-discrimination test. This contribution is called a Qualified Non-Elective Contribution (QNEC) if allocated based on compensation, or a Qualified Matching Contribution (QMAC) if allocated based on deferrals. This contribution must be 100% vested and is subject to the withdrawal restrictions applicable to salary deferrals.

For the year ended December 31, 2023, the Company elected to satisfy the non-discrimination testing by making a QNEC in the amount of \$159,206, which was funded to the Plan in May 2024.

NOTE 1 - PLAN DESCRIPTION AND RELATED INFORMATION - (CONTINUED)

Employer Contributions - In addition, the Company, on a discretionary basis, may make non-elective profit-sharing contributions to the Plan. For the year ended December 31, 2023, the Company did not make a non-elective profit-sharing contribution.

Investment Options - Participants direct the investment of all contributions into the various investment options that are offered by the Plan. The Plan currently offers approximately 23 registered investment companies as investment options. The Plan also offers a common collective trust that provides a stable value investment option. Participants may change their investment allocation at their discretion. The shares of the mutual funds (and investments in the common collective trust) are purchased at the direction of Participants through salary deferral and rollovers, Company non-elective contributions, and investment income reinvestments. Additionally, shares of the funds are sold whenever a participant withdraws from the Plan or transfers account balances among the funds.

Participants Accounts - Each Participant's account is increased or decreased by the Participant's contributions, distributions, and allocations of: (a) the Company's contribution, and (b) Plan earnings, losses, and administrative expenses. Allocations are based on Participant earnings or account balances, as defined in the Plan agreement. The benefit to which a Participant is entitled is the benefit that can be provided from the Participant's vested account.

Participant Loans - The Plan does not permit participant loans.

Vesting - Participants are immediately vested in their elective deferral contributions and QNEC contributions and earnings thereon. However, vesting of the profit-sharing contribution, plus earnings thereon, is based upon the participant's years of services as follows:

<u>Years of Service</u>	<u>% Vested</u>
Less than 2	0
2	20
3	50
4	80
5	100

Additionally, the Plan may temporarily stop new contributions and withdrawals for several reasons, in which case the plan is frozen (i.e., change in 401(k) providers). As such, the vested interest in the participant's frozen non-safe harbor matching contribution account is determined by the same vesting schedule above. Any part of this account which is not vested will be forfeited when the participants receive a distribution or after the participants incur five consecutive breaks in vesting service, if earlier. Forfeitures may be used to reduce other employer contributions.

Payment of Benefits - A Participant may withdraw funds from the Plan upon the occurrence of certain events including, but not limited to, retirement, death, disability, or termination of employment. Upon termination, if a participant's vested account balance is less than \$5,000, a lump sum payment will be made within a reasonable time if the Participant has not already elected to receive a lump sum distribution or direct rollover. If the value exceeds \$5,000, the funds will remain in the Plan until a written request for distribution is submitted by the Participant. The Plan permits hardship distributions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (US GAAP).

Use of Estimates - The preparation of financial statements, in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of the shares are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends from the mutual funds are recorded when reported by the registered investment companies. Security transactions are accounted for on the date securities are purchased or sold (trade date). Net realized and unrealized gains and losses are recorded in the accompanying financial statements as net appreciation / depreciation in fair value of investments. Contributions are invested on payroll dates and accrued if applicable.

Benefit Payments - Benefit payments are recorded when paid. There were no benefit payments payable to participants who have withdrawn from participation in the Plan as of December 31, 2023.

Administrative Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to processing participant distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included as part of net depreciation in fair value of investments on the statement of changes in net assets available for benefits.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (CONTINUED)

Risks and Uncertainties - The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Subsequent Events - Subsequent events have been evaluated through September 13, 2024, the date the financial statements were available to be issued.

NOTE 3 - INVESTMENTS AND INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information certified by the trustee as complete and accurate to the best of their knowledge, except for comparing such information certified by the trustee to information included in the Plan's financial statement and supplemental schedule.

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that was prepared and certified to be complete and accurate by the Charles Schwab Trust Bank as of December 31, 2023 and 2022:

	<u>2023</u>	<u>2022</u>
Investments at fair value	<u>\$ 18,075,623</u>	<u>\$ 16,763,311</u>

NOTE 4 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB 820 are described as follows:

Level 1 - Quoted market prices in active markets for identical assets or liabilities.

Level 2 - Observable inputs other than quoted market prices included in Level 1, such as quoted prices of similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets and liabilities. This includes certain pricing models, discounted cash flow methodologies and similar techniques that use significant observable inputs.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used on December 31, 2023 and 2022.

Mutual funds: Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust: Common / collective trusts are valued at net asset value ("NAV") as reported by the funds, which is reported at fair value. The value of each unit is determined by subtracting total liabilities from the total value of the assets, including accrued income, and dividing the amount remaining by the number of units outstanding on the valuation date. There are no restrictions as to the redemption of these investments nor does the Plan have any contractual obligations to further invest in any of these funds. The NAV is a quoted price in a market that is not active and classified within Level 2 of the valuation hierarchy.

NOTE 4 - FAIR VALUE MEASUREMENTS – (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

		Fair Value Hierarchy		
	Total	Level 1	Level 2	Level 3
<u>December 31, 2023</u>				
Mutual funds	\$ 17,611,585	\$ 17,611,585	\$ -	\$ -
Common collective trusts	464,038	-	464,038	-
	<u>\$ 18,075,623</u>	<u>\$ 17,611,585</u>	<u>\$ 464,038</u>	<u>\$ -</u>
<u>December 31, 2022</u>				
Mutual funds	\$ 15,881,070	\$ 15,881,070	\$ -	\$ -
Common collective trusts	882,241	-	882,241	-
	<u>\$ 16,763,311</u>	<u>\$ 15,881,070</u>	<u>\$ 882,241</u>	<u>\$ -</u>

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE 6 - TAX STATUS

The Plan, as amended, has not requested a determination letter from the Internal Revenue Service stating that the Plan follows the applicable requirements of the IRC. However, the prototype non-standardized plan agreement on which the Plan is designed has obtained an opinion letter from the Internal Revenue Service stating that the prototype non-standardized plan follows the applicable requirements of the IRC. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan is qualified, and the related trust is tax-exempt as of the financial statement date. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

US GAAP require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service.

The Plan's Forms 5500, *Annual Return/Report of Employee Benefit Plan* is subject to routine audits by taxing jurisdictions generally for three years after they were filed. There are currently no audits for any tax periods in progress.

NOTE 7 - TRANSACTIONS WITH PARTIES-IN-INTEREST

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan. Certain Plan investments are managed by Charles Schwab Trust Bank, the trustee of the Plan during the year ended December 31, 2023. The Plan paid \$2,973 in Plan administration fees to Schwab Retirement Plan Services, Inc., the Plan's third-party administrator and record-keeper. The Company paid certain administrative expenses of the Plan, including audit fees. These transactions qualify as party-in-interest transactions for which a statutory exemption exists.
