The Participants and Plan Administrator
Madison Medical 401(k) Plan
Chicago, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit on the 2023 Financial Statements

We have performed an audit of the financial statements of Madison Medical 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2023, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2023 Financial Statements* section of our report:

- the amounts and disclosures in the accompanying 2023 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying 2023 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2023 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current Plan instrument, including all Plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the Participants, to determine the benefits due or which may become due to such Participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2023 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2023 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2023 Supplemental Schedules Required by ERISA

The 2023 supplemental schedules, Schedule H, Line 4a - schedule of delinquent participant contributions for the year ended December 31, 2023, and Schedule H, Line 4i - schedule of assets (held at end of year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the 2023 financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2023 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2023 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2023 financial statements or to the 2023 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedules agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – 2022 Financial Statements

The financial statements of the Plan as of December 31, 2022, were audited by predecessor auditors. Management, having determined it was permissible in the circumstances, elected to have the audit of the 2022 financial statements performed by the predecessor auditors in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Their report, dated September 19, 2023, indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified information, are presented fairly, in all material respects, in accordance with GAAP, and (b) the certified investment information in the 2022 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Madison Medical 401(k) Plan

Notes to Financial Statements

1. Description of the Plan

The following brief description of the Madison Medical 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General

The Plan is a defined contribution plan sponsored by Madison Medical Corporation (the Company) to provide deferred tax benefits, savings, and Company contributions to eligible employees. The Plan was adopted effective January 1, 2015, and was restated as of February 19, 2023. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

As a result of the February 19, 2023 restatement, Daavlin Distributing Co. became a participating employer in the Plan. Additionally, the Daavlin Distributing Co. Profit Sharing Plan and Trust was merged into the Plan effective February 19, 2023, and \$1,738,870 of funds were transferred into the Plan.

Eligibility

The Plan covers all employees of the Company, who are 18 years of age and have 1 month of service. Eligible Participants may enter the Plan immediately following satisfactory completion of the eligibility requirements.

Contributions

Each year, Participants may contribute a percentage of pretax annual compensation, as defined in the Plan document, between 1% and up to the maximum limits of the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants also may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company may contribute a discretionary matching contribution. During 2023, the Company provided a discretionary match of 50% of the first 6% of base compensation that a Participant contributes to the Plan.

Participant Accounts

Each Participant's account is credited with the Participant's contributions and Company matching contributions, as well as allocations of the Company's profit-sharing contributions and Plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings (losses), account balances, or specific Participant transactions, as defined. The benefit to which a Participant is entitled is the benefit that can be provided from the Participant's vested account.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$2,500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the vested balance in the Participant's account. The loan interest rate, determined monthly, is set at 1% above the prime rate, as defined. Principal and interest are paid ratably through monthly payroll deductions. Loan terms range from one to five years or can be longer for the purchase of a primary residence.

1. Description of the Plan (cont.)

Payment of Benefits

Benefits may be paid to the Participant or beneficiary upon death, disability, retirement, or termination of employment, as defined in the Plan document. The Plan provides for a normal retirement age of 65. In-service distributions are allowed from a portion of the Participant's account, upon reaching the age of 59½. The total vested portion of a Participant's account balance is distributed in the form of a lumpsum payment or installments. Participants experiencing financial hardship may withdraw a portion of their vested account balance, as defined in the Plan document.

Vesting

Participants are vested immediately in their contributions and rollovers, plus actual earnings thereon. Vesting in the Company's discretionary matching contribution portion of their accounts is based on years of continuous service. A Participant is 20% vested after one year of credited service and continues to vest in increments of 20% until 100% vested after five years of credited service.

Forfeitures

Forfeited balances of terminated Participants' non-vested accounts are used to either reduce future employer contributions and/or to pay certain Plan expenses. At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$24,859 and \$22,144, respectively. During the year ended December 31, 2023, \$9,772 were used to reduce the Company's contributions and \$325 were used to pay administrative expenses.

Plan Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from Participants are charged directly to the Participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation in fair value of investments.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting. The Plan follows accounting standards set by the Financial Accounting Standards Board (FASB). The FASB sets accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income (Loss) Recognition

The investments of the Plan are reported at fair value with the exception of the fully benefit-responsive investment contract, which is recorded at contract value. Contract value is the relevant measurement for that portion of the net assets available for benefits because contract value is the amount Participants normally would receive if they initiate permitted transactions under the terms of the Plan.

Notes to Financial Statements

2. Summary of Significant Accounting Policies (cont.)

Investment Valuation and Income (Loss) Recognition (cont.)

The fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market Participants at the measurement date (the exit price). The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodian and insurance company.

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions from Plan Participants and the matching contributions from the Company are recorded in the year in which the employee contributions are withheld from compensation.

Notes Receivable from Participants

Notes receivable from Participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a Participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefit payments to Participants are recorded upon distribution.

3. Certified Information

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Annuity Insurance Company of America and Empower Trust Company, LLC (collectively, Empower), has certified that the financial information included in the financial statements and supplemental schedule as of December 31, 2023 and 2022, and for the year ended December 31, 2023, provided to the Plan is complete and accurate. The information as to investment assets and transactions therein, and investment income (loss) included in the accompanying financial statements and supplemental schedule as of December 31, 2023 and 2022, and for the year ended December 31, 2023, is covered by such certification.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

4. Group Annuity Contract

The guaranteed portfolio fund is a fully benefit-responsive guaranteed investment contract with Empower Annuity Insurance Company of America (Empower Annuity). Empower Annuity maintains the contributions in a general account. The account is credited with earnings (losses) on the underlying investments and charged for Participant withdrawals and administrative expenses. The contract is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The interest crediting rate is reset quarterly.

4. Group Annuity Contract (cont.)

As described in Note 2, because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by Empower Annuity, represents contributions made under the contract, plus earnings (losses), less Participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest is based on a formula agreed upon with the issuer but may not be less than 0%. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provision, (3) bankruptcy of the Company or other Plan sponsor events that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include a) an uncured breach of the Plan's investment guidelines, b) a material amendment to the contract without the issuer's consent, c) a violation of a material obligation under the contract, or d) a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Participants are probable of occurring.

5. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs in which little or no market data exists (Level 3 measurements). The three levels of the fair value hierarchy under GAAP are described below:

Basis of Fair Value Measurements

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Madison Medical 401(k) Plan

Notes to Financial Statements

5. Fair Value Measurements (cont.)

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of a different methodology or assumption to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2023 and 2022.

<i>December 31, 2023</i>	Level 1		Level 2		Level 3		Total
Mutual funds	\$	9,188,980	\$	-	\$	-	\$ 9,188,980
Total investments at fair value	\$	9,188,980	\$	-	\$	-	\$ 9,188,980

<i>December 31, 2022</i>	Level 1		Level 2		Level 3		Total
Mutual funds	\$	4,852,172	\$	-	\$	-	4,852,172
Total investments at fair value	\$	4,852,172	\$	-	\$	-	4,852,172

6. Tax Status

The Plan is based on a Non-Standardized Pre-Approved Profit Sharing/Money Purchase Plan with CODA (Pre-Approved Plan) sponsored by Empower Retirement LLC, which received an opinion letter from the Internal Revenue Service (IRS) dated November 14, 2022, stating that the Pre-Approved Plan was designed in accordance with the provisions of the IRC. Although the Plan has been amended since the date of the opinion letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and therefore, believes that the Plan is qualified, and the related trust is tax exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Risks, Uncertainties and Concentrations

The Plan's investments include funds which invest in various types of investment securities and in various companies within various markets. Investment securities are exposed to several risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the Plan's statement of net assets available for benefits.

At December 31, 2023, approximately 20% of the Plan's investments were invested in the iShares S&P 500 Index K Fund.

8. Plan Termination

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan termination, Participants would become 100% vested in their Company contributions.

Madison Medical 401(k) Plan

Notes to Financial Statements

9. Party-In-Interest Transactions

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Company, and certain others. The recordkeeping and custody functions for the underlying investments held by the Plan are performed by Empower. Usual and customary fees were paid for investment management services. Notes receivable from Participants are also defined by ERISA as party-in-interest transactions. Such transactions are exempt from the prohibited transaction rules.

10. Delinquent Participant Contributions

Employee withholdings of \$4,475 and \$172 were not remitted within the appropriate time period by the Company for the years ending December 31, 2023 and 2022, respectively. The Company remitted the 2022 delinquent contributions and any applicable lost earnings to the Plan during 2023. The 2023 delinquent contributions were remitted to the Plan during 2023, and the Company plans to fund the related lost earnings during 2024. These transactions constituted prohibited transactions as defined by ERISA.

11. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of the net assets available for benefits per the financial statements at December 31, 2023 and 2022, to the Schedule H of the Form 5500:

	2023	2022
Net assets available for benefits per the financial statements	\$ 9,298,418	\$ 5,182,427
Less: Employee contributions receivable	(8,910)	(172)
Less: Employer contributions receivable	(3,027)	(1,041)
Plus: Excess contributions payable	38,265	10,530
Net assets available for benefits per Schedule H of the Form 5500	\$ 9,324,746	\$ 5,191,744

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements for the year ended December 31, 2023, to the net income per the Schedule H of the Form 5500:

	2023
Net increase in net assets available for benefits per financial statements	\$ 2,377,121
Less: Current year employee contributions receivable, net	(8,738)
Less: Current year employer contributions receivable, net	(1,986)
Plus: Current year excess contributions payable, net	27,735
Net income per Form 5500	\$ 2,394,132

12. Excess Contributions Payable

Amounts payable to Participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2022 excess contributions to the applicable Participants during 2023, and the 2023 excess contributions during 2024.

13. Subsequent Events

The Plan has evaluated subsequent events through September 30, 2024, the date the financial statements were available to be issued, and has determined that, except for the matters noted below, no significant events occurred after December 31, 2023, but prior to the issuance of these financial statements, that would have a material impact on its financial statements.
