INDEPENDENT AUDITOR'S REPORT

To the Annuity Board of the
NFL Player Annuity Program

Opinion

We have audited the accompanying financial statements of the NFL Player Annuity Program (the Program), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Program as of December 31, 2023 and 2022, and the changes in net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Program and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Program's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

MITCHELL TITUS

Management is also responsible for maintaining a current Program instrument, including all Program amendments, administering the Program, and determining that the Program's transactions are presented and disclosed in the financial statements are in conformity with the Program's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Program's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Program's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of investment and administrative expenses for the years ended December 31, 2023 and 2022, the schedule of assets (held at end of year) as of December 31, 2023, schedule of assets (acquired and disposed of within year) for the year ended December 31, 2023, and the schedule of reportable transactions for the year ended December 31, 2023, are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Program's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements taken as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 DESCRIPTION OF THE PROGRAM

The following description of the NFL Player Annuity Program (the "Program") provides only general information. Participants should refer to the Program documents for a more complete description of the Program's provisions. Capitalized terms have the meaning provided for in the Program documents.

General

The Program was established in 1998 pursuant to a Collective Bargaining Agreement ("CBA") between the NFL Management Council ("NFLMC") and the NFL Players Association ("NFLPA") in order to provide deferred compensation to eligible Players. Originally, all Club contributions on behalf of eligible Players were taxable income to Players when made. In 2006, the Program was amended to add the NFL Player Tax-Qualified Annuity Plan ("Tax-Qualified Annuity"). As a result, Players can have balances in two accounts within the Program:

- A nonqualified account that contains after-tax amounts, and is adjusted for investment experience and expenses ("Nonqualified Annuity"); and
- A qualified account that contains pre-tax amounts contributed after 2005, and is adjusted for investment experience and expenses.

The Program documents were further amended and restated at various times to reflect new Program terms and provisions.

The key features of the Program for the Plan Year ended December 31, 2023 are summarized below.

Qualified Additions

A qualified addition is an amount contributed to the Tax-Qualified Annuity of the Program. Players are not taxed when a Qualified Addition is contributed.

Eligible Players receive a Qualified Addition in accordance with the following tables:

2022 Through 2030 Annuity Years

Number of Credited Seasons	Qualified Additions
1	$0
2	$2,500
3	$2,500
4 or more	Maximum Qualified Addition

The term "Credited Season" has the same meaning as Credited Season under the Bert Bell/Pete Rozelle NFL Player Retirement Plan.

NOTE 1 DESCRIPTION OF THE PROGRAM *(continued)*

2022 Through 2030 Annuity Years *(continued)*

The "Maximum Qualified Addition" is the lesser of (a) the limit in Section 415(c)(1)(A) of the Code (reduced, if necessary, so that all Contributions to the Program are deductible under Code Section 404 by the Employers) for an Annuity Year, or (b) the following amount:

Annuity Years	Amount
2022	$48,000
2023 – 2030	$55,000

Nonqualified Allocation

An eligible Player who earns a Credited Season and who then has a total of four or more Credited Seasons will receive a gross Nonqualified Allocation in accordance with the table below, except that a Nonqualified Allocation in a Player's fourth season will be reduced by the sum of the Qualified Additions and CAP contributions (in the NFL Player Capital Accumulation Plan) made on behalf of that Player prior to his fourth Credited Season:

Annuity Year	Number of Credited Seasons	Nonqualified Allocation
2022	4 5 or more	$37,000* $37,000
2023	4 5 or more	$23,000* $23,000
2024	4 5 or more	$37,000* $37,000
2025	4 5 or more	$33,000* $33,000
2026	4 5 or more	$46,000* $46,000
2027	4 5 or more	$40,000* $40,000
2028	4 5 or more	$53,000* $53,000
2029	4 5 or more	$49,000* $49,000
2030	4 5 or more	$42,000* $42,000

* As noted above, the Nonqualified Allocation received by Players in their fourth Credited Season will be reduced by the Qualified Additions and CAP contributions (in the NFL Player Capital Accumulation Plan) received by these Players in prior Annuity Years.

NOTE 1 DESCRIPTION OF THE PROGRAM *(continued)*

Vesting

Generally, Players are 100% vested in their qualified accounts when they have earned three Credited Seasons. Players are always 100% vested in their nonqualified accounts.

Payment of Benefits

Nonqualified Annuity: A former Player with a vested account balance may elect to receive a distribution at any time after the earlier of (a) five years after the end of the Annuity Year in which he earned his last Credited Season, or (b) age 45. Distributions to participants are made by The Bank of New York Mellon, the Trustee of the Program.

Tax-Qualified Annuity: A former Player with a vested account balance may elect to receive a distribution at any time after the earlier of (a) attainment of age 35 and five years after the end of the Annuity Year in which he earned his last Credited Season, or (b) age 45. The Tax-Qualified Annuity provides for the automatic rollover or cash out of certain participant accounts of $5,000 or less, and contains administrative rules for such distributions.

Administrative Expenses

The Program's expenses are paid by the Program as provided by the Program document. Certain expenses incurred in connection with the general administration of the Program, which are paid by the Program, are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation of fair value of investments presented in the accompanying statement of changes in net assets available for benefits.

Unless paid by other entities, administrative expenses of the Nonqualified Annuity of the Program and the Tax-Qualified Annuity are paid by contributions from the Member Clubs. Joint expenses of the Nonqualified Annuity and the Tax-Qualified Annuity are allocated pro rata, based on assets.

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Program are prepared on the accrual basis of accounting and the Program's fiscal year end is December 31.

Financial Statement Consolidation

Because the Nonqualified Trust owns 100% of the NFL Player Annuity & Insurance Company ("Insurance Company"), the assets, liabilities and operating income and expenses of the Insurance Company are consolidated with those of the Nonqualified Trust for financial statement purposes. For income tax purposes, the Nonqualified Trust and the Insurance Company are two separate entities and, therefore, are taxed on their separate incomes.

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Program's investments in registered investment companies are stated at fair value as determined by quoted market prices, which represent the net asset values ("NAVs") of shares held by the Program at year end. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for a discussion of fair value measurements.

The Program's Annuity Board determines the Program's valuation policies utilizing information provided by its investment consultant and advisors and custodian.

Purchases and sales of securities are recorded on the trade date. Realized gains or losses resulting from sales or disposals of securities are determined based on the average cost method of securities sold. Dividend income is recognized on the ex-dividend date. Interest income is recognized on the accrual basis. Net appreciation includes the Program's gains and losses on investments bought and sold as well as held during the year.

Market Risk

The Program provides for investments in various investment securities that are exposed to certain risks such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, changes in value of investment securities could occur in the near term. These changes could materially affect the amounts reported in the statements of net assets available for Program benefits.

NOTE 3 INCOME TAX STATUS

The Program is subject to Title I of the Employee Retirement Income Security Act of 1974, as amended. The Nonqualified Annuity of the Program is not a tax-qualified plan within the meaning of Section 401(a) of the Internal Revenue Code of 1986 ("Code"), as amended, and contributions are, therefore, subject to tax under present income tax law (see Note 2, Financial Statement Consolidation). The Insurance Company is taxed as a life insurance company, and income set aside for reserves under the group annuity contract to provide future benefits for Players is not currently taxed to the Insurance Company or to Players.

NOTE 3 INCOME TAX STATUS *(continued)*

The Annuity Board has received a determination letter from the Internal Revenue Service stating that the Program's Tax-Qualified Annuity Plan satisfies the requirements for tax-qualified status under Section 401(a) of the Code and related provisions.

In general, contributions to the Qualified Trust are not considered taxable income to Players in the year contributed, and Players are not taxed on Qualified Trust earnings before distributions are paid. Players may be taxed on distributions from their qualified account in the year distributed, depending on the form of distribution elected.

NOTE 4 PROGRAM AMENDMENTS OR TERMINATION

Both the Tax-Qualified Annuity document and the Nonqualified Annuity document were amended during the period covered by these statements to update the contribution amounts as agreed to by the NFLMC and NFLPA. These amendments do not adversely affect the Program's net assets.

Although they have not expressed any intent to do so, the Program may be amended or terminated only by joint action of the NFLMC and NFLPA while there is a CBA in effect between those parties. If no such CBA is in effect, then the Program may be amended by the Annuity Board subject to certain limitations stated in the Program document. In the event of Program termination, no further amounts will be contributed to the Program. However, vested benefits will be nonforfeitable.

NOTE 5 INVESTMENTS

Qualified Additions are held in the Qualified Trust and invested by an investment manager hired and monitored by the Annuity Board. A professional investment consultant advises the Annuity Board regarding the investment policies and guidelines of the Qualified Trust.

The Nonqualified Trust has established (and is the sole owner of) the Insurance Company. The assets of the Nonqualified Trust, less certain expenses, are used to purchase a group annuity contract from the Insurance Company. The assets of the Insurance Company are invested by an investment manager hired and monitored by the Insurance Company's Board of Directors.

A professional investment consultant advises the Insurance Company's Board of Directors regarding the investment policies and guidelines of the Nonqualified Trust.

The Program's net change in investments, including investments bought and sold, as well as held during the year, appreciated (depreciated) in value during the years ended December 31, 2023 and 2022 as follows:

	2023	2022
Investments	$ 176,595,918	$ (306,341,887)

NOTE 6 INVESTMENT IN COMMON STOCK OF THE INSURANCE COMPANY

The Program provides nonqualified annuity benefits through the Insurance Company. The Insurance Company is organized as a captive insurance company pursuant to the laws of the State of Vermont and 100% of its stock is owned by the Nonqualified Trust. However, earnings of the Insurance Company set aside for annuity benefits are not subject to tax under federal income tax rules applicable to insurance companies. Because the Insurance Company is an integral part of the Program, the Trust does not intend to sell its shares, and such shares are neither registered nor traded.

During 2023, approximately 96% of the Insurance Company's assets was held in a separate account that directly funded the nonqualified benefits of the Program. The remaining assets of the Insurance Company were held in the general account of the Insurance Company to provide for the capital and accrued liabilities of the Insurance Company other than liabilities provided for in the separate account. The assets held in the general account are primarily comprised of money market funds at fair value and current liquid assets. None of the assets consist of real estate or intangibles.

Based on the above facts and circumstances, the Program estimates the fair value of the Insurance Company shares as being equal to its net investment, increased by net earnings and appreciation (or as decreased by net losses and depreciation) for the years ended December 31, 2023 and 2022 as follows:

	2023	2022
Net investment, beginning of year	$ 7,401,457	$ 3,666,404
Gain for year	571,803	3,735,053
Net investment, end of year	$ 7,973,260	$ 7,401,457

	2023	2022
Investment		
Cash and cash equivalents	$ 5,655,727	$ 5,466,647
Money market funds at fair value	8,727,389	8,293,778
Receivable	116,457	130,741
Total assets	14,499,573	13,891,166
Less: Accrued liabilities	(6,526,313)	(6,489,709)
Net investment	$ 7,973,260	$ 7,401,457

NOTE 7 FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820-10-50-2, *Fair Value Measurements* (formerly FASB Statement No. 157), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under ASC 820-10-50-2 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Program has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2023.

Money market funds: Valued at the closing price reported on the active market on which cash is traded.

Common stocks: Valued at the closing price reported on the active market on which the individual securities are traded.

Corporate bonds: Valued using pricing models maximizing the use of observable inputs for similar securities. This includes basing value on yields currently available on comparable securities of issuers with similar credit ratings.

NOTE 7 FAIR VALUE MEASUREMENTS *(continued)*

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Program are open-end mutual funds that are registered with the Security Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Program are deemed to be actively traded.

U.S. Government securities: Valued using pricing models maximizing the use of observable inputs for similar securities.

The following table presents the Program's fair value measurement of investments recognized in the accompanying statements of net assets available for benefits that are measured on a recurring basis and the level within the fair value hierarchy as of December 31, 2023 and 2022:

	Assets at Fair Value as of December 31, 2023

NOTE 8 RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Bank of New York Mellon is the Trustee of the Program and provides investment custody services to the Program. Fees paid to The Bank of New York Mellon for these services for the years ended December 31, 2023 and 2022 were $301,804 and $245,859, respectively.

NOTE 8 RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS *(continued)*

As described in Note 1, the Program paid certain other expenses related to Program operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA.

During the Program years ended December 31, 2023 and 2022, the Program incurred certain administrative expenses paid by the Bert Bell/Pete Rozelle NFL Player Retirement Plan. For the Program years ended December 31, 2023 and 2022, the amounts reimbursed were $911,814 and $685,246, respectively.

NOTE 9 RISKS AND UNCERTAINTIES

The Program provides for investments in various investment securities that are exposed to certain risks and uncertainties, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, changes in value of investment securities could occur in the near term. The changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE 10 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

There were no reconciling differences; the net assets available for benefits per the financial statements agree to net assets available for benefits per the Form 5500. Benefits paid to participants per the financial statements also agree to benefits paid to participants per the Form 5500.

NOTE 11 SUBSEQUENT EVENTS

FASB ASC 855-10-50, *Subsequent Events,* requires entities to evaluate events and transactions that occur after the statement of financial position date but before the date the financial statements are available to be issued. ASC 855-10-50 requires entities to recognize in the financial statements the effect of all events or transactions that provide additional evidence of conditions that existed at the statement of financial position date, including the estimates inherent in the financial statement preparation process.

Subsequent events that provide evidence about conditions that arose after the statement of financial position date should be disclosed if the financial statements would otherwise be misleading.

The Program has evaluated subsequent events through September 13, 2024, the date the financial statements were available to be issued, and determined there were no material transactions that need to be disclosed.
