INDEPENDENT AUDITOR'S REPORT

To the Plan Retirement Committee and Plan Administrator of the
Allstar Home Care Agency 401(k) Plan
Brooklyn, New York

Report on the Financial Statements

Opinion

We have audited the financial statements of Allstar Home Care Agency 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Allstar Home Care Agency 401(k) Plan as of December 31, 2023, and the changes in its net assets available for benefits for the year ended December 31, 2023, in accordance with accounting principles generally accepted in the United States of America (GAAP).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Allstar Home Care Agency 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Allstar Home Care Agency 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for purpose of expressing an opinion on the effectiveness of Allstar Home Care Agency 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Allstar Home Care Agency 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of the Schedule H, line 4(i) – schedule of assets (held at end of year) as of December 31, 2023, and the Schedule H, line 4(a) – schedule of delinquent participant contributions for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

ALLSTAR HOME CARE AGENCY 401(K) PLAN**NOTES TO FINANCIAL STATEMENTS****DECEMBER 31, 2023 AND 2022****Note 1 – Description of Plan**

The following description of Allstar Home Care Agency 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provision.

General

The Plan was established by Allstar Home Care Agency Inc., under the original adoption agreement dated February 1, 2019. The Plan was a defined contribution plan covering full-time employees of Allstar Home Care Agency Inc, who were not covered by a collective bargaining agreement that provided for retirement benefits. Eligible employees could enroll in the Plan on the first day of each calendar quarter. It was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan Retirement Committee was responsible for the administration and determined the appropriateness of the Plan’s investment offerings and monitored investment performance.

Contributions

Each year, participants contributed up to the maximum percentage (as allowed by the Internal Revenue Code) of pretax annual compensation, as defined in the Plan. Participants designated all or a portion of their elective deferrals as Roth elective deferrals. Participants also contributed amounts representing distributions from other qualified defined benefit or contribution plans (rollover). Participants who had attained age 50 before the end of the plan year were eligible to make catch-up contributions. Employer profit sharing contributions were made at the discretion of the Company's board of directors. Annual contributions were subject to certain limitations. Participants directed the investment of their contributions, as well as Company contributions, into various investment options offered by the Plan.

Participant accounts

Each participant's account was credited with the participant's contribution and allocations of (i) the Company's contribution and (ii) Plan earnings. Allocations were based on participant earnings or account balances, as defined. Participant accounts were charged with an allocation of administrative expenses that were paid by the Plan. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account.

Vesting

Participants were immediately vested in their own contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts, plus actual earnings thereon, was based on years of continuous service. A participant was 100% vested after five years of credited service, upon death or total and permanent disability.

ALLSTAR HOME CARE AGENCY 401(K) PLAN**NOTES TO FINANCIAL STATEMENTS****DECEMBER 31, 2023 AND 2022****Notes receivable from participants**

Participants borrowed from their fund accounts a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. A participant may have had only two outstanding loans at any time. Loan terms ranged from 1 to 5 years, unless the loan was taken for the purchase of a primary residence. The loans were secured by the balance in the participant's account and bore interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan administrator. Interest rates ranged from 4.25% to 5.75%. Principal and interest were paid ratably through payroll deductions.

Payment of benefits

Upon separation from service for any reason, a participant may have elected to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, annual installments or partial withdrawals. In-service distributions may have been made to participants who have attained age 59½.

A participant could take hardship withdrawals (certain medical expenses, purchase of principal residence, tuition payment for post-secondary education, and payments to prevent eviction from a primary residence) as defined by the Internal Revenue Code. The minimum amount of a distribution was \$1,000 and no more than two distributions may have been made to a participant during the Plan year. A participant's hardship withdrawal would preclude the participant from making additional employee pre-tax contributions to the Plan for a six-month period after the hardship withdrawal.

Administrative expenses

Although not required by the Plan, the Company did elect to pay the majority of the administrative expenses of the Plan, including legal, audit and investment advisory fees. Notwithstanding the foregoing, the Company directed that administrative expenses that were allocable to the account of a specific participant (i.e. participant loans) were to be paid from that participant's account. All other investment fees applicable to each investment fund were netted against the related investment income before investment income was allocated to participants' accounts.

Forfeited accounts

During year ended December 31, 2023 and 2022 forfeited nonvested accounts totaled \$0 and \$0, respectively. Forfeitures were used by the Plan for several purposes. Any forfeitures were used in the following order: (1) to pay administrative expenses and (2) reduce any Company discretionary profit sharing contributions. \$0 were used during the year ended December 31, 2023. No forfeitures were used to reduce Company discretionary profit sharing contribution during the year ended December 31, 2023 and 2022

ALLSTAR HOME CARE AGENCY 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Note 2 – Summary of Significant Accounting

PoliciesBasis of accounting

The financial statements of the Plan were prepared on the accrual basis of accounting.

Investment valuation and income recognition

The investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Committee determines the Plan's valuation policies utilizing information provided by their investment advisers, custodians and other third-party service providers. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income was recorded on the accrual basis. Related fees were recorded as administrative expenses and were expensed when they were incurred. No allowance for credit losses have been recorded as of December 31, 2023 and 2022.

Payment of benefits

Benefits were recorded when paid.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") required management to make estimates and assumptions that affected the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results might have differed from those estimated.

Subsequent events

Plan management had evaluated subsequent events through May 14, 2024 the date the financial statements were available to be issued.

Note 4 – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to values based on unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that were significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023.

Money market funds

Valued at cost which approximates fair value.

Mutual funds

Valued at the daily closing price as reported by the mutual fund. The mutual funds are registered with the SEC and are required to publish their daily net asset value ("NAV") and transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

ALLSTAR HOME CARE AGENCY 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Common trusts

The Plan's interest in the common trust is valued based on the information reported by the Plan's record-keeper, using the audited financial statements of the common trust at year-end. The common trust is valued at NAV based on the unit value of the underlying investment of the stable value fund, which is an observable input.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's fair value as of December 31, 2023 and 2022:

Assets at Fair Value as of December 31, 2023				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutal funds	\$ 528	\$ -	\$ -	\$ 528
Pool separated accounts (a)				397,250
Collective investment trust (a)				<u>1,485,209</u>
Investments at fair value				<u>\$ 1,882,987</u>
Assets at Fair Value as of December 31, 2022				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutal funds	\$ 487	\$ -	\$ -	\$ 487
Pool separated accounts (a)				270,444
Collective investment trust (a)				<u>928,556</u>
Investments at fair value				<u>\$ 1,199,487</u>

^(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit a reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

ALLSTAR HOME CARE AGENCY 401(K) PLAN**NOTES TO FINANCIAL STATEMENTS****DECEMBER 31, 2023 AND 2022****Fair Value of Instruments in Entities that Use NAV**

The common trust investment, in the Stable Value Fund (the “Fund”), is directly invested in the T. Rowe Price Stable Value Common Trust Fund, whose principal objective is to protect principal and provide a competitive rate of return while attempting to maintain minimal volatility. T. Rowe Price Stable Value Common Trust Fund invests principally in Guaranteed Investment Contracts (GIC’s) issued by insurance companies, Bank Investment Contracts (BIC’s) issued by banks, Synthetic Investment Contracts (SIC’s) issued by banks, insurance companies, and other issuers, and other similar investments which are intended to maintain a constant net asset value.

There are no Fund restrictions other than that individual participants cannot transfer their balance to competing fixed income funds, such as money market funds, short-term bond funds, or brokerage windows. Balances transferred to a non-competing fund cannot be transferred to competing fixed income funds for 90 days, but may be transferred back to the Fund at any time. All withdrawals and transfers from this Fund are payable at contract value. The value of unit may be worth less than its original cost when redeemed.

Note 5 – Plan Termination

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants became 100% vested in their employer contributions.

Note 6 – Tax Status

The Company had adopted a prototype defined contribution plan and trust agreement with Principal Life Insurance Company who performed plan recordkeeping and administrative functions. The Internal Revenue Service had determined and informed DST Retirement Solutions by a letter dated June 1, 2015, that the prototype plan and related trust were designed in accordance with applicable sections of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken uncertain positions that would more likely than not would not be sustained upon examination by the Internal Revenue Service (IRS). The Plan is subject to routine audits by the taxing jurisdictions; however, there were currently no audits for any tax periods in progress.

Note 7 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

Note 8 - Related-Party and Party-In-Interest Transactions

All Plan investments were managed by Principal Life Insurance Company. Principal Life Insurance Company was an investment advisor and custodian of the Plan’s assets and provided the Plan with certain administrative services and, therefore, the purchases and sales of these investments and resulting balances qualified as party-in-interest transactions. Fees paid by the Plan for administrative services amounted to \$22,095 for year ended December 31, 2023.
