Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Atlas Distributing 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statements of Net Assets Available for Benefits as of December 31, 2023 and 2022, and the related Statements of Changes in Net Assets Available for Benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Atlas Distributing 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Atlas Distributing 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Atlas Distributing 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

The Administrator (formerly The Trustees)
Atlas Distributing 401(k) Plan
Page 3

Auditors' Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Atlas Distributing 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Atlas Distributing 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ATLAS DISTRIBUTING 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

(1) DESCRIPTION OF PLAN

The following description of the Atlas Distributing 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan amended and restated effective August 1, 2023, to adopt a Fidelity pre-approved defined contribution plan. Prior to the adoption of the Fidelity pre-approved plan, the Plan was a pre-approved model plan and trust adopted July 31, 2022, to incorporate amendments as prescribed by the Internal Revenue Service related to changes in legislation. The Plan as most recently amended and restated covers primarily permanent, nonunion employees of Atlas Distributing, Inc. (the Company and the Employer) who are age 18 or older and have completed six consecutive months of service. Temporary employees who are age 21 and have completed a year of service of at least 1,000 hours are also eligible under the restated Plan. Once eligible, Plan entry dates are January 1 and July 1. The SECURE Act and SECURE 2.0 provisions will allow long-term part-time employees to make contributions to the Plan, if they complete 500 hours of service in each of three (two under SECURE 2.0) consecutive years with contributions first beginning in 2024 and 2025, respectively (Note 9). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company is the administrator of the Plan, and certain officers of the Company are responsible for the oversight of the Plan, including determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

Contributions:

Participants may elect to contribute up to 100% of their annual compensation on a pretax basis or an after-tax basis (Roth contributions) through a salary reduction arrangement, subject to a statutory maximum of \$22,500 in 2023 and \$20,500 in 2022. Participants who have attained age 50 before the end of the plan year are eligible to make additional "catch-up" deferral contributions up to the statutory maximum of \$7,500 in 2023 and \$6,500 in 2022. In addition, the Plan allows rollover of pre-tax contributions from other qualified plans.

The Plan includes automatic enrollment provisions that subject all newly eligible employees to pretax contributions of 6% of compensation unless they make timely elections to either participate or decline participation in the Plan. These contributions are invested in an age appropriate target date retirement mutual fund until changed by the participant.

The Company may make discretionary matching and profit sharing contributions as annually determined by its Board of Directors. The Company customarily matches 50% of each participant's contributions up to a maximum of 3% (50% of the first 6%) of the participant's eligible compensation and makes a true-up matching contribution at the end of the year to ensure that each participant's total matching contributions are based on their annual eligible compensation. An annual profit-sharing contribution is made for each participant that is an employee of the Company at the end of the year and has completed 1,000 hours of service during the year. Matching contributions were approximately \$185,000 and \$166,000 in 2023 and 2022, respectively, and profit-sharing contributions of \$1,600 (\$1,500 in 2022) per participant totaled \$120,000 and \$115,000 in 2023 and 2022, respectively.

Contributions and compensation are subject to certain limitations.

(1) DESCRIPTION OF PLAN (Continued)

Investment Options:

Participants direct all contributions to their accounts and their account balances into various investment options offered by the Plan. The Plan offered 27 mutual funds at December 31, 2023, including 12 retirement target date options.

Participants' Accounts:

Participants' accounts are credited with their contributions, the Company's matching and profit-sharing contributions, and allocations of plan earnings, losses, and administrative expenses paid by the Plan. Allocations are based on participants' compensation, contributions, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are fully and immediately vested in their contributions and the related earnings. Vesting in Company discretionary matching and profit-sharing contributions and the related earnings is based on years of continuous service and a graded vesting schedule. A participant is 100% vested after six years of credited service.

Participants that terminate employment due to normal retirement, early retirement with 10 years of vesting service, permanent disability, or death become fully vested in their account balances.

Notes Receivable from Participants:

Participants may borrow from their accounts, for purposes of a financial hardship, a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balances or \$50,000, reduced by the highest outstanding loan balance in the prior twelve-month period. Three notes may be outstanding at any time. Notes receivable are secured by participants' vested account balances and are issued for terms of up to five years, 10 years if the loan is for the purchase of a principal residence. Interest rates are fixed rates determined by the Plan administrator on the date the notes are issued and are based on prevailing interest rates for loans issued under similar circumstances. Interest rates range from 4.25% to 9.50% at December 31, 2023. Principal and interest on the notes must be paid ratably through payroll deductions. Early payments, partial or in full, of outstanding balances may be made at any time. Full repayment of outstanding balances is required on termination of employment.

Payment of Benefits:

On termination of service due to death, disability, normal retirement, early retirement or other reasons, participants (or their beneficiaries) may elect to receive lump-sum distributions, including direct rollover distributions, equal to the value of their vested accounts. Terminated participants with vested account balances of \$5,000 or less (excluding rollovers) are paid out, as elected, in either a lump-sum payment or a direct rollover into an Individual Retirement Account (IRA). If there is no participant election, then a rollover into an IRA selected by the plan administrator will be made. Certain distributions may be subject to a 10% federal penalty tax.

(1) DESCRIPTION OF PLAN (Continued)

Payment of Benefits: (Continued)

Participants must begin receiving benefits (required minimum distributions, "RMDs") by the later of April 1st of the calendar year following the year in which they attain age 72 (73 if they attain age 72 in 2023) (Note 9), or upon termination of employment.

Hardship withdrawals and in-service withdrawals, upon attainment of age 59½, are subject to certain limitations, as specified by the Plan.

Forfeitures:

Forfeitures of terminated participants' nonvested accounts may be used to pay administrative expenses of the Plan and restore previously forfeited participant accounts in certain circumstances. Any remaining forfeitures may be used to reduce future Company contributions. As of December 31, 2023 and 2022, unallocated forfeitures totaled approximately \$33,000 and \$14,000, respectively. Forfeitures of \$7,000 and \$40,000 were used to reduce Company contributions in 2023 and 2022, respectively.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The financial statements have been prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator (formerly the trustees) determine the Plan's valuation policies using information provided by the custodian, Empower Trust Company, LLC through July 31, 2023, and the trustee, Fidelity Management Trust Company, thereafter. See Note 3 for further discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is reported on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. Notes receivable deemed in default are recorded as benefit payments per the terms of the Plan.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Excess Participant Contributions:

Participant annual contributions in excess of amounts allowed by the Internal Revenue Code are recorded as a liability, with a corresponding reduction to contributions, and are distributed to the applicable participants prior to March 15th of the subsequent year. There were no excess participant contributions in 2023 and 2022.

Payment of Benefits:

Benefits are recorded when paid.

Expenses:

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees from participants related to the administration of notes receivable and distributions are charged directly to the participant's account and are included in administrative expenses when they are incurred. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

(3) FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy (inputs to valuation) are described as follows:

- | | |
|---------|---|
| Level 1 | Unadjusted quoted prices in active markets that are accessible at the measurement date for identical assets or liabilities. |
| Level 2 | Quoted prices in active markets for similar assets or liabilities; quoted market prices in inactive markets for identical or similar assets or liabilities; and, other observable inputs for the assets or liabilities or those derived principally from or corroborated by observable market data by correlation or other means. |
| Level 3 | Prices, valuations or data that is both unobservable and significant to the fair value measurement. |

(3) FAIR VALUE MEASUREMENTS (Continued)

An asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used to determine the fair value of investments at December 31, 2023 and 2022:

- Mutual funds are valued at their quoted market prices, which represent their net asset values (NAV) per share as determined by the fund daily. Mutual fund shares held by the Plan are registered with the Securities and Exchange Commission and are deemed to be actively traded.
- The stable value fund was a collective trust fund (CT), Invesco Stable Value Trust (Trust), managed by Invesco Trust Company, the trustee of the CT. The Plan investment was in Class IV units at December 31, 2022. The Trust invested in highly liquid assets, primarily synthetic guaranteed investment contracts (synthetic GICs), to preserve principle, maintain a stable interest rate, and provide daily liquidity for participants' withdrawals and transfers at contract value. Wrapper contracts in the synthetic GICs provided that the interest crediting rates would not be less than zero. The CT was valued daily by the Trust at the NAV of the units held by participating plans. The NAV was based on the fair value of the underlying investments plus accrued earnings, net of expenses, and the Trust declared income dividends daily to maintain a per unit value of \$1.00. Participant transactions occurred daily at the NAV, which was used as a practical expedient to estimate fair value. The stable value fund was liquidated at the NAV of \$1 per unit on July 31, 2023, related to the adoption of the Fidelity plan (Note 1).

The Plan's investments measured at fair value within the fair value hierarchy are as follows at December 31:

<u>2023</u>	<u>Level 1</u>	<u>Total</u>
Mutual funds	<u>\$ 16,746,517</u>	<u>\$ 16,746,517</u>
<u>2022</u>	<u>Level 1</u>	<u>Total</u>

Total investments at fair value	<u>\$ 13,188,826</u>	<u>\$ 13,884,462</u>

There were no Plan investments or other assets or liabilities classified as Level 2 or Level 3 at December 31, 2023 and 2022.

(4) INFORMATION CERTIFIED BY THE TRUSTEE / CUSTODIAN

The Plan's administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company (Fidelity Management), the trustee of the Plan beginning August 1, 2023, has certified the completeness and accuracy of the investments and the notes receivable from participants reflected in the accompanying Statements of Net Assets Available for Benefits and the information reflected in the supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, and the related investment activity reflected in the Statement of Changes in Net Assets Available for Benefits from August 1, 2023 through December 31, 2023. The former custodian, Empower Trust Company, LLC, (Empower Trust), has certified the completeness and accuracy of the investments and the notes receivable from participants reflected in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2022, and the related investment activity reflected in the Statement of Changes in Net Assets Available for Benefits from June 18, 2022, through July 31, 2023. The related investment activity from January 1 through June 17, 2022, was certified by Reliance Trust Company (Reliance), the Trustee, at that time.

(5) RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Fidelity Management, Empower Trust, and Reliance, as trustee / custodian of the Plan's assets, and Fidelity Workplace Services LLC and Empower Retirement, LLC, the recordkeepers for the Plan at various times in 2023 and 2022, and their affiliates are parties-in-interest to the Plan. Fees paid to parties-in-interest were approximately \$2,000 and \$1,000 in 2023 and 2022, respectively.

The Company pays administrative and professional fees on behalf of the Plan and provides administrative services at no cost to the Plan.

(6) PLAN AMENDMENT AND TERMINATION

The Company may amend the Plan at its discretion and, although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants would become fully vested in their account balances.

(7) INCOME TAX STATUS

The Plan, as most recently adopted by the Company, is a non-standardized pre-approved profit sharing plan with a cash or deferred arrangement. Although the Plan has not requested its own determination letter, the underlying plan was approved by the Internal Revenue Service (IRS) in a favorable letter dated June 30, 2020. The Plan has since been amended. However, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the Internal Revenue Code.

The plan administrator evaluates any uncertain tax positions to assess whether there is a greater than 50% probability they will be sustained upon examination by taxing authorities, the IRS. The plan administrator believes there are no uncertain tax positions below this threshold that would require the Plan to recognize a tax liability plus related interest and penalties as of December 31, 2023.

The Plan may be subject to routine examinations by taxing authorities; however, there are currently no examinations in progress for any tax periods.

(8) RISKS AND UNCERTAINTIES

The Plan provides for investment options that are exposed to various risks, including interest rate, market, and credit risks. Due to the level of risk associated with certain investments and the volatility of the financial markets, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

(9) SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through September 4, 2024, the date these financial statements were available to be issued, and has determined that subsequent events requiring reporting or disclosures are as follows.

The SECURE 2.0 Act of 2022 requires the following changes to be made to the Plan effective at various dates subsequent to 2023: a) long-term, temporary employees will be to be eligible to make plan contributions (Note 1) upon completion of two years of service at 500 hours per year for years beginning after December 31, 2024; b) catch-up contributions for participants ages 60 to 63 will increase to the greater of \$10,000 or 150% of the regular catch-up limit in 2025; c) for years beginning after 2025, catch-up contributions for participants earning over \$145,000 annually (indexed for inflation) must be made on a Roth (after-tax) basis; d) the requirement to begin taking RMDs (as described in Note 1) will increase from age 73, first effective for participants who attained age 72 in 2023, and then to age 75 for participants who attain age 74 in 2033, however, the first year's RMD may still be taken by April 1 of the following year; e) the requirement to take RMDs from Roth 401(k) accounts has been eliminated beginning in 2024.
