The Plan Trustees

CAE USA, Inc. Savings, Investment & Employee Benefit Plan Number 1:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of CAE USA, Inc. Savings, Investment & Employee Benefit Plan Number 1 ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by (See Note 3) and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CAE USA, INC.
SAVINGS, INVESTMENT & EMPLOYEE BENEFIT PLAN NUMBER 1

Notes to Financial Statements

December 31, 2023 and 2022

(1) Description of Plan

The following description of CAE USA, Inc. Savings, Investment & Employee Benefit Plan Number 1 (the “Plan”), provides only general information. Participants should refer to the Plan Document or Summary Plan Description for a more complete description of the Plan’s provisions, which are available from the plan administrator.

(a) General

The Plan is a defined contribution plan sponsored by CAE USA, Inc. (“Sponsor” “Employer” or “Company”) for the benefit of its eligible employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Plan is administered by the Company’s Benefits Committee (“Committee”), which is a committee of directors and managers of the Company. The Committee has overall responsibility for the operation and administration of the Plan. The Committee determines the appropriateness of the Plan’s investment offerings, monitors investment performance and reports to the Plan’s Board of Trustees.

(b) Contributions

Each year, participants may contribute between 1% and 75% of annual compensation as pre-tax or Roth contributions, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified contribution plans. Additionally, participants age 50 or older, who are making contributions to the Plan, are allowed to make catch-up contributions as defined in the Plan. Participants direct the investment of all contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan within 30 days of the employee’s hire date. Automatically enrolled participants whose first hour of service occurs on or after March 1, 2007, have their deferral rate set at 3% percent of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. Automatically enrolled participants whose first hour of service occurs on or after January 1, 2015, have their deferral rate set at 5% percent of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. The automatic deferral percentage will increase by 1% per year up to a maximum of 15% of eligible compensation unless a participant opts out of such automatic increase. The employer makes safe harbor contributions to participants in the Plan employed by the Employer based on participants’ elective deferrals including catch up contributions. The Employer’s safe harbor contribution is 100% of participant deferrals up to 3% and 50% of participant deferrals in excess of 3% up to 5%. Contributions are subject to certain Internal Revenue Code (“IRC”) limitations.

The Plan also allows for voluntary after-tax contributions subject to Internal Revenue Service limitations. The Employer will not make safe harbor or matching contributions on voluntary after-tax contributions.

(1) Description of Plan - Continued

(b) Contributions - Continued

During 2023, the Plan remitted direct transfers to the Company's Savings, Investment & Employee Benefit Plan Number 2 of \$148,415, which are included in the benefits paid to participants on the Statement of Changes in Net Assets Available for Benefits. During 2023, the Plan received direct transfers from the Company's Savings, Investment & Employee Benefit Plan Number 2 of \$82,067, which are included in the rollovers on the Statement of Changes in Net Assets Available for Benefits.

(c) Participant Investment Account Options

The Plan currently offers various registered investment companies and common collective trusts funds as investment options for participants. Each investment option has its own investment strategy, which can be obtained through the prospectus of the respective fund. Participants may change their investment options at any time.

(d) Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company matching contributions and (b) plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(e) Vesting

Participants are immediately vested in their contributions, safe harbor and non-elective employer contributions plus actual earnings thereon.

(f) Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Participants may have up to two loans. Loans are repayable, with interest, in installments over a specified period, not to exceed five years except for loans used for the purchase of a primary residence which cannot exceed fifteen years. The loans are secured by the balance in the participant's account and bear interest at Prime + 1%. Principal and interest are paid ratably through payroll deductions.

(1) Description of Plan - Continued

(g) Payments of Benefits

Upon termination of service, a participant may request a lump-sum amount equal to the vested value of his or her account. If the vested balance is less than \$5,000 but greater than \$1,000 it will be automatically rolled into an IRA if a participant does not otherwise elect to receive a distribution or rollover the balance. A participant may also receive 100% of his account at retirement (age 54), upon death, or total and permanent disability. The Plan also allows for withdrawals from the participant's vested account balance at age 59½. Participants may also take one withdrawal every 12 months from voluntary after-tax contributions which have been in the Plan for two years.

The Plan allows participants to withdraw a portion of their account balance in the event of an immediate financial need. Any hardship withdrawal is limited to the amount needed to meet the financial need and must qualify with respect to plan provisions.

(h) Forfeited Accounts

At December 31, 2023 and 2022, forfeited nonvested accounts totaled approximately \$46,000 and \$42,000, respectively. These accounts will be used to reduce future employer contributions or to reduce administrative expenses. Also, for the year ended December 31, 2023, administrative expenses were reduced by approximately \$11,000, from forfeited nonvested accounts.

(2) Summary of Significant Accounting Policies

(a) Basis of Accounting

The accompanying financial statements of the Plan have been prepared under the accrual basis of accounting.

(b) Use of Estimates

Certain expenses of the Plan are paid by the Company and are not included in the statements of changes in net assets available for benefits. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

(c) Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment trustee (or custodian). See Note 4 for discussion of fair value measurements.

(2) Summary of Significant Accounting Policies - Continued

(c) Investment Valuation and Income Recognition - Continued

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

(d) Contributions

Contributions from Plan participants and the matching contributions from the Employer are recorded in the year in which the employee contributions are withheld from compensation.

(e) Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

(f) Payment of Benefits

Benefits are recorded when paid.

(g) Administrative Expenses

Certain expenses of the Plan are paid by the Employer and are not included in the statements of changes in net assets available for benefits. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

(h) Unit Values

Individual participant accounts for the common and collective trusts are maintained on a unit value basis. Participants do not have beneficial ownership in the specific underlying securities or other assets in the funds, but do have an interest therein represented by units valued daily. The funds earn dividends and interest which are automatically reinvested in additional units. Generally, contributions to and withdrawals from each fund are converted to units by dividing the amounts of such transactions by the unit values as last determined, and the participants' accounts are charged or credited with the number of units properly attributable to each participant.

(3) Information Prepared and Certified by the Trustee (Unaudited)

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Vanguard Fiduciary Trust Company, the trustee of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule are complete and accurate with respect to investments:

- Investments, at fair value
- Notes receivable from participants
- Net appreciation in fair value of investments
- Dividend income from registered investment companies
- Interest income from common/collective trust
- Interest income from notes receivable from participants
- Schedule of Assets (Held at End of Year)

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in these financial statements and supplemental schedule.

(4) Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification (ASU) Topic 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

(4) Fair Value Measurements - Continued

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Registered Investment Companies: valued at the daily closing price as reported by the fund. Registered investment companies held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value (“NAV”) and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded.

Common/Collective Trusts: valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no participant redemption restrictions; the redemption notice period is applicable to the Plan. The funds have no unfunded commitments.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023:

<u>Description</u>	<u>Investments at Fair Value as of December 31, 2023</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies	\$ 228,014,791	-	-	228,014,791
Total assets in the fair value hierarchy	<u>228,014,791</u>	<u>-</u>	<u>-</u>	228,014,791
Investments measured at NAV practical expedient (a)				<u>245,513,168</u>
Investments, at fair value				\$ <u>473,527,959</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

<u>Description</u>	<u>Investments at Fair Value as of December 31, 2022</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies	\$ 179,769,981	-	-	179,769,981
Total assets in the fair value hierarchy	<u>179,769,981</u>	<u>-</u>	<u>-</u>	179,769,981
Investments measured at NAV practical expedient (a)				<u>192,465,340</u>
Investments, at fair value				\$ <u>372,235,321</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

(4) Fair Value Measurements - Continued

Gains and losses (realized and unrealized) included in the changes in net assets for the year ended December 31, 2023, are reported in net appreciation in fair value of investments in the statement of changes in net assets available for benefits.

(5) Investments Measured Using Net Asset Value per Share Practical Expedient

The Vanguard Target Retirement 2020 Trust II, Vanguard Target Retirement 2025 Trust II, Vanguard Target Retirement 2030 Trust II, Vanguard Target Retirement 2035 Trust II, Vanguard Target Retirement 2040 Trust II, Vanguard Target Retirement 2045 Trust II, Vanguard Target Retirement 2050 Trust II, Vanguard Target Retirement 2055 Trust II, Vanguard Target Retirement 2060 Trust II, Vanguard Target Retirement 2065 Trust II, Vanguard Target Retirement 2070 Trust II, Vanguard Target Retirement Income Trust II and Vanguard Target Retirement Income and Growth Trust II (“Target Funds”) are common/collective trusts that invest in other Vanguard mutual funds and trusts according to an asset allocation strategy designed for investors.

The Vanguard Retirement Savings Trust III (“Fund”) is a common/collective trust stable value fund. The Fund invests principally in guaranteed interest contracts (“GICs”) issued by insurance companies, investment contracts issued by banks, synthetic investment contracts (“SICs”) issued by banks, insurance companies, and other issuers, and securities supporting such SICs, and other similar instruments which are intended to maintain a constant net asset value (“NAV”). The Fund is valued by Vanguard based on the unit value of the funds. Unit values are determined by dividing the fund’s net assets, which represents the fair value of the underlying investments, by its units outstanding at the valuation dates. This common/collective trust has underlying investments in investment contracts which are valued at estimated fair value of the underlying investments and then adjusted to contract value daily.

(6) Party-in-Interest

Certain Plan investments are shares of registered investment companies and a common and collective trust which are managed by an affiliate of Vanguard. Vanguard is the trustee and recordkeeper for the Plan and therefore, these transactions qualify as party-in-interest transactions. The Plan paid Vanguard approximately \$387,000 during the year ended December 31, 2023 for recordkeeping fees and other expenses.

(7) Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

CAE USA, INC.
SAVINGS, INVESTMENT & EMPLOYEE BENEFIT PLAN NUMBER 1

Notes to Financial Statements - Continued

(8) Tax Status

The Plan has adopted a non-standard preapproved profit-sharing plan with CODA effective January 1, 2022. The Internal Revenue Service has determined that the non-standard preapproved profit-sharing plan with CODA is acceptable for use by employers for the benefit of their employees under the Internal Revenue Code (IRC) Section 401 and informed the trustee of such in a letter dated June 30, 2020. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan and related trust are currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(9) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

(10) Subsequent Events

The Plan has evaluated subsequent events through October 2, 2024, which is the date the financial statements were available to be issued. No significant matters were identified for disclosure during this evaluation.
