Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Gill Studios, Inc. Profit Sharing and 401(k) Plan and Trust (formerly known as the Gill Studios, Inc. Salaried Employees' Profit Sharing and 401(k) Plan and Trust) (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for Plan benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for Plan benefits for the years then ended and the related summary of significant accounting policies and notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Gill Studios, Inc. Profit Sharing and 401(k) Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

Independent Auditor's Report

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Gill Studios, Inc. Profit Sharing and 401(k) Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Gill Studios, Inc. Profit Sharing and 401(k) Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Independent Auditor's Report

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Gill Studios, Inc. Profit Sharing and 401(k) Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Gill Studios, Inc. Profit Sharing and 401(k) Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) and delinquent participant contributions as of and for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or was derived from the certified investment information, we compared such information to the related certified investment information.

Independent Auditor's Report

Supplemental Schedules Required by ERISA (continued)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

GILL STUDIOS, INC. PROFIT SHARING AND 401(K) PLAN AND TRUST

Summary of Significant Accounting Policies Years Ended December 31, 2023 and 2022

Basis of Presentation

The Plan presents its financial statements on the accrual basis.

Use of Estimates

In preparing financial statements in accordance with accounting principles generally accepted in the United States of America, management is required to make estimates and assumptions that affect the reported amounts of net assets available for Plan benefits and changes therein, and the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Payment of Benefits

Benefits are deducted when paid.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The retirement plan committee determines the Plan's valuation policies utilizing information provided by investment advisors. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade date. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as investments held during the year.

Receivables and Allowance for Credit Losses

Receivables are stated at the amount management expects to collect from balances outstanding at year-end. The allowance estimate, if any, is derived from a review of the Plan's historical losses in relation to the Plan's historical receivable balances. This estimate is adjusted for management's assessment of current conditions, forecasts regarding future events, and any other factors deemed relevant by management. Management has concluded that realized losses on balances outstanding at year-end will be immaterial. Accordingly, no allowance for credit losses has been recorded. There were no write-offs of receivables or recoveries of previous write-offs in 2023 or 2022.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Expenses

Certain expenses of administering and maintaining the Plan are paid directly by Gill Studios, Inc. and its wholly owned subsidiary, Gill Bebco, LLC (collectively, the "Company"), and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and payment of benefits are charged directly to the participants' accounts and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

GILL STUDIOS, INC. PROFIT SHARING AND 401(K) PLAN AND TRUST

Summary of Significant Accounting Policies Years Ended December 31, 2023 and 2022

Adoption of Accounting Pronouncements

Effective January 1, 2023, the Plan adopted Accounting Standards Update No. 2016-13, *Financial Instruments – Credit Losses* (Topic 326): *Measurement of Credit Losses on Financial Instruments*, using the modified retrospective approach. Topic 326 introduces an impairment model based on expected credit losses rather than probable, incurred losses for financial assets measured at amortized cost. The new model broadens the information an entity must consider in developing its expected credit loss estimate for assets measured at amortized cost. The adoption of Topic 326 had no material impact on the financial statements and primarily resulted in new and enhanced disclosures only.

GILL STUDIOS, INC. PROFIT SHARING AND 401(K) PLAN AND TRUST

Notes to the Financial Statements Years Ended December 31, 2023 and 2022

1. Description of Plan

The following description of the Plan provides only general information. The Plan has a Profit Sharing Plan (PSP) and a 401(k) plan feature as described below. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Merger

Effective January 1, 2022, the Plan (formerly known as the Gill Studios, Inc. Salaried Employees' Profit Sharing and 401(k) Plan and Trust) was merged with the Gill Studios, Inc. Hourly Paid Employees' Profit Sharing and 401(k) Plan and Trust (Hourly Plan). Effective with the merger, the name of the Plan was changed to the Gill Studios, Inc. Profit Sharing and 401(k) Plan and Trust and all Hourly Plan assets were transferred into the Plan before the close of business on August 31, 2022.

Profit Sharing Plan

The PSP is a noncontributory plan, which covers all employees of the Company who have completed one year of service. Employees may enter the PSP on the earlier of the first day of the Plan year or the first day of the seventh month of the Plan year coinciding with or next following the date they satisfy the eligibility requirements. The PSP is subject to the provisions of ERISA.

Contributions to the PSP are at the sole discretion of the Company's board of directors and must be entirely funded from the Company's current or accumulated net profits. Each participant's account is credited (charged) with an allocation of the Plan's earnings (losses) and credited with an allocation of Company contributions, as well as forfeitures of terminated participants' nonvested account balances. Participants must be employed on the last day of the Plan year and complete 1,000 hours of service during the year to receive a profit sharing contribution.

PSP contributions and forfeitures are allocated to participants based on the proportion of the compensation, as defined, of each participant to the compensation of all participants of the Plan.

Under the provisions of the PSP, participants may elect to have their deposits invested in one or more of the investment options available. Participants are allowed to change their investment elections, subject to procedures established by the Plan administrator.

Participants become fully vested in the PSP after six years of continuous service. The vesting percentages are as follows: 0% if less than two years of service; 20% after two years; 40% after three years; 60% after four years; 80% after five years; and 100% after six years of continuous service.

The Plan allows in-service distributions after a participant has attained age 59½.

Upon termination of service or at normal retirement age, age 60, a participant can elect to receive a lump-sum distribution equal to the value of the participant's vested benefit.

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue contributions and terminate the PSP subject to the provisions of ERISA. In the event of plan termination, members will become fully vested in their accounts.

GILL STUDIOS, INC. PROFIT SHARING AND 401(K) PLAN AND TRUST

Notes to the Financial Statements Years Ended December 31, 2023 and 2022

1. **Description of Plan** (continued)

401(k) Plan

The 401(k) plan is a contributory defined contribution plan covering all full-time employees of the Company who have completed six months of service. Employees may enter the 401(k) plan on the first day of the payroll period next following the date eligibility requirements are met. The 401(k) plan is subject to the provisions of ERISA.

A 401(k) plan participant may elect to make salary deferral contributions of eligible compensation to the Plan up to certain annual Internal Revenue Service (IRS) maximum limitations. The Company was required to match 50% of elected deferral contributions not to exceed 6% of total compensation through February 28, 2023. Effective March 1, 2023, the Company is required to match 67% of elected deferral contributions not to exceed 6% of total compensation.

Amounts may be transferred from other qualified plans (referred to as rollover contributions), provided that the trust from which such funds are transferred permits the transfer to be made and the transfer will not jeopardize the tax-exempt status of the Plan.

Under the provisions of the 401(k) plan, participants may elect to have their deposits invested in one or more of the investment options available. Participants are allowed to change their investment elections and deferral amount, subject to procedures established by the Plan administrator.

Participants become fully vested in the Company match after three years of continuous service. The vesting percentages are as follows: 0% for years one and two and 100% after three years of continuous service. The nonvested portion of a terminated participant's account balance is forfeited and allocated to remaining participants.

Loans are available to all 401(k) plan participants at a maximum of their 401(k) plan vested balance up to \$50,000, not to exceed 50% of the participant's vested PSP and 401(k) plan balance.

Upon termination of employment due to death, disability, or attainment of normal retirement age, a participant becomes fully vested and can elect to receive a lump-sum distribution.

On December 29, 2022, the Consolidated Appropriations Act of 2023, which includes the package of retirement provisions referred to as "SECURE Act 2.0," was signed into law. These provisions continue the themes and reforms that began with the 2019 SECURE Act, focusing on getting more participants into the retirement system, finding ways for them to accumulate more assets, and then ensuring they get connected with those assets when retirement comes. Plan management is monitoring the SECURE Act 2.0 provisions, which begin to go into effect during Plan year 2024.

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue contributions and terminate the 401(k) plan subject to the provisions of ERISA. In the event of plan termination, all members become fully vested in their accounts.

2. **Information Certified by the Plan's Custodian**

Certain information related to the investments disclosed in the accompanying financial statements and supplemental schedules was obtained or derived from information supplied to Plan management and certified as complete and accurate by Newport Trust Company (Newport), the Plan's custodian.

GILL STUDIOS, INC. PROFIT SHARING AND 401(K) PLAN AND TRUST

2. Information Certified by the Plan's Custodian (continued)

The following table includes the Plan's investments at fair value and notes receivable from participants at December 31, 2023 and 2022, as certified by Newport.

	<u>2023</u>	<u>2022</u>
Investments (participant-directed):		
Mutual funds at fair value	\$ 49,874,795	\$ 42,354,330
Common collective trust at fair value	<u>3,289,125</u>	<u>4,482,641</u>

Notes receivable from participants	<u>\$ 685,276</u>	<u>\$ 560,173</u>

Newport also certified the completeness and accuracy of the following investment income (loss) and interest on notes receivable from participants for the years ended December 31:

	<u>2023</u>	<u>2022</u>
Investment income (loss):		
Interest and dividends	\$ 1,259,045	\$ 1,134,425
Net appreciation (depreciation) in fair value of investments	<u>5,890,164</u>	<u>(7,097,171)</u>

Interest on notes receivable from participants	<u>\$ 33,464</u>	<u>\$ 26,985</u>

3. Fair Value Measurements of Investments

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurement*, are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

GILL STUDIOS, INC. PROFIT SHARING AND 401(K) PLAN AND TRUST

Notes to the Financial Statements Years Ended December 31, 2023 and 2022

3. **Fair Value Measurements of Investments** (continued)

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used to determine the fair value of investments at December 31, 2023 and 2022. There have been no changes in the methodologies used at December 31, 2023 and 2022:

- Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- The common collective trust is composed primarily of fully benefit-responsive investment contracts and is valued at the NAV of the fund as reported by the investment advisor using the financial statements of the collective investment fund at December 31, 2023 and 2022. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it was determined to be probable that the Plan will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of a collective investment fund, the investment advisor generally reserves the right to temporarily delay withdrawal from the fund to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding valuation methods described may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurements at the reporting date.

The following table includes the fair values of investments by level within the fair value hierarchy at December 31:

	<u>2023</u>	<u>2022</u>
Mutual funds (level 1)	<u>\$ 49,874,795</u>	<u>\$ 42,354,330</u>
Total investments in the fair value hierarchy	49,874,795	42,354,330
Common collective trust (a)	<u>3,289,125</u>	<u>4,482,641</u>
Total investments at fair value	<u><u>\$ 53,163,920</u></u>	<u><u>\$ 46,836,971</u></u>

- (a) In accordance with FASB ASC 820-10, certain investments measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for Plan benefits.

GILL STUDIOS, INC. PROFIT SHARING AND 401(K) PLAN AND TRUST

Notes to the Financial Statements Years Ended December 31, 2023 and 2022

3. **Fair Value Measurements of Investments** (continued)

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. For the years ended December 31, 2023 and 2022, there were no transfers.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2023 and 2022, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31,</u> <u>2023</u>	<u>Fair Value</u>	<u>Unfunded</u> <u>Commitments</u>	<u>Redemption</u> <u>Frequency</u>	<u>Redemption</u> <u>Notice Period</u>
Stable Value Collective Investment Trust Fund	<u>\$ 3,289,125</u>	N/A	Daily	12 months

<u>December 31,</u> <u>2022</u>	<u>Fair Value</u>	<u>Unfunded</u> <u>Commitments</u>	<u>Redemption</u> <u>Frequency</u>	<u>Redemption</u> <u>Notice Period</u>
Stable Value Collective Investment Trust Fund	<u>\$ 4,482,641</u>	N/A	Daily	12 months

4. **Party-in-Interest Transactions**

Fees paid by the Plan to Newport were \$83,706 and \$80,573 for the years ended December 31, 2023 and 2022, respectively. Newport is considered a party-in-interest to the Plan. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

In addition, notes receivable from participants are party-in-interest transactions.

5. **Tax Status**

The Plan has adopted a nonstandardized pre-approved profit sharing/money purchase/CODA plan, which has received an opinion letter dated June 30, 2020 from the IRS indicating that the Plan, as then designed, was qualified for tax exempt status under the applicable sections of the Internal Revenue Code (IRC). The Plan administrator believes the Plan is currently designed and operating in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes the Plan is qualified and tax-exempt as of the financial statement date and no provision for income taxes has been recorded in the financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

GILL STUDIOS, INC. PROFIT SHARING AND 401(K) PLAN AND TRUST

Notes to the Financial Statements Years Ended December 31, 2023 and 2022

6. Risks and Uncertainties

The Plan allows participants to invest in various investment securities. Investment securities are exposed to various risks, such as interest rate, market fluctuation and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the financial statements and supplemental schedules.

7. Forfeitures

The nonvested portion of a terminated participant's 401(k) and PSP account balance is forfeited and allocated to remaining participants. For each of the years ended December 31, 2023 and 2022, \$0 of forfeitures were allocated to remaining participants. At December 31, 2023 and 2022, forfeited nonvested amounts totaled \$26,484 and \$23,113, respectively.

8. Subsequent Events

The Plan has evaluated subsequent events through September 25, 2024, the date the financial statements were available to be issued.
