California Tank Lines, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of California Tank Lines, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of California Tank Lines, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

REPORT OF INDEPENDENT AUDITORS

To the Administrative Committee of
California Tank Lines, Inc. 401(k) Profit Sharing Plan

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of California Tank Lines, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about California Tank Lines, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

REPORT OF INDEPENDENT AUDITORS

To the Administrative Committee of
California Tank Lines, Inc. 401(k) Profit Sharing Plan

(Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of California Tank Lines, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about California Tank Lines, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CALIFORNIA TANK LINES, INC. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Note 1. Description of Plan

The following description of the California Tank Lines, Inc. (the “Company”) 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan was established as a defined contribution plan on January 1, 1993 and is subject to the provisions of the Employee Retirement Act of 1974 (ERISA) and Section 401(a) of the Internal Revenue Code (IRC) of 1986. The Plan year begins January 1 and ends December 31.

The Plan is a defined contribution plan wherein participants elect to reduce their compensation and have such reductions contributed to the Plan on their behalf. Participants direct their investments in numerous investment options managed by third party administrator, John Hancock Life Insurance Company (“Hancock”).

All employees are eligible to enroll in the Plan after completing 1,000 hours of service during the Plan year and also must be the age of eighteen. Employees receive credit for ten hours of service for every day in which they complete one hour of service. Eligible employees can enter the Plan on the first day of the succeeding Plan year after they have met the eligibility requirements for the Plan. If an employee fails to complete 500 hours of service in any Plan year, a break in service from the Plan can occur.

Contributions

Each year, participants may contribute up to the deferral limits as defined by the Internal Revenue Service (IRS) of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions of an additional \$7,500. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, common stocks, bonds, government securities, and an insurance investment contract as investment options for participants.

The Company may make discretionary contributions. Participants must make elective deferrals into the Plan and be employed on December 31 to receive a discretionary contribution. The Company may make non-elective contributions to the Plan based on eligible earnings. The Company made discretionary contributions of \$171,322 and \$170,917 respectively, for the years ended December 31, 2023 and 2022.

Participant Accounts

Each participant’s account is credited with the participant’s contributions and the Company’s discretionary contributions. Investment income or loss is allocated every business day which the New York Stock Exchange is open. Any discretionary or profit-sharing contribution, if any, is made annually to participants employed on the last day of the Plan year.

CALIFORNIA TANK LINES, INC. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Note 1. Description of Plan (Continued)

Forfeitures

Forfeitures of employer contributions may be used first to pay administrative expenses or reduce amounts otherwise required to be contributed to the Plan. There were no forfeitures for the years ended December 31, 2023 and 2022.

Vesting

Employee contributions are 100% vested. Employer discretionary and nonelective contributions have the following vesting schedule:

<u>Years of Vesting Service</u>	<u>Vested Interest</u>
Less than 3	0%
3 years or more	100%

In order for the participant to count a year as vested, they must perform at least 1,000 hours of service during the year.

Termination

Although the Company has not expressed any intent to do so, management may terminate the Plan at any time. Upon termination of service, a participant may elect to receive either a lump-sum amount equal to the value of his or her account, or one of various installment payments available under the Plan. In addition, upon termination of the Plan, participants' vested interest in employer contributions shall be 100%.

Participant Loans

The Plan does not permit any participant loans.

Payment of Benefits

At retirement (age 65), death, disability, or termination of service, a participant may leave their account balance in the Plan or elect to receive a single lump-sum payment in cash. Participants are allowed to withdraw employee account balances prior to termination of their employment under certain conditions specified in the Plan. Benefit payments are recorded when paid.

Administrative Expenses

Expenses of administering the Plan are paid principally by the Plan. Administrative fees are deducted from the participants' accounts on a pro-rata basis. The Plan paid fees of \$45,344 and \$47,306 during the years ended December 31, 2023 and 2022, respectively, all of which are rendered by parties-in-interest.

The Company absorbs the cost of certain administrative functions of the Plan including certain external legal and auditing services.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Note 2. Summary of Significant Accounting Policies

This summary of significant accounting policies of the Plan is presented to assist in understanding the financial statements. The financial statements and notes are representations of the Company, who is responsible for their integrity and objectivity. The accounting policies conform to accounting principles generally accepted in the United States of America (GAAP) and have been consistently applied in the preparation of the financial statements.

Use of Estimates

The preparation of financial statements, in accordance with GAAP, requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Basis of Accounting

The financial statements of the Plan are maintained on the accrual basis of accounting in accordance with GAAP. Investments held by the Plan are required to be reported at fair value.

Employee Contributions Receivable

Employee contributions receivable represent amounts due from the Company for payroll deductions withheld from the employee as contributions to the Plan. These amounts were deducted prior to year-end and received shortly after year-end. As of December 31, 2023 and 2022, the Plan did not have employee contributions receivable.

Investment Valuation and Income Recognition

Investments are reported at fair value based on quoted market prices. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the date received. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Excess Contributions Payable

For the years ended December 31, 2023 and 2022, the plan did not have excess contributions payable.

Administration of the Plan

Certain administrative expenses of the Plan may be paid by the Company. The Plan is not required to reimburse the Company for any administrative expenses paid for by the Company. Expenses not paid by the Company are paid for by the Plan.

Income Taxes

The Plan received a letter from the IRS identifying the Plan as acceptable under section 401 of the IRC. In the opinion of the Company, the Plan is currently being operated in accordance with the Plan agreement and in conformity with the applicable provisions of the IRC and therefore exempt from federal income taxes. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Note 2. Summary of Significant Accounting Policies (Continued)

Income Taxes (continued)

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

Note 4. Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset fair value measurement within the fair value hierarchy is based on the lowest level of any input significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following table sets for by level, within the fair value hierarchy, the Plan's financial assets that were accounted for at fair value on a recurring basis on December 31, 2023 and 2022:

As of December 31, 2023:

	<u>Level 1</u>
Assets:	
Registered Investment Companies	\$ 6,061,265
Non - Interest Bearing Cash	<u>4,297</u>
Total Assets at Fair Value	<u><u>\$ 6,065,562</u></u>

As of December 31, 2022:

	<u>Level 1</u>
Assets:	
Registered Investment Companies	\$ 5,200,638
Total Assets at Fair Value	<u><u>\$ 5,200,638</u></u>

CALIFORNIA TANK LINES, INC. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Note 5. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect participant's account balances and the amounts in the statement of net assets available for Plan benefits.

Note 6. Parties in Interest

Certain Plan investments are shares of mutual funds and other assets managed by Hancock. Hancock is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$45,344 and \$47,306 for the years ended December 31, 2023 and 2022.

Senior management of the Company are also participants in the Plan and therefore represent parties in interest. These employees make contributions to the Plan in accordance with the provisions of the Plan and in accordance with applicable laws.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note 7. Subsequent Events

In preparing these financial statements, management has evaluated events and transactions for potential recognition or disclosure through September 23, 2024, the date of the auditor's report. Management has determined that there are no material events that would require disclosure in the Plan's financial statements through this date.
