To the Plan Sponsor and Participants  
Skuid, Inc. 401(k) Plan  
Chattanooga, Tennessee

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements***

We have performed an audit of the financial statements of Skuid, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits in liquidation as of May 31, 2024 and December 31, 2023 and the statement of net assets available for benefits as of December 31, 2022, the related statements of changes in net assets available for benefits in liquidation for the period ended May 31, 2024 and year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit needs not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of May 31, 2024 and December 31, 2023 and 2022, and for the period ended May 31, 2024 and year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion on the Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP);
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Skuid, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Skuid, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the plan and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the *ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Skuid, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Skuid, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

#### ***Emphasis of Matter***

As further discussed in Note 1 to the financial statements, the Board of Directors of Skuid, Inc. 401(k) Plan, the plan's sponsor, voted on January 18, 2024 to terminate the plan. In accordance with GAAP, the plan has changed its basis of accounting from the ongoing plan basis used in presenting the 2022 financial statements to the liquidation basis used in presenting the 2024 and 2023 financial statements. Our opinion is not modified with respect to this matter.

#### ***Other Matter — Supplementary Schedules Required by ERISA***

The supplementary schedules of assets held at end of year and delinquent participant contributions as of and for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedules that agreed to or are derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedules, we evaluated whether the supplementary schedules, other than the information agreed to or derived from the certified investment information, including the form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary schedules, other than the information in the supplementary schedules that agreed to or are derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedules agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### NOTE 1 – DESCRIPTION OF PLAN

The following description of the Skuid, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

#### **General**

Effective January 1, 2016, Skuid, Inc., (the Company), established the 401(k) Plan. However, 401(k) Contributions and Roth Contributions, as well as automatic contribution provisions, of the Plan were effective as of September 1, 2016. The Plan is a defined contribution plan covering all eligible employees of the Company. Each employee is eligible to become a participant in the Plan after completing ninety days of service and attaining age eighteen. Once an employee is eligible to enter the Plan, he or she will become a member on the first day of the calendar month coincident with or next following the date of eligibility. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

#### **Contributions**

Each year, participants may contribute up to a dollar amount set by law of pretax annual eligible compensation as defined in the Plan. Participants may make pre-tax and after-tax contributions of eligible compensation to the Plan up to the maximum amount allowed by law. Participants who have attained age fifty before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover contributions). The Company may make matching contributions equal to a discretionary percentage, to be determined by the employer, of the participant's contributions. Contributions are subject to certain limitations.

#### **Participant Accounts**

Each participant's account is credited with the participant's contribution, rollover contributions, and allocations of (a) the Company's contribution, if applicable, and (b) Plan earnings less expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Administrative fees, except loan fees and certain investment fees, are allocated based on participant earnings or account balances.

#### **Investment Options**

Investments are currently held by Voya Retirement Insurance and Annuity Company. Upon enrollment in the Plan, a participant may direct contributions in any of the available mutual funds managed by Voya Retirement Insurance and Annuity Company. Participants may change their investment options at any time.

## NOTES TO FINANCIAL STATEMENTS

MAY 31, 2024 AND DECEMBER 31, 2023 AND 2022

---

### NOTE 1 – DESCRIPTION OF PLAN (Continued)

#### Vesting

Participants are immediately vested in their contributions and rollover contributions plus actual earnings thereon.

Participants employed with the Company as of January 1, 2019, are immediately vested in the company match plus actual earnings thereon. However, any participants who terminated employment with the Company prior to January 1, 2019, and who do not have at least one hour of service on or after January 1, 2019, will be subject to vesting in the Company's matching contribution portion of their accounts plus actual earnings based on years of continuous service as follows:

Years of service	Percent vested
Less than 1	25%
2	50
3	75
4 or more	100

#### Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is set at one percent above the prime rate for the life of the loan. Principal and interest are paid ratably through deductions from each payroll. Only one loan may be outstanding at any time.

#### Payment of Benefits

On termination of service due to death, disability, or retirement, a participant, or their beneficiary, may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, monthly, quarterly, semiannual, or annual installments over a period not to exceed participant's (or beneficiaries') life expectancy or joint survivor annuity. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Hardship withdrawals are allowed as defined in the plan agreement.

#### Forfeited Accounts

At December 31, 2023 and 2022, forfeitures totaled \$6,590 and \$8,515, respectively. Such accounts are used to reduce employer contributions or plan expenses. During the period ended May 31, 2024 and the year ended December 31, 2023, \$6,590 and \$8,605 were used to offset employer contributions or plan expenses, respectively.

## NOTES TO FINANCIAL STATEMENTS

MAY 31, 2024 AND DECEMBER 31, 2023 AND 2022

---

### NOTE 1 – DESCRIPTION OF PLAN (Continued)

#### **Administrative Expenses**

The Plan permits the payment of the plan expenses to be made from the plan assets. If the Company does not pay these expenses, then the expenses paid using the Plan's assets will be allocated among the participant accounts. For the year ended December 31, 2023, administrative fees paid for by plan assets totaled \$13,534. For the period ended May 31, 2024, administrative fees paid for by plan assets totaled \$9,306.

#### **Plan Termination**

On January 18, 2024, the Company terminated the Plan. All plan assets were fully distributed by May 31, 2024. In accordance with the plan provisions, participants became fully vested in their account balances at the time the Plan was terminated. The 2024 financial statements reflect activity from January 1, 2024 through May 31, 2024.

### NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **Basis of Accounting and Use of Estimates**

The financial statements of the Plan are prepared using the accrual method of accounting, based on accounting principles generally accepted in the United States of America, which requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

The Financial Accounting Standards Board (FASB) has adopted the Accounting Standards Codification (ASC) as the sole source of authoritative GAAP. The FASB will issue Accounting Standards Updates (ASU) from time to time to make adjustments to GAAP.

#### **Investment Valuation and Income Recognition**

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. The Plan's investments are valued daily.

Net appreciation or depreciation of investments included in the accompanying statement of changes in net assets available for benefits includes realized gains or losses from the sale of investments and unrealized appreciation or depreciation in fair value of investments bought and sold as well as held during the year.

Purchases and sale of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

## NOTES TO FINANCIAL STATEMENTS

MAY 31, 2024 AND DECEMBER 31, 2023 AND 2022

---

### NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022.

#### Payment of Benefits

Benefits are recorded when paid.

### NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN (UNAUDITED)

The following information included in the accompanying financial statements and supplementary schedules was obtained from data that has been prepared and certified as to complete and accurate by the custodian.

	2024	2023	2022
Investments, at fair value	\$ -	\$ 4,989,231	\$ 4,173,785
Investment income:			
Net appreciation in fair value of investments	372,031	797,734	
Interest and dividends	648	2,168	

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

### NOTE 4 – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different value measurement at the reporting date.

(Continued)

# SKUID, INC. 401(K) PLAN

## NOTES TO FINANCIAL STATEMENTS

MAY 31, 2024 AND DECEMBER 31, 2023 AND 2022

### NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

- Level 1 consists of unadjusted quoted prices in active markets for identical assets or liabilities and has the highest priority.
- Level 2 consists of inputs other than quoted prices within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 consists of significant unobservable inputs for the asset or liability and has the lowest priority.

#### Fair Value Measurements Using:

	Fair Value	Level 1
<b>May 31, 2024</b>		
Mutual funds	<u>\$ -</u>	<u>\$ -</u>

#### Fair Value Measurements Using:

	Fair Value	Level 1
<b>December 31, 2023</b>		
Mutual funds	<u>\$ 4,989,231</u>	<u>\$ 4,989,231</u>

#### Fair Value Measurements Using:

	Fair Value	Level 1
<b>December 31, 2022</b>		
Mutual funds	<u>\$ 4,173,785</u>	<u>\$ 4,173,785</u>

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

### NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Voya Retirement Insurance and Annuity Company. Voya Retirement Insurance and Annuity Company is the custodian as defined by the Plan, and, therefore, these transactions qualify as party-in-interest transactions. Certain investment expenses paid to the custodian are netted against investment returns.

## NOTES TO FINANCIAL STATEMENTS

MAY 31, 2024 AND DECEMBER 31, 2023 AND 2022

---

### NOTE 6 – TAX STATUS

The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan has been amended since receiving the determination letter. However, the plan administrator is not aware of any events that have occurred that might adversely affect the Plan's qualified status.

The Plan follows the accounting guidance for uncertainty in income taxes using the provisions of FASB ASC Topic 740, *Income Taxes*. Using that guidance, tax positions initially need to be recognized in the financial statements when it is more-likely-than-not the position will be sustained upon examination by the tax authorities.

The Plan has concluded that there are no significant uncertain tax positions requiring disclosure, and there are no material amounts of unrecognized tax benefits. The Plan's evaluation was performed for tax years ended December 31, 2020 through May 31, 2024, the years that remain subject to examination by major tax jurisdictions as of May 31, 2024.

### NOTE 7 – AMOUNTS OWED TO WITHDRAWN PARTICIPANTS

As of December 31, 2023, the amount of net assets available for benefits that were in accounts of participants that are no longer employees of the plan sponsor totaled \$2,032,055. Of those balances, no amount had been requested to be paid to the participants but were not paid until subsequent to the Plan's year end.

### NOTE 8 – SUBSEQUENT EVENTS

The plan administrator evaluated events and transactions subsequent to May 31, 2024 through August 30, 2024 (the date the financial statements were available to be issued) for potential recognition or disclosure in the financial statements. The plan administrator did not identify any items that required recognition or disclosure in the financial statements.
