INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Victor Community Support Services 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Victor Community Support Services 403 (b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the Statements of Net Assets Available for Benefits as of December 31, 2023 and 2022, and the related Statements of Changes in Net Assets Available for Benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Victor Community Support Services 403(b) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

continued

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Victor Community Support Services 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Victor Community Support Services 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT

continued

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Victor Community Support Services 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Victor Community Support Services 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITORS' REPORT

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

VICTOR COMMUNITY SUPPORT SERVICES 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan

The following description of Victor Community Support Services 403(b) Plan (“the Plan”) provides only general information. Participants should refer to the Plan’s documents for a more complete description of the Plan’s provisions.

General

On January 1, 2016, Victor Community Support Services, Inc. (“VCSS”) created the Plan with elective deferrals starting August 1, 2016. The Plan is a 403(b) tax-deferred annuity plan covering all employees of VCSS, as defined. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). VCSS is the plan sponsor and serves as the plan administrator.

Contributions

Participants may elect to contribute a portion of their eligible compensation to the Plan each year. Contributions are subject to regulatory limitations. Participants who have attained age 50 before the end of the Plan year or have 15 years of services with a qualified organization are eligible to make catch-up contributions.

Participant Accounts

Each participant’s account is credited with the participant’s contributions and allocations of the Plan earnings and charged with an allocation of administrative expenses. Allocations are based on account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon.

Payments of Benefits

In general, on termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive a lump-sum amount equal to the fair value of the participant's account balance.

Participant Loans

Participant loans are not permitted.

NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Plan:

Basis of Presentation

The financial statements of the Plan are reported on the accrual basis of accounting.

Investments

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gain on investments bought and sold as well as held during the year.

Payments of Benefits

Benefits are recorded when paid.

Fair Value Measurements

Generally accepted accounting principles provide guidance on how fair value should be determined when financial statement elements are required to be measured at fair value. Valuation techniques are ranked in three levels depending on the degree of objectivity of the inputs used with each level:

Level 1 inputs - quoted prices in active markets for identical assets

Level 2 inputs - quoted prices in active or inactive markets for the same or similar assets

Level 3 inputs - estimates using the best information available when there is little or no market

The Plan is required to measure certain investments at fair value. The specific techniques used to measure fair value for the financial statement element is described in the notes below that relates to the element.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures as of the date and for the period presented. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies, continued

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market volatility, and credit risks. Market risks include global events which could impact the value of investments securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the statement of net assets available for benefits.

Subsequent Events

Management has evaluated subsequent events through September 23, 2024, the date which the financial statements were available for issue. No events or transactions have occurred during this period that appear to require recognition or disclosure in the financial statements.

3. Information Prepared and Certified by the Custodian

No auditing procedures were performed on certain investments and interest income as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The following summarizes the information certified by Principal Trust Company, the custodian of the Plan, for the years ended December 31, 2023 and 2022:

	<u>2023</u>	<u>2022</u>
Mutual funds	\$6,318,772	\$4,580,835
General account	<u>149,528</u>	<u>144,392</u>
	<u>\$6,468,300</u>	<u>\$4,725,227</u>

During the years ended December 31, 2023 and 2022, the Plan's investments (including investments bought, sold, and held during the year appreciated (depreciated) in value by \$785,610 and (\$1,049,254), respectively.

4. Fair Value Measurements

The following table presents the balances of assets measured at fair value as of December 31, 2023 and 2022 on a recurring basis:

<u>December 31, 2023</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds in the fair value hierarchy	<u>\$6,318,772</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$6,318,772</u>
<u>December 31, 2022</u>				
Mutual funds in the fair value hierarchy	<u>\$4,580,835</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$4,580,835</u>

The fair value of mutual funds in the fair value hierarchy have been measured on a recurring basis using quoted prices for identical assets in active markets (Level 1 inputs).

5. Investments in Fully Benefit Responsive Investment Contracts

The following summarizes investments measured at contract value per share as of December 31, 2023 and 2022:

	<u>2023</u>	<u>2022</u>
General account	<u>\$149,528</u>	<u>\$144,392</u>

The general account is a guaranteed general account backed group annuity contract. A composite crediting rate contractually guaranteed by Principal Trust Company is credited to account balances. The net crediting rate is after the deduction of 0.45% for fees for administrative and recordkeeping services provided to the plan. Currently, this net crediting rate is a 1.30% effective annual rate, until November 30, 2023. The rate will be reset December 1, 2023, and semiannually thereafter. Termination of a Party's Interest is subject to either a 12-month advance notice or a 5% surrender charge calculated using the 12-month average value of the Party's Interest in the contract. The authorized plan representative chooses the termination provision for the liquidation. Notice to terminate can be revoked for 90 days, after which, notice is irrevocable. Refer to the contract or plan description for a full explanation of investment details.

NOTES TO FINANCIAL STATEMENTS

6. **Related Party and Party-in-Interest Transactions**

Certain administrative functions are performed by officers and employees of VCSS. No officer or employee received compensation from the Plan for these services.

Administrative fees are paid for using Plan assets.

7. **Plan Termination**

Although it has not expressed any intent to do so, VCSS has the right under the Plan to discontinue its contribution at any time and to terminate the Plan, subject to the provisions of ERISA.

8. **Tax Status**

The Plan is designed to operate as a standardized prototype style that provides tax-exempt status under appropriate sections of the Internal Revenue Code. The plan sponsor believes that the Plan continues to qualify and to operate as designed.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2020.
