Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Serene Home Nursing Agency 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Reliance Trust Company, a qualified institution, as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Serene Home Nursing Agency 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Serene Home Nursing Agency 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) for the year ended December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Serene Home Nursing Agency 401(k) Plan

Notes to Financial Statements

December 31, 2023

Note A – Description of Plan

The following description of the Serene Home Nursing Agency (“Company”) 401(k) Plan (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General. The Plan, adopted in April 2018, is a defined contribution, profit-sharing plan, covering employees of the Company who have completed one year of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Participation in the plan is entirely voluntary.

Contributions. Each year, participants may contribute up to 90% of their compensation not to exceed the limits of Code Sections 401(k). For 2023, the maximum deferral amount is \$22,500. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants may make after-tax contributions (Roth contributions). Each year, the Company has the option of making a discretionary matching contribution to the plan. The formula followed for 2023 and 2022 was to match 100% of participant deferrals up to 2% of eligible compensation. For 2023, the Company contributed \$72,168 to the plan. Participants direct the investment of their contributions into various investment options offered by the Plan. Contributions are subject to certain IRS limitations.

Participant Accounts. Each participant’s account is credited with the participant’s contribution and allocations of (a) the Company’s contribution and, (b) Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting. Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the company’s contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service.

Notes Receivable from Participants. Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant’s account and bear interest at prevailing rates as determined quarterly by the Plan Administrator. Principal and interest are paid ratably through payroll deductions. Participants are permitted to have only one outstanding loan at any one time.

Payment of Benefits. On termination of service due to death, disability or retirement, a participant shall receive a lump-sum amount equal to the value of the participant’s vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Notes to Financial Statements

December 31, 2023

Note A – Description of Plan (continued)

Forfeited Accounts. These accounts will be transferred to the plan's cash account and used to reduce the employer's matching contributions. As of December 31, 2023, the forfeiture account balance was \$8,091. For the year ending December 31, 2023, forfeitures in the amount of \$2,946 were applied towards the funding of the employer match.

Note B – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. The plan received \$2,890 of ERISA spending account revenue during the year ended December 31, 2023. The balance in the ERISA spending account was \$64 as of December 31, 2023.

Coronavirus Aid, Relief and Economic Security Act

In March 2020, certain provisions under the Coronavirus Aid, Relief and Economic Security (CARES) Act relating to participant distributions and participants loans were enacted.

Serene Home Nursing Agency 401(k) Plan

Notes to Financial Statements

December 31, 2023

Note B – Summary of Significant Accounting Policies (continued)

Coronavirus Aid, Relief and Economic Security Act

The CARES Act allows utilization of these provisions immediately but requires formal adoption of the amendment no later than December 31, 2025. Effective August 1, 2022, the Plan was formally amended to adopt these provisions.

Note C – Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company (the trustee of the Plan).

Note D – Fair Value Measurements

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
---------	---

Level 2	Inputs to the valuation methodology include: • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
---------	---

Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.
---------	---

Serene Home Nursing Agency 401(k) Plan

Notes to Financial Statements

December 31, 2023

Note D – Fair Value Measurements (continued)

The asset or liability's fair value measurement within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Common Collective Trust: Valued on their net asset values, as reported by the managers of the Trust and as supported by the unit prices of actual purchase and sale transactions occurring as of or close to the financial statement date.

Mutual Funds: Valued at quoted market prices in active markets.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

<u>Assets at Fair Value as of December 31, 2023</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Common collective trust	\$ -	\$ 49,010	\$ -	\$ 49,010
Mutual funds	1,384,854	-	-	1,384,854
Total assets at fair value	<u>\$ 1,384,854</u>	<u>\$ 49,010</u>	<u>\$ -</u>	<u>\$ 1,433,864</u>
<u>Assets at Fair Value as of December 31, 2022</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Common collective trust	\$ -	\$ 47,501	\$ -	\$ 47,501
Mutual funds	980,065	-	-	980,065
Total assets at fair value	<u>\$ 980,065</u>	<u>\$ 47,501</u>	<u>\$ -</u>	<u>\$ 1,027,566</u>

Note E – Related Party Transactions

Participant loans are managed by Reliance Trust Company. Reliance Trust Company is the trustee as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$4,746 and \$5,342 for the years ended December 31, 2023 and 2022, respectively.

Note F – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their contributions.

Serene Home Nursing Agency 401(k) Plan

Notes to Financial Statements

December 31, 2023

Note G – Tax Status

The IRS stated that the prototype adopted by the Plan, as then designed, qualifies under Internal Revenue Code (IRC) Section 401(a). The Plan has not received a determination letter specific to the Plan itself; however, the Plan administrator does believe that the Plan was designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note H – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of the statement of assets available for benefits per the financial statements to Form 5500 for the year ended December 31, 2023:

Net assets available for benefits per the financial statements	\$ 1,569,376
Less: Current year employer contributions receivable	(69,222)
Current year deemed distribution	(6,135)
Current year accrued loan interest	<u>(289)</u>
Net assets available for benefits per the Form 5500	\$ <u>1,493,730</u>

The following is a reconciliation of changes in net assets available for benefits per the financial statements to Form 5500 for the year ended December 31, 2023:

Changes in net assets available for benefits per the financial statements	\$ 435,044
Add: Prior year employer contributions receivable	68,079
Prior year deemed distribution	5,833
Prior year employee contribution receivable	522
Less: Current year employer contributions receivable	(69,222)
Current year deemed distribution	(6,135)
Current year accrued loan interest	<u>(289)</u>
Changes in net assets available for benefits per the Form 5500	\$ <u>433,832</u>

Note I – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Notes to Financial Statements

December 31, 2023

Note J – ERISA Bond Requirement

The Employee Retirement Income Security Act of 1974 (ERISA) requires that every person who handles funds or other property of the Plan be bonded. The bond coverage is to be determined by the balance of the total plan assets and is required to be at least equal to the lesser of 10% of the plan's assets at the beginning of the plan year or \$500,000. At December 31, 2023, the Plan's sponsor maintained bond coverage in the amount of \$106,000.

Note K – Subsequent Events

Subsequent events were evaluated through August 9, 2024, which is the date the financial statements were available to be issued.
