INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee and participants of the
Thomas Judy and Tucker 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We have performed audits of the financial statements of the Thomas Judy and Tucker 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements (the financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of the report,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current Plan instrument, including all Plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of the accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter –Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THOMAS, JUDY AND TUCKER 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

1. Description of Plan

The following description of the Thomas, Judy and Tucker 401(k) Profit Sharing Plan (the "Plan") provides only general information for the Plan sponsored by Thomas, Judy & Tucker, P.A. (the "Company" or "Plan Sponsor"). Participants in the Plan should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan became effective on January 1, 1992 as a trustee profit sharing 401(k) salary deferral plan. The Plan covers all non-union, resident employees of the Company who are at least 21 years of age and who have completed 500 hours of service with the Company. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Each year, participants may contribute up to 100% of their pre-tax or after-tax annual compensation, subject to the contribution limits imposed by the Internal Revenue Code ("IRC"). The Company makes elective matching contributions of employees' eligible contributions and mandatory safe harbor contributions of 3% of eligible wages. During 2023, the Company made an elective matching contribution of 1% of employees' eligible contributions. The Company may decide to make an additional profit sharing contribution at the discretion of the Company's Trustees, but is not required to do so. Employees must be employed on the last day of the Plan year to be eligible for the discretionary contributions. The additional profit sharing contribution is allocated to eligible employees based on compensation and certain assigned classifications by the Company as outlined in the Plan document. The Company made a discretionary profit sharing contribution for the 2023 Plan year to eligible employees.

Participants may deposit rollovers (distributions from other plans) into the Plan. Participants are also permitted to make Roth direct rollover contributions into the Plan.

Participants' Accounts

Employee contributions, employer contributions, and rollover contributions activity are maintained separately in each participant's account. Participants direct the investment of their account balances into various investment options offered by the Plan. Participants may change their investments daily. Additionally, participants have the option to maintain self-directed accounts. Each participant's account is credited with the participant's contribution, the Company's contribution, and allocations of plan earnings. Allocations are based on participants' compensation or account balances, as defined. A participant is entitled to the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in the salary reduction amount contributed to the Plan and in the employer safe harbor contribution. Vesting in the Company's elective matching contributions and profit-sharing contributions is based on the years of continuous service. Participants are fully vested after completing six years of credited service.

1. Description of Plan (Continued)

Forfeited Accounts

Separated participants who are not 100% vested forfeit the non-vested portion of their accounts arising from Company contributions at the end of the plan year in which the termination of employment occurs. At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$2,572 and \$1,648, respectively. Forfeited accounts are used to reduce employer contributions or to pay Plan expenses as permitted by the Plan's provisions. During 2023 the Plan used \$4,843 to reduce employer matching contributions and pay Plan expenses.

Payment of Benefits

Generally, the participant becomes eligible to receive benefits on their normal retirement age (65), death, disability, termination of employment, or reasons of proven financial hardship. For retirement, death or disability, the participant may receive 100% of their account balance in a lump sum amount or installments, as defined. Participants who terminate their employment will receive their vested account balance under the same options as above. If the vested balance is less than \$5,000, a lump sum distribution is made. Participants are also eligible to make in-service withdrawals once they attain age 59 ½.

Hardship Withdrawals

Upon approval by the plan administrator, a participant may withdraw all or part of their elective and vested contributions for immediate and severe financial need. In accordance with Internal Revenue Service ("IRS") regulations, the participant must exhaust all other assets available prior to obtaining the hardship withdrawal.

2. Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates, and such differences may be material to the financial statements.

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

2. Significant Accounting Policies (Continued)

Cash and Cash Equivalents

The Plan considers all invested cash balances to be cash equivalents

Payment of Benefits

Benefits are recorded when paid.

Investment Valuation and Income Recognition

All contributions and rollovers are invested at the direction of each participant in any combination of the investment funds offered. Additionally, participants are allowed to hold segregated accounts outside of the qualified institutions. Investments are comprised of common/collective trust accounts, partnership interests, common stocks, mutual funds, and a guaranteed fund portfolio held with an insurance company. The fair value of the common collective trust, depending on the contract, is determined based on the fair value of the underlying securities, which include market securities and open-end mutual funds or based on the present value of the contracts expected cash flows, discounted by current market interest rates for like investments. Investments in mutual funds and common stocks are valued at quoted market prices established in an active market which represent the net asset value of shares held by the Plan at year end. Investments in partnership interests are valued using the equity method as no individual ownership interest is greater than 5%. Purchases and sales of securities are recorded on the trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Realized and unrealized appreciation and depreciation in value of investments are allocated to the participant accounts based on participant holdings in each fund.

Plan Expenses

Certain plan expenses are paid by the Plan Sponsor as provided by the Plan document. Expenses related to specific participant transactions (distributions) are charged directly to the participant's account. Administrative expenses can be charged to participant accounts for those participants invested in certain funds at rates determined by the individual fund.

3. Federal Income Taxes

The Plan adopted a Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA document. This document received an opinion letter dated June 30, 2020, in which the IRS stated that the document was in compliance with the applicable requirements of the IRC. As allowed by the IRS, the Plan is relying on the opinion letter issued on the prototype document for its own qualification. The prototype has been amended for changes required by the IRS since receiving the opinion letter. Plan management believes the Plan is currently designed and operating in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

THOMAS, JUDY AND TUCKER 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

3. Federal Income Taxes (Continued)

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would be sustained upon examination by the applicable authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

4. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become fully vested in their accounts.

5. Investments

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following information included in the accompanying financial statements and supplemental schedule was obtained or derived from information certified as complete and accurate by Empower Trust Company, LLC (formerly Great-West Trust Company, LLC), the trustee of the Plan, (collectively "Empower"), and was not subject to audit for the years ended December 31:

6. Fair Value Measurements

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

- Level 1 Inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.
- Level 2 Inputs are based on significant other observable inputs such as:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 Inputs are unobservable and significant to the fair value measurement

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. The Plan uses Level 2 inputs when market prices are not attainable but other observable inputs are available to arrive at a fair value, and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available. There were no Level 2 investments in the Plan.

The following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2023 and 2022:

Mutual Funds: Valued at fair value based on quoted market prices, which represents the NAV of shares held by the Plan at year end (Level 1).

Common Stocks (held in participant-directed brokerage accounts): Valued at the closing price on the last day of the Plan year. Stocks traded in over-the-counter markets and listed securities for which no sale was reported on that date are valued at the last reported bid price (Level 1).

Limited Partnership Interests (held in participant-directed brokerage accounts): Generally valued utilizing the equity method which approximates fair value (Level 3).

6. Fair Value Measurement (Continued)

The following table sets forth a summary of changes in the fair value of the Plan's Level 3 investment assets for the year ended December 31, 2023:

Balance, Beginning of Year	\$ 1,133,505
Realized and Unrealized Gains and (Losses), Net	299,868
Distributions	(289,267)
Transfers In, Net of Transfers Out	<u>492,694</u>
Balance, End of Year	<u>\$ 1,636,800</u>

7. Collective Investment Trusts

Share prices/NAV's reported for the Collective Investment Trust Funds are generally obtained directly from the fund house or other investment provider.

If available, an attempt is made to receive share prices from more than one source, and before the share price is entered into the recordkeeping system, a systematic comparison is performed and any difference in quoted share prices for the same fund is resolved by contacting the investment provider directly to ensure the correct share price is recorded. Variance reports are also reviewed showing percentage of share price changes from the prior day. The internal pricing analyst and management will review the overall movement of market indices and will apply judgement in determining whether any further research with investment providers will be pursued for share price variances from the prior day. Daily, after all research and validation has been performed, and variances have been resolved, share prices are closed and loaded to the recordkeeping system.

8. Wrap Contracts with Stable Value Fund

The Plan holds fully benefit-responsive wrap contracts with Putnam within the Stable Value Fund (the "Fund"). The Fund is classified as a common/collective trust fund and invests in assets (typically asset-backed securities, bond funds, mortgage-backed securities, or securities issued by government agencies) and enters into "wrap" contracts issued by third parties and invests in cash equivalents represented by shares in money market funds. Accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

For purposes of benefit-responsive withdrawals, investments in wrap contracts are valued at contract value, which could be more or less than fair value. An investment contract is generally permitted to be valued at contract value, rather than fair value, to the extent it is fully benefit-responsive and held by a trust offered only to qualified employer-sponsored defined-contribution plans.

THOMAS, JUDY AND TUCKER 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

8. Wrap Contracts with Stable Value Fund (Continued)

An investment contract is considered fully benefit-responsive if: 1) it is effected directly between the Fund and the issuer and may not be transferred without the consent of the issuer, 2) the issuer of the wrap contract provides assurance that the contract crediting rate will not be adjusted to less than zero, 3) the contract requires all permitted unit-holder initiated transactions with the Fund to occur at contract value without limitation, 4) it is improbable that an event will occur that would limit the ability of the Fund to transact at contract value with both the issuer and unit-holders, 5) the Fund allows unit-holders reasonable access to their funds. Investment contracts that do not meet the criteria for valuation at contract value will be valued at fair value as determined by the trustee.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment in the Fund at contract value.

Wrap contracts accrue interest using a formula called the “crediting rate.” The crediting rate is the discount rate that equates that estimated future market value with such Fund’s current contract value. Crediting rates are reset monthly. The wrap contracts provide a guarantee that the crediting rate will not fall below zero percent.

The Fund and the wrap contracts purchased by the Fund are designed to pay all permitted unit-holder initiated transactions at contract value. Permitted unit-holder initiated transactions are those transactions allowed by the underlying defined-contributions plans (typically this would include withdrawals for benefits, loans, or transfers to non-competing Funds within the Plan) but excluding certain withdrawals that are deemed to be caused by the actions of the Plan Sponsor. The wrap contracts limit the ability of the Fund to transact at contract value upon the occurrence of such Plan Sponsor events. These events include:

1. The Plan’s failure to qualify under Section 401(a) or Section 401(k) of the Code.
2. The establishment of a defined contribution plan that competes with the Plan for employee contributions.
3. Any substantive modification of the Fund or the administration of the Fund that is not consented to by the wrap issuer.
4. Any change in law, regulation or administrative ruling applicable to the Plan that could have a material adverse effect on a Fund’s cash flow.
5. Any communication given to unit-holders by the Plan Sponsor, any other Plan fiduciary that is designed to induce or influence unit-holders not to invest in the Fund or to transfer assets out of the Fund.
6. Any transfer of assets from the Fund directly to a competing investment option.

Withdrawals initiated by a Plan Sponsor will normally be provided at contract value as soon as practicable within twelve months following written notice to the trustee.

THOMAS, JUDY AND TUCKER 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

9. Party-in-Interest Transactions

Plan assets are managed by Empower. The transactions in these investments qualify as party-in-interest transactions. Fees paid by the Plan to Empower and other parties-in-interest for contract administration, advisory, and professional services amounted to \$135,073 for the year ended December 31, 2023. These transactions are exempt from being prohibited transactions by ERISA.

10. Risks and Uncertainties

The Plan invests in various investment securities as directed by its participants. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

11. Reconciliation to Form 5500

The financial statements show the Plan's Wilmington Trust, N.A. investments as collective investment trust funds. Because Empower has not filed the Separate Accounts' assets and liabilities statement with the Department of Labor and is not acting as a Direct Filing Entity, assets are reflected according to underlying investments, mutual funds, in the Form 5500.

12. Subsequent Events

The Company has evaluated events and transactions for potential recognition or disclosure in the financial statements through October 1, 2024, which is the date the financial statements were available to be issued.

Effective February 1, 2024, the Plan changed trustees from Empower to OneAmerica Retirement Services, LLC.

Effective April 1, 2024, the Plan amended its eligibility requirements whereby the participant must have 4 consecutive months and 500 hours of service. Additionally, the entry date for all contribution types will be the date on which the eligibility requirements are satisfied.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		X	
e Was this plan covered by a fidelity bond?	X		500,000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		X	
l Has the plan failed to provide any benefit when due under the plan?		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.

INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee and participants of the
Thomas Judy and Tucker 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We have performed audits of the financial statements of the Thomas Judy and Tucker 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements (the financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of the report,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current Plan instrument, including all Plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of the accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter –Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THOMAS, JUDY AND TUCKER 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

1. Description of Plan

The following description of the Thomas, Judy and Tucker 401(k) Profit Sharing Plan (the "Plan") provides only general information for the Plan sponsored by Thomas, Judy & Tucker, P.A. (the "Company" or "Plan Sponsor"). Participants in the Plan should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan became effective on January 1, 1992 as a trustee profit sharing 401(k) salary deferral plan. The Plan covers all non-union, resident employees of the Company who are at least 21 years of age and who have completed 500 hours of service with the Company. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Each year, participants may contribute up to 100% of their pre-tax or after-tax annual compensation, subject to the contribution limits imposed by the Internal Revenue Code ("IRC"). The Company makes elective matching contributions of employees' eligible contributions and mandatory safe harbor contributions of 3% of eligible wages. During 2023, the Company made an elective matching contribution of 1% of employees' eligible contributions. The Company may decide to make an additional profit sharing contribution at the discretion of the Company's Trustees, but is not required to do so. Employees must be employed on the last day of the Plan year to be eligible for the discretionary contributions. The additional profit sharing contribution is allocated to eligible employees based on compensation and certain assigned classifications by the Company as outlined in the Plan document. The Company made a discretionary profit sharing contribution for the 2023 Plan year to eligible employees.

Participants may deposit rollovers (distributions from other plans) into the Plan. Participants are also permitted to make Roth direct rollover contributions into the Plan.

Participants' Accounts

Employee contributions, employer contributions, and rollover contributions activity are maintained separately in each participant's account. Participants direct the investment of their account balances into various investment options offered by the Plan. Participants may change their investments daily. Additionally, participants have the option to maintain self-directed accounts. Each participant's account is credited with the participant's contribution, the Company's contribution, and allocations of plan earnings. Allocations are based on participants' compensation or account balances, as defined. A participant is entitled to the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in the salary reduction amount contributed to the Plan and in the employer safe harbor contribution. Vesting in the Company's elective matching contributions and profit-sharing contributions is based on the years of continuous service. Participants are fully vested after completing six years of credited service.

THOMAS, JUDY AND TUCKER 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

1. Description of Plan (Continued)

Forfeited Accounts

Separated participants who are not 100% vested forfeit the non-vested portion of their accounts arising from Company contributions at the end of the plan year in which the termination of employment occurs. At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$2,572 and \$1,648, respectively. Forfeited accounts are used to reduce employer contributions or to pay Plan expenses as permitted by the Plan's provisions. During 2023 the Plan used \$4,843 to reduce employer matching contributions and pay Plan expenses.

Payment of Benefits

Generally, the participant becomes eligible to receive benefits on their normal retirement age (65), death, disability, termination of employment, or reasons of proven financial hardship. For retirement, death or disability, the participant may receive 100% of their account balance in a lump sum amount or installments, as defined. Participants who terminate their employment will receive their vested account balance under the same options as above. If the vested balance is less than \$5,000, a lump sum distribution is made. Participants are also eligible to make in-service withdrawals once they attain age 59 ½.

Hardship Withdrawals

Upon approval by the plan administrator, a participant may withdraw all or part of their elective and vested contributions for immediate and severe financial need. In accordance with Internal Revenue Service ("IRS") regulations, the participant must exhaust all other assets available prior to obtaining the hardship withdrawal.

2. Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates, and such differences may be material to the financial statements.

THOMAS, JUDY AND TUCKER 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

2. Significant Accounting Policies (Continued)

Cash and Cash Equivalents

The Plan considers all invested cash balances to be cash equivalents

Payment of Benefits

Benefits are recorded when paid.

Investment Valuation and Income Recognition

All contributions and rollovers are invested at the direction of each participant in any combination of the investment funds offered. Additionally, participants are allowed to hold segregated accounts outside of the qualified institutions. Investments are comprised of common/collective trust accounts, partnership interests, common stocks, mutual funds, and a guaranteed fund portfolio held with an insurance company. The fair value of the common collective trust, depending on the contract, is determined based on the fair value of the underlying securities, which include market securities and open-end mutual funds or based on the present value of the contracts expected cash flows, discounted by current market interest rates for like investments. Investments in mutual funds and common stocks are valued at quoted market prices established in an active market which represent the net asset value of shares held by the Plan at year end. Investments in partnership interests are valued using the equity method as no individual ownership interest is greater than 5%. Purchases and sales of securities are recorded on the trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Realized and unrealized appreciation and depreciation in value of investments are allocated to the participant accounts based on participant holdings in each fund.

Plan Expenses

Certain plan expenses are paid by the Plan Sponsor as provided by the Plan document. Expenses related to specific participant transactions (distributions) are charged directly to the participant's account. Administrative expenses can be charged to participant accounts for those participants invested in certain funds at rates determined by the individual fund.

3. Federal Income Taxes

The Plan adopted a Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA document. This document received an opinion letter dated June 30, 2020, in which the IRS stated that the document was in compliance with the applicable requirements of the IRC. As allowed by the IRS, the Plan is relying on the opinion letter issued on the prototype document for its own qualification. The prototype has been amended for changes required by the IRS since receiving the opinion letter. Plan management believes the Plan is currently designed and operating in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

THOMAS, JUDY AND TUCKER 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

3. Federal Income Taxes (Continued)

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would be sustained upon examination by the applicable authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

4. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become fully vested in their accounts.

5. Investments

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following information included in the accompanying financial statements and supplemental schedule was obtained or derived from information certified as complete and accurate by Empower Trust Company, LLC (formerly Great-West Trust Company, LLC), the trustee of the Plan, (collectively "Empower"), and was not subject to audit for the years ended December 31:

6. Fair Value Measurements

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 Inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.

Level 2 Inputs are based on significant other observable inputs such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs are unobservable and significant to the fair value measurement

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. The Plan uses Level 2 inputs when market prices are not attainable but other observable inputs are available to arrive at a fair value, and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available. There were no Level 2 investments in the Plan.

The following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2023 and 2022:

Mutual Funds: Valued at fair value based on quoted market prices, which represents the NAV of shares held by the Plan at year end (Level 1).

Common Stocks (held in participant-directed brokerage accounts): Valued at the closing price on the last day of the Plan year. Stocks traded in over-the-counter markets and listed securities for which no sale was reported on that date are valued at the last reported bid price (Level 1).

Limited Partnership Interests (held in participant-directed brokerage accounts): Generally valued utilizing the equity method which approximates fair value (Level 3).

6. Fair Value Measurement (Continued)

The following table sets forth a summary of changes in the fair value of the Plan's Level 3 investment assets for the year ended December 31, 2023:

Balance, Beginning of Year	\$ 1,133,505
Realized and Unrealized Gains and (Losses), Net	299,868
Distributions	(289,267)
Transfers In, Net of Transfers Out	<u>492,694</u>
Balance, End of Year	<u>\$ 1,636,800</u>

7. Collective Investment Trusts

Share prices/NAV's reported for the Collective Investment Trust Funds are generally obtained directly from the fund house or other investment provider.

If available, an attempt is made to receive share prices from more than one source, and before the share price is entered into the recordkeeping system, a systematic comparison is performed and any difference in quoted share prices for the same fund is resolved by contacting the investment provider directly to ensure the correct share price is recorded. Variance reports are also reviewed showing percentage of share price changes from the prior day. The internal pricing analyst and management will review the overall movement of market indices and will apply judgement in determining whether any further research with investment providers will be pursued for share price variances from the prior day. Daily, after all research and validation has been performed, and variances have been resolved, share prices are closed and loaded to the recordkeeping system.

8. Wrap Contracts with Stable Value Fund

The Plan holds fully benefit-responsive wrap contracts with Putnam within the Stable Value Fund (the "Fund"). The Fund is classified as a common/collective trust fund and invests in assets (typically asset-backed securities, bond funds, mortgage-backed securities, or securities issued by government agencies) and enters into "wrap" contracts issued by third parties and invests in cash equivalents represented by shares in money market funds. Accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

For purposes of benefit-responsive withdrawals, investments in wrap contracts are valued at contract value, which could be more or less than fair value. An investment contract is generally permitted to be valued at contract value, rather than fair value, to the extent it is fully benefit-responsive and held by a trust offered only to qualified employer-sponsored defined-contribution plans.

THOMAS, JUDY AND TUCKER 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

8. Wrap Contracts with Stable Value Fund (Continued)

An investment contract is considered fully benefit-responsive if: 1) it is effected directly between the Fund and the issuer and may not be transferred without the consent of the issuer, 2) the issuer of the wrap contract provides assurance that the contract crediting rate will not be adjusted to less than zero, 3) the contract requires all permitted unit-holder initiated transactions with the Fund to occur at contract value without limitation, 4) it is improbable that an event will occur that would limit the ability of the Fund to transact at contract value with both the issuer and unit-holders, 5) the Fund allows unit-holders reasonable access to their funds. Investment contracts that do not meet the criteria for valuation at contract value will be valued at fair value as determined by the trustee.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment in the Fund at contract value.

Wrap contracts accrue interest using a formula called the "crediting rate." The crediting rate is the discount rate that equates that estimated future market value with such Fund's current contract value. Crediting rates are reset monthly. The wrap contracts provide a guarantee that the crediting rate will not fall below zero percent.

The Fund and the wrap contracts purchased by the Fund are designed to pay all permitted unit-holder initiated transactions at contract value. Permitted unit-holder initiated transactions are those transactions allowed by the underlying defined-contributions plans (typically this would include withdrawals for benefits, loans, or transfers to non-competing Funds within the Plan) but excluding certain withdrawals that are deemed to be caused by the actions of the Plan Sponsor. The wrap contracts limit the ability of the Fund to transact at contract value upon the occurrence of such Plan Sponsor events. These events include:

1. The Plan's failure to qualify under Section 401(a) or Section 401(k) of the Code.
2. The establishment of a defined contribution plan that competes with the Plan for employee contributions.
3. Any substantive modification of the Fund or the administration of the Fund that is not consented to by the wrap issuer.
4. Any change in law, regulation or administrative ruling applicable to the Plan that could have a material adverse effect on a Fund's cash flow.
5. Any communication given to unit-holders by the Plan Sponsor, any other Plan fiduciary that is designed to induce or influence unit-holders not to invest in the Fund or to transfer assets out of the Fund.
6. Any transfer of assets from the Fund directly to a competing investment option.

Withdrawals initiated by a Plan Sponsor will normally be provided at contract value as soon as practicable within twelve months following written notice to the trustee.

THOMAS, JUDY AND TUCKER 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

9. Party-in-Interest Transactions

Plan assets are managed by Empower. The transactions in these investments qualify as party-in-interest transactions. Fees paid by the Plan to Empower and other parties-in-interest for contract administration, advisory, and professional services amounted to \$135,073 for the year ended December 31, 2023. These transactions are exempt from being prohibited transactions by ERISA.

10. Risks and Uncertainties

The Plan invests in various investment securities as directed by its participants. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

11. Reconciliation to Form 5500

The financial statements show the Plan's Wilmington Trust, N.A. investments as collective investment trust funds. Because Empower has not filed the Separate Accounts' assets and liabilities statement with the Department of Labor and is not acting as a Direct Filing Entity, assets are reflected according to underlying investments, mutual funds, in the Form 5500.

12. Subsequent Events

The Company has evaluated events and transactions for potential recognition or disclosure in the financial statements through October 1, 2024, which is the date the financial statements were available to be issued.

Effective February 1, 2024, the Plan changed trustees from Empower to OneAmerica Retirement Services, LLC.

Effective April 1, 2024, the Plan amended its eligibility requirements whereby the participant must have 4 consecutive months and 500 hours of service. Additionally, the entry date for all contribution types will be the date on which the eligibility requirements are satisfied.
