Independent Auditor's Report

To the Plan Administrator and Those Charged with Governance of
Rowe Fine Furniture, Inc. 401(k) Plan
Elliston, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Rowe Fine Furniture, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Rowe Fine Furniture, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Rowe Fine Furniture, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Rowe Fine Furniture, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Rowe Fine Furniture, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Rowe Fine Furniture, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

Rowe Fine Furniture, Inc. 401(k) Plan

Notes to Financial Statements

December 31, 2023

Note 1 – Plan Description

The following description of the Rowe Fine Furniture, Inc. 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Rowe Fine Furniture, Inc. (the “Plan Sponsor”) who are at least 21 years of age and have completed at least 3 months of service. Effective February 22, 2022, the Plan was amended to reduce the age requirement to 18 years of age and remove the service requirement. Employees may enter the Plan immediately upon meeting the Plan’s eligibility requirements. The Plan excludes employees covered by a collective bargaining agreement and statutory sales employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute from 1% to 75% of their eligible compensation on a pretax basis, as defined by the Plan, and may designate a portion of their contributions as Roth 401(k) contributions up to the statutory maximum amount of contributions allowed by the IRS. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch up contributions of \$6,500. Participants may also contribute amounts representing distributions from other qualified plans.

The Plan Sponsor makes a safe harbor matching contribution equal to 100% of the first 3% of the participant’s compensation contributed to the Plan and 50% of the next 2% of the participant’s compensation contributed to the Plan. The Plan Sponsor may make an additional discretionary matching contribution, determined once a year, as a percentage of participants’ eligible contributions. The Plan Sponsor did not make a discretionary matching contribution to the Plan for the year ended December 31, 2023. The Plan Sponsor may also make a discretionary profit-sharing contribution which would be allocated to a participant who is an employee on the last day of the Plan year and has completed at least 1,000 hours of service. There was no discretionary profit-sharing contribution made to the Plan for the year ended December 31, 2023. Contributions are subject to certain limitations.

Participant Investment Options

A participant may direct employee contributions into various investment options offered by the Plan.

Participant Accounts

Each participant’s account is credited with the participant’s contributions, the Plan Sponsor’s contributions and an allocation of Plan earnings administrative expenses. Earnings are allocated by fund based on the ratio of a participant’s account invested in a particular fund to all participants’ investments in that fund. The benefit to which a participant is entitled is the benefit that can be provided from the participants’ vested account. Discretionary profit-sharing contributions, if any, made to the Plan by the Plan Sponsor will be allocated based on the ratio of the participant’s eligible compensation compared to total eligible compensation paid to all eligible participants.

Notes to Financial Statements

Vesting

Participants are 100% vested in their own pretax and rollover contributions and Plan Sponsor discretionary profit-sharing contributions at all times. Discretionary Plan Sponsor matching contributions, when made, will vest according to the following five-year graded vesting schedule for years of service:

Years of Service	Vested Percentage
Less than 1	-0-%
1	20
2	40
3	60
4	80
5 or more	100

Benefit Payments

Distributions can be made due to retirement, death, disability, or termination of employment and are subject to the applicable provisions of the Plan agreement. Up to 100% of the participant's account balance can be paid in a lump-sum, direct rollover to another qualified plan, or installments to the participant or their beneficiaries, depending on the type of distribution.

Upon evidence of "financial hardship" or purchase of a principal residence, as defined by the Plan, a participant may make a hardship withdrawal from participant and rollover contributions.

Upon obtaining the age of 59½, participants shall be entitled to receive a distribution of their entire account balance. In addition, rollover contributions may be withdrawn at any time regardless of the participant's age.

Forfeitures

Forfeited non-vested amounts at December 31, 2023 and 2022, were \$1,529 and \$494, respectively. Pursuant to the Plan document, any forfeitures not used to pay Plan expenses shall be applied to reduce employer contributions. No forfeited non-vested amounts were used to pay Plan expenses or reduce employer contributions for the year ended December 31, 2023.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance minus the balance of all other loans from the Plan or \$50,000 minus the highest outstanding principal balance of loans from the Plan and all other qualified plans of the Plan Sponsor. The loans are secured by the balance in the participant's account. These borrowings have terms that range from one to ten years, depending on the type of loan. The loan interest is set at the Prime Rate as listed in the *Wall Street Journal* on the first business day of the month the borrowing is requested, as defined in the Plan Document. For the year ended December 31, 2023, the interest rate on outstanding loans ranged from 3.25% to 5.50%. Principal and interest are paid ratably through payroll deductions.

Administrative Expenses

The Plan's administrative expenses, which include primarily custodial, investment management, and professional fees for services provided by parties in interest, are primarily paid by the Plan participants, as provided in the Plan agreement.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The Plan's financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan's Administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments in mutual funds are stated at fair value based on quoted market prices. The Plan's investment in the collective investment trust is stated at fair value based on its published net asset value. See Note 9 for discussion of fair value measurements. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at measurement date.

Purchases and sales of securities are recorded on a trade date basis. Investment income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest.

Payment of Benefits

Benefits paid to participants are recorded when paid.

Subsequent Events

The Plan has evaluated subsequent events through September 10, 2024, which is the date the financial statements were available to be issued and concluded that no subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to the financial statements.

Note 3 – Trustee’s Certification

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, the Trustee of the Plan, has certified to the completeness and accuracy of the following information:

- Investment assets
- Investment transactions
- Investment income
- Schedule H, Line 4i – Schedule of Assets (Held at End of Year)
- Notes receivable from participants

Note 4 – Collective Investment Trust

The Plan invests in the Putnam Stable Value Fund. Included in this fund are traditional guaranteed investments contracts, security backed investment contracts, and short-term investments. These contracts are considered to be benefit-responsive and are required to be stated at fair value. The average yield for the fund was approximately 3.81% and 2.61% for the years ended December 31, 2023 and 2022, respectively. The yield earned by the fund with an adjustment to reflect the actual interest rate credited to participants at December 31, 2023 and 2022 was 4.09% and 3.14%, respectively. The percentage of contributions allocated to each fund is determined by the participants.

	2023	2022
Putnam stable value fund	\$ 2,293,647	\$ 2,175,466

Note 5 – Party-in-Interest Transactions

Certain investments of the Plan at December 31, 2023 and 2022, were invested in funds managed by Fidelity Management Trust Company, the Plan’s Trustee. Transactions with Fidelity Management Trust Company qualify as party-in-interest transactions. Fees paid by the Plan to the Trustee for investment management and recordkeeping services totaled \$16,196 for the year ended December 31, 2023. In addition, notes receivable from participants are considered to be party-in-interest transactions because they are transacted with Plan participants.

Note 6 – Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

Note 7 – Income Tax Status

The Plan is a prototype plan under Fidelity Management & Research Company who received a letter dated June 30, 2020, from the IRS informing them that the Plan and related trust are designed in accordance with applicable sections of the *Internal Revenue Code (IRC)*. Therefore, no provision for income taxes has been included in the Plan’s financial statements. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the *IRC*.

Rowe Fine Furniture, Inc. 401(k) Plan

Notes to Financial Statements

December 31, 2023

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 9 – Fair Value Measurements

The Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes valuation inputs into three levels as described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted market prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2023 and 2022.

Notes to Financial Statements

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and are classified within Level 1 of the valuation hierarchy.

Collective Investment Trust

Valued based on the NAV of units of the collective investment trust. The NAV, as provided by the Trustee, is used as a practical expedient for estimating fair value and is excluded from classification in the valuation hierarchy. The NAV is based upon the fair value of the underlying investments comprising the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

Assets at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 9,117,374	\$ -	\$ -	\$ 9,117,374
	<u>\$ 9,117,374</u>	<u>\$ -</u>	<u>\$ -</u>	9,117,374
Collective investment trust measured at NAV ^(a)				2,293,647
				<u>\$ 11,411,021</u>
Assets at Fair Value as of December 31, 2022

Mutual funds	\$ 7,486,900	\$ -	\$ -	\$ 7,486,900

Collective investment trust measured at NAV ^(a)				2,175,466
				<u>\$ 9,662,366</u>

- (a) In accordance with GAAP, certain investments that are measured at fair value using the NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to amounts present in the statements of net assets available for benefits.
