Independent Auditor's Report

To the Plan Administrator and Plan Participants of the
Holowicki Enterprises Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Holowicki Enterprises Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Holowicki Enterprises Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3) (C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Holowicki Enterprises Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Holowicki Enterprises Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Holowicki Enterprises Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Holowicki Enterprises Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2023 and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Holowicki Enterprises Profit Sharing Plan

Notes to Financial Statements

December 31, 2023 and 2022

1. Description of the Plan

General

The following description of the Holowicki Enterprises Profit Sharing Plan (the “Plan”), originally effective September 1, 1994, provides only general information. Participants should refer to the Plan document for a complete description of the Plan’s provisions.

The Plan is a defined contribution plan available to employees of Holowicki Enterprises dba McDonald’s (the “Company”). Employees are eligible to participate in the Plan after completing one year of service in which they complete at least 1,000 hours of service and are age 21. After completion of the service and age requirements, eligible employees may enter the Plan on January 1 or July 1. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). The Plan has two trustees who are employees of the Company who oversee the Plan and receive no compensation from the Plan.

The Company has entered into a group annuity contract with Transamerica Life Insurance Company (“TLIC”) with TLIC acting as the Plan’s custodian and Transamerica Retirement Solutions, LLC (“Transamerica”) acting as the Plan’s recordkeeper. Transamerica is an authorized agent of TLIC.

The Plan was amended and restated effective June 1, 2022 to, among other things, add a vesting schedule for the Company discretionary matching contribution and to exclude bonus compensation from plan eligible compensation effective January 1, 2023.

Contributions

Participants may elect to contribute up to 100% of pretax or after-tax (“Roth”) annual compensation, as defined in the Plan document. Participant contributions may not exceed the maximum allowable contributions under the Internal Revenue Code (the “Code”), which totaled \$22,500 and \$20,500 for the years ended December 31, 2023 and 2022, respectively. Participants who have attained age 50 before the end of the Plan year are eligible to make additional catch-up contributions, subject to limitations imposed by the Code, which totaled \$7,500 and \$6,500 for the years ended December 31, 2023 and 2022, respectively.

Participants may also make rollover contributions to the Plan from certain types of individual retirement accounts or other qualified retirement plans.

Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change their investment options on a daily basis.

The Company matches participant contributions equal to 100% of the participant’s elective deferrals not in excess of 4% of eligible compensation (the “Safe Harbor Match”). The Company may also elect to make discretionary matching contributions in addition to the Safe Harbor Match contributions as well as non-elective contributions to the Plan. The Company elected not to make discretionary matching contributions or non-elective contributions for the years ended December 31, 2023 and 2022, respectively.

Participant Accounts

Each participant’s account is credited with the participant’s contributions and an allocation of the Company’s contribution, Plan earnings and administrative expenses. Allocations are based on

Holowicki Enterprises Profit Sharing Plan

Notes to Financial Statements

December 31, 2023 and 2022

participant earnings or account balances, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, rollovers, Safe Harbor Match, and qualified non-elective contributions, plus actual earnings thereon. Vesting for the Company discretionary matching contributions plus earnings is as follows:

<u>Years of Service</u>	<u>Vesting</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Payment of Benefits

Upon termination of service due to death, separation of service, disability or retirement, a participant may elect to receive either a lump-sum distribution equal to the value of the participant's vested interest in his or her account, or in annual installments. For termination of service due to death of a participant, the beneficiary will receive a lump-sum distribution that will be equal to the participant's account. The participant's account will become fully vested upon the death of the participant.

Withdrawals

Participants may withdraw up to 100% of their elective accounts in the event of undue financial hardship as provided for in the Plan document.

Risks and Uncertainties

Investment securities are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities and level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Plan Termination

Although the Company has not expressed any intent to do so, the Company has the right under the Plan to discontinue their contributions at any time. The Company has the right at any time, by action of its Board of Directors, to terminate the Plan subject to provisions of ERISA. Upon Plan termination or partial termination, participants will become fully vested in their accounts.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Holowicki Enterprises Profit Sharing Plan

Notes to Financial Statements

December 31, 2023 and 2022

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Net Appreciation/Depreciation in Fair Value of Investments

Net realized and unrealized appreciation/depreciation are recorded in the accompanying statements of changes in net assets available for benefits as net appreciation (depreciation) in fair value of investments.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 below for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis using fair value. Dividends are recorded on the ex-dividend date. Interest is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions from Plan participants, and the related Safe Harbor Matching contributions from the Company, are recorded in the year in which the employee contributions are withheld from compensation.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Brokerage fees, transfer taxes, and other expenses incurred in connection with the investment of the Plan's assets will be added to the cost of such investments or deducted from the proceeds thereof, as the case may be. Fees related to the administration of the Plan including recordkeeping and investment advisory fees are deducted from participant accounts. The Plan also receives fee credits of 0.50% annually of the total assets under the group annuity contract.

Benefit Payments

Benefits are recorded when paid.

3. Fair Value Measurements

Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*, requires investments for which fair value is measured using net asset value per share as a practical expedient to not be categorized within the fair value hierarchy. The following is a description of the valuation methodologies used for assets measured at fair value.

Holowicki Enterprises Profit Sharing Plan

Notes to Financial Statements

December 31, 2023 and 2022

Pooled Separate Accounts: Valued at the respective net asset values (“NAV”) as reported by such account managers. The NAV, as provided by the account managers, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the accounts less their liabilities. This practical expedient is not used when it is determined to be probable that the accounts will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. The Plan does not have any contractual obligations to further invest in these funds. There are no unfunded commitments and the redemption and notice period is daily. The pooled separate accounts primarily invest in mutual funds and comingled trust funds.

4. Fully Benefit-Responsive Investment at Contract Value

Investment in the Transamerica Stable Value Option (“TSVO”) is considered fully benefit-responsive and is recorded at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses.

The Transamerica Stable Value Option investment is a non-tradable obligation of TLIC. The repayment of principal and interest credited to participants holding the investment is a financial obligation of TLIC. The terms of the group annuity contract require all participant-initiated transactions to occur at contract value with no conditions, limits or restrictions. There are no unfunded commitments related to the TSVO, the redemption frequency is daily and the redemption notice period is daily. Although Plan participants may withdraw assets from the TSVO without restrictions, TLIC may impose a hold period at the contract level in the event of a full contract discontinuance or partial contract discontinuance. As of December 31, 2023, the Company has not initiated a full or partial contract discontinuance.

The TSVO seeks to protect against any loss of principal while providing returns in excess of money market and one-year U.S. Treasury bills. There is no stated minimum or maximum interest rate and TLIC declares rates periodically and backs the principal and interest of the investment. The crediting rate for the TSVO was 1.25% and 0.75% for the years ended December 31, 2023 and 2022, respectively. Any guarantees of principal and interest are subject to the claims paying ability of TLIC.

5. Unaudited Information Certified by the Plan Custodian

All investment information disclosed in the accompanying financial statements and supplemental schedules, including investments held at December 31, 2023 and 2022, income (loss) from pooled separate accounts and earnings from the Transamerica Stable Value Option for the years ended December 31, 2023 and 2022, respectively, was prepared by or derived from information certified by Transamerica Life Insurance Company (the “Custodian”) and furnished to the plan administrator. The plan administrator has obtained certifications from the Custodian that such information is complete and accurate within the meaning of CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosures under ERISA.

December 31, 2023 and 2022

6. Tax Status

The Plan sponsor adopted a non-standardized pre-approved plan document. The Internal Revenue Service (“IRS”) has determined and informed the pre-approved plan sponsor, by an opinion letter dated on June 30, 2020, that the pre-approved plan is designed in accordance with applicable sections of the Code. The Plan has not received a determination letter specific to the Plan itself. The Plan sponsor has indicated that it will take the necessary steps, if any, to bring the Plan’s operations into compliance with the Code. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Parties-in-interest Transactions

The Company, which is a party-in-interest, provides certain administrative services to the Plan at no charge. The cost of providing these services constitutes exempt party-in-interest transactions under ERISA. TLIC and Transamerica, under the group annuity contract, provides recordkeeping and administrative service to the Plan for which the Plan is charged. The Plan is also serviced by an outside third party administrator and an investment advisor. Both the third party administrator and the investment advisor receive fees from the Plan for services which constitute exempt party-in-interest transactions.

8. Prohibited Transaction

During 2023 and 2022, the Company erroneously remitted the employees’ deferral for several payroll periods to the Plan later than the period prescribed by the Department of Labor regulations. These delinquent remittances are considered nonexempt party-in-interest transaction. Plan management is in the process of correcting these delinquent participant contributions.

9. Subsequent Events

Subsequent events have been evaluated through October 1, 2024, the date the financial statements were available to be issued.
