INDEPENDENT AUDITORS' REPORT

To the Trustees of the
Search for Change, Inc. 401(k) Plan
Valhalla, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the financial statements of the Search for Change, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements (the "2023 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section:

- The amounts and disclosures in the accompanying 2023 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the accompanying 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule H, line 4(i) – Schedule of Assets (Held At End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that

agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Auditors' Report on the 2022 Financial Statements

Predecessor auditors performed an audit of the 2022 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated August 24, 2023 indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with the modified cash basis, which is a basis of accounting other than U.S. GAAP, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agreed to or is derived from the certified investment information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2023

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of the Search for Change, Inc. 401(k) Plan (the "Plan") is presented to assist in understanding the Plan's financial statements and supplemental information. These financial statements, supplemental information, and notes are representations of Search for Change, Inc.'s (hereinafter, the "Plan Sponsor" or "Employer") management, who is responsible for the integrity and objectivity of the financial statements. These accounting policies conform to accounting principles generally accepted in the United States of America ("U.S. GAAP") and have been consistently applied in the preparation of the financial statements and supplemental schedule.

Basis of Accounting: The 2023 financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with U.S. GAAP. The statement of net assets available for benefits as of December 31, 2022 was prepared on the modified cash basis of accounting.

Use of Estimates: The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition: All Plan investments were held by John Hancock Life Insurance Company of New York (the "Custodian") at December 31, 2023 and 2022. The Plan's investments are stated at fair value. Pooled separate accounts are reported at the value reported to the Plan by the Custodian, which represents the fair value of the underlying investments comprising the accounts. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussions of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded when earned. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year. During the year ended December 31, 2023, the Plan's net investment gains (including gains and losses on investments bought and sold, as well as held during the year) were \$871,660.

Participant Notes Receivable: Notes receivable from participants are measured at their unpaid principal balance. If a participant ceases to make loan repayments and the plan administrator deems the loans to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits: Benefits are recorded when paid to the Plan's participants.

Events Occurring After Report Date: The Plan Sponsor has evaluated events and transactions that occurred between January 1, 2024 and September 26, 2024, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2023

NOTE 2 - DESCRIPTION OF THE PLAN

The following brief description of the Plan provides general information. Participants should refer to the Plan document, which is available from the plan administrator, for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all eligible employees of the Employer. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions: Employees are eligible to participate in the Plan upon reaching the age of 21. Each year, participants may contribute to the Plan a percentage of compensation, as defined by the Plan, or in specific dollar amounts. Eligible compensation is defined by the Plan as wages under Internal Revenue Code ("IRC") Section 3401(a), excluding taxable employee benefits for elective deferrals only. Such contributions are excluded from the participant's federal taxable income until received as a withdrawal or distribution from the Plan. A participant may elect to increase, decrease, or suspend their contributions according to procedures established by the Employer. There is an annual dollar limit as to the amount that can be contributed on a pre-tax basis into the Plan, which is determined by the Internal Revenue Service ("IRS") and adjusted annually. Participants who attain age 50 by the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts distributed from other qualified plans.

The Employer may make a discretionary non-elective contribution to the Plan in an amount determined annually by the Board of Directors. An employee must be employed for one year with at least 1,000 hours completed and be at least 21 years of age in order to receive the discretionary non-elective contribution. For the 2023 Plan year, the Board of Directors approved an Employer non-elective contribution in an amount equal to 5.35% of a participant's eligible compensation. These contributions are also subject to IRS limitations and adjusted annually.

Vesting: Participants are immediately vested in their contributions plus allocated earnings thereon. Participants are vested in their Employer non-elective contributions as follows:

<u>Years of Vesting Service</u>	<u>Percentage of Vested Interest</u>
Less than 2	0%
2 but less than 3	25%
3 but less than 4	50%
4 but less than 5	75%
5 or more	100%

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2023

NOTE 2 – DESCRIPTION OF THE PLAN *(continued)*

Forfeitures: In the event a participant terminates employment prior to vesting in any portion of his/her benefits, the Employer contributions are forfeited. Forfeitures are used to reduce the Plan Sponsor's future contributions or administrative expenses. At December 31, 2023 and 2022, forfeited account balances were \$2,586 and \$8,108, respectively, and are held in a non-interest bearing cash account. During 2023, there were \$913 of new forfeitures added to the Plan, and \$6,435 of forfeitures were used to offset employer contributions. No forfeitures were used to reduce administrative expenses during 2023.

Participant Accounts: The Plan is a defined contribution plan under which a separate individual account is established for each participant. Each participant's account is credited with each participant's contribution, employer contributions, and earnings thereon. As a participant-directed plan, each participant's investment choices determine their share of earnings or losses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants: Participants may borrow from their accounts a minimum amount of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. A participant may only have a maximum of two outstanding loans at a time. The maximum payment term allowed for any loan is five years unless the loan qualifies as a residential mortgage loan, in which case the term may not exceed 15 years. The loans are secured by the participant's vested account balance and bear interest at rates that range from 4.25% to 9.50%, which are commensurate with local prevailing rates at the time the loans were taken as determined by the plan administrator. Principal and interest are paid ratably through payroll deductions.

In-Service Withdrawals: In-service withdrawals are permitted by the Plan for active employees when they reach the age of 59 ½ or normal retirement age, defined by the Plan as the later of age 65 or the fifth anniversary of participation in the Plan. The Plan also allows for in-service withdrawals in the event of financial hardship. Hardship withdrawals are subject to restrictions as to use of the proceeds.

Payment of Benefits: Upon termination of service due to death, disability, or retirement, a participant's balance will be paid in a lump sum payment. If a participant terminates with a vested account balance that does not exceed \$5,000 and did not consent to a distribution, the participant's account will either be distributed into a rollover IRA to be established by the Custodian on the participant's behalf, or paid directly to the participant or beneficiary, if the account balance is not in excess of \$1,000.

NOTE 2 – DESCRIPTION OF THE PLAN *(continued)*

Required minimum distributions as mandated by IRS regulations will commence when a participant attains age 70 ½. Participants who are not 5% owners and attain age 70 ½ may elect to defer distributions until April 1st following the calendar year in which they reach age 70 ½ or, if later, terminate employment. Due to changes made by the Setting Every Community Up for Retirement Enhancement Act of 2019 (“SECURE Act”), effective January 1, 2020, if a participant’s 70th birthday is July 1, 2019 or later, required minimum distributions may be deferred until the participant reaches age 72.

Administrative Expenses: Certain expenses of maintaining the Plan are paid by the Employer and are excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments.

Investment Options: Upon enrollment in the Plan, participants may direct their contributions to any of the various investment options available by the Plan. Participants may change their contribution investment options, transfer part or all of past investments to other funds, and change their deferral amounts at any time during the Plan year.

The Plan offers various pooled separate accounts established by the Custodian. Each of the pooled separate accounts are invested in portfolios of non-affiliated trusts. Each pooled separate account represents the net contributions of a unit holder that are allocated to the underlying fund of the sub-account maintained by the Custodian.

Plan Amendments: The Employer has the right under the Plan to amend the Plan at any time. The Plan was amended in 2024 retroactively to January 1, 2021 to change the definition of compensation and create an exclusion for taxable employee benefits for elective deferrals.

Plan Termination: The Employer has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of the Plan’s termination, participants would become 100% vested in their Employer contributions, and any unallocated assets of the Plan shall be allocated to participant accounts and distributed in a manner as the Employer may determine.

NOTE 3 – FAIR VALUE MEASUREMENTS

Accounting standards establish a framework for measuring fair value, providing a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements).

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2023

NOTE 3 – FAIR VALUE MEASUREMENTS (continued)

The three levels of the value hierarchy are described below:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset and liability.

- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2023 and 2022.

Pooled Separate Accounts: Pooled separate accounts consist of investments in mutual funds and are valued at the net asset value ("NAV") at which the mutual fund shares are actively traded. The NAV is determined by the Custodian of the fund and is based upon the fair value of the underlying assets held by the fund.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4 – INFORMATION CERTIFIED BY THE CUSTODIAN

Investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule as of December 31, 2023 and 2022, and net appreciation in fair value of investments and interest on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by the Custodian.

NOTE 5 – INCOME TAX STATUS

The Plan Sponsor elected to adopt the Plan Custodian's prototype plan, which received a favorable opinion letter from the IRS dated June 30, 2020, which states that the Plan is designed in accordance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits.

NOTE 7 - TRANSACTIONS WITH PARTIES-IN-INTEREST

At December 31, 2023 and 2022, certain Plan investments were managed by the Custodian and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included in net appreciation in fair value of investments. Participant loans also qualify as party-in-interest transactions.
