INDEPENDENT AUDITOR'S REPORT

Plan Administrator
Bobby Rahal Automotive Group, 401(k) Plan
Mechanicsburg, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Bobby Rahal Automotive Group, 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution, as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Opinion (Continued)

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

Supplementary Schedules Required by ERISA

The supplementary Schedule H, Item 4i - Schedule of Assets Held for Investment Purposes as of December 31, 2023, and Schedule H, Item 4a - Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedules (modified cash basis) other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves and other additional procedures in accordance with GAAS. For information included in the supplementary schedules (modified cash basis) that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Supplementary Schedules Required by ERISA (Continued)

In forming our opinion on the supplementary schedules, we evaluated whether the supplementary schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary schedules, other than the information in the supplementary schedules that agreed to or are derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BOBBY RAHAL AUTOMOTIVE GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of the Plan

The following description of the Bobby Rahal Automotive Group 401(k) Plan, (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution 401(k) profit-sharing plan covering all eligible employees of Team Rahal of Mechanicsburg, Inc., who have attained the age of twenty-one and completed one year of service of at least 1,000 hours. Eligible employees begin to participate on the first day of the quarter following completion of the age and service requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan was amended and restated effective July 1, 2021 to merge the following plans into the Plan: Team Rahal, Inc. DBA Bobby Rahal Honda 401(k) Plan, Team Rahal of Silver Spring DBA Bobby Rahal Acura 401(k) Plan, Team Rahal of Lewistown, LLC DBA Bobby Rahal of Lewistown 401(k) Plan, Bobby Rahal Honda Plan B 401(k) Plan, Team Rahal of Warrendale, Inc. DBA Bobby Rahal Volvo Jaguar Land Rover 401(k) Plan, Team Rahal of Pittsburgh, Inc. 401(k) Plan, Team Rahal of South Hills 401(k) Plan, Team Rahal of Steel City, Inc. 401(k) Plan, Team Rahal of State College, Inc. DBA Bobby Rahal Honda of State College 401(k) Plan, and Team Rahal of Canonsburg, LLC dba Jaguar Land Rover S Hills 401(k) Plan. The sponsors of these plans became participating employers in the Plan.

The Plan was amended to change the name of the Plan to Bobby Rahal Automotive Group 401(k) Plan effective July 1, 2021. In addition, the service requirement was changed from one year of service of at least 1,000 hours to one year of service with no hours requirement.

The Plan was amended and restated effective December 2, 2021, to add Team Rahal of McMurray, LLC as a participating employer.

Effective January 1, 2023, the plan document was amended to adjust the service requirement for plan eligibility to six months.

Contributions: Each year, participants may contribute any percentage of compensation up to the maximum amount allowed by law. Contributions are subject to certain annual limitations imposed by the Internal Revenue Code. Participants who attain age 50 by the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). The plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the plan unless they affirmatively elect not to participate. Automatically enrolled participants have their deferral rate set at four percent of eligible compensation and their contributions invested in a designated target fund until changed by the participant. The Company's matching contribution is discretionary. During 2023, the Company contributed matching on pre-tax contributions at 50 percent of the first four percent of compensation that a participant contributed to the Plan. Non-elective amounts may also be contributed at the discretion of the Company. There were no such non-elective contributions for the Plan year ended December 31, 2023. Plan contributions are subject to IRS limitations.

BOBBY RAHAL AUTOMOTIVE GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of the Plan (Continued)

Participant Accounts: Each participant's account is credited with the participant's contributions and allocations of (a) the Corporation's contribution, (b) plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Investment Options: Participants may direct the investment of contributions into various investment options offered by the Plan. Participants may change their investment allocation at any time.

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, reduced by the highest outstanding loan balance during the past 12 months or any existing loan balances on the date a new loan is made, whichever is greater. Participants may have a maximum of two loans outstanding at a time. Loan terms are for a period of up to five years except for the purchase of a primary residence. Interest rates on the participant loans are set at the prime rate plus one percent. Loans are secured by the vested balance in a participant's account. Loan repayments must be paid directly to the Plan through payroll withholdings.

Payment of Benefits: A participant shall be entitled to receive the balance held in his or her account upon reaching normal retirement at age 65, death, disability, or termination of employment. Participant benefits will be made in a lump sum or in installments. Distributions may be deferred until the participant reaches the age of 72, if the value of the distribution is not less than \$5,000; however, the Plan document stipulates that distributions must commence no later than April 1 of the year following the year in which the participant reaches age 72. In-service distributions are available to participants after reaching the age of 59-1/2. Hardship withdrawals are also permitted subject to limitations as to amounts and types of contributions that may be withdrawn.

Vesting: Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company match and non-elective contributions is based on years of continuous service. A participant is 20 percent vested after two years of service is completed and vests an additional 20 percent per year until full vesting after six years.

Forfeited Accounts: At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$4 and \$15,099, respectively. Forfeitures represent unallocated profit-sharing contributions resulting from the termination of participants with less than fully vested rights under the Plan. Forfeitures of participant's non-vested accounts are used to reduce matching contributions or to pay administrative expenses. During 2023, forfeitures of \$69,014 were used to reduce matching contributions.

Administrative Expenses: All significant costs to administer the Plan are paid by the Plan if not paid by the Company. Any expenses paid by the Company are not reflected in the accompanying financial statements.

BOBBY RAHAL AUTOMOTIVE GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 2. Summary of Significant Accounting Policies

Basis of Accounting: The financial statements have been prepared on the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts net assets available for benefits and changes therein. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition: The Plan's investments in registered investment companies and collective investment trusts are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are measured at the unpaid principal balances plus any accrued but unpaid interest. Delinquent loans are treated as distributions based upon the terms on the Plan document surrounding defaulted loans.

Payment of Benefits: Benefits are recorded when paid.

Subsequent Events: In preparing these financial statements, the Plan Sponsor has evaluated events and transactions for potential recognition or disclosure through September 30, 2024, the date the financial statements were available to be issued.

Note 3. Information Certified by the Trustee

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to information certified as complete and accurate by Empower Trust Company, LLC.

BOBBY RAHAL AUTOMOTIVE GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 4. Investments and Fair Value Measurements

The Plan measures on a recurring basis its investments at fair value in accordance with Financial Accounting Standards Board (FASB) codification *Fair Value Measurement*, which provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The three levels of the fair value hierarchy are as follows:

- | | |
|---------|--|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that are accessible to the Plan. These generally provide the most reliable evidence and are used to measure fair value whenever available. |
| Level 2 | Inputs to the valuation methodology include significant inputs, other than Level 1 inputs, which are observable either directly or indirectly for substantially the full term of the asset through corroboration with observable market data. Level 2 inputs include quoted prices for similar assets in active markets, quoted market prices in markets that are not active for identical or similar assets, and other observable inputs. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The inputs or methodology used for valuing investments are not an indication of the risk associated with investing in those securities.

The Plan's investments, consisting of registered investment companies and collective investment trusts, are held by Empower Trust Company, LLC. The following is a description of valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Registered Investment Companies: Shares of registered investment companies (mutual funds) are valued at the daily closing prices as reported by the funds. The funds held by the Plan are open-end mutual funds registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. Mutual funds held by the Plan are deemed to be actively traded.

Collective Investment Trusts: The Plan invests in various collective investment trusts offered separately by State Street Global Advisors, Empower Trust Company, LLC, Great Gray Collective Investment Trust, previously Wilmington Trust Collective Investment Trust. The collective investment trusts are valued based upon the net asset value (NAV) per unit times the number of units held by the Plan at year-end. Net asset value is used as a practical expedient to estimate fair value because it is unlikely that the trust would sell the investment for an amount different than the reported net asset value.

BOBBY RAHAL AUTOMOTIVE GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 4. Investments and Fair Value Measurements (Continued)

Collective Investment Trusts: (Continued): State Street Global Advisors (SSgA) provides investment management services through several bank maintained collective trust funds. Purchases or sales are executed at NAV for each series fund typically determined as of the close of trading on the trade date. The fair value of the collective investment trusts is based on the fair value of the collective trust's underlying investments as reported by the fund manager to the Trustee, net of accrued account level fees. The underlying investments vary with each fund series.

Empower Trust Company, LLC ("Empower"), formerly Great West Trust Company LLC, offers a stable value option with the Drive Income Fund. Empower, as Trustee, determines the value of Fund units daily, before taking into account purchases or redemptions of units as follows: 1) The Trustee determines the value of the Fund by applying the current crediting rate in accordance with valuation rules established by the Trustee, 2) the Trustee subtracts from the value of Fund assets any ordinary or extraordinary expenses, costs, charges or other liabilities incurred or accrued by the fund through the date of the calculation to determine the net value of fund assets and 3) the Trustee divides the result by the total number of units of the fund in existence as of the valuation date to arrive at the net asset value of the units.

Empower offers a balanced fund with the Drive Balanced Fund: Empower determines the value of Fund units daily, before taking into account purchases or redemptions of units with the following procedures: 1) The Trustee determines the value of the Fund in accordance with valuation rules established by the Trustee and relies on the value or price last reported to the Trustee or manager of the underlying investments in accordance with the valuation policies and procedures of the underlying investment, 2) the Trustee subtracts from the value of Fund assets any ordinary or extraordinary expenses, costs, charges or other liabilities incurred or accrued by the fund through the date of the calculation to determine the net value of fund assets, and 3) the Trustee divides the result by the total number of units of the fund in existence as of the valuation date to arrive at the net asset value of the units.

Great Gray Collective Investment Trust Funds, previously Wilmington Trust Collective Investment Trust Funds sub-advised by MFS Institutional Advisors, Inc., offers MFS Mid Cap Value Fund CIT whose objective is capital appreciation. Purchases or sales are executed at NAV typically determined as of the close of trading on the trade date. The fair value of the collective investment trusts is based on the fair value of the collective trust's underlying investments as reported by the fund manager to the Trustee, net of accrued account level fees.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain investments or financial instruments could result in a different fair value measurement at the reporting date.

(A) Investments held by Empower Trust Company, LLC are direct filing entities. With regard to the Drive Income Fund, the Plan is prohibited from offering competing funds such as other stable value funds, money market funds, etc. Plan Level redemptions from this fund require 90 days written notice. There are no participant redemption restrictions.

(B) Investment objectives for investments held by State Street Global advisors are to approximate the performance of a custom benchmark index over the long term, while providing participants the ability to purchase and redeem units on an as of basis. The funds invest in other collective trust funds with characteristics consistent with the Funds overall investment objective. Disclosure of the various fund type objectives are noted below.

(1) The target retirement strategies are based on an asset allocation glide path developed by SSgA optimized for the wealth accumulation, wealth preservation, and income generation phases of retirement planning and includes adjustments in the years before and after retirement. As the strategies approach the target retirement dates, SSgA adjusts the funds' investment objectives and risk profiles from more volatile to less volatile as retirement approaches.

- (C) MFS Mid Cap Value Fund CIT sponsored by Great Gray Collective Investment Trust, previously Wilmington Trust Collective Investment Trust subadvised by MFS Institutional Advisors, Inc. The fund focuses on investing in the stocks of companies that the subadvisor believes are undervalued compared to their perceived worth (value companies). Value companies tend to have stock prices that are low relative to their earnings, dividends, assets or other financial measures. The object of this fund is capital appreciation.

Note 5. Related Party and Party-in-Interest Transactions

Certain Plan investments in collective investment trusts are managed by Empower Trust Company, LLC. Empower Trust Company, LLC is the current Trustee of the Plan and, therefore, these transactions qualify as party-in-interest transactions. In addition, the plan paid certain expenses related to plan operations and investment activity to various service providers. The transactions qualify as exempt party-in-interest transactions.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

BOBBY RAHAL AUTOMOTIVE GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 7. Tax Status

The Plan adopted a non-standardized prototype plan and trust sponsored by Great West Trust Company, LLC, renamed Empower Trust Company LLC in 2022. The prototype plan has received an opinion letter from the Internal Revenue Service dated June 30, 2020, as to the Plan's qualified status. Although the Plan has since been amended, the Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Plan Benefits.

Note 9. Prohibited Transactions

During 2021, the Plan Sponsor failed to remit to the Plan's custodian certain employee contributions totaling \$48,706 within the period prescribed by the Department of Labor regulations. The Plan Sponsor corrected the late deposits in 2023.

We are pleased to present this report related to our audit of the financial statements of Bobby Rahal Automotive Group 401(k) Plan (the Plan) as of and for the year ended December 31, 2023. This report summarizes certain matters required by professional standards to be communicated to you in your oversight responsibility for the Plan's financial reporting process.

Auditing standards generally accepted in the United States of America (GAAS) (AU-C 260, *The Auditor's Communication With Those Charged With Governance*) require the auditor to promote effective two-way communication between the auditor and those charged with governance. Consistent with this requirement, the following summarizes our responsibilities regarding the financial statement audit as well as observations arising from our audit that are significant and relevant to your responsibility to oversee the financial reporting process.

Our Responsibilities with Regard to the Financial Statement Audit

Our responsibilities under auditing standards generally accepted in the United States of America have been described to you in our arrangement letter dated May 10, 2024. Our audit of the financial statements does not relieve management or those charged with governance of their responsibilities which are also described in that letter.

As management determined it is permissible in the circumstances and elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C), the audit did not extend to any certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the applicable financial reporting framework.

Overview of the Planned Scope and Timing of the Financial Statement Audit

We have issued a separate communication dated May 10, 2024, regarding the planned scope and timing of our audit and identified significant risks.

Accounting Policies and Practices

Preferability of Accounting Policies and Practices

Under accounting principles generally accepted in the United States of America, in certain circumstances, management may select among alternative accounting practices. In our view, in such circumstances, management has selected the preferable accounting practice.

Adoption of, or Change in, Accounting Policies

Management has the ultimate responsibility for the appropriateness of the accounting policies used by the Plan. The Plan did not adopt any significant new accounting policies, nor have there been any changes in existing significant accounting policies during the current period.

Significant Accounting Policies

We did not identify any significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Unusual Transactions

We did not identify any significant unusual transactions.

Management's Judgments and Accounting Estimates

Accounting estimates are an integral part of the preparation of financial statements and are based upon management's current judgment. The process used by management encompasses their knowledge and experience about past and current events and certain assumptions about future events. There are no particularly sensitive accounting estimates in the financial statements which should be brought to your attention for approval.

Financial Statement Disclosures

The disclosures in the financial statements are objective, consistent and clear. Certain financial statement disclosures are particularly sensitive because of their significance to the financial statement users.

Audit Adjustments and Uncorrected Misstatements

There were no audit adjustments made to the original trial balance presented to us to begin our audit.

We are not aware of any uncorrected misstatements other than those that are clearly trivial.

Form 5500 Filing

GAAS requires that we obtain and read a draft of the Plan's Form 5500 that is substantially complete prior to the dating of our auditor's report in order to identify material inconsistencies, if any, with the Plan's audited financial statements. We read the Plan's draft Form 5500 filing for consistency with information in the financial statements. We did not identify material inconsistencies with the audited financial statements

ERISA-Required Supplementary Schedules

We subjected the information included in the ERISA-required supplementary schedules, other than that agreed to or derived from the certified investment information, to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with GAAS. The objective of these audit procedures was to determine whether the ERISA-required supplementary schedules other than the certified investment information, are fairly stated in all material respects in relation to the financial statements as a whole, whether the form and content of the ERISA-required supplementary schedules are presented in conformity with the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure Under ERISA, and whether the certified investment information in the supplementary schedules agrees to, or is derived from, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). We will include an other-matter paragraph in our auditor's report for the ERISA-required supplementary schedule. We did not identify inconsistencies with the audited financial statements or with the certified investment information.

Observations About the Audit Process

Disagreements with Management

We encountered no disagreements with management over the application of significant accounting principles, the basis for management's judgments on any significant matters, the scope of the audit, or significant disclosures to be included in the financial statements.

Consultations with Other Accountants

We are not aware of any consultations management had with other accountants about accounting or auditing matters.

Significant Issues Discussed with Management

No significant issues arising from the audit were discussed or were the subject of correspondence with management.

Significant Difficulties Encountered in Performing the Audit

We did not encounter any difficulties in dealing with management during the audit.

Difficult or Contentious Matters That Required Consultation

We did not encounter any significant and difficult or contentious matters that required consultation outside the engagement team.

Shared Responsibilities: AICPA Independence

The AICPA regularly emphasizes that auditor independence is a joint responsibility and is managed most effectively when management, audit committees, and audit firms work together in considering compliance with AICPA independence rules. For Boyer & Ritter LLC to fulfill its professional responsibility to maintain and monitor independence, it is essential that management, the audit committee and Boyer & Ritter LLC each play an important role.

Our Responsibilities

- AICPA rules require independence both of mind and in appearance when providing audit and other attestation services. Boyer & Ritter LLC is to ensure that the AICPA's General Requirements for performing non-attest services are adhered to and included in all letters of engagement.
- Maintain a system of quality control over compliance with independence rules and firm policies.

Your Responsibilities

- Timely inform Boyer & Ritter LLC, before the effective date of transactions or other business changes, of the following:
 - New affiliates, directors, officers, or persons in financial reporting oversight roles.
 - New beneficial owners of the Plan Sponsor's equity securities that have significant influence.
 - Change in corporate structure impacting affiliates such as add-on acquisitions or exits.
- Provide necessary affiliate information such as new or updated investment structure charts, as well as financial information required to perform materiality calculations needed for making affiliate determinations.
- Understand and conclude on the permissibility, prior to the Plan and its affiliates, including the Plan Sponsor, and the officers, directors or persons in a decision-making capacity, engaging in business relationships with Boyer & Ritter LLC.
- Not entering into relationships resulting in Boyer & Ritter LLC, Boyer & Ritter LLC covered persons or their close family members, temporarily or permanently acting as an officer, director or person in an accounting or financial reporting oversight role at the Plan or Plan Sponsor.

Significant Written Communications between Management and Our Firm

Copies of significant written communications between our firm and the management of the Plan, including the representation letter, have been provided to us by management.

Closing

This report is intended solely for the information and use of the Board of Trustees, Plan Administrator and management and is not intended to be, and should not be, used by anyone other than these specified parties. It will be our pleasure to respond to any questions you have regarding this report. We appreciate the opportunity to continue to be of service to the Bobby Rahal Automotive Group 401(k) Plan.
