Independent Auditors' Report

To the Finance Committee
The Eliza Jennings Senior Care Network Retirement Savings Plan
Cleveland, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We were engaged to perform an audit of the financial statements of The Eliza Jennings Senior Care Network Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements, ("2023 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2023 and for the year then ended stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Disclaimer of Opinion on the 2023 Financial Statements

We do not express an opinion on the accompanying 2023 financial statements of the Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion on the 2023 financial statements section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2023 financial statements.

Basis for Disclaimer of Opinion on the 2023 Financial Statements

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying 2023 financial statements may have been affected by these conditions.

Further, as described in Note 2 to the financial statements, the Plan has excluded from investments in the accompanying statement of net assets available for benefits as of December 31, 2023 certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the DOL's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions is not reasonably determinable. Accounting principles generally accepted in the United States of America ("GAAP") require that these accounts and the related income and distributions be included in the accompanying financial statements.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2023 Financial Statements

Our responsibility is to conduct an audit of the Plan's 2023 financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditors' report. However, because of the matters described in the Basis for Disclaimer of Opinion on the 2023 financial statements section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2023 financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit.

2023 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion on the 2023 financial statements section of our report, it is inappropriate to, and we do not, express an opinion on this supplemental schedule.

Other Matter - Auditors' Report on the 2022 Financial Statement

The 2022 financial statement of the Plan were audited by predecessor auditors. Their report, dated September 8, 2023, did not express an opinion on the 2022 financial statement of the Plan because they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Their report stated that the Plan had not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, they were unable to apply auditing procedures sufficient to determine the extent to which the 2022 financial statement may have been affected by these conditions.

Further, the predecessor auditor stated that the Plan had excluded from investments in the 2022 statement of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. They stated that the amount of these excluded annuity contracts and custodial accounts was not determinable.

THE ELIZA JENNINGS SENIOR CARE NETWORK RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following description of The Eliza Jennings Senior Care Network Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan under Section 403(b) of the Internal Revenue Code ("IRC") covering all employees of The Eliza Jennings Senior Care Network (the "Organization"). Employees are eligible to make elective deferrals and receive the fixed matching contribution on their first day of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Contributions

Participants may make pre-tax or Roth contributions in any amount up to 100% of eligible compensation, subject to certain limits imposed by the Internal Revenue Service ("IRS"). The Plan also provides that participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions, subject to certain IRS limitations. Participants may also contribute amounts representing distributions from other qualified plans (rollover).

The Plan provides for fixed matching contributions of 25% of a participant's deferral percentage up to 4% of eligible compensation deferred by the participant.

The Organization shall also have the right to make a discretionary matching contribution equal to a uniform percentage of eligible participants' deferred compensation. The exact percentage, if any, is determined each year by the Organization. The Organization elected not to make an additional matching contribution for the year ended December 31, 2023.

Participant Accounts

Each participant's account is credited with the participant's contributions and an allocation of the Organization's contributions and Plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. Participants direct their investment fund options. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Organization's contribution portion of their accounts, plus actual earnings thereon, is based on years of service. A participant is 100% vested after three years of service or upon death, disability, or reaching normal retirement age.

THE ELIZA JENNINGS SENIOR CARE NETWORK RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 1. Description of Plan (Continued)

Notes Receivable From Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. A participant may only have one outstanding loan balance at a time. The loan interest rates will be based on the rates available for similar loans from commercial lending institutions. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant or his or her beneficiary may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a specified term. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

Withdrawals

Active participants who have attained the age of 59½ may withdraw all or part of their account. Additionally, active participants under the age of 59½ may withdraw all or part of their tax-deferred contributions for reasons that qualify as a financial hardship, as defined under federal law.

Forfeited Accounts

Any forfeited non-vested accounts may be used to pay administrative fees, to reduce future employer contributions, or may be allocated to participant accounts. Unallocated forfeitures were \$18,226 and \$13,697 at December 31, 2023 and 2022, respectively. Administrative expenses were reduced by \$2,800 and \$2,400 in 2023 and 2022, respectively, from forfeited non-vested accounts.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in conformity with accounting principals generally accepted in the United States of America.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 2. Summary of Significant Accounting Policies (Continued)

Basis of Accounting (Continued)

The financial statements of the Plan do not include amounts related to certain investment contracts which became inactive prior to January 1, 2009. As contemplated in the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*, the Organization has made a good faith effort to determine the population of plan participants and has included amounts related to all known contracts in these financial statements. Accordingly, these financial statements are acceptable to the Department of Labor as part of the Plan's Form 5500 filing. However, because of the uncertainty involved in ascertaining all previous arrangements, it is possible that contracts may exist related to this Plan which have not been included in these financial statements and those amounts may be material. Accounting principles generally accepted in the United States of America require these amounts to be included in the financial statements.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisers and custodian. See Note 3 and Note 5 for discussion of fair value measurements and guaranteed investment contracts, respectively.

Purchases and sales of securities are recorded on a settlement-date basis. There is no significant difference between settlement-date basis and trade-date basis for the periods presented. Interest and dividend income is recorded when received. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the Plan document. At December 31, 2023 and 2022, there were \$1,515 and \$1,137, respectively, of defaulted loans which have been reserved against the outstanding balances.

Payments of Benefits

Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 2. Summary of Significant Accounting Policies (Continued)

Administrative Fees

Certain expenses of the Plan are paid by the Plan, unless otherwise paid by the Organization. Expenses that are paid by the Organization are excluded from these financial statements. Fees related to the administration of notes receivable and withdrawals by participants are charged directly to the participant's account and are included in administrative fees.

Subsequent Events

The Plan has evaluated subsequent events through September 9, 2024, which is the date the financial statements were available to be issued.

Note 3. Fair Value Measurements

The Plan records fair value of financial instruments using available market information and other generally accepted valuation methodologies. The inputs used to measure fair value are classified into three levels:

Level 1 – Quoted market prices in active markets for identical assets and liabilities.

Level 2 – Observable market-based inputs or unobservable inputs that are corroborated by market data.

Level 3 – Unobservable inputs in which little or no market data exists.

The following is a description of the valuation methodologies used for plan assets measured at fair value:

- The fair value of investments held in the mutual funds is determined based on their quoted closing market prices in active markets for identical investments, and is classified as Level 1.
- The investments in the pooled separate accounts are held and managed by Voya Retirement Insurance and Annuity Company. The fair value of investments held in these accounts is based on their reported net asset value ("NAV"). The NAV is based primarily on observable inputs and the market value of the underlying investments, and is classified as Level 2.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. There have been no changes in the methodologies used from 2022 to 2023. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumption to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

THE ELIZA JENNINGS SENIOR CARE NETWORK RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 3. Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	Assets at Fair Value as of December 31, 2023

Total investments at fair value	<u>\$4,747,825</u>	<u>\$ 54,996</u>	<u>\$ -</u>	<u>\$4,802,821</u>

Note 4. Unaudited Information

Voya Retirement Insurance and Annuity Company ("Voya"), Empower Annuity Insurance Company of America ("Empower Annuity"), and Empower Trust Company, LLC ("Empower Trust") (collectively, the "Custodians") hold the Plan's investment assets and execute transactions therein. The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodians have certified to the completeness and accuracy of all investments and notes receivable from participants reflected in the statements of net assets available for benefits at December 31, 2023 and 2022, the supplemental schedule at December 31, 2023, the related investment and loan interest activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2023, and investment related information in the accompanying notes to the financial statements. This information is unaudited by independent accountants.

Note 5. Guaranteed Investment Contracts

The Plan holds investment contracts which meet the fully benefit-responsive criteria and, therefore, are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses.

THE ELIZA JENNINGS SENIOR CARE NETWORK RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 5. Guaranteed Investment Contracts (Continued)

The investment contracts held by the Plan are guaranteed investment contracts. The contract issuer is contractually obligated to repay the principal and interest at a minimum interest rate of 4% and 1% for contracts under Voya and Empower Annuity, respectively, that are guaranteed by the Plan. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed at least annually for resetting. The contracts cannot be terminated before the scheduled maturity date.

Certain events may limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

Note 6. Party-in-Interest Transactions

Certain plan investments are in investment funds managed by Voya or its affiliates; Empower Annuity or its affiliates; and Empower Trust or its affiliates. Voya, Empower Annuity, and Empower Trust are custodians of the Plan.

Administrative expenses were also paid to the Custodians of the Plan or their affiliates during 2023. These transactions qualify as party-in-interest transactions.

Note 7. Plan Termination

Although it has not expressed any intent to do so, the Organization reserves the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of termination of the Plan, the assets then remaining in the funds will become fully vested and will be distributed to participants in accordance with the terms and provisions of the Plan.

Note 8. Federal Income Tax Status

The Plan has adopted an approved volume submitter Plan document. This Plan document has obtained an opinion letter dated March 31, 2017 from the IRS in which the IRS stated that the document, as then designed, was in compliance with the applicable requirements from the IRC. The Plan has been amended since adopting the volume submitter document. However, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

The plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require such recognition or disclosure in the financial statements.

THE ELIZA JENNINGS SENIOR CARE NETWORK RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 9. Risks and Uncertainties

The Plan holds various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
