The Academy 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements

We have performed an audit of the financial statements of The Academy 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements (2023 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2023 and for the year then ended, stating that the certified investment information, as described in Note 4 to the 2023 financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2023 Financial Statements* section of our report

- the amounts and disclosures in the accompanying 2023 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying 2023 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2023 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2023 financial statements.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the 2023 financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2023 financial statements.

In preparing the 2023 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the 2023 financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the 2023 financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2023 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2023 financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the 2023 financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the 2023 financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2023 financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules (Schedule H, Line 4a - Schedule of Delinquent Participant Contributions and Schedule H, Line 4i - Schedule of Assets (Held at End of Year)) as of or for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the 2023 financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2023 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2023 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to

prepare the 2023 financial statements or to the 2023 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedules agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Auditor's Report on the 2022 Financial Statements

We have audited the 2022 financial statements, and in our report dated October 12, 2023, we expressed an unmodified opinion on those 2022 financial statements.

The Academy 401(k) Retirement Plan

Notes to the Financial Statements

1. Description of the Plan

The following description of The Academy 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document and any amendments thereto for a more comprehensive description of the Plan's provisions.

General

The Plan is a defined contribution plan generally covering substantially all employees of Academy Parent, LLC (the Company) who are age 21 or older. The Plan was established on January 1, 2019 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was restated effective January 2, 2023, to allow notes receivable to participants and appoint Reliance Trust Company (Reliance) as the Plan Trustee. The Plan was again restated effective January 1, 2024, to update the definition of eligible compensation.

The Company's management is responsible for the oversight of the Plan and monitors investment performance. Effective May 10, 2024, the Company created the Fiduciary Investment Committee, responsible for monitoring investment activities by the Plan. The Company retains an independent investment advisor to ascertain the appropriateness of the investment options offered by the Plan, and to recommend changes to the investment options as considered necessary.

Trustee and Administration of the Plan

The recordkeeper of the Plan is T. Rowe Price Trust Company (TRP or recordkeeper). The trustee of the Plan is Reliance Trust Company (Reliance Trust or trustee). The administrator of the Plan is the Company. The trustee holds all assets of the Plan in accordance with the service provider contract with the Company.

Contributions

The Plan allows each eligible participant to defer his or her compensation up to the maximum allowed by the Internal Revenue Code (IRC), as defined by the Plan.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

In addition, the Plan allows for catch up contributions by employees aged 50 years and older before the end of the Plan year. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions), as defined in the Plan's provisions. For the year ended December 31, 2023, rollover contributions totaled \$967,565.

The Company may make a discretionary matching contribution as determined annually by management. For the year ended December 31, 2023, the Company elected to match 50% of each participant's deferral contributions up to 6% of his or her compensation. Both employee and employer contributions are subject to certain Internal Revenue Service (IRS) limitations.

The Academy 401(k) Retirement Plan

Notes to the Financial Statements

Participants direct the investment of their contributions and the Company's contributions made on their behalf into various investment options offered by the Plan. The Plan currently offers various mutual funds, a money market fund and a collective trust fund as investment options for participants.

Participant accounts

Each participant's account is credited with the participant's contributions, the Company's matching contribution and Plan earnings and losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are immediately vested in their pre-tax elected salary deferrals, rollover contributions, plus actual earnings or losses thereon. Vesting in the employer contributions is based on years of continuous service. A participant is 100% vested in employer matching contributions ratably over a three-year grading schedule as follows:

<u>Years of service</u>	<u>Percent Vesting</u>
One year	33%
Two years	66%
Three years or more	100%

Forfeited accounts

The Company maintains a separate forfeiture account with the Plan trustee. When an employee terminates prior to full vesting, the Plan's cumulative, unvested matching contributions made on behalf of the participant, as well as earnings and losses thereon, are transferred to the Plan's forfeiture account. These forfeitures are first used to reduce employer contributions and then to reduce Plan expenses. As of December 31, 2023 and 2022, the Plan had a total of \$0 and \$32,958, respectively, in forfeitures available to reduce future employer contributions and plan expenses. For the year ended December 31, 2023, a total of \$65,031 of forfeitures were used to reduce employer contributions.

Notes receivable from participants

Participants may borrow from their accounts a minimum of \$1,000 or up to a maximum amount equal to the lesser of (i) 50% of the participant's vested account balance, or (ii) \$50,000 reduced by the excess of the participant's highest outstanding balance of loans during the one year period ending on the day before the date of the new loan, over the current outstanding balance of loans as of the date of the new loan. Notes receivable from participants are secured by the balance in the participant's account and bear interest at the prime rate at the time the note was approved plus 1%. Repayment terms range from one to five years or up to ten years for the purchase of a primary residence. Principal and interest is paid ratably through payroll deductions.

The Academy 401(k) Retirement Plan

Notes to the Financial Statements

Payment of benefits

Upon termination of service due to death, disability, retirement or any other reason, a participant or beneficiary may elect to receive an amount equal to the value of the participant's vested interest. Upon termination of service, if the vested value of a participant's account is less than \$5,000, his or her account will be distributed in a single lump-sum payment. Participants may elect to withdraw from their accounts in the event of proven financial hardships.

2. Summary of Significant Accounting Policies

Basis of accounting

The Plan's financial statements are maintained on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of estimates

The preparation of financial statements in conformity with GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from estimated amounts.

Investment valuation and income recognition

Investments held by the Plan are reported at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment trustee. See Note 4 for additional information related to fair value measurements.

The Plan's shares of mutual funds and money market funds are valued at quoted market prices which represent the net asset value (NAV) of shares held by the Plan at each year end. The NAV is used as the practical expedient to estimate fair value. The Plan's investment in collective trusts are valued at the NAV of units of the collective trust fund. The NAV, as provided by the trustee of the collective trust, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily. The collective trusts are direct filing entities and there are no unfunded commitments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Purchases and sales of securities are recorded principally on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Academy 401(k) Retirement Plan

Notes to the Financial Statements

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net depreciation of fair value of investments.

Contributions Receivable

Participant contributions and any related employer matching contributions are recognized in the period during which the Company makes the respective payroll deduction from the participant's compensation.

Recent accounting pronouncements not yet adopted

In June 2022, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2022-03, *Fair Value Measurement of Equity Securities Subject to Contractual Sale Restrictions*, to clarify that a contractual restriction on the sale of an equity security is not considered part of the unit of account of the equity security and is not considered in measuring the fair value of the equity security in accordance with ASC 820, *Fair Value Measurements*. ASU 2022-03 also adds certain disclosures for equity securities subject to contractual sales restrictions. The new ASU is effective and applied prospectively for public business entities for fiscal years beginning after December 15, 2023, and for all other entities is effective and applied prospectively for fiscal years beginning after December 15, 2024. Management is evaluating the effect that adoption of this new standard will have on the Plan's financial statements.

3. Certified Investment Information

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule of assets (held at end of year) is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2023.
- Investment income and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2023.
- Investment information included in the schedule of assets (held at end of year) as of December 31, 2023, as shown on the ERISA-required supplemental schedule of assets (held at end of year).

The Academy 401(k) Retirement Plan

Notes to the Financial Statements

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule of assets (held at end of year).

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Notes to the Financial Statements

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Assets at Fair Value as of December 31, 2023					
	Total	Fair Value Hierarchy Level			
		Level 1	Level 2	Level 3	
Investments by fair value level:					
Mutual funds	\$ 9,603,869	\$ 9,603,869	\$ -	\$ -	
Total investments measured at fair value	9,603,869	\$ 9,603,869	\$ -	\$ -	
Total investments measured at NAV*	15,468				
Total investments, at fair value	\$ 9,619,337				

Assets at Fair Value as of December 31, 2022					
		Fair Value Hierarchy Level			
	Total	Level 1	Level 2	Level 3	
Investments by fair value level:					
Mutual funds	\$ 5,224,478	\$ 5,224,478	\$ -	\$ -	
Money market funds	32,958	32,958	-	-	
Total investments measured at fair value	5,257,436	\$ 5,257,436	\$ -	\$ -	
Total investments measured at NAV*	11,314				
Total investments, at fair value	\$ 5,268,750				

*Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Notes to the Financial Statements

Fair value of investments in entities that use net asset value (NAV)

The following table summarizes investments, which have no unfunded commitments, and are measured at fair value based on NAV per share as of December 31, 2023 and 2022, respectively.

<i>Description</i>	2023 Fair Value	2022 Fair Value	Redemption Frequency	Redemption Notice Period
T. Rowe Price Stable Value Common Trust Fund	\$ 15,468	\$ 11,314	Daily	12 months

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to reduce or discontinue contributions, terminate the Plan subject to the provisions of ERISA, or both. In the event of Plan termination, participants will become 100% vested in their accounts.

6. Income Tax Status

Effective January 1, 2019, and as amended both January 2, 2023 and January 1, 2024, the Plan adopted the T. Rowe Price Defined Contribution Pre-Approved Plan (Pre-Approved Plan). The IRS ruled on June 30, 2020, that the Pre-Approved Plan, including related amendments, as designed, was in compliance with the applicable requirements of the IRC.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Voluntary Compliance

During the year ended December 31, 2023, the Company failed to withhold participant contributions in accordance with participant elections for a limited subset of eligible participants. The result was insufficient amounts being withheld and contributed to the Plan. Management is in the process of correcting this issue in accordance with the IRS's prescribed correction guidelines.

8. Prohibited Transactions

During the year ended December 31, 2023, the Company failed to segregate and remit in a timely manner certain participant contributions (salary reduction amounts) from its assets within the required time period as specified by the United States DOL Reg. 2510.3012. Failure to segregate and remit contributions within the specified time period is a prohibited transaction according to the provisions of ERISA and the IRC. The Company remitted these contributions to the Plan shortly after the required time frame and has remitted lost earnings associated with the late remittances in 2024.

Notes to the Financial Statements

9. Related Party Transactions and Party-in-Interest Transactions

Party-in-interest transactions include those transactions with fiduciaries or employees of the Plan, any person who provided services to the Plan, an employer whose employees were covered by the Plan, employee organizations whose members were covered by the Plan, a person who owned 50% or more of such an employer or employee organization, or relatives of such persons.

As of December 31, 2023 and 2022, and during the year ended December 31, 2023, the Plan held investments and traded in mutual funds, a money market fund and a collective trust fund held by TRP and Reliance Trust, who are the recordkeeper and trustee, respectively, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions and are exempt from the prohibited transaction rules of ERISA.

10. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

11. Subsequent Events

The Plan Administrator has evaluated subsequent events through October 1, 2024, the date the financial statements were available to be issued. Except as described in Note 1, the Plan Administrator is not aware of any subsequent events which would require recognition or disclosure in the financial statements.
