## Report of Independent Auditors

The Plan Administrator of  
Thunder Valley Casino 401(k) Retirement Plan

### Report on the Audit of the Financial Statements

#### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of Thunder Valley Casino 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net position available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net position available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Thunder Valley Casino 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

#### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Thunder Valley Casino 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Thunder Valley Casino 401(k) Retirement Plan's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Thunder Valley Casino 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Thunder Valley Casino 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Required Supplementary Information***

Management has omitted the Management Discussion and Analysis that accounting principles generally accepted in the United States of America requires to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by the missing information.

### ***Other Matter***

#### ***Supplemental Schedule Required by ERISA***

The supplemental Schedule H, line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### NOTE 1 – DESCRIPTION OF PLAN

The following description of the Thunder Valley Casino 401(k) Retirement Plan (the Plan) provides only general information about the Plan, which has been legally established through a formal retirement Plan Document and Trust Agreement, as amended (the Plan Agreement). Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions. Thunder Valley Casino (the Casino) is the sponsor of the Plan. State Street Bank and Trust Company and Transamerica Trust Company (the Trustees) serve as the trustees of the Plan.

**General** – The Plan is a qualified, defined contribution plan that provides participant-directed investment programs to all eligible employees of the Casino who have completed three months of service for the Casino and have attained the age of 21. Employees who are nonresident aliens who work outside of the United States and leased employees are not eligible to participate in the Plan. The Plan is administered by the Casino's Retirement Plan Committee. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### **Contributions**

*Participant contributions* – Participants may make pretax contributions to the Plan of any amount up to 19% of their annual eligible compensation. Effective January 1, 2023, participants may also elect to make Roth contributions utilizing after-tax contributions. The maximum deferral is 19% of their annual eligible compensation, as defined.

Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

*Employer match contribution* – The Casino may make a discretionary matching contribution each year. The matching contribution was 60% of the first 4% of eligible compensation deferred to the Plan during 2023. The matching contribution is only made for those participants who have completed one year of service with the Casino. The employer matching contribution totaled \$1,591,458 for the year ended December 31, 2023.

*Employer nonelective contribution* – The Casino provides a nonelective contribution of \$720 each year to each eligible participant who completed 1,000 hours of service in the immediate-preceding plan year and who were employed on the last day of the immediate-preceding plan year, with exception made for death, retirement or disability. The employer nonelective contribution totaled \$1,209,600 for the year ended December 31, 2023.

Contributions are subject to regulatory limitations.

**Participant accounts** – Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution, the Casino's matching and nonelective contributions, allocations of the Plan income or losses and expenses, and charged with withdrawals. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Investments** – Participants direct the investment of their contributions into various investment options offered by the Plan, including registered investment companies and a collective trust fund. A participant may change his or her investment options daily, subject to certain Plan provisions. Participants should refer to the Plan documents for a complete description of the investment options, as well as for the detailed composition of each investment fund.

**Vesting** – All participant contributions are immediately 100% vested and are nonforfeitable. A participant is credited with a year of service for employer contribution vesting purposes upon completion of one year of service. A participant vests in that portion of his or her account attributable to employer contributions as follows:

| <u>Years of Service for Vesting</u> | <u>Employer<br/>Matching<br/>Percentage</u> | <u>Employer<br/>Nonelective<br/>Contribution<br/>Percentage</u> |
|-------------------------------------|---------------------------------------------|-----------------------------------------------------------------|
| Less than 1 year                    | 0%                                          | 0%                                                              |

| 3 years                             | 60%                                         | 100%                                                            |
| 4 years                             | 80%                                         | 100%                                                            |

In the event of termination of a participant by reason of death or permanent disability, the full value of the participant's account becomes vested as of the immediately preceding Plan year end.

**Notes receivable from participants** – The participant loans bear interest at rates commensurate with those charged by persons in the business of lending money for loans that would be made under similar circumstances, which at December 31, 2023, ranged from 4.25% to 9.50%, are secured by the balance in the participant's account, and mature through December 2038. The loans require equal repayments of principal and interest (with payments not less than quarterly) over a period not to exceed five years, except for loans taken out specifically for the purpose of obtaining a primary residence which can have a loan term of up to fifteen years.

**Payment of benefits** – Upon a participant's death, permanent disability, retirement from employment, or termination of employment, a participant (or designated beneficiary) is entitled to receive his or her vested account balance in a lump-sum payment. Additionally, participants with a vested account balance of less than \$5,000 may elect an automatic rollover to another qualified vehicle as required under applicable regulations. Participants with a vested balance of less than \$1,000 who do not elect to rollover to another qualified vehicle will receive an automatic distribution in the form of a lump-sum payment. Participants reaching age 59½ or those suffering from a hardship as defined in the Plan Agreement may request a distribution of all or a portion of their vested account balance.

**Forfeitures** – The nonvested portion of the account of a participant who has terminated employment with the Casino will be forfeited as of the earlier of (a) a complete distribution of their account, or (b) five consecutive one-year breaks in service. Forfeitures shall first be used to pay administrative expenses of the Plan and next to reduce future employer contributions. As of December 31, 2023 and 2022, the balance of forfeited nonvested account is \$11,410 and \$1,367, respectively. During the year ended December 31, 2023, \$38,000 in forfeitures was applied against administrative expenses and \$18,930 was used to reduce employer matching contribution.

#### NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Basis of accounting** – The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America as applied to governmental units, using the accrual method of accounting. The Governmental Accounting Standards Board (GASB) is the accepted standard setting body for establishing governmental accounting and financial reporting principles.

**Use of estimates** – The preparation of financial statements in conformity with generally accepted accounting principles requires the use of estimates and assumptions that may affect certain amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Investment valuation** – The investments are stated at fair value. The Plan's Trustees certify the fair market value of all investments. If available, quoted market prices are used to value investments. Fair value is the price that would be received to sell an asset or paid to transfer a liability (the exit price) in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

**Income recognition** – Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. The net appreciation in fair value of investments consists of both the realized gains or losses and unrealized appreciation and depreciation of those investments.

**Notes receivable from participants** – Notes receivable from participants are measured at amortized cost, which represents unpaid principal balance plus accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions upon the occurrence of a distributable event, based on the terms of the Plan Agreement. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

**Payments of benefits** – Benefits are recorded when paid. There were no amounts allocated to accounts of persons who have elected to withdraw from the Plan, but have not yet been paid as of December 31, 2023.

**Expenses** – The Plan's administrative expenses may be paid out of the forfeiture account or paid by the Casino. Several of the investment fund options are subject to investment and administrative fees based on a percentage of invested assets, as disclosed in the fund's prospectus. All such fees are charged directly against the fund's investment performance; thus, they are not separately disclosed in the accompanying financial statements. Participants are assessed separate fees for the administration of loans and repayments thereof, as well as plan administrative fees, and such fees are separately disclosed in the financial statements. All other administrative expenses related to the Plan are paid by the Plan sponsor.

#### NOTE 3 – INVESTMENTS

Investment activities of the Plan are governed by the Plan's investment policy, which specifies the Plan assets may be placed in the following core investment categories:

- Principal Preservation - a pooled fund investing in high quality, short-term fixed income securities and/or stable value instruments,
- Common Stocks - a pooled fund investing primarily in the shares of large U.S. corporations, and
- Bonds - a pooled fund investing in U.S. Government Notes and Bonds or investment grade corporate bonds.

Additionally, the Plan may also select one or more of the following non-core investment categories:

- Small Capitalization Stocks - funds investing primarily in the shares of small U.S. corporations,
- International Stocks - funds investing primarily in the shares of large non-U.S. corporations,
- International Small Capitalization Stocks - funds investing primarily in the shares of small non-U.S. corporations,
- Value Oriented Stocks - funds investing primarily in the shares of companies, either domestic or foreign, with a high book value to market price ratio,
- Growth Oriented Stocks - funds investing primarily in the shares of companies, either domestic or foreign, with earnings projected to grow at a relatively rapid rate,
- International Emerging Market Stocks - funds investing primarily in the shares of companies in countries with developing capital markets,
- High Yield Fixed Income Securities - funds investing primarily in below investment grade bonds issued by U.S. and foreign corporations, and
- Balanced - funds investing in the shares of U.S. and foreign corporations, and U.S. Government Notes and Bonds or investment grade corporate bonds.

**Investment risk factors** – There are many factors that can affect the fair value of the Plan's investments including custodial credit risk, interest rate risk, foreign currency risk, credit risk, and concentration of credit risk, and that may affect equity and debt securities. Investments in equity securities respond to such factors as economic conditions, individual company earnings performance, and market liquidity, while investments in debt securities are particularly sensitive to credit risk and interest rate changes.

**Custodial credit risk** – Custodial credit risk is the risk that in the event of a failure by the counterparty, the Plan will not be able to recover the value of its investments that are in the possession of an outside party. The Plan's policies do not specifically address custodial credit risk, but all the Plan's investments are insured or registered, or held by the Plan or its agent in the Plan's name.

### Notes to Financial Statements

**Interest rate risk** – Interest rate risk arises from the likelihood that interest rates will rise or fall during the holding period of a fixed rate security and adversely affect the selling price of the security prior to maturity. The price of a debt security typically moves in the opposite direction of the change in interest rates. The Plan holds investments in certain bond mutual funds and a stable pooled fund that are subject to interest rate risk. The underlying investment in the bond mutual funds has various maturities not more than ten years, and the underlying investments in the stable pooled fund has an average duration of approximately three years.

**Foreign currency risk** – Foreign currency risk is the risk that changes in exchange rates will adversely impact the fair value of an investment denominated in a foreign currency. The Plan's foreign currency risk exposure resides within the international mutual fund holdings. The Plan does not hold any direct investments or instruments denominated in a foreign currency.

**Credit risk** – Credit risk exists when there is a possibility that the issuer or other counterparty to an investment may be unable to fulfill its payments on a security under the original term. The Plan holds investments in certain bond mutual funds and a stable pooled fund that are subject to credit risk. The underlying investment in these funds have the following credit ratings (Standard & Poors) at December 31:

#### NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

## Thunder Valley Casino 401(k) Retirement Plan

### Notes to Financial Statements

---

The three levels of the fair value hierarchy are described as follows:

**Level 1** – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities the Plan has the ability to access.

**Level 2** – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3** – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

*Registered investment companies (mutual funds)* – Shares of registered investment company funds (or mutual funds) are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Collective trust* – The Plan invests in Transamerica Retirement Stable Pooled Fund (the CT), which is offered through the Transamerica Retirement Solutions Collective Trust (the "Trust"), which is sponsored by Massachusetts Fidelity Trust Company (MFTC), the Trustee of the Trust. The CT invests directly in the Galliard Stable Return Fund, a collective trust fund of SEI Trust Company. Transamerica Retirement Solutions and MFTC are affiliates. Effective July 15, 2023, MFTC's name changed to Transamerica Trust Company.

Units held in the CT are valued using the NAV practical expedient of the CT as reported by the CT managers. The NAV practical expedient is based on the fair value of the underlying assets owned by the CT, minus its liabilities, and then divided by the number of units outstanding. The NAV practical expedient of a CT is calculated based on a compilation of primarily observable market information. Withdrawals from the CT by transfer to other plan investments are generally permitted at any time; however, limitations apply for transferring to competing fixed income funds for 90 calendar days. Automatic scheduled transactions such as payroll contributions may not be subject to these restrictions. There are generally no redemption notice periods. The NAV practical expedient of the CT is determined daily. Units are issued and redeemed at the latest NAV practical expedient. The use of NAV practical expedient as fair value is deemed appropriate as the CT does not have a finite life, unfunded commitments, or significant restrictions on redemptions.

#### NOTE 5 – TAX STATUS

The Plan document is a non-standardized pre-approved defined contribution plan that received a favorable opinion letter from the Internal Revenue Service on June 30, 2020, which stated that the plan, as then designed, was in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

In accordance with guidance on accounting for uncertainty in income taxes, the plan administrator has evaluated the Plan's tax positions and does not believe the Plan has any uncertain tax positions that require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **NOTE 6 – INFORMATION CERTIFIED BY THE TRUSTEES**

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, State Street Bank and Trust Company, and Transamerica Trust Company, the trustees of the Plan, have certified to the completeness and accuracy of:

- Investments and notes receivable from participants reflected on the accompanying statements of net position available for benefits as of December 31, 2023 and 2022;
- Net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants reflected on the accompanying statement of changes in net position available for benefits for the year ended December 31, 2023; and
- Investments reflected on the schedule of assets (held at end of year).

#### **NOTE 7 – PARTY-IN-INTEREST TRANSACTIONS**

Plan investments include an interest-bearing cash account held by State Street Bank and Trust Company, and shares of Transamerica Retirement Stable Pooled Fund held by Transamerica Trust Company. State Street Bank and Trust Company, and Transamerica Trust Company are the trustees of the Plan. Therefore, transactions with these entities qualify as exempt party-in-interest transactions. The Plan holds notes receivable from participants that also qualify as party-in-interest transactions.

The Plan paid \$161,164 related to the Plan's operations and investment management to Transamerica Retirement Solutions, which is the recordkeeper of the Plan.

Transamerica Retirement Solutions receives revenue from mutual fund service providers for services they provide to the funds. This revenue is used to offset certain amounts owed to Transamerica Retirement Solutions for its administrative services to the Plan. If the revenue received from such mutual fund service providers exceeds the amount due to Transamerica Retirement Solutions, they remit the excess to the Plan, which is applied to pay Plan administrative expenses. During 2023, the revenue sharing credit was \$80,415, which is reported as other income on the Statement of Changes in Net Position Available for Benefits for the year ended December 31, 2023.

#### **NOTE 8 – PLAN TERMINATION**

Although it has not expressed any intention to do so, the Casino has the right to terminate the Plan and discontinue its contributions at any time. If the Plan is terminated, amounts allocated to a participant's account become fully vested.

#### **NOTE 9 – RECONCILIATION TO FORM 5500**

The Form 5500 has certain items that differ from amounts shown on the accompanying financial statements. These differences relate to classification only and have no effect upon net assets available for benefits for either period.
