REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Participants and Plan Administrator
Group Health Cooperative of South Central Wisconsin 403(b) Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit

We were engaged to perform audits of the financial statements of Group Health Cooperative of South Central Wisconsin 403(b) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Disclaimer of opinion

We do not express an opinion on the accompanying financial statements of the Plan. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for disclaimer of opinion

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the financial statements may have been affected by these conditions.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the financial statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits.

Other matter – supplemental schedule required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Group Health Cooperative of South Central Wisconsin 403(b) Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Group Health Cooperative of South Central Wisconsin 403(b) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. There were no significant amendments to the Plan for the year ended December 31, 2023.

General

The Plan was established by Group Health Cooperative of South Central Wisconsin (the Employer) as a defined contribution plan covering all employees of the Employer, excluding students and union workers. It is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). Charles Schwab Trust Bank serves as trustee and Milliman, Inc. serves as recordkeeper of the Plan.

Contributions

The Plan provides for pre-tax elective salary deferral contributions and after-tax Roth contributions on a participant's eligible compensation as defined in the Plan, subject to certain Internal Revenue Code (IRC) limitations. Employees eligible for the Plan automatically have 3% of eligible compensation contributed to the Plan as after-tax Roth contributions with an additional increase of 1% of eligible compensation contributed to the Plan on the first day of each Plan year following one year of participation in the Plan starting January 1, 2013, up to a maximum automatic deferral percentage of 10%. Employees have the option to opt out of the automatic enrollment features.

The Plan allows for all types of rollover contributions, including in-Plan Roth rollover contributions and in-Plan Roth transfers. In-Plan rollover contributions allow participants who are eligible for a distribution from an account and are currently an employee to elect to roll over the distribution to a designated Roth contribution account in the Plan. In-Plan Roth transfers allow a participant to elect to change the tax treatment of all or some of the pre-tax accounts.

The Plan allows for a fixed Employer matching contribution of 100% of a participant's elective contributions up to 6% of eligible compensation.

Employees may voluntarily elect to contribute up to the maximum percentage of compensation and dollar amount permissible under the IRC. Based upon these limits, employees can contribute up to \$22,500 in 2023 and employees age 50 or older can also make a catch-up contribution of up to \$7,500 in 2023. Employees with 15 or more years of service are eligible to contribute an additional \$3,000 per year over a three-year period as part of a catch-up contribution also permissible under the IRC.

Participant Accounts

Each participant's account is credited with participant elective contributions, Employer matching contributions, and an allocation of Plan earnings and is charged with withdrawals and allocations of Plan losses and administrative expenses. Allocations are based on participant balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in both their elective contributions and Employer matching contributions and the earnings thereon. Employee balances are, therefore, fully vested and non-forfeitable upon termination, normal retirement, disability or death.

Group Health Cooperative of South Central Wisconsin 403(b) Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2023 and 2022

Payment of Benefits

On termination of service due to employment termination, disability, attainment of normal retirement age or death, a participant may generally elect to receive the value of the participant's vested interest in his or her account in a lump-sum amount or in periodic installments. In addition, in-service distributions of vested benefits may be received in accordance with the Plan's provisions.

Investment Options

The Plan offers mutual funds and a money market fund as investment options for participants. Participants direct the investment of their account balances into any or all of the investment options offered by the Plan.

Plan Termination

Although it has not indicated any intention to do so, the Employer has the right to terminate the Plan subject to the provisions of ERISA. In the event of the termination of this Plan, the assets of the trust shall be liquidated and the accrued benefits shall be paid to the participants after provision is made for the expenses of liquidation.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

In preparing financial statements in conformity with U.S. GAAP, management is required to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Benefits Paid to Participants

Benefits paid to participants are recognized when the funds are disbursed.

Group Health Cooperative of South Central Wisconsin 403(b) Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2023 and 2022

Administrative Expenses

The Plan provides all reasonable expenses related to Plan administration to be paid from Plan assets, except to the extent the expenses are paid (or reimbursed) by the Employer.

NOTE C - FAIR VALUE MEASUREMENTS

The Plan records investments at fair value using a fair value hierarchy that distinguishes between assumptions based on market data (observable inputs) and the Plan's assumptions (unobservable inputs). The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022:

Money market fund and mutual funds - Valued at the net asset value as of the last business day of the Plan year, by reference to quoted market prices.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different estimate of fair value at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

NOTE D - FINANCIAL DATA CERTIFIED BY THE PLAN'S TRUSTEE

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Charles Schwab Trust Bank has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments and cash as shown in the statements of net assets available for benefits as of December 31, 2023 and 2022.
- Investment income, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2023.
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2023.

NOTE E - PARTY-IN-INTEREST TRANSACTIONS

Certain administrative expenses incurred by the Plan are paid by the Employer.

NOTE F - TAX STATUS

The Plan terms have been drafted in conformity with the sample language provided by the Internal Revenue Service (IRS) in Revenue Procedure 2007-71. The Plan is required to operate in conformity with the IRC to maintain its tax exempt status. The Plan sponsor believes that the Plan is currently designed and operating in accordance with the applicable requirements of Section 403(b) of the IRC and, therefore, believes the Plan is qualified and the related custodial accounts are tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or (asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits by taxing periods in progress.

NOTE G - RISKS AND UNCERTAINTIES

Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect

participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE H - REGULATORY BACKGROUND AND REASONS FOR INCOMPLETE RECORDS

In November 2007, the Department of Labor issued amended regulations eliminating an exemption granted to 403(b) plans from the annual Form 5500 reporting and disclosure requirements under Part 1 of Subtitle B of ERISA. Prior to the amended regulations, the Plan (established in 1978) was historically viewed as a collection of individual contracts with which participants could engage in a range of actions with limited involvement, if any, by the Plan sponsor. Accordingly, certain accounting and payroll records related to the Plan's 403(b) custodial accounts issued to current and former employees were not retained by the Plan. Consequently, the financial statements have been prepared based on available records analyzed by Plan management. As certain records were not available from the inception of the Plan, the effect, if any, on the completeness or accuracy of the Plan's financial statements cannot be determined.

NOTE I - SUBSEQUENT EVENTS

The Plan administrator evaluated the Plan's December 31, 2023 financial statements for subsequent events through September 20, 2024, the date that the financial statements were available to be issued. The Plan administrator is not aware of any subsequent events which would require recognition or disclosure in the financial statements.
