MANAGEMENT LETTER

June 28, 2024

Board of Directors
Food for the Hungry, Inc. Retirement Plan
Phoenix, Arizona

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of Food for the Hungry, Inc. Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as of and for the year ended December 31, 2023, in accordance with auditing standards generally accepted in the United States of America, we considered Plan's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of issuing our report on the financial statements, but not for the purpose of expressing our opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

We were engaged to perform an ERISA Section 103(a)(3)(C) audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (certified investment information) by Fidelity Management Trust Company that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit also did not include a consideration of internal control relating to the certified investment information.

Our consideration of internal control was for the limited purpose described in the preceding paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. In addition, because of inherent limitations in internal control, including the possibility of management override of controls, misstatements due to error or fraud may occur and not be detected by such controls.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis.

Professional standards define a material weakness and a significant deficiency as follows:

A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the organization's financial statements will not be prevented, or detected and corrected, on a timely basis.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

- Reportable Finding
- Current Year Matter
- Governance Communication Matters

This communication is intended solely for the information and use of management, the board of directors, and others within the Plan and is not intended to be and should not be used by anyone other than these specified parties.

The Plan's written response to the finding identified in our audit has not been subjected to the auditing procedures applied in the audit of the financial statements; accordingly, we express no opinion on it.

We will be pleased to further discuss these matters with you and want to express our sincere appreciation to the staff for the cooperation and assistance received during the audit engagement and for the opportunity to serve Food for the Hungry, Inc. Retirement Plan.

REPORTABLE FINDING

Use of Forfeitures

In the current year audit, it was noted that the Plan has forfeited accounts that are not being used timely to reduce employer contributions. According to the plan document, forfeitures should be used no later than the last day of the Plan year following the Plan year in which the forfeiture occurs. Failure to follow the terms of the plan document is an operational failure.

We recommend that the Plan Sponsor work with the third-party administrator to ensure the forfeited accounts be applied to future employer contributions in accordance with the terms of the plan document.

Management Response

As advised in the recommendation above, FH will work with our retirement broker to establish a plan to ensure the forfeited accounts will be applied to future employer contributions this calendar year. FH will also ensure that any forfeiture funds in the future will be applied in the year they are received.

CURRENT YEAR MATTER

SECURE Act 2.0

On December 29, 2022, President Joe Biden signed the SECURE Act 2.0 into law. This act introduces over 90 changes to federal rules regarding workplace retirement plans and includes both mandatory and optional provisions with various effective dates. We have listed a few mandatory provisions with effective dates beginning January 1, 2024 or later under the SECURE Act 2.0 for management review:

- Effective for plan years beginning after December 31, 2023, long-term, part-time (LTPT) workers, defined as employees that work more than 500 hours per year for 3 consecutive years, must be provided the opportunity to participate in the plan. The plan must have a dual eligibility requirement under which an employee that completes either 1 year of service (with the 1,000-hour rule) or 3 consecutive years of service (where the employee completes at least 500 hours of service) must be allowed to participate in the plan. Effective for plan years beginning in 2025, the LTPT rule is reduced from 3 years to 2 years of consecutive service.
- Effective for plan years beginning after December 31, 2023, certain participants who have not met minimum age and services conditions may be excluded from the top-heavy test.
- Effective for plan years beginning after December 31, 2023, required minimum distributions are no longer required for Roth 401(k) and 403(b) plans.
- Effective for plan years beginning after December 31, 2023, for plans that allow hardship withdrawals, all amounts in a participant account are available for withdrawal.
- Effective for plan years beginning after December 31, 2024, catch-up contributions limits increase to \$10,000 for individuals that have attained age 60, 61, 62 and 63.
- Effective for plan years beginning after December 31, 2025, catch-up contributions for participants who are 50 or older and who earned more than \$145,000 in the prior year (indexed for inflation) must be made on a Roth basis. This may require plan management to amend their current retirement plan to offer a Roth option.
- Required minimum distribution age increases from 73 to 75 beginning January 1, 2033.

There are several other mandatory and optional provisions under the SECURE Act 2.0 that we encourage plan management to review and discuss with advisors and third-party administrators as needed. Operational changes are required to be implemented as of the effective date under SECURE Act 2.0, but written plan amendments must be updated and filed no later than the last day of the first plan year beginning on or after January 1, 2025 (December 31, 2025, for calendar year plans).

GOVERNANCE COMMUNICATION MATTERS

The following information about our audit, as required by professional standards, is considered to be significant and relevant to the responsibilities of those charged with governance in overseeing the financial reporting process.

Auditors' Responsibility under U.S. Generally Accepted Auditing Standards

Except as described on page 1 of this letter, as independent auditors of the financial statements, we are responsible for:

- Performing the audit in accordance with U.S. generally accepted auditing standards.
- Designing the audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement.
- Forming and expressing an opinion about whether the financial statements, that have been prepared by management with the oversight of those charged with governance, are presented fairly, in all material respects, in conformity with accounting principles generally accepted in the United States of America.

An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting.

Our audit of the financial statements does not relieve management or those charged with governance of their responsibilities. Because of the concept of reasonable assurance and because we did not perform a detailed examination of all transactions, there is the risk that material errors, fraud, or other illegal acts may exist and not be detected by us.

Independence

Under professional standards, including Rule 101 of the American Institute of Certified Public Accountants' Code of Professional Conduct and its interpretations and rulings, we are required to communicate all relationships between CapinCrouse LLP and the board that, in our professional judgment, may reasonably be thought to bear on independence.

We are not aware of any relationships or services that would jeopardize this condition. We affirm our objectivity and independence in performing our audit services in conformity with professional standards.

Qualitative Aspects of Accounting Practices

Accounting policies—Management has the responsibility for selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements.

Changes in accounting policies—No new accounting policies were adopted, and the application of existing policies was not changed during the year.

Recently issued pronouncements—No new pronouncements have been issued that are significant to employee benefit plan audits.

Significant and unusual transactions—Under professional standards, we are required to inform you about transactions we noted that were both significant and unusual, or transactions for which there is a lack of authoritative guidance or consensus. We noted no such transactions entered into by the Plan during the year. All significant transactions have been recognized in the financial statements in the proper period.

Financial statements disclosures and related matters—We considered issues involved and related judgments made, in formulating sensitive financial statements disclosures and believe they are presented with overall neutrality, consistency, and clarity.

GOVERNANCE COMMUNICATION MATTERS, continued

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Significant Difficulties Encountered During the Audit

We are pleased to report that there were no significant difficulties in dealing with management in performing and completing our audit.

Uncorrected Misstatements

There were no uncorrected misstatements identified during the audit.

Material Corrected Misstatements

There were no material corrected misstatements identified during the audit.

Other Corrected Misstatements

There were no other corrected misstatements identified during the audit.

Reportable Findings

For purposes of this letter, a reportable finding is a matter that includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations, (2) a finding that in our professional judgment is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management's attention. Reportable findings are classified as material weaknesses, significant deficiencies, or other reportable findings earlier in this letter.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

A copy of the letter containing representations requested from management is attached.

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts.

To our knowledge, there were no such consultations with other accountants.

Significant Issues Discussed with Management

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the independent auditors. However, any discussions occurred in the normal course of our professional relationship, and our responses were not a condition to our retention.

GOVERNANCE COMMUNICATION MATTERS, continued

Other Matters

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Colorado Springs, CO 80920

This representation letter is provided in connection with your audits of the financial statements and supplemental schedules of Food for the Hungry, Inc. Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the disclosures (collectively, the "financial statements"), for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States (U.S. GAAP) and whether the supplemental schedules are fairly stated in all material respects in relation to the financial statements as a whole.

As permitted by Regulation 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, we have elected for you to not perform any auditing procedures with respect to information prepared and certified to by Fidelity Management Trust Company (Fidelity), the qualified institution, in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedule. We understand that the form and content of the information in the financial statements and supplemental schedules, other than that derived from the information certified by the qualified institution has been audited by you in accordance with auditing standards generally accepted in the United States of America, and was subjected to tests of our accounting records and other procedures you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Items are considered to be material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of the date of this letter, the following representations made to you during your audits.

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Food for the Hungry, Inc. Retirement Plan
Phoenix, Arizona

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of Food for the Hungry, Inc. Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Plan Administrator
Food for the Hungry, Inc. Retirement Plan
Phoenix, Arizona

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

Plan Administrator
Food for the Hungry, Inc. Retirement Plan
Phoenix, Arizona

Auditors' Responsibilities for the Audit of the Financial Statements, continued

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets Held at End of Year as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by or certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Each year, participants may contribute amounts on a pre-tax basis, post-tax basis, or combination of the two options up to the annual limits established by the Internal Revenue Code. Participants direct the investment of their contributions into various investment options offered by the Plan. The Sponsor makes safe-harbor matching contributions up to 5% of an employee's compensation (increase from 4% to 5% was effective January 1, 2023). The Sponsor may make discretionary contributions in an amount to be determined annually, which is then allocated to each active participant's account based on the ratio of such participant's annual pay, as defined in the Plan document, to the total annual pay of all active participants. No discretionary contributions were made during the year ended December 31, 2023.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and allocation of: (a) the Sponsor's contribution and (b) the Plan earnings. Allocations are based on participant employment status. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participant's contributions and related earnings are fully vested at all times. The safe-harbor matching contributions to each participant's account plus related earnings are also fully vested at all times. Discretionary contributions made by the Sponsor vest according to the following schedule:

Completed Years of Service	Percentage of Discretionary Contribution Vested
1 year or less	0%
2	25%
3	50%
4	75%
5 or more	100%

Notes to the Financial Statements

1. PLAN DESCRIPTION, continued:

PARTICIPANT LOANS

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at a rate ranging from 5.25% to 10.5% which is commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest is paid ratably through semi-monthly payroll deductions. Participant loans are included in notes receivable from participants on the statements of net assets available for benefits.

PAYMENTS OF BENEFITS

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, apply the lump-sum amount towards the purchase of an annuity from the trustee, or maintain the balance in the Plan. If the account balance is \$5,000 or less, the Plan Sponsor may opt to distribute the entire balance. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Participants may also receive an in-service distribution upon reaching age 59 1/2. Upon proof, to the satisfaction of the Plan administrator, of an immediate and heavy financial need, amounts contributed may be withdrawn for hardship purposes.

FORFEITED ACCOUNTS

For the years ended December 31, 2023 and 2022, forfeited nonvested accounts totaled \$9,782 and \$3,773 respectively. These accounts are used to reduce future employer contributions. During the year ended December 31, 2023, employer contributions were reduced by \$826 from forfeited nonvested accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared under the accrual method of accounting.

ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

INVESTMENT VALUATION AND INCOME RECOGNITION, continued

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

The Plan paid administrative fees of \$15,140 during the year ended December 31, 2023. All other administrative expenses, such as accounting fees, were paid by the Sponsor.

3. INFORMATION PREPARED AND CERTIFIED BY THE QUALIFIED INSTITUTION:

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, the trustee of the Plan, has certified the completeness and accuracy of all investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits and the supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) and the related investment activity reflected in the statement of changes in net assets available for benefits.

4. FAIR VALUE MEASUREMENTS:

The *Fair Value Measurements and Disclosure Topic* of the FASB Accounting Standards Codification establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available. Changes in Valuation Techniques: None.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2023, are reported in net appreciation in fair value of investments.

4. FAIR VALUE MEASUREMENTS, continued:

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

		Fair Value Measurements Using:	
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Unobservable Inputs (Level 3)
	December 31, 2023		
Investments:			
Mutual funds	\$ 15,995,966	\$ 15,995,966	\$ -
Reconciling items measured at NAV:			
Collective investment trusts	943,144		
Total Investments	\$ 16,939,110		
		Fair Value Measurements Using:	
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Unobservable Inputs (Level 3)
	December 31, 2022		
Investments:			
Mutual funds	\$ 13,723,142	\$ 13,723,142	\$ -

Mutual funds are primarily valued using market quotations or prices obtained from independent pricing sources. Collective investment trusts (CIT's) are measured at fair value using the net asset value per share practical expedient and have not been categorized within the fair value hierarchy. The fair value amounts presented in the above tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The CITs have no unfunded commitments, are able to be redeemed daily, and have a five day redemption notice period.

5. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in the Sponsor contribution portion of their account.

RETIREMENT PLAN

Notes to the Financial Statements

December 31, 2023 and 2022

6. **TAX STATUS:**

The Plan has adopted a volume submitter plan document sponsored by Fidelity. The volume submitter Plan document has obtained an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, which states that the volume submitter document satisfies the applicable provisions of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter. The Plan has not received a determination letter from the IRS; however, the Plan administrator and the Plan's counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

7. **RISKS AND UNCERTAINTIES:**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. **PARTY-IN-INTEREST:**

As of December 31, 2023 and 2022, certain investments for the Plan are shares of mutual funds managed by Fidelity Management Trust Company. Fidelity Management Trust Company performs recordkeeping services for the Plan; therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for these services amounted to \$15,140 for the year ended December 31, 2023.

9. **SUBSEQUENT EVENTS:**

Subsequent to December 31, 2023, the Plan was amended to automatically enroll new employees at 6% of compensation.

Subsequent events have been evaluated through June 28, 2024, which represents the date the financial statements were available to be issued.
