INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Plan Participants
403(b) Thrift Plan of Bonita House, Inc.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of 403(b) Thrift Plan of Bonita House, Inc. (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of 403(b) Thrift Plan of Bonita House, Inc.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of the report —

- the amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America; and
- the certified investment information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of 403(b) Thrift Plan of Bonita House, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of Bonita House, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 403(b) Thrift Plan of Bonita House, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of Bonita House, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplementary Schedules Required by ERISA

The supplementary schedule of assets held for investment purpose at end of year as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

403(b) THRIFT PLAN OF BONITA HOUSE, INC.

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description

The following description of the 403(b) Thrift Plan of Bonita House, Inc. (the Plan) is provided for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan providing retirement benefits for all eligible employees of Bonita House, Inc. (the Employer). Employees are eligible to enter the Plan on the first day of the month following the beginning of their employment. This Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and Section 403(b) of the Internal Revenue Code.

Contributions

Eligible employees of the Employer may elect to contribute up to the applicable limits allowed under the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified plans. The Employer also makes a contribution of an amount equal to a portion of each participant's pre-tax annual compensation. In order to receive the employer's contribution under the Plan, the participant must have completed one year of service and be eighteen years of age. Participants direct the investment of the contributions into various options offered by the Plan.

Vesting

Participants are immediately vested in their contributions and earnings thereon. A participant is 100% vested in the employer's contribution after three years of credited services.

Participant Accounts

Each participant account is credited with the participant's contribution and allocations of (a) the Employer's contribution and (b) Plan earnings, and charged with an allocation of administrative expenses, if any. Allocations are based on participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Loans

The Plan permits a participant to receive a loan from the funding vehicles authorized by the employer for use under the Plan. The participant loans are available to all participants on a reasonably equivalent basis. Loans must be adequately secured by the participant accounts and bear a reasonable interest rate.

**403(b) THRIFT PLAN OF
BONITA HOUSE, INC.**

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description (Cont.)

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or various options as defined in the Plan. Similar options are available upon termination of employment. The terminated participant may provide rollover instructions to an IRA or to another qualified plan. The Plan provides a mandatory cash-out on a terminated participant's account with a non-forfeitable balance of less than \$5,000 unless the terminated participant provides rollover instructions. The Plan permits a hardship distribution to a participant prior to and after separation from service in accordance with the Plan's hardship policies.

Forfeited Accounts

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$0. Amounts accumulated in the forfeiture account will be used to reduce employer contributions in the same year they were accumulated. Forfeitures of \$1 were used to reduce employer contributions and administrative fees during the year ended December 31, 2022.

Administrative Expenses

All Plan administrative expenses, the annual audit, and tax fees are paid by the Employer. Expenses related to specific participant transactions are charged to the respective participant's account.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investments contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully-benefit responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

**403(b) THRIFT PLAN OF
BONITA HOUSE, INC.**

NOTES TO FINANCIAL STATEMENTS

Note 2. Summary of Significant Accounting Policies (Cont.)

Investment Valuation and Income Recognition (Cont.)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date.

Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participants account and are included in administrative expenses when incurred. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note is recorded as a benefit payments based upon the terms of the plan document.

Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements is in conformity with accounting principles generally accepted in the United States of America. Those standards require management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

Date of Management's Review of Subsequent Events

The Plan has evaluated subsequent events through September 20, 2024 the date on which the financial statements were available to be issued and determined no events or transactions have occurred that require recognition or disclosure in the financial statements.

**403(b) THRIFT PLAN OF
BONITA HOUSE, INC.**

NOTES TO FINANCIAL STATEMENTS

Note 3. Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 measurements consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1), and Level 3 measurements are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. There are no plan assets requiring the use of Level 1 or 3 inputs for the periods presented.

Level 2 Fair Value Measurements

The fair value of pooled separate accounts is based on quoted net asset values of the shares held by the Plan at year-end.

	Total	Fair Value Measurement Using Significant Other Observable Inputs (Level 2)
<u>December 31, 2022</u>		
Pooled separate accounts	\$ 2,616,772	\$ 2,616,772
Total investments at fair value	<u>2,616,772</u>	<u>\$ 2,616,772</u>
<u>December 31, 2021</u>		
Pooled separate accounts	\$ 4,122,258	\$ 4,122,258
Total investments at fair value	<u>4,122,258</u>	<u>\$ 4,122,258</u>

NOTES TO FINANCIAL STATEMENTS

Note 4. Summary of Information Certified by Custodian (Unaudited)

The Plan's investments are held and administered by Mutual of America Insurance Company ("Mutual of America"), as custodian. The custodian of the Plan has provided a certification that the following information, which is contained in or used to develop the accompanying financial statements, is complete and accurate:

Investments, at fair value as of December 31, 2022 and 2021.

Investments, at contract value as of December 31, 2022 and 2021.

Net depreciation in fair value of investments for the year ended December 31, 2022.

Interest for the year ended December 31, 2022

Note 5. Investments in Insurance Contract

The Plan has a group annuity contract with Mutual of America. Mutual of America maintains contributions in a general account (Interest Accumulation Account) and a pooled separate account made up of a number of variable investment options. The Interest Accumulation Account is a fully benefit-responsive investment and is recorded at contract value, which approximates fair value. Contract value represents contributions made under the contract, plus interest at the contract rates, less withdrawals or transfers by participants and administrative expenses. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rates averaged .36% and 1.28% for the years ended December 31, 2022 and 2021, respectively. The minimum guaranteed rate is 1%. The interest will allocate to the Interest Accumulation Account as determined by Mutual of America, but not less frequently than once a calendar month.

Amounts allocated to an investment fund within the Mutual of America separate account are credited to a participant's account in the form of accumulation units. The value of an accumulation unit of any investment account is determined at the close of each business day and is directly related to the net asset value of the shares of the underlying investment adjusted for any dividends or distributions received by Mutual of America and the daily equivalent of any fee charged by Mutual of America pursuant to the contract. The value of each accumulation unit is published each business day. Each investment account is invested by Mutual of America exclusively in share of a specific mutual fund or other investment entities as directed by the contract holder and/or the participant.

The Plan may transact according to the terms defined in the contract at any time, however, certain events may limit the ability of the Plan to transact at contract value with the issuer. Such events include the premature termination of the contracts by the plan, location closings, layoffs, plan termination, bankruptcy, mergers, and early retirement incentives. The Plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable. The guaranteed investment contract may be terminated by the issuer with at least sixty days of advance written notice to the other party.

**403(b) THRIFT PLAN OF
BONITA HOUSE, INC.**

NOTES TO FINANCIAL STATEMENTS

Note 6. Plan Loans

Participants may borrow directly from Mutual of America Life Insurance Company using a portion of their Interest Accumulation Account as security for the loan. Such loans are subject to certain limitations. Applications receiving such loans are required to pledge as collateral annuity value of 100% of the principal and any accrued interest for the period of time the loan is outstanding. Loan balances outstanding, and corresponding collateral, for the related loans from Mutual of America Life Insurance Company to the Plan's participants were \$21,095 and \$13,618, as of December 31, 2022 and 2021, respectively. At December 31, 2022, the amount of participant loans in default was \$0. If a loan payment is past due more than ninety days after its scheduled payment date, the loan is in default. Default results in the loan being deemed a taxable distribution to the participant. In the event of default, the indebtedness will continue to accrue interest on a daily basis until it is repaid in full.

If the participant has pre-1989 funds or if a distributable event within the meaning of IRC Section 403(b)(11) has occurred, Mutual of America Life Insurance Company shall have the right to foreclose its security interest in the contract and to exercise all other remedies provided by law.

Note 7. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right to terminate the Plan at any time subject to the provisions set forth in ERISA and the Internal Revenue Code. Upon termination of the Plan, the total net assets of the Plan are to be distributed to the participants in proportion to their account balances.

Note 8. Related Party Transactions

Plan investments include certain investments managed by Mutual of America, the custodian of the plan. During the 2022 and 2021 plan years, the custodian of the plan provided participant-level services as defined by the Plan and, therefore, these transactions qualify as party-in-interest. There were no separate fees paid by the Plan for the investment services.

Note 9. Income Tax Status and Plan Amendments

The Plan obtained its latest opinion letter on March 31, 2017, in which the Internal Revenue Service determined and informed the sponsor of the non-standardized pre-approved plan that the Plan and related trust, as then designed, were in compliance with the applicable requirements of the Internal Revenue Code. Plan management and the Plan's tax counsel believe that the Plan is designed and currently being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

**403(b) THRIFT PLAN OF
BONITA HOUSE, INC.**

NOTES TO FINANCIAL STATEMENTS

Note 9. Income Tax Status and Plan Amendments (Cont.)

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Generally, the Plan's tax returns remain open for three to four years for income tax examination.

Note 10. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 11. Reconciliation of Financial Statements to Schedule H of Form 5500

The following is a reconciliation of net assets available for benefits per the accompanying December 31, 2022 and 2021 financial statements to the Schedule H of Form 5500:
