Independent Auditor's Report

**To the Participants and Plan Administrator of
ePlus inc. 401(k) Profit Sharing Plan**
Herndon, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of ePlus inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of ePlus inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**To the Participants and Plan Administrator of
ePlus inc. 401(k) Profit Sharing Plan
Herndon, VA**

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ePlus inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ePlus inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

**To the Participants and Plan Administrator of
ePlus inc. 401(k) Profit Sharing Plan**
Herndon, VA

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ePlus inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ePlus inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

**To the Participants and Plan Administrator of
ePlus inc. 401(k) Profit Sharing Plan**
Herndon, VA

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ePlus inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

December 31, 2023 and 2022

Note 1: The Plan and its significant accounting policies:

The following description of the ePlus inc. (the Company) 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan that was established July 1, 2000 by the Company to provide benefits to eligible employees. The Plan covers all permanent employees of the Company who are age 18 or older and who have been employed for a minimum of three months. The Plan is subject to the provisions of ERISA.

Effective June 1, 2018, the Plan was formally amended to modify the date participants may become eligible to participate in the Plan from three months after date of hire to one month after date of hire.

On December 6, 2016, the Company acquired Consolidated Communications Holdings, Inc. (Consolidated) through an asset purchase. The Consolidated employees were considered new hires and were subject to the three month waiting period to enroll in the Plan.

On May 17, 2017, the Company acquired OneCloud Consulting, Inc. (OneCloud) through a stock purchase. The OneCloud employees were eligible for immediate enrollment. OneCloud did not have a 401(k) plan in place.

On September 17, 2017, the Company acquired Integrated Data Storage, LLC (IDS) through an asset purchase. The IDS employees were considered new hires and were subject to the three-month waiting period to enroll in the Plan.

On January 18, 2019, the Company acquired SLAIT Consulting, LLC (SLAIT) through a stock purchase. The SLAIT employees were eligible for enrollment on April 1, 2019.

In December 2020, the Company acquired Systems Management and Planning, Inc. (SMP) through an asset purchase. The SMP employees were eligible for enrollment on March 1, 2021.

On July 16, 2022, the Company acquired FutureCom through an asset purchase. The employees were eligible for enrollment on September 1, 2022.

On May 1, 2023, the Company acquired Network Solutions Group through an asset purchase. The employees were eligible for enrollment on June 1, 2023.

Notes to Financial Statements

December 31, 2023 and 2022

Note 1: The Plan and its significant accounting policies: (continued)

Basis of accounting - The accompanying financial statements are prepared on the accrual basis of accounting.

Administration - Under the terms of the Plan, a designated officer of the Company acts as a trustee. The Company contracted with Charles Schwab Trust Bank (Charles Schwab) to act as trustee, custodian and recordkeeper. The Plan pays Charles Schwab a flat fee per participant as well as fees related to the administration of notes receivable from participants, qualified domestic relations order fees, and distributions.

Investment valuation and income recognition - Investments of the Plan are held by Charles Schwab and invested based solely upon instructions received from participants. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. The Plan administrator believes all notes receivable from participants are collectible.

Payment of benefits - Benefits are recorded when paid.

Income taxes - The Plan has not applied for or received a favorable determination letter because it is using a prototype plan approved by the Internal Revenue Service. However, the Plan administrator believes that the Plan is currently designed and operating in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

See Independent Auditor's Report

ePlus inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

December 31, 2023 and 2022

Note 1: The Plan and its significant accounting policies: (continued)

Income taxes (continued) - Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Use of estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and uncertainties - The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits. Plan assets may have decreased in value since December 31, 2023 due to normal market fluctuations.

Plan amendments - Effective January 1, 2019, the Plan was amended to eliminate the requirement that a loan be obtained prior to taking a hardship withdrawal, and to eliminate the required six-month suspension of deferrals after a hardship withdrawal.

Note 2: Participation and benefits:

Participant contributions - Participants may elect to have the Company contribute a percentage of their eligible pre-tax compensation up to the amount allowable under current income tax regulations. Participants can contribute up to 75% of their salary to the Plan. Effective January 1, 2022, participants are automatically enrolled in the Plan with a 5% deferral percentage upon satisfying the eligibility requirements (3% prior to January 1, 2022). Those previously enrolled at 3% will have an automatic increase of 1% each July 1st until their deferral percentage reaches 5% unless elected otherwise. Participants may opt out of this automatic enrollment or change their deferral percentage at any time.

Notes to Financial Statements

December 31, 2023 and 2022

Note 2: Participation and benefits: (continued)

Participants who elect to have the Company contribute a portion of their compensation to the Plan agree to accept an equivalent reduction in taxable compensation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Contributions withheld are invested in accordance with the participant's direction. The Plan also has a Roth 401(k) deferral option. Participants who select this option elect to have the Company contribute a portion of their compensation to the Plan on an after-tax basis, and in return, the deferrals and, in most cases, the earnings on the deferrals, are not subject to federal income taxes upon distribution after the distribution requirements applicable to Roth deferrals are met. Additionally, participants can make non-deductible Voluntary Employee Contributions (after-tax contributions) to the Plan of up to 75% of their compensation each payroll period. These contributions will not be matched.

Participants are also allowed to make rollover contributions of amounts received from other tax-qualified employer-sponsored retirement plans. Such contributions are deposited in the appropriate investment funds in accordance with the participant's direction and the Plan's provisions. Effective November 1, 2021, the Plan was amended to allow in-plan Roth rollovers. Effective April 24, 2023, rollover contributions can now include participant loans as permitted by the Administrator.

Employer contributions - The Company is allowed to make matching contributions, as defined in the Plan and as approved by the President and CFO of the Company. The Company matched 35% of each eligible participant's contribution up to a maximum of \$4,500 in both 2023 and 2022. Participants are required to be employed on the last day of the Plan year to receive a match.

In addition, the Company may make discretionary profit sharing contributions to the Plan. Contributions, if any, are made at the end of the Plan year and are allocated to eligible participants in direct proportion to their Plan year compensation. There were no discretionary profit sharing contributions for 2023 and 2022.

Participant accounts - Each participant's account is credited with the participant's contributions, Plan earnings or losses, administrative expenses and an allocation of the Company's contribution and available forfeitures, if any. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their salary deferral, rollover contributions and related earnings. Participants are also 100% vested in all employer contributions at all times.

See Independent Auditor's Report

ePlus inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

December 31, 2023 and 2022

Note 2: Participation and benefits: (continued)

Forfeited accounts - Available forfeitures, if any, are used to offset employer contributions. Forfeitures of \$318 and \$2,016 were used to reduce Company contributions for the years ended December 31, 2023 and 2022, respectively. Forfeited nonvested accounts totaled \$318 and \$2,016 at December 31, 2023 and 2022, respectively.

Payment of benefits - Upon termination, the participant or beneficiary can elect to receive the benefits in a lump-sum amount equal to the value of the participant's vested interest in his or her account or defer benefits until reaching normal retirement age. The Plan allows for automatic lump-sum distributions of participant vested account balances which do not exceed \$5,000. Account balances which exceed \$1,000 but are less than \$5,000 are rolled over to an IRA account set up for the participant by the Plan administrator.

Notes receivable from participants - The Plan allows participants to borrow a minimum of \$1,000 and up to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the participant's vested account balance and bear interest at the available market financing rates. The loans must be repaid to the Plan within a five-year period unless the loan is used for the purchase of a primary residence. The specific terms and conditions of such loans are established by the Plan administrator. Principal and interest is paid ratably through payroll deductions. Interest rates for loans in place during 2023 were 4.25% to 9.50%.

Note 3: Certified information:

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022 and net appreciation (depreciation) in fair value of investments and interest and dividends for the years ended December 31, 2023 and 2022, was obtained and derived from information supplied to the plan administrator and certified as complete and accurate by Charles Schwab, the custodian of the Plan.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule. In addition, the information in the Form 5500 Supplemental Attachment to Schedule H has been certified by Charles Schwab as of December 31, 2023.

December 31, 2023 and 2022

Note 4: Fair value measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as:

Level 1 - inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value during the years ended December 31, 2023 and 2022.

Mutual funds - valued daily at the net asset value (NAV) of the underlying assets as calculated and reported by the issuer or its agent.

Money market account - valued at cost, which equates to the closing price reported in the active market in which the fund is traded.

Self-directed brokerage account - consists of interest-bearing cash, common stock, mutual funds, US governmental securities, corporate bonds, unit investment trusts and real estate investment trusts. The common stock is valued at the last trade, close or bid price on the active market on which the individual securities are traded. The unit investment trusts are valued daily at the net asset value of the underlying assets as calculated and reported by the issuer or its agent.

Notes to Financial Statements

December 31, 2023 and 2022

Note 6: Related party transactions and party-in-interest transactions:

Certain Plan investments are shares of mutual funds managed by Charles Schwab. Charles Schwab is the custodian and therefore, these transactions qualify as party-in-interest transactions. Additionally, the Plan issues loans to participants, which are secured by the participants' accounts. These transactions are considered party-in-interest transactions.

Note 7: Reconciliation of financial statements to Schedule H of Form 5500:

The differences between the Schedule H and these financial statements relate to the classification of investments and investment income.

Note 8: Plan termination and/or modification:

The Company intends to continue the Plan indefinitely for the benefit of its employees; however, it reserves the right to terminate and/or modify the Plan at any time by resolution of its Board of Directors and subject to the provisions of ERISA.

Note 9: Subsequent events:

Subsequent events have been evaluated through August 27, 2024, which is the date the financial statements were available to be issued.

On January 31, 2024, the Company acquired PEAK Resources, Inc. through an asset purchase. The employees were eligible for enrollment on March 1, 2024.
