INDEPENDENT AUDITOR'S REPORT

To the Plan Trustees
Rivermaid Trading Company 401(k) Profit Sharing Plan
Lodi, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Rivermaid Trading Company 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of change in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year, as of and for the year ended December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and is derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RIVERMAID TRADING COMPANY 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 1: DESCRIPTION OF PLAN

The following description of Rivermaid Trading Company 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established on May 1, 1980 and is a defined contribution plan covering all eligible employees of Rivermaid Trading Company, Inc. (the "Plan Sponsor"). Eligible employees are those who have completed one year of service and attained the age of 21. Eligible participants may enter the Plan on January 1 or July 1. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Two officers of the Plan Sponsor serve as the Trustees of the Plan.

Effective January 1, 2022, the Plan was amended and restated to incorporate past amendments and to update the plan document to reflect recent legislative and regulatory changes.

Plan Year

The Plan year begins January 1st and ends December 31st.

Contributions

The Plan allows for the following types of contributions:

- **Employee Salary Deferral 401(k) Contributions**
The Plan includes an elective salary deferral arrangement pursuant to Section 401(k) of the Internal Revenue Code (the "Code"). Employees may voluntarily contribute up to 100% of their eligible compensation, subject to various nondiscrimination tests and limitations prescribed by the Code. Roth deferrals are permitted by the Plan.
- **Employer Safe Harbor Matching Contributions**
The Plan Sponsor shall make safe harbor matching contributions equal to 100% of the amount of salary deferrals that do not exceed 3% of the participant's eligible compensation and 50% of the amount of salary deferrals that exceed 3% of compensation but do not exceed 5% of compensation. The Plan Sponsor made safe harbor matching contributions of \$207,491 and \$220,158 for the Plan years ending December 31, 2023 and 2022, respectively.
- **Employer Discretionary Profit-Sharing Contributions**
The Plan Sponsor may elect to make contributions to the Plan in one or more installments, without regard to the net profits of the Plan Sponsor, in such amounts as determined by the Board of the Plan Sponsor. In order to receive an allocation of discretionary profit-sharing contributions, a participant must be credited with 1,000 hours of service for the Plan year.
- **Qualified Non-Elective Contribution (QNEC)**
The Plan Sponsor shall have the right to make a QNEC to eligible participants that are non-highly compensated, as necessary, to satisfy the ADP or ACP testing.
- **Employee Rollover Contributions**
Employees may make rollover contributions from another qualified plan.

NOTE 1: DESCRIPTION OF PLAN (Continued)

Participant Accounts and Allocations

The Plan allows each participant the ability to self-direct contributions among various investment options. A participant is allowed to invest their account in any one of the funds or combination of funds. Investment earnings and losses are allocated to participants' accounts based on the earnings or losses of the investments selected in their self-directed accounts. Participant accounts may be charged with an allocation of administrative expenses that are paid by the Plan. The benefit to which a participant is entitled is limited to the benefit that can be provided from the participant's vested account balance. Profit sharing account investment gains and losses were allocated to each participant's account based on the ratio of the participant's profit-sharing account balance to the total participant profit sharing account balances. Participant accounts may have been charged with an allocation of administrative expenses that were paid by the Plan. The benefit to which a participant was entitled was limited to participant's vested account balance.

Vesting

Participants are always 100% vested in their elective salary deferral, safe harbor, and QNEC contributions. Discretionary employer contributions and gains/losses credited thereon vest over a six-year period as follows:

| | |
|------------------------------------|------|
| Less than 2 years credited service | 0% |
| After 2 years credited service | 20% |
| After 3 years credited service | 40% |
| After 4 years credited service | 60% |
| After 5 years credited service | 80% |
| After 6 years credited service | 100% |

For vesting purposes, a year of service is equivalent to 1,000 hours of service during the Plan year.

Forfeitures

The Plan allows forfeitures to be used to pay administrative expenses, allocate to participants or to reduce the funding of employer contributions. No forfeitures were available to offset administrative expenses, allocation, or reduce employer contributions as of December 31 2023 and 2022. During the years ended December 31, 2023 and 2022, forfeitures of \$0 and \$16,550 were used to pay for the Plan administrative expenses, respectively.

Retirement

Normal retirement under the Plan is age 65.

Payment of Benefits

Payment of benefits may be made at the following times under the Plan: 1) normal retirement; 2) termination of employment of the participant; 3) total disability; 4) upon demonstration of financial hardship; or 5) death of the participant. In-service distributions are permitted for participants that have attained age 59 ½. Benefit payments are distributed to participants in a single lump sum. Partial distributions are permitted for in-service withdrawals and required minimum distributions.

Notes Receivable From Participants

The Plan does not allow participants to borrow from their accounts.

Administrative Expenses

All administrative expenses of the Plan are paid by the Plan or the Plan Sponsor at the discretion of the Plan Sponsor. Expenses related to specific participant transactions are charged to the respective participant's account.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are maintained on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States (U.S. GAAP).

Investment Valuation and Income Recognition

Investments are stated at fair market value using quoted market prices when available. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded when earned. Dividend income is recorded on the ex-dividend date. Capital gain distributions are included in dividend income. Changes in the unit value of investments are reflected in each participant's individual account. Investments are valued daily.

Payment of Benefits

Benefits to participants are recorded when paid.

Income Taxes

The Plan has adopted a non-standardized pre-approved plan which has obtained a favorable opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan is acceptable under Section 401 of the Code. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Plan management has determined that as of December 31, 2023 there are no uncertain tax positions taken or expected to be taken that would require recognition or disclosure in the financial statements. The Plan is subject to routine examinations by taxing authorities; however, there are currently no examinations for any tax periods in progress.

Estimates and Assumptions

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 3: INFORMATION CERTIFIED BY THE CUSTODIAN

Certain Plan investments are held by Ascensus Trust Company, the custodian of the Plan. The following amounts are included in the December 31, 2023 and 2022 financial statements and were taken directly from statements provided and certified as complete and accurate by Ascensus, LLC:

| | <u>2023</u> | <u>2022</u> |
|--|--------------|----------------|
| Mutual funds | \$ 7,528,779 | \$ 6,002,007 |
| Interest bearing cash | \$ 177,464 | \$ 144,770 |
| Net appreciation (depreciation) in fair value of investments | \$ 845,892 | \$ (1,245,328) |
| Interest and dividends | \$ 238,340 | \$ 258,217 |

NOTE 4: NON-PARTICIPANT DIRECTED ASSETS

Plan assets attributable to the employer profit sharing accounts are non-participant directed. Contributions and earnings thereon from employer discretionary profit-sharing contributions are also non-participant directed. In June 2022, substantially all non-participant directed investments were liquidated and consolidated into participant directed investments. Non-participant directed assets are as follows:

| | <u>2023</u> | <u>2022</u> |
|---------------------------------------|-------------|---------------|
| Investments: | | |
| Interest-bearing cash | \$ - | \$ 322 |
| Total non-participant directed assets | <u>\$ -</u> | <u>\$ 322</u> |

The change in net assets available for benefits of non-participant directed assets for the years ended December 31, 2023 and 2022 are as follows:

| | <u>2023</u> | <u>2022</u> |
|---|-------------|--------------|
| Net depreciation in fair value of investments | \$ - | \$ (461,054) |
| Interest and dividends | \$ - | \$ 31,457 |
| Benefits paid to participants | \$ - | \$ 3,200,000 |

NOTE 5: FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board (FASB) ASC 820 provides a framework for measuring fair value. That framework provides a three-tier hierarchy that prioritizes the inputs to valuation techniques used for measuring fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are as follows:

Level 1 - Inputs are unadjusted quoted prices for identical assets or liabilities that the Plan has the ability to access.

Level 2 - Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets and liabilities, quoted prices in markets that are not active, model-based valuation techniques for which all significant assumptions are observable in the market, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Inputs that are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 5: FAIR VALUE MEASUREMENTS (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Interest-Bearing Cash: Money market funds included in cash and cash equivalents have underlying short-term investments with quoted prices in active markets to preserve the value of the investment at \$1.00 per share.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. The funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

NOTE 6: RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments include money market accounts managed by Merrill Lynch. Fees paid by the Plan for investment management services are recorded in net appreciation (depreciation) in the fair value of investments. Administrative expenses are paid to the custodian and record-keeper. These transactions and investments qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA.

NOTE 7: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8: PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 9: SUBSEQUENT EVENTS

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through August 26, 2024, the date the financial statements were available to be issued, and management has determined that no subsequent events have occurred that should be disclosed except as disclosed below.

Effective March 1, 2024, Ascensus Trust Company and an officer of the Company were appointed as the Trustees of the Plan.
