INDEPENDENT AUDITOR'S REPORT

To the Trustees and Plan Participants of the
Extron Electronics 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements

We have performed the audits of the financial statements of the Extron Electronics 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for twelve months from the date these financial statements were issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

EXTRON ELECTRONICS 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF PLAN

The following description of the Extron Electronics 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement, as well as any plan amendments, for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Extron Electronics and its subsidiary, The Ranch (collectively, the Company). Excluded employees from the Plan include interns, non-resident aliens, on-call, union, and leased employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Employees who have attained at least 21 years of age are eligible to participate in the Plan on the first day of the month following completion of one month of service.

Plan Service Providers

John Hancock Life Insurance Company (John Hancock) is the appointed custodian and record-keeper managing the pooled separate accounts and guaranteed investment contracts. Charles Schwab Trust Bank (Charles Schwab) is the appointed custodian of the self-directed brokerage accounts.

Administration

The Plan is administered by the Company.

Contributions

Participants may elect to contribute an amount up to 100% of eligible pre-tax or post-tax compensation, not to exceed the limits of the Internal Revenue Code (IRC). Participants direct the investment of their contributions into various investment options offered by the Plan, including a self-directed brokerage account option. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Company may make discretionary matching and/or profit sharing contributions as determined each year by management. For the year ended December 31, 2023, the Company matched 50% of a participant's deferral, up to the first 6% of a participant's eligible compensation. Participants are eligible to receive discretionary profit sharing contributions if they are employed at the end of the year and have completed one year of service. The Company did not make any profit sharing contributions for 2023.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF PLAN – (Continued)

Participant Accounts

Each participant's account is credited with the participant's contributions, as well as allocations of the Company's discretionary contributions, expense reimbursement allocation credits, and Plan earnings. Participant accounts may be charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on the participant's eligible compensation, contributions, participant investment elections, and/or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits

On termination of service due to death, disability, retirement or other reasons, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Participants may also elect to rollover their account to another tax deferred account or remain in the Plan until they are legally required to begin taking distributions. All vested account balances exceeding \$1,000, but not exceeding \$5,000, may be rolled into an Individual Retirement Account or other qualified plan. All vested account balances not exceeding \$1,000 may be immediately distributed in a lump-sum payment. With the plan administrator's approval, participants may withdraw all or part of their aggregate contributions in the event of financial hardship.

Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon. The Company's matching and/or profit sharing contributions, plus actual earnings thereon, become 20% vested following two (2) full years of service, as defined, and continue to vest at the rate of 20% after each successive year of service until 100% vested after six (6) years of service, attaining normal retirement age, death or disability.

Forfeitures

The unvested portion of a terminated participant's account will be forfeited and used to reduce future Company contributions or to pay Plan expenses. For the year ended December 31, 2023, forfeitures of \$168,403 were used to reduce employer matching contributions. As of December 31, 2023 and 2022, the amount of available forfeitures totaled \$60,163 and \$13,514, respectively.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from 1 to 5 years or within a reasonable period of time that is longer than 5 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and generally bear interest at a rate commensurate with the rates that a bank or other professional lender would charge for making a loan in a similar circumstance. Principal and interest is paid ratably through payroll deductions. Under the provisions of the Plan, participants are allowed two outstanding loan balances at any given time.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. The allowance for credit losses was not material to these financial statements at December 31, 2023 and 2022. Delinquent participant loans are reclassified as distributions based upon the terms of the plan agreement.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Company has evaluated subsequent events through the date of the independent auditor's report, which is the date the accompanying financial statements were available to be issued.

Plan Fees and Administrative Expenses

Plan fees and administrative expenses are generally paid by the Plan, unless paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (Continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

3. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under this framework are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

EXTRON ELECTRONICS 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

3. FAIR VALUE MEASUREMENTS – (Continued)

Pooled separate accounts: Valued at the net asset value (NAV) of units held by the Plan at year end. The pooled separate accounts unit prices are quoted on a private market that is not active; however, the unit prices are based on underlying investments which are traded on active markets. The NAV is used as a practical expedient to estimate fair value.

Guaranteed investment contracts: The fair value of the guaranteed investment contracts are determined by multiplying the contract value by a factor which takes into account the remaining number of months until maturity, the composite rate being earned, the declared rate and various pre-established rates of return contractually established by the issuer. The assets are classified within level 3 of the valuation hierarchy because the contracts are not fully-benefit responsive and the asset values are not based on quoted active markets and are valued primarily based on unobservable inputs.

Self-directed brokerage accounts: Investments held in the self-directed brokerage accounts primarily include corporate common stocks and bonds, registered investment companies and interest-bearing cash. Corporate common stocks and bonds are valued daily at the closing price reported on an active market using observable inputs and are classified with level 1 of the valuation hierarchy. Registered investment companies are public investment vehicles valued using the NAV provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is a quoted price in an active market and classified within level 1 of the valuation hierarchy. Interest-bearing cash consists of money market investments. The carrying value is believed to be representative of its fair value based on its short term nature and is classified within level 1 of the valuation hierarchy. Based on nature and risks, the Plan has determined presenting as a single class is appropriate.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

3. FAIR VALUE MEASUREMENTS – (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Description	Total	Level 1	Level 2	Level 3
<u>December 31, 2023</u>				
Self-directed brokerage accounts	\$ 38,040,530	\$ 38,040,530	\$ -	\$ -
Guaranteed investment contracts	4,659,473	-	-	4,659,473
Total assets in fair value hierarchy	42,700,003	<u>\$ 38,040,530</u>	<u>\$ -</u>	<u>\$ 4,659,473</u>
Investments measured at NAV ^(a)	<u>277,957,065</u>			
Total investments at fair value	<u>\$ 320,657,068</u>			
Description	Total	Level 1	Level 2	Level 3
<u>December 31, 2022</u>				
Self-directed brokerage accounts	\$ 28,084,829	\$ 28,084,829	\$ -	\$ -
Guaranteed investment contracts	5,827,917	-	-	5,827,917
Total assets in fair value hierarchy	33,912,746	<u>\$ 28,084,829</u>	<u>\$ -</u>	<u>\$ 5,827,917</u>
Investments measured at NAV ^(a)	<u>227,542,392</u>			
Total investments at fair value	<u>\$ 261,455,138</u>			

^(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit the reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

In regards to the classification of investment options offered by the Plan, there were no reclassifications in or out of levels 1, 2 or 3 during the year ended December 31, 2023. The nature, risks and investment objects of the investments above, including those for which fair value is estimated using the NAV as a practical expedient, can be found in the Plans enrollment literature. These investments can be redeemed immediately and without a redemption notification period. As of December 31, 2023, there were no unfunded commitments associated with any of these investments.

3. FAIR VALUE MEASUREMENTS – (Continued)

The following table sets forth a summary of changes in the fair value of the Plan's level 3 investments for the year ended December 31, 2023:

	Guaranteed Investment Contracts
Balance, beginning of year	\$ 5,827,917
Purchases	750,645
Interest income	38,767
Sales	(1,947,464)
Fees	(10,392)
Balance, end of year	<u>\$ 4,659,473</u>

The following table represents the Plan's level 3 investment, the valuation techniques used to measure the fair value of the investment, and the significant unobservable inputs and the ranges of values for those inputs.

<i>Instrument</i>	<i>Fair Value as of 12/31/23</i>	<i>Fair Value as of 12/31/22</i>	<i>Principal Valuation Method</i>	<i>Unobservable Inputs</i>	<i>Range of Significant Unobservable Inputs</i>	<i>Weighted Average</i>
Guaranteed investment contracts	\$4,659,473	\$5,827,917	Discounted Cash Flow	Various Assumptions	(A)	(A)

(A) Fair value is determined primarily using an income approach. The parameters used for discounting in the calculation were estimated using the perspective of the principal market which consists of similar contracts. Additional assumptions were made regarding participant behavior and product management actions.

4. SELF-DIRECTED BROKERAGE ACCOUNTS

A participant's account balance may be invested in the self-directed brokerage accounts (SDBA) which allows Plan participants to invest in various investments (Note 3) not otherwise offered by the Plan. Participation in the SDBA shall be subject to such terms and conditions as may be established from time to time by the plan administrator, which may include specific enrollment procedures and restrictions on loans and withdrawals.

5. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIANS

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, John Hancock and Charles Schwab, the custodians of the Plan, have certified to the completeness and accuracy of the following information which is included in the financial statements and supplemental schedule as of December 31, 2023 and 2022, and for the year ended December 31, 2023:

	<u>2023</u>	<u>2022</u>
Self-directed brokerage accounts	\$ 36,159,326	\$ 26,510,847
Pooled separate accounts	277,957,065	227,542,392
Guaranteed investment contracts	4,659,473	5,827,917
Notes receivable from participants	3,276,773	3,169,656
Non-interest bearing cash	60,163	13,514
Net appreciation in fair value of investments	45,134,301	*
Interest income on notes receivable from participants	190,383	*
Other income, expense reimbursement and SDBA	8,784,655	*

* Information is not required to be presented.

6. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

7. TAX STATUS

The Company adopted a Non-Standardized Pre-Approved Profit Sharing Plan which received a favorable opinion letter from the IRS on June 30, 2020, which stated that the Plan, as then designed, was in accordance with applicable sections of the IRC. The Plan has since been amended. The plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes had been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however there are currently no audits for any tax periods in progress.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

8. PARTY-IN-INTEREST TRANSACTIONS

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan. Certain Plan investments are managed by John Hancock and Charles Schwab, the custodians of the Plan. The Plan paid contract administration fees of \$508,645 during 2023. The Company paid certain administrative expenses of the Plan, including recordkeeping fees. These transactions qualify as party in interest transactions for which a statutory exemption exists.

The Plan has an expense reimbursement arrangement with John Hancock whereby a certain percentage of revenue collected by the custodian is used to pay eligible plan expenses or reallocated on a pro-rata basis to plan participants. During the year ended December 31, 2023, the Plan's expense reimbursement account received \$569,592, net of expenses paid, from John Hancock which was reallocated to participants.

During 2023, in connection with a fee sharing arrangement with John Hancock, the Plan received credits of \$361,805 to be used to offset plan expenses, based on a credit of 0.25% of the participant's account balance.

The reallocation amounts received from the Plan's expense reimbursement account, \$569,592, and fee sharing arrangement, \$361,805, totaled \$931,397 and are included as other income on the accompanying statement of changes in net assets available for benefits.

9. INVESTMENT CONTRACTS WITH INSURANCE COMPANY

The Plan invests in investment contracts with John Hancock whereby John Hancock maintains the contracts in its general account. These accounts are credited with earnings on the underlying investments and charged with Plan withdrawals. The contracts are considered non-fully benefit responsive and are included in the financial statements at fair value. In 2023, the crediting interest rates ranged from 2.85% to 3.05%. The crediting interest rates are reset upon the maturity of the contracts.

10. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate or amend the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.
