INDEPENDENT AUDITOR'S REPORT

To the Trustee, Plan Administrator and Participants of
Island Creek Associates 401(k) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of Island Creek Associates 401(k) Profit Sharing Plan and Trust (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statements of Net assets Available for Benefits as of December 31, 2023 and 2022, and the related Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the statements or information regarding assets so held are prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Trustee, Plan Administrator and Participants of
Island Creek Associates 401(k) Profit Sharing Plan and Trust

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

To the Trustee, Plan Administrator and Participants of
Island Creek Associates 401(k) Profit Sharing Plan and Trust

Auditor's Responsibilities for the Audits of the Financial Statements - continued

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Trustee, Plan Administrator and Participants of
Island Creek Associates 401(k) Profit Sharing Plan and Trust

Supplemental Schedule Required by ERISA - continued

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Plan provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan of Island Creek Associates, LLC (Company) and was established on January 1, 2013. The Plan is subject to the provisions of ERISA.

Eligibility - Employees are eligible to participate and enter the Plan for deferral contribution purposes once they have attained one hour of service. Employees who are covered by a collective bargaining agreement, nonresident aliens with no U.S. earned income, leased employees, part-time employees (as defined), interns or individuals considered to be an independent contractor are not eligible to participate in the Plan. Eligibility requirements for the Company safe harbor matching and discretionary matching contributions mirror those for deferral contributions.

Employees are eligible to participate in the Company non-elective contribution portion of the Plan upon attaining age 21 and one year of service. Entry dates are January 1 or July 1 following the date the eligibility requirements are met.

Contributions - Each year, participants may elect to contribute up to 100% of their eligible compensation (as defined), up to the maximum allowable contribution under the Internal Revenue Code (IRC). These contributions may be made as pre-tax or after-tax Roth deferral contributions. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Company provides for the following contributions on behalf of participants:

A safe harbor matching contribution, on a pay period basis, equal to 100% of the first 4% of a participant's elective deferrals which include catch-up contributions. The Company's safe harbor matching contribution for 2023 totaled \$263,727.

A discretionary matching contribution as determined by the Company. The contribution is to be allocated as a uniform percentage of matched employee contributions which include catch-up contributions. No discretionary matching contribution was made for 2023.

A discretionary non-elective contribution as determined by the Company. The contribution will be allocated based upon the allocation group to which a benefiting participant is assigned. Participants will be eligible to share in the allocation of the discretionary non-elective contribution if they complete 1,000 hours of service in a plan year and are employed on the last day of the year. No discretionary contribution was made for 2023.

Qualified Nonelective Contributions (QNECs) and Qualified Matching Contributions (QMACs), as defined in the Plan. During 2023, there were no QNECs or QMACs paid to the Plan.

Participant Accounts - Each participant's account is credited with the participant's contributions and Company contributions, as well as allocations of plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings/losses, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

ISLAND CREEK ASSOCIATES 401(K) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

Investment Options - Participants may direct the investment of their contributions and Company contributions into a Group Annuity Contract (the Contract) with John Hancock Life Insurance Company (U.S.A.) (John Hancock) which contains various pooled separate accounts. For those participants who do not make an investment selection, their contributions and the related Company contributions are automatically invested in the Plan's qualified default investment account.

Vesting - Participants are immediately vested in their contributions, safe harbor contributions, prevailing wage contributions (previously contributed to the Plan), QNECs and QMACs plus earnings thereon. Vesting in the Company's discretionary matching and non-elective contributions are based on years of continuous service. A participant is 100 percent vested after six years of credited service. Regardless of the vesting schedule, participants will become fully vested upon death, total and permanent disability, or upon reaching the normal retirement age while still employed.

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account, bear interest at prime plus 1% and can only exceed a repayment period of five years for the purchase of a principal residence. Only one note may be outstanding at a time. Principal and interest can be paid directly by the participant (at least quarterly) or through bi-weekly payroll deductions.

Payment of Benefits - Benefit payments may be in the form of lump sums or partial withdrawal payments and are payable upon termination of employment, death, disability or retirement at age 65. The Plan shall make automatic distributions of vested account balances that are less than \$5,000 in accordance with plan provisions. Hardship withdrawals and in-service withdrawals at age 59 ½ are also permitted, subject to provisions defined in the plan document.

Forfeitures - Forfeitures of the Company discretionary contribution portion of participants' accounts (due to participants' termination prior to full vesting) are to be used to pay administrative expenses. Any remaining forfeitures will be used first to restore previous forfeitures of participants' accounts of rehired employees and then are either allocated to participants as a discretionary contribution or used to reduce any combination of employer contributions. There are no forfeitures available in the Plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The Plan's financial statements are prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amount of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the Plan's investment advisor and John Hancock. See Note 3 for discussion of fair value measurements.

ISLAND CREEK ASSOCIATES 401(K) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Investment Valuation and Income Recognition - continued - Purchases and sales of securities are recorded on a trade-date basis. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Unit Values - Individual participant accounts for the pooled separate accounts are maintained on a unit value basis. Participants do not have beneficial ownership in the specific underlying securities or other assets in the accounts, but do have an interest therein represented by units valued daily. The accounts earn dividends and realized gain distributions which are automatically reinvested in additional units. Unit values are calculated daily before taking into consideration unitholders' contributions and withdrawals made on that day. These transactions are then valued using those unit values and recorded for that day.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. Delinquent participant notes are reclassified as distributions based on the terms of the plan document.

Contributions - Contributions from plan participants and the safe harbor matching contributions from the Company are recorded in the year in which the employee contributions are withheld from compensation.

Payment of Benefits - Benefits are recorded when paid.

Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment management fees of individual fund investments are charged to the respective investment and included in the net appreciation/depreciation of the investment, as they are paid through revenue sharing. John Hancock recordkeeping fees, investment advisor fees, and fees related to the administration of notes receivable from participants and participant distributions are charged directly to the participant's account and are included in administrative expenses.

NOTE 3 - FAIR VALUE MEASUREMENTS

ASC Topic 820, *Fair Value Measurement*, provides a practical expedient permitting a reporting entity to measure the fair value of certain investments using the net asset value (NAV) per share (or its equivalent) of the underlying investment (NAVPE, the net asset value per share practical expedient). The Plan invests in pooled separate accounts whose fair value at December 31, 2023 and 2022 was \$5,981,771 and \$4,311,878, respectively.

Following is a description of the valuation methodology used for assets measured at fair value. There has been no changes in the methodology used at December 31, 2023 and 2022.

Pooled Separate Accounts: Unit value, as determined by John Hancock, based on the observable NAV of the underlying investments and adjusted for reinvested investment income from the underlying investments and John Hancock levied charges. The unit value is not a publicly quoted price in an active market.

ISLAND CREEK ASSOCIATES 401(K) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 3 - FAIR VALUE MEASUREMENTS - CONTINUED

The underlying investments of the pooled separate accounts consist solely of mutual funds, each of which follows a separate investment strategy. The Plan's pooled separate accounts are concentrated in target retirement date funds and their primary investment strategy is to seek capital growth and income until the account's target retirement date. The accounts primarily invest in assets in underlying funds using a predetermined "glide path". The glide path represents the shifting of asset classes over time with each account's asset allocation becoming more conservative as it approaches its target retirement date.

The pooled separate accounts do not have unfunded commitments or significant restrictions on redemptions, as they may be redeemed daily. However, in the event an underlying investment or John Hancock determines that a fund transfer may result in disruptive short term trading, trading restrictions may be imposed and may include restricting, the number of transfers made during a defined period, the dollar amount of transfers, the method used to submit transfers, and transfers into and out of certain investments.

NOTE 4 - INFORMATION CERTIFIED BY A QUALIFIED INSTITUTION

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, certain information disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by John Hancock, a qualified institution.

NOTE 5 - TAX STATUS

The Internal Revenue Service (IRS) has determined and informed CCH Incorporated, DBA ftwilliam.com, by a letter dated June 30, 2020, that the prototype plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 - RELATED-PARTY AND PARTY IN INTEREST TRANSACTIONS

Plan investments consist of pooled separate accounts managed by John Hancock and therefore, these transactions qualify as party in interest transactions.

John Hancock provides certain administrative and recordkeeping services to the Plan pursuant to the Recordkeeping Agreement (the Agreement) between the Company and John Hancock. As stated in the Agreement, John Hancock receives an asset charge based on the value of investments calculated monthly and fees related to the administration of notes receivable from participants and participant distributions.

ISLAND CREEK ASSOCIATES 401(K) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 6 - RELATED-PARTY AND PARTY IN INTEREST TRANSACTIONS - CONTINUED

In addition, John Hancock receives, as additional compensation, certain fees paid by the underlying source of the Plan's pooled separate accounts, for recordkeeping and other services provided to the Plan and short-term interest (float). The Plan or Company may make payments to John Hancock for administrative expenses not covered by revenue sharing. Fees paid by the Plan to John Hancock and included in administrative expenses amounted to \$17,349 for 2023.

UBS Financial Services Inc. (UBS) provides certain investment management services pursuant to the UBS Retirement Plan Consulting Services Agreement (Services Agreement) between UBS and the Company. The Services Agreement provides for an annual fee, payable in quarterly installments, based on a percentage of the market value of plan assets. Fees paid by the Plan to UBS amount to \$12,194 for 2023.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in their discretionary Company contributions.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits. As of December 31, 2023 and 2022, 79% of net assets available for benefits is invested in the John Hancock State Street Target Retirement separate accounts; however, by their nature, these accounts are a diversified mix of equities and fixed income that rebalance over time.

NOTE 9 - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through August 27, 2024, the date the financial statements were available to be issued.

During January 2024, the Company provided written notification to John Hancock of its termination of recordkeeping services for the Plan. Effective March 1, 2024, the Plan adopted the ADP Retirement Services Pre-Approved Plan (ADPRS plan) and the Company engaged ADP Retirement Services as recordkeeper and administrative services provider to the Plan and Reliance Trust Company as directed trustee for the Plan. The Plan's assets were transferred from John Hancock to Reliance Trust Company on March 1, 2024.

Significant changes to plan provisions upon the adoption of the ADPRS plan include the following:

- Eligibility to participate and enter the Plan for deferrals and safe harbor and discretionary matching contributions requires one month of service.
- Eligibility to participate in the Company discretionary non-elective contribution portion of the Plan no longer requires an age of 21.

ISLAND CREEK ASSOCIATES 401(K) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 9 - SUBSEQUENT EVENTS - CONTINUED

- Participant maximum contributions were changed to allow up to 90% of eligible compensation, up to the maximum allowable contribution under the IRC.
- Distributions may be made from a participant's rollover account at any time.
- The formula for the Company's discretionary non-elective contribution changed to be allocated in the same ratio as each participant's compensation bears to the total of such compensation of all participants.
- Substantially equal installments were added as a permissible withdrawal payment.
