Participants and the Administrative Committee
Redlands Christian Schools RCS 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audit of the financial statements of Redlands Christian Schools RCS 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for plan benefits as of December 31, 2022, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Redlands Christian Schools RCS 403(b) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Other Matter

We have performed a compilation of the statement of net assets available for plan benefits as of December 31, 2021. We did not audit or review those financial statements and, accordingly, express no opinion or other form of assurance on them.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Redlands Christian Schools RCS 403(b) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Redlands Christian Schools RCS 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Redlands Christian Schools RCS 403(b) Plan 's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

REDLANDS CHRISTIAN SCHOOLS RCS 403(b) PLAN

Notes to Financial Statements

For the Year Ended December 31, 2022

1. Description of plan

The following description of the Redlands Christian Schools RCS 403(b) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. Copies of the Plan document are available from the Human Resources Department.

General

The Plan was established on January 1, 2018, for all eligible employees, as defined in the document. The Plan is a defined contribution plan sponsored and administered by Redlands Christian Schools (the “School” or “Plan Administrator”) The Plan is subject to the provisions of the Employment Retirement Income Security Act of 1974 (“ERISA”).

Eligibility

All employees are eligible to make deferral contributions to the Plan. If not excluded from the Plan, as defined, there is no age or hour requirement to participate and make elective deferrals.

Employer discretionary contributions are offered for all participants aged 21 years and older and who work over 1000 hours in a calendar year.

Contributions

Participants may make contributions to the Plan in an amount not to exceed their compensation, subject to maximum annual limits established by the Internal Revenue Service. Participants may also make rollover contributions from other retirement plans, however, rollovers are not permitted from a Roth IRA. Participants who are 50 years of age are eligible to make catch-up contributions. Participants direct the investment of their contributions, and employer contributions into various investment options offered by the Plan. The Plan currently offers several mutual funds as investment options for participants. Participants may elect to change their investment options and transfer their account balances among the different investment options at any time.

Since the Plan's inception of August 1, 2018, the School makes a discretionary contribution of 6% as determined by the Board of Directors for all subsequent years until further notice. For the year ended December 31, 2022, the School made \$179,292 of discretionary contributions.

Participant accounts

Each participant's account is: (a) credited with their elective deferral contributions, an allocation of the School's discretionary contributions, investment income and gains/losses, and (b) charged with an allocation of administrative expenses as provided in the Plan document. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is fully entitled is the participant's own contributions, rollover contributions, and transfers from other appropriate plans. For “all other contributions” a participant is entitled to the participant's vested portions.

REDLANDS CHRISTIAN SCHOOLS RCS 403(b) PLAN

Notes to Financial Statements

For the Year Ended December 31, 2022

1. Description of plan (continued)

Vesting

Participants are immediately 100% vested in their voluntary contributions and the School's contributions to their accounts plus actual earnings thereon.

Notes receivable from participants

Participants may borrow against their vested balance at a minimum of \$1,000 up to the lesser of \$50,000 or 50% of their vested account balance. The notes receivable from participants are secured by the vested balance in the participant's account and bears interest at rates based on the prime interest rate plus 2 percentage points determined at the time a loan is taken from the Plan. Notes receivable from participants are for fixed terms, requiring monthly repayments through bi-monthly payroll deductions. Participants may not have more than one note receivable outstanding at any time. A participant's note receivable becomes immediately due and payable upon a participant's termination of employment, death, or disability.

Benefit payments

A participant's account will be distributed upon death, disability, retirement or termination in accordance with the distribution options defined by the Plan. Participant's with an account balance of \$5,000 or more may elect to receive an amount equal to the value of the participant's vested interest in their account under one of the following methods: (a) a single lump-sum cash distribution, or (b) in certain rare cases, a participant may be entitled to a distribution in the form of a joint and survivor annuity. If the vested balance of the participants account is less than \$5,000, the participant will receive a lump sum amount. Upon attainment of age 59 ½, participants may elect to take an in-service distribution.

Participants may request hardship withdrawals from their account balance for certain financial needs, as defined in the Plan documents.

2. Significant accounting policies

Basis of accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingency of assets and liabilities. Actual results could differ from those estimates.

Payment of benefits

Benefits are recorded when paid.

REDLANDS CHRISTIAN SCHOOLS RCS 403(b) PLAN

Notes to Financial Statements

For the Year Ended December 31, 2022

2. Significant accounting policies (continued)

Investment valuation and income recognition

The Plan's investments are stated at fair value as determined by quoted market prices. Fair value is the price that would be received to sell an asset or paid to transfer a liability (the "exit price") in an orderly transaction between market participants at the measurement date. See Note 6 for a description of the fair value measurement and valuation methodologies used in determining the fair value of the Plan's investments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation and depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and expensed when they are incurred.

Administrative expenses

Custodian fees and all other Plan expenses are paid by the School and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments. For the year ended December 31, 2022, the School did not incur any administrative expenses.

Prohibited Transactions

During 2022, the Company failed to remit to the Plan's trustee employee and employer contributions within the period prescribed by DOL regulations. Delays in remitting contributions to the trustee were due to administrative errors, and the Company calculated loss of earnings of \$5 to compensate the participants for potential lost income due to the delays. The funds were remitted in July 2024.

3. Tax status

The Plan adopted the Cetera Retirement Plan Specialists. Volume Submitter 403(b) Plan document. The Plan has obtained an IRS opinion letter dated March 31, 2017. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable tax exempt requirements of the IRS Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by the taxing jurisdiction; however, there are currently no audits for any tax periods in progress.

Notes to Financial Statements

For the Year Ended December 31, 2022

4. Plan termination

Although the School has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participants shall become fully vested in their account balances and the net assets of the Plan will be allocated to the participants in accordance with the terms of the Plan.

5. Information certified by the custodian

The following is a summary of the information included in the Plan's financial statements that was prepared by the custodian, American United Life Insurance Company, and furnished to the Plan Administrator. The custodian has certified that such information is complete and accurate, as of and for the year ended December 31, 2022.

6. Fair value measurements

FASB ASC 820, *Fair Value Measurements and Disclosures*, established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3–Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

- *Mutual funds*: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 582,487	\$ -	\$ -	\$ 582,487
Total	\$ 582,487	\$ -	\$ -	\$ 582,487

For the Year Ended December 31, 2022

7. Guaranteed interest account

OneAmerica's investment options include a fixed interest investment option ("AUL Fixed Account") issued by American United Life Insurance Company ("AUL"). Amounts allocated to the AUL Fixed Account earn interest at the higher of the rate guaranteed under the contract or the current rates established and declared in advance by AUL. Interest rates for new contributions are declared prior to the beginning of a calendar quarter and are applicable to all contributions received in that quarter until the end of the calendar year following the current year. The AUL Fixed Account is not a stable value fund invested in guaranteed investment contracts. It is presented on the Plan's financial statements for the year ended December 31, 2022, at contract value which is the equivalent to fair value. Under the terms of the contract, participant-initiated transactions for the purpose of receiving benefits allowed under the Plan, such as retirement, death, disability, hardship, loan, required minimum distribution, allowable in-service withdrawal, are completed at contract value without conditions, limits, or restrictions. A surrender charge may apply if the termination is associated with a full or partial plan termination, insolvency of plan sponsor or aggregate terminations exceed 20% of full contract value in one year.

8. Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

As a result of COVID-19, there has been heightened market risk and volatility associated with the pandemic, and this could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits and the statements of changes in net assets available for plan benefits, as mentioned above. Because of the uncertainty of the markets during this time, Plan management is unable to estimate the total impact the pandemic will have.

9. Related party transactions and party-in-interest transactions

Certain Plan investments are shares of mutual funds managed by American United Life Insurance Company. American United Life Insurance Company is a custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services to related third parties amounted to \$2,793 for the year ended December 31, 2022.

10. Subsequent events

Management has evaluated subsequent events through September 30, 2024, the date on which the financial statements were available to be issued.
