Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements

We have performed an audit of the financial statements of Basin Holdings LLC Retirement Plan (the Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2023 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023, and for the year then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the "Auditor's Responsibilities for the Audit of the 2023 Financial Statements" section of our report:

- The amounts and disclosures in the accompanying 2023 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the “Auditor’s Responsibilities for the Audit of the 2023 Financial Statements” section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the “Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements” section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan’s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2023 Supplemental Schedule Required by ERISA

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2022 Financial Statements

Predecessor auditors performed an audit of the 2022 financial statements of Basin Holdings LLC Retirement Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 2, 2023, indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

Note 1. Plan Description

The following description of Basin Holdings LLC Retirement Plan (Plan) provides only general information. Participants should refer to the summary plan document for a more complete description of the Plan's provisions.

General

The Plan was established on January 1, 2018. The Plan is a multiple employer defined contribution plan covering all eligible employees of Basin Holdings LLC., and certain affiliates and subsidiaries (collectively the Company). The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA).

Eligibility and Contributions

Employees who have completed three months of service and who are at least 21 years of age are eligible to participate. Participants may make voluntary pre-tax and Roth contributions to the Plan which are not to exceed 100% of eligible compensation, subject to the statutory limits permitted by the Internal Revenue Code (IRC). Participants who are age 50 or older before the close of the taxable year are permitted to make Catch-Up contributions to the Plan, subject to certain IRC limitations. The plan was amended effective January 1, 2023 to include safe harbor match contributions of 100% of the participant's salary deferrals that do not exceed 4% of their eligible compensation. The Company may also make discretionary employer matching contributions or nonelective contributions at their discretion. No discretionary contributions were made in the year ended December 31, 2023. Participants may also make rollover contributions from other qualified plans.

Participant Accounts

Each participant's account is credited with their contributions, employer's contributions, and the earnings thereon. Contributions to the Plan are invested by the trustee as directed by the participants. Each participant may select from one or more of the investment vehicles offered pursuant to the provisions of the Plan.

Allocation of Investments

Participants file an election designating the proportion in which their contributions and contributions on their behalf are to be allocated among the specific assets, funds or other investments permitted under the Plan, offered by Fidelity Management Trust Company. Participants may change their election and make transfers among funds.

Vesting

Participants are immediately and fully vested in their own contributions, non-elective employer contribution, discretionary employer contributions, and safe harbor matching contributions, plus actual earnings thereon. Employer matching contributions for terminated participants transferred from Basin Precision Machining, LLC are vested on a 5-year graded schedule.

Discretionary employer matching and profit share contributions for terminated participants transferred from Wenzel Rental Tools, LLC 401(k) Profit Sharing Plan are vested on a 4-year graded schedule.

Forfeitures

Upon termination of employment, participants forfeit their unvested employer contributions. At the discretion of the Company, forfeitures are either applied against plan administrative fees or allocated among qualifying contributing participants. During the year ended December 31, 2023, \$2,200 of the plan administrative fees were paid through forfeitures and \$4,900 were allocated among qualifying contributing participants. During the year ended December 31, 2023, there were \$140 forfeitures and earnings on the forfeiture account totaled \$250. As of December 31, 2023 and 2022, the balance of the forfeiture account was \$680 and \$7,400, respectively.

Basin Holdings LLC Retirement Plan
Notes to Financial Statements
December 31, 2023 and 2022

Payment of Benefits

Participant's vested interests are distributable upon retirement, hardship, termination, or attaining age 59.5 but continuing to work. Participants may withdraw from their individual accounts pursuant to specific guidelines as set forth in the plan document.

Notes Receivable from Participants

Participants are eligible to borrow 50% of their vested balance up to \$50,000. All the loans are repaid through payroll deductions by the plan administrator and monitored. The loans are collateralized by the balance in the participant's account and bear interest at rates commensurate with the prevailing rate as determined by the plan administrator. The range of interest rates on loans outstanding at December 31, 2023 ranged from 4.25% to 9.50%. All loans must be repaid within five years except those used to acquire or construct a principal residence which may be repaid over a longer period, as approved by the plan administrator.

Administrative Expenses

Substantially all expenses related to the administration of the Plan are paid by the Company.

Note 2. Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities, if applicable, reported in the financial statements. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Loans are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on an accrual basis. Related fees which are paid by the participants are recorded as administrative expenses when they are incurred.

Payment of Benefits

Benefit payments are recorded when paid.

Subsequent Events

The Plan has evaluated subsequent events through September 30, 2024, the date these financial statements were available for issuance.

Note 3. Fair Value Measurements

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques need to maximize the use of observable inputs and minimize the use of unobservable inputs. Valuation techniques used to measure fair value are defined as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access

Level 2 Inputs to the valuation methodology include: (a) quoted prices for similar assets or liabilities in active markets; (b) quoted prices for identical or similar assets or liabilities in inactive markets; (c) inputs other than quoted prices that are observable for the assets or liabilities; and (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022:

- Mutual funds are shares held by the Plan at year-end which are valued at unadjusted quoted prices in an active market.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments at fair value as of December 31, 2023 are as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 11,210,396</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 11,210,396</u>

Investments at fair value as of December 31, 2022 are as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 10,438,654</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 10,438,654</u>

Note 4. Information Certified by the Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company (Fidelity), a qualified institution, has certified the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2023 and 2022
- Investment income and interest income from notes receivable from participants as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2023
- Investment information and notes receivable from participants included in the accompanying schedule of assets (held at end of year) as of December 31, 2023

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

Note 5. Party-in-Interest Transactions

All plan investments are managed by Fidelity. Fidelity is the trustee and Fidelity Investments Inc. is the plan recordkeeper. Administrative fees paid by the Plan to Fidelity for the year ended December 31, 2023 approximated \$45,000, including \$2,200 paid through forfeitures. In addition, the Plan paid fees related to investment advisor services which approximated \$28,000. These transactions qualify as party-in-interest transactions and are exempt under the prohibited transactions rules.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to alter or terminate the Plan subject to the provisions set forth in ERISA. Whole or partial termination of the Plan shall result in the full and immediate vesting of discretionary contributions and earnings thereon. Each participant is entitled to full distribution of such amounts.

Note 7. Income Tax Status

The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, we believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, we believe that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

Basin Holdings LLC Retirement Plan
Notes to Financial Statements
December 31, 2023 and 2022

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed that tax positions taken by the Plan and has concluded as of December 31, 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions and is subject to income tax examinations for years prior to 2020.

Note 8. Risks and Uncertainties

The Plan's investments are concentrated in funds that invest in marketable securities. Such securities are subject to various risks that determine the value of the funds. Due to the level of risk associated with certain securities and the level of uncertainty related to changes in the value of these securities, it is at least reasonably possible that changes in market conditions in the near term could materially affect participants' account balances and the value of investments reported in the financial statements.

Note 9. Reconciliation of Financial Statements to Form 5500

Form 5500 was prepared on a cash basis for the years ended December 31, 2023 and 2022, and the financial statements were prepared on an accrual basis.

The following is a reconciliation between the statements of net assets available for benefits per the accompanying financial statements and the Form 5500 as of December 31, 2023, and 2022:

	<u>2023</u>	<u>2022</u>
Net assets available for benefits per the financial statements	\$ 11,578,075	\$ 10,644,806
Add excess contributions payable	<u>-</u>	<u>37,117</u>
Net assets available for benefits per the Form 5500	<u>\$ 11,578,075</u>	<u>\$ 10,681,923</u>

The following is a reconciliation between the statement of changes in net assets available for benefits per the accompanying financial statements and Form 5500 for the year ended December 31, 2023:

	<u>2023</u>
Net increase per the financial statements	\$ 933,269
Net excess contributions payable in 2023	<u>(37,117)</u>
Net increase per the Form 5500	<u>\$ 896,152</u>
