INDEPENDENT AUDITOR'S REPORT

Board of Trustees
Suhner Manufacturing, Inc. Money Purchase Pension Plan
Rome, Georgia

Opinion

We have audited the accompanying financial statements of Suhner Manufacturing, Inc. Money Purchase Pension Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits (in liquidation) as of April 30, 2022 and December 31, 2021, the related statement of changes in net assets available for benefits (in liquidation) for the four months ended April 30, 2022, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits (in liquidation) of Suhner Manufacturing, Inc. Money Purchase Pension Plan as of April 30, 2022 and December 31, 2021, and the changes in net assets available for benefits (in liquidation) for the four months ended April 30, 2022 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Suhner Manufacturing, Inc. Money Purchase Pension Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Suhner Manufacturing, Inc. Money Purchase Pension Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Suhner Manufacturing, Inc. Money Purchase Pension Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Suhner Manufacturing, Inc. Money Purchase Pension Plan's ability to continue as a going concern for a reasonable four months of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

SUHNER MANUFACTURING, INC. MONEY PURCHASE PENSION PLAN
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FOUR MONTHS ENDED APRIL 30, 2022

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of Suhner Manufacturing, Inc. Money Purchase Pension Plan. (“the Plan”) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution money purchase pension plan covering all full-time employees of Suhner Manufacturing, Inc. (“the Company”) and its subsidiaries who have completed one year of service and have attained the age of 20. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The ownership of Suhner Manufacturing, Inc. also maintains a controlling ownership interest in Brugg North America, Inc. Therefore, employees of Brugg North America, Inc. and its subsidiaries are also covered by the Plan. The Board of Trustees is responsible for oversight of the Plan and determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

Plan Administration

The Suhner Manufacturing, Inc. Money Purchase Pension Plan was originally adopted on January 1, 1981 and restated on January 1, 2016 to conform with new tax laws and provisions. BNY Mellon serves as the custodian of the Plan and advises the Board of Trustees in regards to investment options. Martin, Martin, Randall & Associates, Inc. serves as the third party administrator.

Contributions

Each year, the Company contributes to the Plan 7% of the eligible participant’s compensation. Contributions are subject to certain limitations. The Board of Trustees direct the investment of the contributions into various investment options offered by the Plan. The Plan has met the minimum funding requirements of ERISA.

Participant Accounts

Each participant’s account is credited to reflect the Company’s contribution and Plan earnings. Allocations are based on participant earnings or account balances, as defined in the Plan Agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Vesting in the Employer contributions, plus earnings thereon, is based on years of continuous service. Participants are credited with one year of service for every year in which they have been credited with at least 1,000 hours of service over a 12 month four months beginning on their hire date. The following schedule depicts the plan’s vesting schedule:

Forfeitures

The Plan Administrator can use non-vested forfeited accounts to reduce Company contributions. The amount of forfeited non-vested accounts used to reduce Company contributions for the four months ended April 30, 2022 totaled \$0.

Payment of Benefits

Upon termination of service due to death, disability or retirement, benefits shall be paid as soon as administratively feasible following the close of the Plan year during which a distribution is requested or otherwise payable. Payments may be taken as a lump sum, installment or as a joint and survivor annuity. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the liquidation basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP)

Use of Estimates

The preparation of financial statements in conformity U.S. GAAP requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE FOUR MONTHS ENDED APRIL 30, 2022

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

Investment Valuation and Income Recognition

Investments in stocks and mutual funds are carried at fair value based on quoted market prices. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and custodians.

Alternative investments that are not readily marketable primarily consist of limited partnerships, limited liability companies, private equity investments, diversified investment companies, and offshore funds whose portfolios are comprised of domestic and foreign, publicly and non-publicly traded equity and debt securities, real estate options and commodities. The fair value of alternative investments that are not readily marketable are reported at net asset value (NAV), as a "practical expedient," in conformity with the provision of the Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) No. 2009-12 and No. 2015-07, *Fair Value Measurements and Disclosures (Topic 820): Investment in Certain Entities That Calculate Net Assets per Share (or Its Equivalent)*. Those estimated fair values may differ significantly from the value that would have been used had a ready market for these securities existed.

Net unrealized appreciation or depreciation is reflected in the statement of changes in net assets available for plan benefits. Purchases and sales of securities are recorded on a trade-date basis. Interest income is accrued when earned. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from the financial statements. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

NOTE 3 – RELATED PARTY TRANSACTIONS / ADMINISTRATION EXPENSES

Certain plan investments are managed by BNY Mellon, the custodian as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions, which are exempt from prohibited transaction rules. Fees paid by the Plan to BNY Mellon for investment management services amounted to \$23,930 for the four months ended April 30, 2022.

NOTE 4 – PLAN TERMINATION

The Company terminated the Plan on April 30, 2022. In accordance with Plan provisions, participants became fully vested in their account balances at the time the Plan was terminated.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE FOUR MONTHS ENDED APRIL 30, 2022

NOTE 5 – TAX STATUS

The Plan sponsor adopted a prototype non-standardized profit sharing plan with a cash or deferral arrangement which received a favorable opinion letter from the Internal Revenue Service dated April 2, 2014, which states that the Plan is designed in accordance with the applicable sections of the Internal Revenue Code (IRC) and is, therefore, not subject to tax under present income tax law. The Plan has been amended since it received the opinion letter. The Plan is required to operate in conformity with the IRC to maintain its qualification. Management is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax four monthss in progress. The Plan's Federal Forms 5500 are subject to examination, generally for three years after they are filed. Interest and penalties related to income tax matters, if any, are recognized in administrative expenses and are disclosed if material.

NOTE 6 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of the three broad levels: Level 1 inputs consists of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of quoted prices for similar assets or identical assets that are not active, and Level 3 inputs are unobservable and have the lowest priority. The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include: a) quoted prices for similar assets or liabilities in active markets; b) quoted prices for identical or similar assets or liabilities in inactive markets; c) inputs other than quoted prices that are observable for the asset or liability; d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE 6 – FAIR VALUE MEASUREMENTS

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at April 30, 2022.

Mutual and money market funds: Valued at the daily closing price as reported by the fund. Mutual and money market funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Corporate Stocks and U.S. Government Securities: Valued at the closing price reported on the active market on which the individual securities are traded.

Alternative Investments: Valued using the calculated allocation of net asset value provided by the fund managers. Investments that are measured at fair value using NAV per share as a practical expedient are not classified in the fair value hierarchy.

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of:

Fair Value Measurements at April 30, 2022 (In liquidation)

	Total	Level 1

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 — TRANSFER OF ASSETS TO OTHER PLANS

Employees of Suhner Manufacturing, Inc. and Brugg North America, Inc. were previously covered by the Suhner Manufacturing, Inc. Money Purchase Pension Plan. Effective January 1, 2022, the plan transferred assets to separate defined contribution plans for the employees of Suhner Manufacturing, Inc. and Brugg North America, Inc. Investment balances allocated to employees of Suhner Manufacturing, Inc. and Brugg North America, Inc. were transferred to the Suhner Manufacturing, Inc. Salary Deferral Plan and Brugg North America, Inc. 401(k) Retirement Plan, respectively, on March 3, 2022. Residual investment income associated with the timing of the transfer of investment balances was transferred on April 28, 2022, and is presented on the statement of changes in net assets available for benefits.

NOTE 9 – SUBSEQUENT EVENTS

Management has evaluated subsequent events through August 28, 2024, the date these financial statements were available to be issued for potential recognition and disclosure in the financial statements. No events have occurred that would require adjustment to or disclosure in the financial statements which were available to be issued on August 28, 2024.
