## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of the  
Raven Transport 401(k) Retirement Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Raven Transport 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Raven Transport 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Raven Transport 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Raven Transport 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Raven Transport 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Raven Transport 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental Schedules of Delinquent Participant Contributions and Assets Held as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Raven Transport 401(k) Retirement Plan  
Notes to Financial Statements  
December 31, 2022 and 2021

NOTE 1 DESCRIPTION OF PLAN

The following description of the Raven Transport ("Company") 401(k) Retirement Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of the Company. Employees of Florida East Coast Railroad (parent company) are excluded. There are no age and service requirements for eligibility to participate. Effective January 1, 2016, newly hired employees are automatically enrolled on the first day of the next plan year quarter with a pre-tax deferral of 3% of compensation. Participants who do not want to defer at the rate set automatically may elect at a different level, including 0%. However, an employee must be over 21 and has completed one year of service in order to receive matching, profit sharing, and qualified non-elective contributions. The Plan provides for salary deferrals under Code Section 401(k) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

A participant may elect to defer from 1% to 100% of their compensation as an elective deferral contribution. The Company may make a matching contribution on behalf of each eligible participant. The Board of Directors shall determine the amount of the matching contribution at its sole discretion. For 2022, Company matched deferral contributions by 50%. However, elective deferral contributions in excess of 3% of participant's compensation would not be eligible for a matching contribution. For any taxable year, a participant's elective deferrals shall not exceed the limit contained in Section 402(g) of the Internal Revenue Code in effect at the beginning of such taxable year. The maximum deferral for the 2022 tax year was \$20,500. Participants 50 years of age or older can also make an additional catch-up contribution up to \$6,500 in 2022.

The Company has the option of making a discretionary profit-sharing contribution each year. Such contribution is an amount determined by the Board of Directors and is to be allocated to each participant in the ratio that such participant's compensation bears to the compensation of all participants. There were no discretionary profit-sharing contributions in 2022.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of (a) the Company's contribution, (b) Plan earnings, and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Loans

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at the prime rate in effect when the loan is made plus 1%. Participants cannot obtain more than 1 loan per year. In addition, there are a maximum number of 2 loans that can be outstanding at any given time.

Investment Options

Participants may direct the investment of their account balance into various investment options of the Plan. Participants may change their investment elections and transfer money between investment options. The Plan offered publicly traded mutual funds and a collective trust as investment options for participants.

Payment of Benefits

The payments of benefits due to death, disability, or termination of employment are distributed as follows:

Benefit upon death – If a participant dies before his account is distributed, the employee's beneficiary is entitled to receive the employee's vested interest in his account. The death benefit is distributed to the beneficiary in a lump sum as soon as administratively feasible after the participant's death.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Benefit upon disability – If a participant becomes disabled before his account has been distributed; the participant is entitled to receive the vested interest in his account. If the participant's vested interest does not exceed \$5,000, it will be distributed to the participant as soon as administratively feasible after the participant becomes disabled. If the participant's vested interest is greater than \$5,000, the participant can have it distributed as soon as it is administratively feasible, or the participant can elect to defer the distribution until a later date. However, distribution cannot be deferred beyond April 1 of the calendar year that follows the calendar year in which the participant reaches age 72. When distribution is made, the vested interest will be distributed in a lump sum payment.

Benefit upon termination of employment – If a participant terminates employment prior to reaching normal or early retirement age, or before death or disability, the participant is entitled to receive the vested interest in his account. If the participant's vested interest does not exceed \$5,000, it will be automatically distributed as soon as it is administratively feasible. If the participant's vested interest is greater than \$5,000, the participant can elect to have it distributed within a reasonable time after termination of employment or the participant can elect to defer the distribution until a later date. However, distribution cannot be deferred beyond April 1 of the calendar year that follows the calendar year in which the participant reaches age 72. When distribution is made, the vested interest will be distributed in a lump sum payment.

In addition to the above, a participant can withdraw all or any portion of his or her vested account balance in the event of financial hardship, subject to certain penalties, or upon Age 59 ½.

Forfeitures

The forfeited accounts will be first used to reduce employer administrative expenses, then to reduce discretionary matching contributions and nonelective contribution, and finally allocated to participants in the same manner as the employer's contribution. Forfeitures for the years ended December 31, 2022 and 2021 amounted to \$18,437 and \$29,558, respectively. The forfeiture amount used to reduce expenses was \$0 and \$6,902, for 2022 and 2021, respectively. The forfeited non-vested account balance as of December 31, 2022 and 2021 was \$111,024 and \$91,050, respectively.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, which is the price that would be received from the sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on accrual basis. Dividends are recorded on the ex-dividend date. Capital gain distributions are included in dividend income. Net appreciation and depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of Benefits

Benefit payments are recorded upon distribution.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE 3 FAIR VALUE MEASUREMENTS

Accounting principles establish a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1: Financial assets and liabilities are valued using inputs that are unadjusted quoted prices of identical financial assets and liabilities in active markets accessible at the measurement date. The inputs include those traded on an active exchange, such as the New York Stock Exchange.
- Level 2: Financial assets and liabilities are valued using inputs such as quoted prices for similar assets, or inputs that are observable, either directly or indirectly.
- Level 3: Financial assets and liabilities are valued using pricing inputs that are unobservable for the asset, or inputs that reflect the reporting entity's own assumptions about the assumptions that market participants would use in pricing the asset.

NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)

The fair value measurement level within the hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation techniques and inputs used for each general type of assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds fair values are determined utilizing quoted market prices reported on the active market on which they are traded.

Collective trust funds are valued at net asset value, which was used as a practical expedient to estimate fair value. The net asset value was based on the fair value of the underlying investments held by the fund less its liabilities. There are no restrictions as to the redemption of these investments, nor does the Plan have any contractual obligation to further invest in any of these common collective trusts.

The preceding methods described may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the value of the Plan's assets as of December 31, 2022 and 2021:

| December 31, 2022      |                           |                            |                    |                    |

NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)

Collective trust funds that were measured at fair value using the net asset value per share practical expedient were not classified in the fair value hierarchy. The fair value amounts presented in the above table were intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

NOTE 4 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Please see Footnote 8 - Subsequent Event.

NOTE 5 INCOME TAX STATUS

Raven Transport 401(K) Retirement Plan is a prototype plan sponsored by Empower Retirement LLC. The Plan is intended to conform to and qualify under section 401 of the Internal Revenue Code. The Internal Revenue Service has determined and informed Empower Retirement LLC by a letter dated November 14, 2022, that the plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC).

Although the Plan has been amended since receiving the determination letter, the Plan administrator and tax counsel believe that the Plan is designed, and is currently operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and tax exempt. The Plan is no longer subject to U.S. federal income tax examination by tax authorities for years before 2019.

NOTE 6 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 7 RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

The Plan's investments are managed by the Trustee of the Plan, and therefore, the transactions qualify as party in interest transactions. Total administrative expenses consisting of distribution withdrawal charges amounted to \$3,037. Investment management fees in the amount of \$36,783 were paid by plan sponsor directly. As such, they are excluded from administrative expenses on the financial statements.

Certain administrative functions of the Plan are performed by officers or employees of the plan sponsor. No such officer or employee receives compensation from the Plan.

NOTE 8 INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information included in the accompanying financing statements and supplemental schedule was obtained from data that have been prepared and certified to as complete and accurate by the trustee.

|                             | <u>2022</u>  | <u>2021</u>  |

| Participant loans           | 46,152       | 84,612       |

NOTE 9 DELINQUENT CONTRIBUTIONS

As disclosed in the accompanying supplemental schedule, certain employee deferrals were not remitted to the Plan within the timeframe required by the Department of Labor. The Plan Sponsor is in the process of determining and remitting any related lost earnings to the affected participants into the Plan.

In addition to the delinquent contributions, insufficient deferrals were withheld on several occasions. The Plan Sponsor is the process of rectifying the findings.

NOTE 10 SUBSEQUENT EVENTS

In 2024, the Plan Sponsor made a strategic decision to utilize subcontractors for their trucking operation.

The decision led to the layoff of more than 20% of its workforce. Such an event qualifies as a partial termination, in which case terminated employees participants would become 100% vested under IRS guidelines.

Subsequent events have been evaluated through September 27, 2024, the reissuance date. Except as noted above, there were no other significant events as of that date.

NOTE 11 REISSUANCE OF REORT

The report is being reissued to expand on the financial statement footnotes and ERISA required schedules.
