Meaningful Day Services, Inc. 401(k) Plan
Brownsburg, Indiana

We audited the financial statements of Meaningful Day Services, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as of December 31, 2023 and 2022 and for the year ended December 31, 2023, and we issued our report thereon dated September 24, 2024. Professional standards require us to provide you with information about our responsibilities under generally accepted auditing standards as well as certain information related to the planned scope and timing of our audit. We communicated such information in our letter to you dated February 19, 2024. Professional standards also require us to communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2023. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility future events affecting them may differ significantly from those expected.

The most sensitive accounting estimates affecting the financial statements are the valuation of investments and investment transactions. These values are certified by Ascensus, LLC, the trustee and custodian of the Plan, as complete and accurate.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. We identified no particularly sensitive financial statement disclosures. The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. As outlined in our engagement letter, we drafted the financial statements from certified information provided by the Plan's trustee. As a result of this arrangement, there were no misstatements, corrected or uncorrected.

Reportable Findings

For purposes of this letter, a reportable finding is a matter including one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations, (2) a finding which in our professional judgment is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit which have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management's attention. We identified no such reportable findings.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, which could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We requested certain representations from management which are included in the management representation letter dated September 24, 2024.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

With respect to the ERISA-required supplemental schedule of asset (held at end of year) accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the ERISA-required supplemental schedule to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We performed an audit of the financial statements of Meaningful Day Services, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, elected to have the audit of Meaningful Day Services, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier regulated, supervised, and subject to periodic examination by a state or federal agency, provided the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Meaningful Day Services, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe the audit evidence we obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, which raise substantial doubt about Meaningful Day Services, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining the Plan's transactions are presented and disclosed in the financial statements in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report including our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Meaningful Day Services, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, which raise substantial doubt about Meaningful Day Services, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and;
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2022 Financial Statements

Meaningful Day Services, Inc. 401(k) Plan
Notes to the Financial Statements
For the Year Ended December 31, 2023

Note 1 – Description of the Plan

The following brief description of Meaningful Day Services, Inc. 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan instrument for complete information.

General

The Plan is a defined contribution plan established on January 1, 2006 covering substantially all eligible employees of Meaningful Day Services, Inc. (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Employees who are at least 21 years of age are eligible to participate in the Plan once they complete one year of service with 1,000 hours and will enter the Plan on the first day of the month after becoming eligible. Once employees meet the eligibility requirements they are auto-enrolled at a 6% pretax deferral rate unless they opt out of participation. The Plan also has an auto escalation provision to increase the deferral percentage by 1% each year up to a maximum of 10%. Participants may also elect to make Roth contributions.

Pursuant to the Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE Act), as of January 1, 2021 part-time employee will become eligible to enroll in the Plan once they reach three consecutive years of service with at least 500 hours in each year beginning in 2024. These employees may still be excluded when completing annual nondiscrimination and coverage testing.

Contributions

Each year, participants may contribute up to a maximum amount of their pretax or after-tax annual compensation, as defined by the Internal Revenue Service (IRS) and recorded in the plan document. Participants who have attained age 50 before the end of the plan year may make additional catch-up contributions. Participants may also contribute amounts representing rollovers from other qualified plans. For the year ended December 31, 2023, the Plan had an auto-enroll pretax deferral percentage of 6%. For the year ended December 31, 2022, the Plan had an auto-enroll pretax deferral percentage of 5%. Each year the Company may make discretionary matching contributions of each employee's elective salary deferrals up to a percentage of eligible compensation as determined by management. The Company made matching contributions of 20% of employee deferrals up to 5% of eligible compensation for the years ended December 31, 2023 and 2022. The Company may also make discretionary profit sharing contributions as determined by management. Employees must be employed on the last day of the plan year and have a minimum of 1,000 hours of service during the year in order to receive an allocation of any discretionary profit sharing contributions. The Company did not make any discretionary employer contributions in 2023 or 2022.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's matching contributions, if any, allocations of plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant account balances or earnings, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes to the Financial Statements
For the Year Ended December 31, 2023

Note 1 – Description of the Plan (Continued)

Vesting

Participants are immediately vested in all pretax and after tax deferral contributions and rollover contributions plus actual earnings (losses) thereon. Vesting in the Company's discretionary matching and profit sharing contributions plus actual earnings (losses) thereon is based on years of continuous service. Participants become fully vested in the event of death, disability, retirement, or plan termination. Otherwise a participant will become vested in the Company's contribution according to the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1 year	0%
Greater than 1 year, but less than 2 years	20%
Greater than 2 years, but less than 3 years	40%
Greater than 3 years, but less than 4 years	60%
Greater than 4 years, but less than 5 years	80%
Greater than 5 years	100%

Forfeited Accounts

Forfeited balances of terminated participants' non-vested accounts may be used to pay administrative expenses, reduce future discretionary matching and profit sharing contributions, or are reallocated as an additional employer contribution. Forfeited vested accounts totaled \$932 and \$0 as of December 31, 2023 and 2022, respectively. During the year ended December 31, 2023, \$360 of forfeitures were used to pay administrative expenses.

Investment Options

Upon enrollment in the Plan, participants are able to invest in a variety of investment choices as more fully described in the plan document. Participants may change their investment options at any time during the year.

Notes Receivable from Participants

Participant loans are not allowed under the Plan.

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant or beneficiary may receive benefits based on the participant's vested account balance. Benefits may only be paid in a lump sum. The Plan allows in-service distributions once a participant reaches age 59-1/2, and also allows hardship distributions from fully vested account balances as outlined in the plan document. Involuntary cash force-outs are allowed for account balances under \$5,000 excluding rollover balances.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP), which requires management to make estimates and assumptions affecting certain reported amounts and disclosures. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value except for the collective trust, which was reported at contract value. Fair value is the price which would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Plan Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment-related expenses are included in net depreciation in fair value of investments.

Subsequent Events

Subsequent events have been evaluated by management through September 24, 2024, which is the date the financial statements were available to be issued.

Note 3 – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy prioritizing the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices observable for the asset or liability;
- Inputs derived principally from or corroborated by observable market data by correlation or other means.

Meaningful Day Services, Inc. 401(k) Plan
Notes to the Financial Statements
For the Year Ended December 31, 2023

Note 3 – Fair Value Measurements (Continued)

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair measurement level within the fair value hierarchy is based on the lowest level of any input significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. The mutual funds held by the Plan are deemed to be actively traded (Level 1 inputs).

The following tables set forth the Plan's investments by level within the fair value hierarchy as of December 31:

2023	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 2,212,572	\$ -	\$ -	\$ 2,212,572
2022	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 1,645,780	\$ -	\$ -	\$ 1,645,780

Note 4 – Common Collective Trust Fund

As of December 31, 2022, the Plan invested in a common collective trust fund. The fund primarily consisted of a diversified portfolio of stable value investment contracts issued by life insurance companies, banks and other financial institutions, the performance of which may be predicated on underlying fixed income investments. The principal value of this asset is designed to remain stable regardless of stock and bond market fluctuations. As of December 31, 2023, the Plan no longer invested in this fund.

Meaningful Day Services, Inc. 401(k) Plan
Notes to the Financial Statements
For the Year Ended December 31, 2023

Note 5 – Tax Status

The IRS determined the prototype plan used by the Plan and related trust is designed in accordance with applicable sections of the Internal Revenue Code, as indicated in a letter dated June 30, 2020. The Plan was most recently restated on January 1, 2022. Although the Plan has been amended since receiving the determination letter, the plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

U.S. GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position which more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by jurisdictions; however, there are currently no audits in progress for any tax periods in progress.

Note 6 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their employer contributions.

Note 7 – Certified Information

At December 31, 2023 and 2022, the Plan's investments were maintained by Ascensus, LLC (the trustee and custodian). Vanguard is the Plan's recordkeeper. The custodian supplied the plan administrator with a certification as to the completeness and accuracy of all information relating to investments as of December 31, 2023 and 2022, and income and expenses on such investments for the year ended December 31, 2023. The certified information includes total investments of \$2,212,572 and \$1,647,834 at December 31, 2023 and 2022, respectively, which diverges from the statements of net assets available for benefits by the values of the employer and employee receivables. The certified information also includes the activity reported on the statement of changes in net assets available for benefits for the year ended December 31, 2023 except for the impact of the employee and employer receivables on contribution income.

Note 8 – Party-In-Interest Transactions

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. The Plan holds certain investment funds managed by the plan trustee. Such investments and the Plan's payment of fees qualify as party-in-interest transactions. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Some professional fees for the administration and audit of the Plan are paid directly by the Company.

Notes to the Financial Statements
For the Year Ended December 31, 2023

Note 9 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to numerous risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
