The Plan Committee  
Sequence, Inc. 401(k) PS Plan  
Morrisville, North Carolina

***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of the Sequence, Inc. 401(k) PS Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

## ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter — Supplemental Schedule Required by ERISA***

The supplemental schedule, as listed in the accompanying table of contents, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# **SEQUENCE, INC. 401(K) PS PLAN**

Notes to Financial Statements

December 31, 2023 and 2022

## **NOTE 1: DESCRIPTION OF PLAN**

The following description of the Sequence, Inc. 401(k) PS Plan (the “Plan”) provides only general information. Participants should refer to the plan document for a complete description of the Plan’s provisions.

### **General**

The Plan is a defined contribution plan covering substantially all employees of Sequence, Inc. (the “Company” or “Plan Sponsor”) who are 18 years of age or older. Eligible employees may enroll in the Plan on the first day of the month following the completion of three months of service.

The Plan Sponsor is the Company. Fidelity Management Trust Company (“Fidelity”) serves as the Plan’s trustee (the “Trustee”), and Fidelity Workplace Services, LLC serves as the Plan’s recordkeeper. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

### **Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

### **Contributions**

Each year, participants may contribute up to 50% of eligible compensation, as defined in the Plan, on pretax and after-tax bases, up to the maximum annual contribution allowed by the Internal Revenue Code (“IRC”). Plan participants may elect to make in-Plan Roth transfers from the vested portion of their accounts.

The Plan permits participants who are age 50 and over to make catch-up contributions allowed by Internal Revenue Service (“IRS”) regulations. Participants may also contribute amounts representing distributions from other qualified plans.

The Plan adopted the automatic enrollment feature, whereby newly hired employees will be automatically enrolled in the Plan when they first become eligible to participate. The automatic elective deferral contribution is 3% of compensation. The participant may affirmatively elect a different percentage or elect not to make elective deferral contributions.

## SEQUENCE, INC. 401(K) PS PLAN

Notes to Financial Statements

December 31, 2023 and 2022

### NOTE 1: DESCRIPTION OF PLAN (continued)

The Company may make safe harbor and additional employer matching contributions to the Plan as authorized by the Company. The Company's safe harbor matching contribution is equal to 100% of the first 3%, and 50% of the next 2%, of eligible compensation that a participant contributes to the Plan. Additionally, the Company's safe harbor matching contribution is applied to eligible participants who have made catch-up contributions during the plan year. During the year ended December 31, 2023, the employer safe harbor matching contribution totaled \$939,682. In 2023, the Company did not make any additional employer matching contributions.

The Company may also make discretionary non-elective employer contributions to employees who met eligibility requirements, have worked at least 1,000 hours during the plan year, and are employed on the last day of the plan year-end. In 2023, the Company did not make any discretionary non-elective employer contributions.

#### Participants' Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on a participant's earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### Vesting

Participants are immediately vested in their contributions and employer safe harbor contributions plus actual earnings thereon. Vesting in the Company's additional employer matching contributions and discretionary non-elective employer contributions occurs according to the following schedule:

| <b>Years of Service for Vesting Purposes</b> | <b>Percentage Vested</b> |
|----------------------------------------------|--------------------------|
| Less than 2                                  | 0%                       |
| 2                                            | 20%                      |
| 3                                            | 40%                      |

## **SEQUENCE, INC. 401(K) PS PLAN**

Notes to Financial Statements

December 31, 2023 and 2022

### **NOTE 1: DESCRIPTION OF PLAN (concluded)**

#### **Forfeited Accounts**

Forfeitures occur upon termination of employment by a participant who is not fully vested. Forfeited balances may be used to pay Plan administrative expenses or reduce employer contributions. In 2023, \$1,591 of forfeitures were used to reduce employer contributions. As of December 31, 2023 and 2022, forfeited nonvested accounts totaled \$179 and \$1,483.

#### **Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loans range from one to five years for general-purpose loans; for the purchase of a primary residence, the term is not to exceed 12 years. The loans are secured by the balance in the participant's account and bear interest at a rate of 1% above the Prime rate at the time of the loan. Principal and interest are paid ratably through payroll deductions.

#### **Payment of Benefits**

Upon termination of service due to death, disability, or retirement, a participant may receive a lump-sum payment in the amount equal to the vested value of his or her account. An employee with a balance of less than \$1,000 may be automatically paid out by the Plan upon termination. In June 2023, the Plan was amended to allow for an employee with a balance of less than \$5,000 but greater than \$1,000 at termination to have their vested account balance rolled over to an individual retirement plan designated by the Plan Sponsor without the Participant's consent.

### **NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

#### **Basis of Accounting**

The financial statements of the Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Benefits are recorded when paid.

#### **Use of Estimates**

The preparation of financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

### **NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (concluded)**

#### **Investment Valuation and Income Recognition**

Investments are reported at fair value. The investments in collective trust funds are valued using net asset value (“NAV”) as a practical expedient. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

#### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

#### **Administrative Expenses**

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Trustee and recordkeeping fees incurred in connection with the general administration of the Plan that are paid by the Plan are included in administrative expenses. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participant’s account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

#### **Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

#### **NOTE 3: INFORMATION PREPARED AND CERTIFIED BY TRUSTEE**

All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held and notes receivable from participants as of December 31, 2023 and 2022, net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for 2023, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the Trustee.

#### **NOTE 4: FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

**Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2** Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for investments measured at fair value. There have been no changes in the methodology used as of December 31, 2023 and 2022.

## NOTE 4: FAIR VALUE MEASUREMENTS (continued)

**Mutual funds** - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. The mutual funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

### **NOTE 4: FAIR VALUE MEASUREMENTS (concluded)**

#### **Investments in Entities That Use NAV as a Practical Expedient**

The NAV of the collective trust funds as of December 31, 2023 and 2022, was \$1,915,266 and \$942,915. The value of these funds is measured using NAV as a practical expedient, and these funds have been excluded from the fair value hierarchy. The funds have a daily redemption frequency. There are no unfunded commitments. If the Plan were to initiate a full redemption of the fund, the investment advisor reserves the right to temporarily delay withdrawal from the trust to ensure that security liquidations will be carried out in an orderly, business manner.

### **NOTE 5: RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS**

The Plan invests in certain funds managed by the Trustee of the Plan; therefore, transactions related to these funds qualify as party in interest transactions that are allowable under ERISA.

The Trustee provides certain administrative services to the Plan pursuant to an agreement between the Plan and the Trustee. The Trustee receives revenue from mutual fund and collective trust fund service providers for services the Trustee provides to the funds. This revenue is used to offset certain amounts owed to the Trustee for its administrative services provided to the Plan. If the revenue received by the Trustee from such service providers exceeds the amount owed under the agreement, the Trustee remits the excess to the Plan. For the year ended December 31, 2023, the Plan made direct payments to the recordkeeper totaling \$71,833, which were not covered by revenue sharing.

### **NOTE 6: INCOME TAX STATUS**

The Plan Sponsor adopted the Trustee's Volume Submitter Profit Sharing Plan with cash or deferred arrangement (the "Volume Submitter Plan"). The Volume Submitter Plan obtained its latest opinion letter on June 30, 2020, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the opinion letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by federal and state tax authorities.
