## Independent Auditor's Report

Trustees  
Tumi, Inc. Profit Sharing/401(k) Plan  
Edison, New Jersey

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements***

We have performed an audit of the financial statements of Tumi, Inc. Profit Sharing/401(k) Plan (Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2023 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion on the 2023 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the "Auditor's Responsibilities for the Audit of the 2023 Financial Statements" section:

- The amounts and disclosures in the accompanying 2023 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2023 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C)

### ***Basis for Opinion on the 2023 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the “Auditor’s Responsibilities for the Audit of the 2023 Financial Statements” section of our report. We are required to be independent of Tumi, Inc. Profit Sharing/401(k) Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2023 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Tumi, Inc. Profit Sharing/401(k) Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan’s transactions that are presented and disclosed in the financial statements are in conformity with the plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor’s Responsibilities for the Audit of the 2023 Financial Statements***

Except as described in the “Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements” section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Tumi, Inc. Profit Sharing/401(k) Plan’s internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Tumi, Inc. Profit Sharing/401(k) Plan 's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## ***Other Matters***

### ***2023 Supplemental Schedule Required by ERISA***

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. # Tumi, Inc. Profit Sharing/401(k) Plan

## Notes to Financial Statements

### Years Ended December 31, 2023 and 2022

#### 1. Description of plan

The following description of the Tumi, Inc. Profit Sharing/401(k) Plan (Plan) is provided for general purposes only. Participants should refer to the Plan documents for a more complete description of the Plan's provisions.

##### General

The Plan is a defined contribution plan established to provide substantially all eligible non-union employees, as defined by the Plan document, of Tumi, Inc. (Company or Sponsor) with retirement benefits in accordance with Sections 401(a) and 401(k) of the Internal Revenue Code (IRC). The Plan is subject to the provisions of the *Employment Retirement Income Security Act of 1974* (ERISA).

##### Eligibility

All employees of the Company other than certain excluded employees as defined by the Plan document are eligible to participate in the Plan on the first day of the month following the completion of six months of service provided that the employee has attained the age of 21 and is not covered by collective bargaining agreement for which retirement benefits have been the subject of good faith negotiations.

##### Participant contributions

Eligible participants may make voluntary contributions through salary reductions from 1% to 60% of their eligible annual compensation, as defined by the Plan, limited to the maximum amount allowable under the provisions of the IRC (\$22,500 in 2023). Further, participants who are 50 years of age or older as of December 31, 2023, may contribute an additional "catch up" contribution (\$7,500 in 2023). The Plan also allows for the participants to make Roth deferral contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a common collective trust as investment options for participants.

Participants may also make rollover contributions from other qualified plans if certain criteria are met as outlined in the Plan document.

##### Employer contributions

The Company makes safe harbor matching contributions of 100% of the employee's contribution on the first 3% of eligible compensation and 50% of the employee's contribution on the next 2% of eligible compensation.

In addition, the Company may contribute a discretionary profit-sharing contribution to those employees to have provided at least 1,000 hours of service, as defined, during the year, and who are employed on the last day of the plan year. Profit-sharing contributions are allocated based on the employee's eligible compensation for the year. There were no discretionary profit-sharing contributions for the year ended December 31, 2023.

##### Participants' accounts

Each participant's account is credited with their respective contribution and its allocation of (a) employer contributions and (b) Plan earnings and losses.

##### Vesting

Participants are 100% vested in pre-tax employee contributions, Safe Harbor contributions, Roth deferral contributions, rollover accounts, and earnings thereon.

Effective January 1, 2007, all sponsor discretionary profit-sharing contributions and earnings are vested in accordance with the following schedule:

| Years of Service | Vested Percentage |
|------------------|-------------------|
| Less than three  | 0%                |
| Three or more    | 100%              |

## Tumi, Inc. Profit Sharing/401(k) Plan

Participants with account balances derived from sponsor discretionary profit-sharing contributions and earnings beginning prior to January 1, 2007 are vested in accordance with the following schedule:

| Years of Service | Vested Percentage |
|------------------|-------------------|
| Less than three  | 0%                |
| Three            | 25%               |
| Four             | 50%               |
| Five or more     | 100%              |

Participants' accounts become fully vested upon death, total disability, reaching normal retirement age, or termination of the Plan. If a participant terminates employment for any other reason, they are entitled to their vested interest in employer contributions.

### Forfeitures

The Plan provides that forfeitures, the unvested portion of employer contributions for terminated participants, may be used to reduce Company contributions. As of December 31, 2023 and 2022 the balance in the forfeiture accounts were \$2,066 and \$10,037, respectively. In 2023, \$7,971 of forfeitures were used to fund employer contributions and administrative expenses.

### Payment of benefits

Upon termination of employment, retirement, attainment of age 59 ½, death, or disability, the participant or the participant's beneficiary is entitled to receive the vested portion of the participant's account in a single lump-sum payment, or installment payments, in accordance with Internal Revenue Service (IRS) regulations and Plan provisions. Withdrawals from the Plan are also available for special "hardship" reasons (as defined). Participants who have terminated service with balances of \$1,000 or less are required to take a lump-sum distribution. Participants who have terminated service with balances greater than \$1,000 can elect to receive a lump-sum distribution, in cash or in the form of a rollover to another qualified plan, monthly installments or some combination of lump sum and monthly installments. Benefits are recorded when paid.

### Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. No allowance for credit losses has been recorded at December 31, 2023 or 2022, because the loans are fully secured by the participants' account balances. Delinquent participant loans are reclassified as distributions based upon the terms in the Plan document.

Participants may borrow from their vested account. The minimum amount that may be borrowed is \$1,000, and the loan amount cannot exceed the lesser of 50% of the participant's balance or \$50,000, reduced by the highest outstanding balance in the previous 12-month period. No loans are available from non-elective contributions. The maximum term of such loans is five years. Participants may only have two outstanding loans at any given time. The interest rate will be a fixed rate comparable to that charged by commercial lenders for similar loans. Principal and interest is paid ratably through payroll deductions.

## 2. Summary of significant accounting policies

The following is a summary of significant accounting policies followed by the Plan.

### Basis of accounting

The accompanying financial statements are prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America.

### Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

## Tumi, Inc. Profit Sharing/401(k) Plan

### **Investment valuation and income recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee.

Realized gains and losses on investments sold and the unrealized appreciation and depreciation of investments held are reported on an average current cost basis, based on fair market value of the investments at the beginning of the Plan year or at the time of purchase during the Plan year.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

### **Administrative expenses**

Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Other expenses are paid directly by the Plan, including fees related to the administration of notes receivable from participants which are charged directly to the participant's account, and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

### **Fair value**

Accounting standards provide a common definition of fair value and establish a framework to make the measurement of fair value in generally accepted accounting principles more consistent and comparable. Accounting standards also require expanded disclosures to provide information about the extent to which fair value is used to measure certain financial and non-financial assets and liabilities, the methods and assumptions used to measure fair value, and the effect of fair value measures on earnings. The Plan's financial assets reflected in the financial statements at fair value include its investments (see Note 9).

### **Subsequent events**

The Plan has evaluated subsequent events through September 17, 2024, which is the date the financial statements were available to be issued.

## **3. Information certified by the Plan's trustee**

Plan management has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company (Principal), a qualified institution, has certified the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2023 and 2022
- Investment income and interest income from notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2023
- Investment information and notes receivable from participants included in the accompanying schedule of assets (held at end of year) as of December 31, 2023

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

## **4. Tax status**

The Plan is a prototype plan offered by Principal. The plan administrator believes and represents that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Financial Accounting Standards Board has issued a standard regarding the accounting and recognition of income tax positions taken or expected to be taken by the Plan. The plan administrator assesses the tax positions taken by the Plan and has concluded that as of December 31, 2023, there are no uncertain tax

## Tumi, Inc. Profit Sharing/401(k) Plan

positions taken or expected to be taken that would require recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

### 5. Related party transactions

Certain Plan investments are shares of mutual funds that are managed by Principal. Principal is the Trustee of Plan, and therefore, investment transactions qualify as party-in-interest transactions that are exempt from the prohibited transaction rules, as defined by ERISA.

### 6. Plan termination

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts, and their account balance will be distributed as directed by the participant.

### 7. Risks and uncertainties

The Plan provides for various investment options in accounts which invest in investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that these changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

### 8. Concentrations

Balances in three investments each accounted for more than 10% of total investments as of December 31, 2023 and 2022.

### 9. Fair value measurements

Accounting standards require that financial and non-financial assets and liabilities, recognized or disclosed in financial statements on a recurring basis (at least annually), be measured at fair value. These standards define fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date.

These standards also establish a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. These standards describe three levels of inputs that may be used to measure fair value:

Level 1 - Quoted prices in active markets for identical assets or liabilities that are accessible at the measurement date.

Level 2 - Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities in active markets; quoted prices for similar assets or liabilities in markets that are not active; or model-derived valuations or other inputs that are observable or can be corroborated by observable market data for the assets or liabilities.

Level 3 - Unobservable inputs for the asset or liability that are significant to the fair value measurement. These inputs reflect the Plan's assumptions about the assumptions a market participant would use in pricing the asset or liability.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 and Level 3 inputs are only used when higher level inputs are not available.

## Tumi, Inc. Profit Sharing/401(k) Plan

The following is a description of the valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

*Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Common Collective Trusts:* Value is based on the underlying unit value of the assets held. The assets of the underlying fund are invested primarily in certain investment contracts and other securities. The NAV is used as a practical expedient to estimate fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets' fair value as of December 31, 2023:

|                                                 | Level 1              | Level 2     | Level 3     | Total                |
