Independent Auditor's Report

To the Plan Trustee Committee
Freund-Vector Corporation Savings & Retirement Plan
Marion, Iowa

Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the Freund-Vector Corporation Savings & Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, the related statement of changes in net assets available for benefits for the year then ended and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities For The Audit Of The Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis For Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities For The Audit Of The Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities Of Management For The Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities For The Audit Of The Financial Statements

Except as described in the Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required By ERISA

The supplemental schedule of Schedule H, Line 4i Schedule of Assets Held as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Auditor's Report On The 2022 Financial Statements

Predecessor auditors performed an audit of the 2022 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated June 27, 2023 indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with U.S. GAAP and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agreed to or is derived from the certified investment information, was presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FREUND-VECTOR CORPORATION SAVINGS & RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description Of The Plan

The following description of the Freund-Vector Corporation Savings & Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) plan that covers substantially all employees of Freund-Vector Corporation (the Employer) who have completed one month of service and are 21 years of age or older. Part-time, temporary and seasonal employees must also complete 1,000 hours of service within a 12-month computational period. The plan trustee committee is responsible for oversight of the Plan. The plan trustee committee determines the appropriateness of the Plan's investment offerings and monitors investment performance. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Once eligible, participants are automatically enrolled in the Plan with a deferral amount of 6% of eligible compensation, unless a participant elects otherwise or makes an affirmative election not to participate in the Plan.

Participants may contribute up to 95% of eligible compensation in the form of pre-tax or after-tax (ROTH) contributions not to exceed Internal Revenue Code (IRC) limits. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

Under the provisions of the Plan, the Employer makes discretionary matching contributions not to exceed 6% of a participant's compensation. The Employer elected to make matching contributions equal to 50% of each participant's deferral contributions limited to 6% of the participant's eligible compensation for the year ended December 31, 2023.

Under the provisions of the Plan, the Employer has the option to make discretionary profit-sharing contributions. The Employer did not make any discretionary profit-sharing contributions to the Plan for the year ended December 31, 2023.

Participant Accounts

Each participant's account is credited with the participant's contributions and employer matching and profit-sharing contributions as well as allocations of the Plan's earnings and expenses. Allocations are based on the participant's eligible compensation, the value of account balances or specific participant transactions, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

FREUND-VECTOR CORPORATION SAVINGS & RETIREMENT PLAN

Notes To Financial Statements (Continued)

Notes Receivable From Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 reduced by the highest outstanding loan balance or 50% of their vested account balance. Participants are limited to a maximum of two loans outstanding at any time. The loans are secured by the participant's vested account balance and bear interest at a rate commensurate with local prevailing rates, as determined by the plan administrator. Loan terms may not exceed five years, except for loans to purchase a principal residence. Principal and interest are paid ratably through payroll deductions.

Vesting

Participants are immediately vested in their rollover and voluntary contributions plus actual earnings thereon. Participants are 100% vested in the Employer's contributions plus actual earnings thereon based on three years of service.

Hardship Withdrawals

Participants may elect to withdraw all or a portion of their vested account balance if they incur a financial hardship. Hardship withdrawals are subject to the terms of the plan agreement and provisions of the IRC.

Payment Of Benefits

Upon termination of service due to death, disability or retirement, participants with an account balance greater than \$5,000 may elect to receive either a lump sum amount equal to the value of the participant's account, installments over a period of time or leave their balance in the Plan subject to minimum distribution requirements. Under the default automatic rollover provisions, distributions greater than \$1,000 but less than \$5,000 will be made to an Individual Retirement Account without participant consent if a participant does not make a different distribution election after receiving the required notification. Participants with a vested balance of \$1,000 or less will receive a lump sum payment upon termination.

In-Service Withdrawals

Active participants who reach age 59½ may withdraw all or part of their vested accounts.

Forfeited Accounts

At December 31, 2023 and 2022, forfeited accounts totaled \$0. These accounts are used to reduce future employer contributions or pay administrative expenses. In 2023, employer contributions of \$6,680 were paid from forfeited accounts.

2. Summary Of Accounting Policies

Basis Of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use Of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation And Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisor and trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant does not make loan repayments and the plan administrator considers the loan to be in default, the loan balance is reduced and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan agreement.

Contributions

Contributions from plan participants and contributions from the Employer are recorded in the year in which the employee contributions are withheld from compensation.

FREUND-VECTOR CORPORATION SAVINGS & RETIREMENT PLAN

Notes To Financial Statements (*Continued*)

Payment Of Benefits

Benefit payments to participants are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through October 2, 2024, the date the financial statements were available to be issued.

3. Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022 and net appreciation in fair value of investments, interest and dividends and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan:

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;

FREUND-VECTOR CORPORATION SAVINGS & RETIREMENT PLAN

Notes To Financial Statements (*Continued*)

- Inputs other than quoted prices that are observable for the asset or liability and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds and Money Market Fund: Valued at the daily closing price as reported by the fund. These funds held by the Plan are open-ended funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds and money market fund held by the Plan are deemed to be actively traded.

Common/Collective Trust Funds: Composed primarily of benefit-responsive investment contracts valued at the NAV of shares held by the Plan at year-end based on the market value of its underlying investments, as determined by the trustee. The NAV is used as a practical expedient to estimate fair value. This expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

	December 31, 2023			
	Level 1	Level 2	Level 3	Total
Money market fund	\$ 899,113	\$ —	\$ —	\$ 899,113
Mutual funds	7,263,806	—	—	7,263,806
Total assets in the fair value hierarchy	8,162,919	—	—	8,162,919
Investments measured at net asset value (a)				9,579,141
Total Assets At Fair Value				\$ 17,742,060

FREUND-VECTOR CORPORATION SAVINGS & RETIREMENT PLAN

Notes To Financial Statements (*Continued*)

	December 31, 2022			
	Level 1	Level 2	Level 3	Total
Money market fund	\$ 802,141	\$ —	\$ —	\$ 802,141
Mutual funds	5,609,699	—	—	5,609,699
Total assets in the fair value hierarchy	6,411,840	—	—	6,411,840
Investments measured at net asset value (a)				9,368,112
Total Assets At Fair Value				\$ 15,779,952

- (a) In accordance with Accounting Standards Codification Topic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Fair Value Of Investments In Certain Entities That Calculate Net Asset Value Per Share (Or Its Equivalent, Net Unit Value)

The following tables summarize investments for which fair value is measured using the NAV per share practical expedient:

	December 31, 2023			
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Common/collective trust funds	\$ 9,579,141	\$ —	Daily	None

	December 31, 2022			
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Common/collective trust funds	\$ 9,368,112	\$ —	Daily	None

5. Related-Party And Party-In-Interest Transactions

Certain plan investments are investment securities managed by Fidelity Management Trust Company, the trustee, as defined by the Plan. Therefore, these transactions qualify as party-in-interest transactions.

Notes receivable from participants given to parties-in-interest totaled \$203,748 and \$129,743 as of December 31, 2023 and 2022, respectively.

FREUND-VECTOR CORPORATION SAVINGS & RETIREMENT PLAN

Notes To Financial Statements (*Continued*)

6. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their accounts.

7. Tax Status

The Employer has adopted a non-standardized pre-approved profit-sharing/401(k) plan sponsored by FMR LLC. The non-standardized pre-approved plan has received a favorable opinion letter effective June 30, 2020 from the Internal Revenue Service (IRS) regarding the non-standardized pre-approved plan's qualified status. The Plan has been amended since receiving the opinion letter; however, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Accordingly, the Employer and the plan administrator believe that the plan is qualified and is related trust is exempt from tax.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Department of Labor or IRS. Management evaluated the Plan's tax positions and does not believe the Plan has any uncertain tax positions that require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Risks And Uncertainties

The Plan invests in a variety of investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

9. Subsequent Event

Subsequent to year end, the plan document was amended to reflect an update to the plan sponsor name from Freund-Vector Corporation to Freund, Inc.
