INDEPENDENT AUDITOR'S REPORT

September 18, 2024

To the Plan Administrator of
Crouse Community Center Employee Retirement TSA Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Crouse Community Center Employee Retirement TSA Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule H Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of and for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter - Supplemental Schedules Required by ERISA (Continued)

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CROUSE COMMUNITY CENTER EMPLOYEE RETIREMENT TSA PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF PLAN

The following brief description of the Crouse Community Center Employee Retirement TSA Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a 403(b) defined contribution plan covering all employees of Crouse Community Center, Inc. (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company is the sponsor of the Plan. Nationwide Trust Company, FSB a division of Nationwide Bank is the custodian of the Plan's assets.

Eligibility

Employees are eligible to participate in the elective deferrals portion of the Plan immediately upon hire. Substantially all employees who have completed six months of service and have reached the age of 21 are eligible to participate in the employer match portion of the Plan.

Contributions

Each year, participants may contribute a percentage of their pre-tax annual compensation, as defined in the Plan, up to the maximum allowable under the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds as investment options for participants. The Company contributes a matching contribution equal to 25% of the participants' elective deferrals not to exceed 4% of the participants' compensation. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of Plan earnings and losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings and losses, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

A participant is 100% vested at all times in their account.

Notes Receivable from Participants

Participants are permitted to borrow a minimum of \$1,000 from their individual accounts up to the lesser of \$50,000 or 50% of their vested balance. Participants may not have more than one loan outstanding at any time. The term of the loan may not exceed 5 years, unless the loan shall be used for the purpose of acquiring a primary residence for the participant, in which case the maximum term of the loan is 15 years. The loans are collateralized by the vested balance in the participant's account and bear interest at the prime rate which are commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are paid ratably through bi-weekly payroll deductions.

1. DESCRIPTION OF PLAN (Continued)

Payment of Benefits

A participant is entitled to a distribution following termination from employment. On termination of service, the Plan will make a mandatory distribution of the participant's account balance, including rollover contributions, up to a maximum of \$5,000. Participants who receive a distribution other than a mandatory distribution may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, one of several forms of annuity options, or a series of installments selected by the participant.

Hardship Withdrawals

Hardship withdrawals from the Plan are permitted from participant accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Recently Adopted Accounting Guidance

Accounting Standard Codification (ASC) Topic 326 Financial Instruments – Credit Losses requires certain financial assets to be measured at amortized cost net of an allowance for estimated credit losses. This standard replaced the incurred loss methodology with an expected loss methodology that is referred to as the current expected credit loss (“CECL”) methodology. The estimated credit loss is required to be based on historical information, current conditions, and forecasts that could impact the collectability of the amounts. Under the standard, disclosures are required to provide users of the financial statements with useful information in analyzing an entity's exposure to credit risk and the measurement of credit losses.

Effective January 1, 2023, the Plan adopted ASC 326 using the modified retrospective approach for all financial assets measured at amortized cost. The new accounting pronouncement did not have a material impact on the financial statements. Results for reporting periods beginning after January 1, 2023 are presented under CECL while prior period amounts continue to be reported and disclosed in accordance with previously applicable accounting standards.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. All investments are participant directed.

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, currency, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Allowance for Credit Losses

The Plan records a receivable for the employee and employer contributions that are remitted to the Plan subsequent to the Plan's year end. The Plan recognizes an expected allowance for credit losses that is updated to reflect any changes in credit risk since the receivable was initially recorded. The estimated allowance for credit losses is based on historical, current, and expected future conditions. No significant improvements or deteriorations are expected in the future economic conditions, therefore management has determined that no allowance for credit losses is necessary for the year ended December 31, 2023.

Payment of Benefits

Benefits paid to participants are recorded upon distribution.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Certain other fees related to the administration and participants loans are included in administrative expenses.

Fair Value Measurement - Definition and Hierarchy

Fair Value Measurement framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The hierarchy is broken down into three levels based on the reliability of inputs as follows:

- Level 1 Inputs - Valuations are based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access. Valuation adjustments are not applied to Level 1 instruments. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these products does not entail a significant degree of judgment.
- Level 2 Inputs - Valuations are based on quoted prices in markets that are not active or for which all significant inputs are observable, either directly or indirectly.
- Level 3 Inputs - Valuations are based on inputs that are unobservable and significant to the overall fair value measurement.

The Plan's investments in mutual funds are valued utilizing Level 1 inputs.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There were no changes in the valuation methodologies used during 2023 or 2022.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Estimates

The preparation of financial statements in accordance with GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

3. INVESTMENTS

The following information was certified as complete and accurate by Nationwide Trust Company, FSB ("Nationwide"), the custodian of the Plan and is included in the accompanying financial statements and supplemental schedules:

	<u>2023</u>	<u>2022</u>
Investments, at fair value:		
Mutual funds	<u>\$ 4,980,217</u>	<u>\$ 4,331,945</u>
Investment income (loss):		
Net appreciation (depreciation) in fair value of investments	<u>\$ 527,821</u>	<u>\$ (1,226,998)</u>
Interest and dividends on investments	<u>\$ 251,659</u>	<u>\$ 304,191</u>
Schedule of Assets (Held at End of Year)	Schedule II	

4. FAIR VALUE MEASUREMENTS

The Plan's assets at fair value, within the fair value hierarchy, were as follows at December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 4,980,217</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,980,217</u>
	<u>\$ 4,980,217</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,980,217</u>

The Plan's assets at fair value, within the fair value hierarchy, were as follows at December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 4,331,945</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,331,945</u>
	<u>\$ 4,331,945</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,331,945</u>

5. PARTY-IN-INTEREST TRANSACTIONS

Nationwide is the custodian of the Plan's investment assets. Consequently, these transactions between Nationwide and the Plan qualify as party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will continue to be 100% vested in their accounts.

7. INCOME TAX STATUS

The Plan is exempt from federal income tax under Section 403(b) of the IRC. Beginning in June 2013, the IRS will accept applications for opinion and advisory letters regarding the acceptability under 403(b) of the IRC of the form of prototype plans and volume submitter plans. The Plan document is based on a Nationwide prototype plan; however, Nationwide has not yet submitted an application to the IRS for determination.

The Plan is required to operate in conformity with the IRC to maintain its tax-exempt status for Plan participants. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

8. RECONCILIATION TO FORM 5500

Certain items have been classified differently between the financial statements and Form 5500. Net assets available for benefits and changes in net assets available for benefits per the financial statements agree to Form 5500 in total as of and for the year ended December 31, 2023 and 2022.

9. SUBSEQUENT EVENTS

Subsequent events have been evaluated through September 18, 2024, which is the date the financial statements were available to be issued.
