INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
MPG II LLC 401(k) Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements

We have performed an audit of the accompanying financial statements of MPG II LLC 401(k) Profit Sharing Plan & Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2022 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from Mid Atlantic Trust Company ("Mid Atlantic") as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the 2022 financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion of the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the 2022 financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the 2022 financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2022 financial statements.

In preparing the 2022 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the 2022 financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the 2022 financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2022 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2022 financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2022 Supplemental Schedule Required by ERISA

The supplemental schedule of Assets Held at End of Year, as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2022 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Held, Kranzler, McCosker and Pulice, LLP
CERTIFIED PUBLIC ACCOUNTANTS

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Accountant's Compilation Report on the 2021 Financial Statements

Plan management is responsible for the accompanying financial statement of MPG II LLC 401(k) Profit Sharing Plan & Trust, which comprises the statement of net assets available for benefits as of December 31, 2021 and related notes to the financial statements. We have performed a compilation engagement in accordance with Statements on Standards for Accounting Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the financial statement and related notes to the financial statements of the Plan as of December 31, 2021.

MPG II LLC 401(K) PROFIT SHARING PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

NOTE 1 – Description of Plan

The following description of the MPG II LLC 401(k) Profit Sharing Plan & Trust (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering the employees of MPG II LLC (the "Company"). An employee is eligible to participate in the Plan when the employee has worked for the Company for at least one year and completed at least 1,000 hours of service during that period. In January 2019, the Company acquired DowellGroup-MPG, LLC and its employees who were covered under the DowellGroup-MPG, LLC 401(k) Plan who are now covered under the Plan as of January 2022. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan document. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans ("rollover"). The Plan currently offers various investment options for participants. Participants direct the investment of their contributions into various mutual fund investment options offered by the Plan. The Plan is intended to qualify as a safe harbor plan and, thus, provides for an automatic Company contribution of 3% of compensation once the Plan's eligibility requirements are met, regardless of whether or not an employee contributes to the Plan. In addition, the Company can make an annual discretionary contribution to employees meeting eligibility requirements. For the years ended December 31, 2022 and 2021, the Company did not provide an additional discretionary contribution. Contributions are subject to certain Internal Revenue Code ("IRC") limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of Plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant compensation, participant earnings (losses) or account balances, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon and the Company's 3% safe harbor contribution and qualified non-elective contributions. A participant vests in the Company's discretionary contributions as follows: 0% vested at one year; 20% vested at two years; 40% vested at three years; 60% vested at four years; 80% vested at 5 years; and 100% vested at six years.

MPG II LLC 401(K) PROFIT SHARING PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of 95% of one-half the vested account balance or 95% of the total vested account balance excluding Roth elective deferral balance. Under no event will the loan amount exceed \$50,000. The loans are secured by the balance in the participant's account and bear interest at rates that range from 4.25% to 6.50%, which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through semi-monthly payroll deductions.

Benefits Paid to Participants

On termination of service due to death, disability, retirement, or any other causes, the Plan allows eligible participants to receive a lump-sum amount or an unlimited number of withdrawals, including certain in-service withdrawals, from their vested account balance. In addition, vested accounts for terminated participants will be automatically distributed to the participant if the balance is less than \$5,000.

Forfeited Accounts

At December 31, 2022 and 2021, forfeited accounts totaled approximately \$9,500 and \$8,000, respectively. These accounts may be used to pay plan expenses, reduce employer contributions or as an employer profit sharing contribution allocation. No forfeitures were utilized for the year ended December 31, 2022.

NOTE 2 - Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") under the accrual basis of accounting and is in compliance with the Accounting Standards Codification ("ASC") of the Financial Accounting Standards Board ("FASB").

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustee determines the Plan's valuation policies utilizing information provided by the investment advisors and custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

MPG II LLC 401(K) PROFIT SHARING PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

Net Appreciation (Depreciation) on Fair Value of Investments

Net unrealized appreciation (depreciation) and net realized gains (losses) on investments are recorded in the accompanying statement of changes in net assets available for benefits as net appreciation (depreciation) in fair value of investments. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are reclassified as a distribution based upon the terms of Plan document. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net depreciation in fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through October 16, 2023, the date the financial statements were available to be issued.

NOTE 3 - Investments

During 2022, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) depreciated in value as follows:

Mutual funds	\$ <u>(2,344,072)</u>
--------------	-----------------------

NOTE 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of fair the fair value hierarchy under ASC Topic 820, *Fair Value Measurement*, are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;

MPG II LLC 401(K) PROFIT SHARING PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There were no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Mutual funds are priced, and trades are executed at the published net asset value daily, or the public offering price for accounts trading under rights of accumulation. The trustee uses prices obtained from the National Securities Clearing Corporation ("NSCC") and various transfer agents in valuing the positions. The net asset values used for valuation purposes are widely available from a variety of pricing services.

The methods described may produce a fair value estimate that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

	Assets at Fair Values as of December 31, 2022	
	<u>Total</u>	<u>Level 1</u>

Mutual funds	\$ 11,014,481	\$ 11,014,481

NOTE 5 - Information Certified by the Plan's Trustee (Unaudited)

In accordance with the provisions of 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for reporting and Disclosure under ERISA, the trustee has provided and certified that the following information included in the financial statements and supplemental schedule is complete and accurate at December 31, 2022 and 2021 and for the year ended December 31, 2022:

- Statement of Net Assets Available for Benefits - all investments and notes receivable from participants.
- Statement of Changes in Net Assets Available for Benefits - net depreciation in fair value of investments and interest.
- Supplemental Schedule - all investments and notes receivable from participants.

NOTE 6 - Related-Party Transactions and Party in Interest Transactions

Mid Atlantic Trust Company is the trustee as defined by the Plan and, therefore, any transactions with the trustee qualify as party in interest transactions. There were no Plan investments managed by the trustee.

NOTE 7 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer's contributions allocated to their account.

NOTE 8 - Tax Status

The Plan obtained its opinion letter on a prototype plan approved by the Internal Revenue Service (the "IRS"), effective August 31, 2020. The IRS stated that the prototype plan and related trust, as designed, was in compliance with the applicable sections of the IRC. Although the Plan has been amended since receiving the IRS opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by applicable taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require adjustment to or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

NOTE 9 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 – Reconciliation of the Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022 to Form 5500:

Net assets available for benefits per the financial statements	\$	15,226,231
