Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Securus 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Securus 401(k) Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Securus 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Securus 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Securus 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Securus 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**SECURUS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 1 DESCRIPTION OF PLAN

The following description of Securus 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was organized effective September 1, 2000, as a multiple employer defined contribution retirement savings plan covering all eligible employees of participating Co-employers. The Plan has been amended throughout the years to comply with tax legislation. The Plan was most recently amended and restated in its entirety effective February 20, 2023. Tilson HR, Inc. (the Plan Sponsor) makes the Plan available under a co-employment arrangement with those companies (Co-employers) that elect to participate in the Plan. Each participating Co-employer has established participation requirements for its affected employees, independently of other Co-employers participating in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Plan participants may authorize the Co-employers to contribute to the Plan up to 100% of their annual compensation, subject to the maximum annual amount permitted under the Internal Revenue Code (IRC). Such amounts may be contributed as pre-tax 401(k) or Roth contributions to the Plan. Participants who attain age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make rollover contributions from amounts representing distributions from other qualified plans.

The Plan includes an auto-enrollment provision that can be elected by each Co-employer. If elected by the Co-employers, newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their contribution rate set at 3% of eligible compensation and their contributions are invested in a designated fund until an investment election is made by the participant.

Matching contributions may be made based on criteria established by each Co-employer's Board of Directors before the beginning of each Plan year. Additional amounts may also be contributed at the option of each Co-employer's Board of Directors at the end of each Plan year and allocated to participants' accounts based upon annual compensation within each Co-employer's participant group.

Participants direct the investment of their contributions, as well as those made by the Co-employers, into various investment options offered by the Plan.

Amounts payable to participants for contributions in excess of amounts allowed under the IRC are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the excess contributions at December 31 to the applicable participants prior to March 15 of the subsequent year.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contributions and Co-employers' contributions, as well as allocations of Plan earnings or losses. Participant accounts may also be charged with an allocation of certain administrative expenses of the Plan. Allocations are based on participant earnings or account balances, or specific participant transactions, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Co-employers' contribution portion of their account is based on years of continuous service. A participant is generally 100% vested after six years of credited service. Vesting schedules are determined by each Co-employer for its participant group.

Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. The terms of the notes range up to five years except notes issued to purchase a principal residence, for which the terms generally cannot exceed 15 years. The notes are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through regular payroll deductions.

Payment of Benefits

Upon the occurrence of a distributable event due to separation from service by termination, death, disability, or retirement, as defined by the Plan agreement, a participant may elect to receive a lump sum cash distribution equal to the value of the participant's vested interest in his or her account. Hardship and in-service withdrawals, as defined in the Plan agreement, are also permitted from a participant's account. The Plan allows in-service distributions at any time for participants who are 100% vested and age 59½. If a participant terminates employment and the participant's account balance does not exceed \$5,000, the Plan Sponsor may authorize that the benefit payment be rolled into an individual retirement account in the participant's name.

Forfeited Accounts

At December 31, 2023 and 2022, forfeited nonvested accounts of terminated participants totaled \$23,830 and \$15,499, respectively. These accounts will be used to reduce future Co-employer contributions or pay Plan expenses. For the years ended December 31, 2023 and 2022, forfeited nonvested accounts of \$4,912 and \$5,930, respectively, were used to reduce Co-employer contributions, and \$23,790 and \$17,765, respectively, were used to reduce Plan expenses.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Plan Termination

Although they have not expressed any intent to do so, the Plan Sponsor or Co-employers have the right under the Plan to discontinue their contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants will become 100% vested in their accounts.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. Delinquent notes are treated as distributions based upon the terms of the Plan agreement.

Payment of Benefits

Benefits are recorded when paid.

Plan Expenses

Administrative expenses for maintaining the Plan may be paid by the participating Co-employers or the Plan, at the co-employers' discretion. Loan administration fees and benefit payment processing fees are charged directly to the participant's account and are included in administrative expenses.

**SECURUS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events

Management evaluated subsequent events through September 26, 2024, the date the financial statements were available to be issued.

Subsequent to December 31, 2023, and prior to September 26, 2024, approximately \$3,818,000 of Plan assets were transferred to co-employers plans and no significant amount of assets were transferred into the Plan.

NOTE 3 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement. In situations where there is little or no market activity for the asset or liability, the Plan makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

**SECURUS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used by the Plan for investment assets that are measured at fair value on a recurring basis. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds: Investments in the mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Following is a summary within each level of the fair value hierarchy of the Plan's investment assets that are measured at fair value on a recurring basis as of December 31:

2023			
	Level 1	Level 2	Level 3
Mutual Funds	\$ 47,316,087	\$ -	\$ -
			Total
			\$ 47,316,087

2022			
	Level 1	Level 2	Level 3
Mutual Funds	\$ 40,511,204	\$ -	\$ -
			Total
			\$ 40,511,204

NOTE 4 PLAN TAX STATUS

The Plan is placing reliance on an opinion letter from the Internal Revenue Service (IRS) on the prototype plan indicating that the Plan is qualified under Section 401 of the IRC and is, therefore, not subject to tax under current income tax law. The prototype plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

SECURUS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 5 PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Fidelity Investments (Fidelity). Fidelity is the custodian as defined by the Plan and, therefore, the investment transactions qualify as exempt party-in-interest transactions under ERISA. In addition, certain Plan investments are managed by Slavic Mutual Fund Management Corp. (Slavic), the Plan's portfolio manager. Therefore, transactions in these investments qualify as exempt party-in-interest transactions under ERISA.

As described in Note 2, fees are incurred by the Plan for recordkeeping services, and for the administration of notes receivable from participants and benefit payments, which are paid to Slavic. Administrative fees paid by the Plan to the Slavic totaled \$250,776 and \$222,153 in 2023 and 2022, respectively.

The Plan Sponsor oversees certain accounting, administrative, and investment management services provided by third parties to the Plan for which it received \$21,191 in 2023 and \$20,801 in 2022, which was subsequently remitted to the third parties. Such amounts are included in administrative expenses in the accompanying statements of changes in net assets available for benefits.

Notes receivable from participants are permitted party-in-interest transactions.

NOTE 6 RISKS AND UNCERTAINTIES

The Plan's investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Plan's financial statements.

NOTE 7 ASSETS TRANSFERRED FROM/TO CO-EMPLOYERS PLANS

The Plan Sponsor is a Professional Employer Organization (PEO) who provides comprehensive human resource services to its clients. One of these client offerings is the option to participate in the Plan. As a result, these clients, who are considered co-employers of the Plan, elect to have their 401(k) assets transferred in or out of the Plan. These transactions occur in the normal course of operations of the Plan.
