One Community Bank 401(k) Retirement Plan

Financial Statements
and Supplemental Schedule

Year Ended December 31, 2023

Independent Auditor's Report

To the Plan Administrator
One Community Bank 401(k) Retirement Plan
McFarland, Wisconsin

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of One Community Bank 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of One Community Bank 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of One Community Bank 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about One Community Bank 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of One Community Bank 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about One Community Bank 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

One Community Bank 401(k) Retirement Plan

Notes to the financial statements

Note 1: Description of Plan

The following description of the One Community Bank 401(k) Retirement Plan (the "Plan") provides only general information. For a more complete description of the Plan, participants should refer to the Plan Document or Summary Plan Description.

General

The Plan is a participant-directed defined contribution plan covering all employees of One Community Bank (the "Sponsor") who are not members of an excluded class. Employees are eligible to defer on the first day of the month after reaching the age of 21. Employees are eligible to receive the Sponsor matching and profit sharing contributions on the first day of the month after 6 months and 1,000 hours of service, if age 21. For 2022, in addition to these requirements, employees must be employed on the last day of the Plan year to receive Sponsor matching and profit sharing contributions. As of January 1, 2023 the Plan was changed to a Qualified Automatic Contribution Arrangement ("QACA") Plan. Under the QACA Plan employees are automatically enrolled at a 6% deferral rate and employees are eligible to receive the Sponsor safe harbor matching contributions on the first day of the month after 6 months, if age 21. The Sponsor safe harbor match under the QACA Plan is paid on a per pay period basis and employees do not need to be employed on the last day of the Plan year to be eligible. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. The Sponsor is the Plan Administrator and Trust Point, Inc. is the Plan's trustee and holds the Plan's investment assets and executes investment transactions. Trust Point, Inc. is also the Plan record keeper.

Contributions

Pretax and Roth deferrals are permitted up to the maximum amount allowed by the Internal Revenue Service ("IRS"). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Sponsor elected to match 100% up to 3.5% of eligible compensation that a participant contributes to the Plan. For the year ended December 31, 2023, the Sponsor made matching contributions of \$369,232 to the Plan. Additional profit sharing contributions may be made at the discretion of the Sponsor's Board of Directors. There were no profit sharing contributions for 2023.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Sponsor's contributions, and earnings (losses) thereon. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings (losses), account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes to the financial statements

Note 1: Description of Plan (Continued)

Vesting

Beginning in 2023, under the QACA plan, employees are 100% vested in Sponsor safe harbor contributions after two years of service.

For Sponsor contributions through December 31, 2022, participants are immediately vested in their voluntary contributions plus actual earnings (losses) thereon. Vesting in the Sponsor's contribution portion of their accounts plus actual earnings (losses) thereon is based on years of continuous service. Sponsor contributions vest according to the following schedule:

Years of service	Vesting percentage
1	- %
2	20 %
3	40 %
4	60 %
5	80 %
6	100 %

Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The notes are secured by the balance in the participant's account and are granted at an interest rate of prime plus 1.00%. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon termination of service for any reason, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump sum. In addition, hardship distributions out of the participant's voluntary contributions account are permitted if certain criteria are met. The Plan also allows for in-service distributions upon attaining age 59 1/2.

Forfeitures

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$25,823 and \$24,530, respectively. These accounts may be used to reduce future Sponsor contributions or to pay administrative expenses of the Plan in accordance with the Plan Document.

Notes to the financial statements

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Sponsor. Expenses that are paid by the Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are allocated proportionately to Plan participants based on their respective account balances and are included in net appreciation in fair value of investments.

Note 2: Summary of Significant Accounting Policies (Continued)

Subsequent Events

The Plan has evaluated subsequent events through August 20, 2024, which is the date the financial statements were available to be issued.

Effective February 2, 2024, the Farmers State Bank 401(k) Plan was merged into the Plan as a result of a common-control merger by the Sponsor. In connection with the acquisition, all assets and participant account balances of the Farmers State Bank 401(k) Plan, totaling \$1,230,499, merged in with the assets of the Plan held by Trust Point, Inc. in accordance with ERISA guidelines.

Note 3: Information Prepared and Certified by the Trustee

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest income from notes receivable, and interest and dividends for the year ended December 31, 2023, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Trust Point, Inc.

Note 4: Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.

One Community Bank 401(k) Retirement Plan

Notes to the financial statements

Note 4: Fair Value Measurements (Continued)

- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs that are unobservable inputs for the asset or liability.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2023 and 2022.

Money markets: Valued at net asset value ("NAV") of \$1.00.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust fund: Fair value is estimated using NAV as a practical expedient. NAV is determined by using the fair values of the underlying assets held in the Fund at year-end. The use of NAV as fair value is deemed appropriate since the collective trust funds do not have finite lives, unfunded commitments relating to these types of investments, or significant restrictions on redemptions.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2023 and 2022. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Fair value	Fair value
Money markets	\$ 668,308	\$ -	\$ -	\$ 668,308
Mutual funds	12,401,122	-	-	12,401,122
Total investments assets in the fair value hierarchy	\$ 13,069,430	\$ -	\$ -	\$ 13,069,430
Investment assets measured at NAV as a practical expedient				\$ 6,719
Total investment assets at fair value				\$ 13,076,149

Investment assets measured at NAV as a practical expedient				\$ 11,919
Total investment assets at fair value				\$ 10,788,413

Fair Value of Investments in Entities That Use NAV as a Practical Expedient

The following tables summarize investments measured at fair value based on NAV per share as of December 31, 2023 and 2022:

	Fair value	Unfunded commitments	Redemption frequency (if currently eligible)	Redemption notice period
December 31, 2023				
Common collective trust fund	\$ 6,719	N/A	N/A	N/A
December 31, 2022				
Common collective trust fund	\$ 11,919	N/A	N/A	N/A

Note 5: Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions and to terminate or partially terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Sponsor contributions.

One Community Bank 401(k) Retirement Plan

Notes to the financial statements

Note 6: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 7: Party-In-Interest Transactions

Trust Point, Inc. is the Trustee as defined by the Plan and, therefore, qualifies as a party-in-interest. Fees incurred and paid by the Plan for the investment management services were offset against investment income for the years ended December 31, 2023. Trustee and other fees are included in administrative expenses.

Notes receivable from participants also qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules of ERISA.

Note 8: Tax Status

The Sponsor adopted a volume submitter profit sharing Plan Document with an IRS opinion letter, which states the volume submitter Plan Document is in compliance with the applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended since the date of the opinion letter; however, the Plan Administrator believes the Plan is designed and being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.
