Independent Auditors' Report

Plan Administrator
Core & Main 401(k) Retirement Plan
St. Louis, Missouri

Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Core & Main 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities For The Audit Of The Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis For Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities For The Audit Of The Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities Of Management For The Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities For The Audit Of The Financial Statements

Except as described in the Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required By ERISA

The supplemental schedule of assets held at end of year as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CORE & MAIN 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 And 2022

1. Description Of The Plan

The following description of Core & Main 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan, sponsored by Core & Main, LP (the Company or Plan Sponsor) is a defined contribution plan covering all employees, except for employees covered by a collective bargaining agreement, unless the agreement requires the employee to be included in the Plan, leased employees and nonresident aliens. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Administration Of The Plan

Fidelity Management Trust Company (Fidelity) is the Plan's recordkeeper and Trustee.

Eligibility

Employees of the Company who are not part of a collective bargaining unit, nonresident aliens or leased employees, and are age 18 or older are eligible to participate in the Plan. The Plan provides enrollment for eligible employees immediately following the date eligibility requirements are met.

The Plan includes an automatic enrollment provision. Employees that meet the eligibility requirements will be automatically enrolled in the Plan with a default deferral rate of 3%. Automatically enrolled participants will have their deferral rate increased by 1% each year on April 1st until a deferral rate of 6% has been reached. It is the responsibility of the employee to opt out of the Plan if the employee is not interested in participating.

Contributions

Participants may make both pre-tax and Roth contributions to the Plan in an amount up to 75% of their eligible compensation, as defined in the Plan Document, or the maximum annual contribution allowed by the Internal Revenue Service (IRS). The Plan also allows pre-tax contributions representing distributions from other qualified plans (rollover). Participants who attain the age of 50 during the Plan year are permitted to make catch up contributions.

CORE & MAIN 401(k) RETIREMENT PLAN

Notes To Financial Statements (*Continued*)

The Company makes discretionary matching contributions to each eligible participant. The discretionary match equals 50% of the first 6% of eligible compensation contributed by participants.

The Company makes true-up contributions to the Plan to ensure all participants receive the maximum matching contribution. For the years ended December 31, 2023 and 2022, the Company made true-up contributions of \$550,671 and \$849,487, respectively, and are included within the Company matching contribution receivable balance on the statement of net assets available for benefits.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company contributions, and an allocation of Plan earnings (losses) and certain administrative expenses. Allocations are based on the investment election percentages selected by each participant. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Notes Receivable From Participants

Participants may borrow from their accounts a minimum of \$1,000 or up to a maximum equal to the lesser of \$50,000 reduced by the highest outstanding loan balance in their account during the prior twelve month period or 50% of their vested balance. Only one outstanding loan is allowed at any given time. Loan terms range from 1 to 5 years or up to 15 years for the purchase of a personal residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest are paid ratably through payroll deductions.

Vesting

Participants are fully vested in their contributions plus earnings thereon at all times. For Company contributions, participants become fully vested after three years of credited service.

In the event of the participant reaching normal retirement age (age 65), death, or becoming disabled, the participant will automatically become fully vested.

Forfeitures

Forfeited balances of terminated participant nonvested accounts are used to pay Plan expenses and to reduce Company contributions. The Company used \$35,829 and \$28,488 to pay administrative expenses during December 31, 2023 and 2022, respectively. Employer contributions were reduced by \$197,626 and \$324,030 for the years ended December 31, 2023 and 2022, respectively. Forfeitures available for future use amounted to \$474,799 and \$267,338 as of December 31, 2023 and 2022, respectively.

Investment Options

Participants direct contributions, including Company contributions, to any of the investment options offered by the Plan. Participants may change their investment mix on future contributions or balances at any time throughout the year.

Payment Of Benefits

Upon termination of employment, attainment of normal retirement age, death or disability, a participant can elect to receive a lump sum amount equal to the participant's vested amount in their account as of the valuation date, or a partial payment from the participant's account. If the participant's vested interest in the Plan is less than \$5,000, a mandatory lump-sum distribution may be made to the participant.

In-Service Withdrawals

Participants may withdraw from the Plan that portion of their account resulting from their deferral contributions in the event of undue financial hardship. Hardship withdrawals will be approved only if they conform to the Plan provisions and established IRS safe harbors. The Plan also provides for active participants who have reached the age 59-1/2 to take a distribution no more than two times in any plan year and the account must be fully vested. In 2023, installment payments were added as an allowable form of distribution.

Administrative Expenses

Certain expenses incurred maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment related expenses are included in the net change in fair value of investments.

2. Summary Of Significant Accounting Policies

Basis Of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

CORE & MAIN 401(k) RETIREMENT PLAN

Notes To Financial Statements (*Continued*)

Estimates And Assumptions

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation And Income Recognition

Investments of the Plan are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for further discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded as earned on the accrual basis. The net change in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Contributions Receivable And Credit Loss Policy

As of January 1, 2023, the Plan adopted Accounting Standards Codification Topic 326, *Financial Instruments – Credit Losses*, using a modified-retrospective approach. The standard replaces the previous incurred loss model and requires entities to record an estimate of expected losses on financial assets for the remaining estimated life of the asset. This estimate must include consideration of historical experience, current conditions and reasonable and supportable forecasts. The standard applies to the Plan's Company matching contributions receivable. The adoption did not have a material impact on these financial statements.

The Plan has concluded that no allowance for current expected credit losses was necessary at December 31, 2023 and no allowance for doubtful accounts was necessary at December 31, 2022.

Payment Of Benefits

Benefits are recorded when paid.

Subsequent Events

Management evaluates subsequent events through the date the financial statements are available for issue, which is the date of the Independent Auditors' Report.

3. Certified Financial Information

The following is a summary of the Plan's asset information as of December 31, 2023 and 2022, and for the years then ended, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information certified by the Trustee and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the Trustee that the information provided to the Plan Administrator related to the following information is complete and accurate.

Accordingly, as permitted by CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and supplemental schedule related to the following assets as of December 31:

	<u>2023</u>	<u>2022</u>
Mutual funds	\$ 206,534,122	\$ 168,869,835
Money market fund	13,420,937	14,881,993
Self-directed brokerage account	5,283,191	2,437,991
Collective trust funds	167,147,719	122,766,431
Pooled separate account	6,731,990	6,620,109
Notes receivable from participants	6,479,609	5,424,929

The Trustee also certified to the completeness and accuracy related the following investment income (loss) and interest income on notes receivable from participants for the years ended December 31:

	<u>2023</u>	<u>2022</u>
Interest and dividend income	\$ 6,378,055	\$ 8,624,965
Net change in fair value of investments	50,688,354	(67,907,163)
Interest income on notes receivable from participants	380,308	290,357

4. Fair Value Measurements

The Plan follows accounting rules relating to fair value measurements, which establish a framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | <p>Inputs to the valuation methodology include:</p> <ul style="list-style-type: none">• Quoted prices for similar assets or liabilities in active markets;• Quoted prices for identical or similar assets or liabilities in inactive markets;• Inputs other than quoted prices that are observable for the asset or liability;• Inputs that are derived principally from or corroborated by observable market data by correlation or other means. <p>If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.</p> |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

CORE & MAIN 401(k) RETIREMENT PLAN

Notes To Financial Statements *(Continued)*

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money Market Fund

The Plan's investment in the money market fund is valued at the NAV of shares held by the Plan at year end based upon quoted market prices.

Self-Directed Brokerage Account

The brokerage option lets participants invest in a wide array of securities consisting primarily of mutual funds, common and preferred stock, unit investment trusts and money market funds. The self-directed brokerage account is valued based on the daily closing price of each underlying investment.

Collective Trust Funds

Valued at the NAV of units of a collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust funds, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure the securities liquidation will be carried out in an orderly business manner. No redemption restrictions are noted, but during certain circumstances a redemption notice of 12 months may be required. The collective trust funds file an annual report on Form 5500 as a direct filing entity, and there are no capital commitments.

CORE & MAIN 401(k) RETIREMENT PLAN

Notes To Financial Statements *(Continued)*

Pooled Separate Account

Valued at the NAV of units held by the Plan at year end. The NAV is determined by dividing the net assets, at fair value, of the fund by the number of units outstanding on the day of valuation. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. The pooled separate account may be redeemed by participants daily at NAV with no advanced redemption notice required. The pooled separate account files an annual report on Form 5500 as a direct filing entity, and there are no unfunded commitments.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of:

	December 31, 2023			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 206,534,122	\$ —	\$ —	\$ 206,534,122
Money market fund	13,420,937	—	—	13,420,937
Self-directed brokerage account	5,283,191	—	—	5,283,191
Total Assets Included In The Fair Value Hierarchy	\$ 225,238,250	\$ —	\$ —	225,238,250
Investments measured at net asset value (a)				173,879,709
Total Investments At Fair Value				\$ 399,117,959

	December 31, 2022			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 168,869,835	\$ —	\$ —	\$ 168,869,835
Money market fund	14,881,993	—	—	14,881,993
Self-directed brokerage account	2,437,991	—	—	2,437,991
Total Assets Included In The Fair Value Hierarchy	\$ 186,189,819	\$ —	\$ —	186,189,819
Investments measured at net asset value (a)				129,386,540
Total Investments At Fair Value				\$ 315,576,359

- (a) Investments in collective trust funds and a pooled separate account are measured at fair value using the NAV per share (or its equivalent) as a practical expedient, and therefore have not been categorized in the fair value hierarchy. The fair value amounts presented on this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

There have been no changes in valuation methodologies used at December 31, 2023 or 2022.

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

CORE & MAIN 401(k) RETIREMENT PLAN

Notes To Financial Statements *(Continued)*

6. Party In Interest Transactions

Certain Plan investments are managed by Fidelity. In addition, certain participants have outstanding loans with the Plan as of December 31, 2023 and 2022. These transactions are considered party in interest transactions allowable under ERISA.

7. Income Tax Status

The Plan Sponsor has adopted a non-standardized pre-approved plan provided by the Plan's recordkeeper. The pre-approved plan received an opinion letter dated June 30, 2020 from the IRS stating that the pre-approved plan is qualified under the Internal Revenue Code (IRC). The Plan Administrator has determined that it is eligible to and has chosen to rely on the current IRS pre-approved plan opinion letter. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The pre-approved plan and the Plan has been amended since the opinion letter was issued. However, the Plan Sponsor believes the Plan is being operated in compliance with the applicable requirements of the IRC and therefore, believes that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Reconciliation Of Financial Statements To Form 5500

The following is a reconciliation of the net assets available for benefits per the financial statements to the Form 5500:
