INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Windsor Fashions 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Windsor Fashions 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Windsor Fashions 401(k) Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Windsor Fashions 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Windsor Fashions 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Windsor Fashions 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule of Delinquent Participant Contributions for the year ended December 31, 2023 and Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

1 - DESCRIPTION OF PLAN

The following description of Windsor Fashions 401(k) Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established as a defined contribution plan for the benefit of the employees of Windsor Fashions, Inc. (the "Company" or "Plan Sponsor") under Section 401(k) of the Internal Revenue Code (the "Code"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan covers substantially all employees of the Company who have completed at least one year of service and are 21 years of age or over. Employees may enter the Plan on a quarterly basis. The entry dates are the first day of the quarter following the date the employee meets the eligibility requirements. The Company's Board of Directors is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Company's Board of Directors.

The Plan's 401(k) asset custodian is Mid Atlantic Trust Company.

The recordkeeping functions are performed by Wipfli ("Third Party Administrator" or "Record Keeper").

Contributions

Participants may elect to make pre-tax 401(k) and/or after-tax Roth IRA contributions between 1% and 100% of their eligible compensation to the Plan each year; however, the total amount of the contribution generally may not exceed the IRS limit of \$22,500 for the year ended December 31, 2023. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions of up to \$7,500 in addition to the IRS limit for the year ended December 31, 2023. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Plan's provisions allow the Company to make discretionary matching and profit-sharing contributions for eligible participants. For the year ended December 31, 2023, the Company made \$1,063,844 in discretionary matching and profit-sharing contributions to the Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions and, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1 - DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's discretionary matching and profit-sharing contributions and earnings thereon is based on years of service according to the following:

<u>Years of Service</u>	<u>Vested %</u>
1	25%
2	50%
3	75%
4	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Notes receivable are secured by the balance of the participant's account and bear fixed rates of interest of 1% over the Prime Rate published in the Wall Street Journal on the first business day of the month the loan is originated. The maximum loan term is five years unless the loan qualifies as a principal residence loan, in which case the loan is not to exceed fifteen years. Principal and interest are paid ratably through payroll deductions. As of December 31, 2023, notes receivable bear interest at 4.25%-9.50% with maturity dates through 2037.

Payment of Benefits

If a participant's employment with the company ceases as a result of termination, normal retirement, death or disability, the participant or the participant's beneficiaries are entitled to the participant's vested account balance. Participants or their beneficiaries may receive benefit payments in a lump-sum distribution or partial basis, not to exceed the participant's or beneficiary's life expectancy.

In-service distributions may be made from any of the participants' vested accounts at any time for a hardship. Events that qualify for a hardship withdrawal are as follows: to cover necessary medical expenses, for costs directly related to the purchase of the participant's primary residence, for expenses related to post-secondary education, for payments necessary to prevent the participant's eviction from or foreclosure of the primary residence, burial or funeral expenses for deceased family members, or expenses for repair or damage of participant's primary residence.

Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA.

Forfeited Accounts

If an employee terminates before his or her account becomes fully vested, such portion of the account is forfeited. Forfeitures may first be used to pay for the Plan's administrative expenses, and any remaining amount will be used to reduce future employer matching contributions. For the year ended December 31, 2023, amounts totaling \$67,226 were forfeited, and \$19,754 and \$44,239 were used to reduce the employer contributions and pay administrative expenses, respectively.

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between the market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in fair value of investments consists of both realized gains or losses, and unrealized appreciation and depreciation of those investments.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

Administrative Expenses

Certain administration and recordkeeping expenses incurred are paid by the Plan. Fees related to administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation or depreciation in fair value of investments. Expenses paid directly by the Company are excluded from these financial statements.

Excess Contributions Payable

Amounts payable to participants for contributions made in excess of the amounts allowed by the IRS are recorded as liabilities with a corresponding reduction to contributions.

3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1), and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1- Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023, and 2022.

- *Mutual funds*: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended funds registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and are classified as Level 1 investments.

3 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023, and 2022.

Assets at Fair Value as of December 31, 2023

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$10,384,212</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$10,384,212</u>
Total investments, at fair value	<u>\$10,384,212</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$10,384,212</u>

Assets at Fair Value as of December 31, 2022

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 6,153,914</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 6,153,914</u>
Total investments, at fair value	<u>\$ 6,153,914</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 6,153,914</u>

4 - TAX STATUS

The Plan document is a volume submitter defined contribution plan that received a favorable opinion letter from the Internal Revenue Service on June 30, 2020, which stated that the Plan, as then designed, was in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there were no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

5 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rates, market volatility, and credit risk. It is reasonably possible, given the level of risks associated with investment securities that changes in value may result in the near term which could materially affect a participant's account balance, and the amounts reported in the financial statements.

6 - INVESTMENTS CERTIFIED BY THE ASSET CUSTODIAN (UNAUDITED)

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan's asset custodian has certified to the completeness and accuracy of:

- Investments reported on the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022.
- Net appreciation in fair value of investments and the related interest and dividends reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2023.
- Investments reported on the supplemental Schedule of Assets (held at end of year).

7 - PARTY-IN-INTEREST TRANSACTIONS

A party-in-interest is defined as a fiduciary or employee of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or a relative of such persons mentioned.

The Plan Sponsor, third-party administrator and asset custodian are parties-in-interest.

Fees paid by the Plan to the third party administrator were \$142,066 for the year ended December 31, 2023, and are included in administrative expenses.

There were no transactions with the Plan Sponsor.

Notes receivable from participants qualify as party-in-interest transactions but are exempt from the prohibited transaction rules of ERISA.

8 - COVID -19

The COVID-19 pandemic has waned, but economic uncertainties caused by the pandemic remain, which could potentially have negative impacts on investment markets. The Plan Sponsor continues to monitor its impact as consumer purchasing activities and the Plan Sponsor's supply chain management capabilities may have been negatively impacted. The related financial impact cannot be reasonably estimated at this time.

9 - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through September 23, 2024, the date which the financial statements were available to be issued.
