INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Three Z Printing Co. Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Three Z Printing Co. Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of delinquent participant contributions for the year ended December 31, 2023, and schedule of assets (held at end of year) as of December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THREE Z PRINTING CO. RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 1 — DESCRIPTION OF PLAN

The following description of the Three Z Printing Co. Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Three Z Printing Co. (the Company) who have one year of service and are twenty-one or older. Leased and non-resident aliens are not eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

John Hancock Trust Company (John Hancock) is the custodian and trustee of the Plan. The Company is the plan administrator and has overall responsibility for the operation and administration of the Plan. The plan administrator determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions

Participants may contribute up to 75% of annual eligible compensation, as defined in the Plan. Unless an eligible employee affirmatively elects otherwise, the employee will be automatically enrolled in the Plan at a deferral rate of 4% of eligible compensation. The Company automatically increases participants' deferral contributions by 1% on the anniversary date of the enrollment in managed savings, up to a maximum contribution rate of 10%, unless the participant opts out of the automatic increase. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also elect to make after-tax contributions to a Roth Account.

The Company's matching contributions are discretionary and determined as a percentage of participant elected deferrals. For the year ended December 31, 2023, the Company matched 20% of participant contributions. Effective January 1, 2023, the Company contribution is limited to \$1,500 per participant.

Discretionary profit-sharing contributions are determined annually by the Company's Board of Directors. Profit-sharing contributions are allocated to each participant based upon the ratio of the participant's compensation to the total compensation of eligible participants. Participants must be employed on the last day of the year to participate in profit-sharing contributions. The maximum contribution shall not exceed 15% of the participant's compensation, up to \$150,000. Profit sharing contributions were \$290,948, net of forfeitures of \$9,052, for the year ended December 31, 2023 and were allocated to participant accounts in February 2024.

Contributions are subject to certain limitations. Participants may also transfer funds to the Plan from other qualified retirement plans.

Investment Options

Participants of the Plan elect investment accounts in which their contributions, as well as Company contributions, are invested. The investment account options comprise various degrees of risk and return.

NOTE 1 — DESCRIPTION OF PLAN (Continued)

Participant Accounts

Each participant's account is credited with the participant's contribution, Company matching and profit-sharing contributions, and investment earnings based on their selected investments. Participant accounts may be charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Loans

Participants may not borrow from their accounts.

Vesting

Participants are vested immediately in their contributions plus earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of service, as follows:

<u>Years of Service</u>	<u>Vesting %</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Payment of Benefits

On termination of service due to death, disability or retirement, participants may elect to receive an amount equal to the value of the vested interest in their accounts in either a lump-sum amount or in installments, depending on the size of the participant's account balance at the time of termination. Participants with a vested account balance of less than \$1,000 must take a lump-sum distribution. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account in a lump-sum distribution.

The Company may authorize certain withdrawals from a participant's account in the event of proven financial hardship. Hardship withdrawals are subject to specific statutory and regulatory requirements.

Forfeited Accounts

Forfeited balances of terminated participants' nonvested accounts are used to reduce Company contributions. However, if the participant is re-employed and fulfills certain requirements, as defined in the Plan, the participant's account will be reinstated. Any remaining forfeitures may be used to pay plan expenses. Unallocated forfeitures were \$6,271 and \$7,644 at December 31, 2023 and 2022, respectively. Forfeitures of \$9,052 were used to reduce the Company profit sharing contributions accrued at December 31, 2023 and paid in February 2024.

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions from participants are recorded in the year in which the employee contributions are withheld from compensation. Contributions from the Company are recorded in the year in which the related participant's wages are paid.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Plan expenses primarily consist of recordkeeping fees. Investment related expenses are included in net depreciation of fair value of investments. Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements.

Subsequent Events

Subsequent events were evaluated through September 30, 2024, which is the date the financial statements were available to be issued.

NOTE 3 — FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: valued at the daily closing price reported by the fund, which is the quoted net asset value (NAV) of shares.

Common/collective trusts: valued at the NAV of units of the fund, which is based on the estimated market value of the underlying investments less its liabilities. The funds are valued at NAV, the practical expedient to estimate fair value. Participant transactions may occur daily.

	<u>\$ 14,978,194</u>	<u>\$ 8,548,819</u>	<u>\$ -</u>	<u>\$ 23,527,013</u>

NOTE 4 — CERTIFIED BY TRUSTEE

Information regarding investments held at December 31, 2023 and 2022, and net appreciation in fair value of investments and dividends for the year ended December 31, 2023, disclosed in the accompanying financial statements and supplemental schedules, was obtained or derived from data provided to the plan administrator and certified to as complete and accurate by John Hancock.

NOTE 5 — PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are interests in mutual funds and common/collective trusts managed by the trustee for the Plan. These transactions qualify as party-in-interest transactions. Fees paid by the Plan to the trustees for contract administration, investment advisory and management services, and recordkeeping services were \$44,371 for the year ended December 31, 2023.

NOTE 6 — PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Company contributions.

NOTE 7 — TAX STATUS

The Company has adopted a pre-approved defined contribution plan, and therefore, can rely on the advisory letter issued by the Internal Revenue Service on June 30, 2020, which stated that the plan is acceptable under section 401 of the Internal Revenue Code. Management believes that the Plan is operating in compliance with all the terms provided in the nonstandardized plan agreement.

The Plan is subject to examination by the IRS for the statutory period.

NOTE 8 — RISKS AND UNCERTAINTIES

The Plan invests in various types of investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 — RECONCILIATION TO FORM 5500

Form 5500 is prepared on the cash basis of accounting. The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500:

	December 31,

Contributions Receivable at December 31, 2023	(290,948)
Total Contributions per Form 5500	<u>\$ 1,493,904</u>

NOTE 10 — DELINQUENT CONTRIBUTIONS

During the year ended December 31, 2023, the Company failed to timely remit to the Plan's custodian certain employee contributions totaling \$128,467 due to administrative difficulties with its service providers. Participant accounts were fully restored with lost earnings during the year ended December 31, 2023.
