## Independent Auditor's Report

The Plan Administrator  
St. Anne Home Employees' Retirement Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of St. Anne Home Employees' Retirement Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in *Note 4* to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule H, Line 4i —Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance

with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# St. Anne Home Employees' Retirement Plan

## Notes to Financial Statements

December 31, 2023

### **1. Description of the Plan**

The following description of the St. Anne Home Employees' Retirement Plan (Plan) provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

#### **General**

The Plan is a defined contribution plan which provides retirement benefits for substantially all employees of the Saint Anne Home of the Diocese of Fort Wayne–South Bend, Inc. (Company).

An employee becomes eligible to enter the Plan immediately upon employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

#### **Contributions**

Participants may make voluntary pre-tax or after-tax Roth contributions as a percentage of eligible compensation, up to the annual dollar limits set by the Internal Revenue Code. Participants age 50 or older are able to make additional catch-up contributions to the Plan up to the maximum amount permitted by law. The Plan allows for rollover contributions and for eligible participants to make catch-up contributions in accordance with Internal Revenue Service (IRS) regulations. Participants direct the investment of their contributions into various investment options offered by the Plan. Additionally, the Plan allows participants to change the amount of their contribution or elect to stop contributing on any date.

The Company provides a discretionary matching contribution equal to a percentage of the participants' salary reduction. To become eligible for the Company match, an employee must have attained 21 years of age and completed one year of service of 1,000 hours or more. Once a participant is eligible, the discretionary Company matching contribution begins on the first day of the next month. For the years ended December 31, 2023 and 2022, the matching contribution was equal to 50 percent of salary deferrals up to 5 percent of eligible compensation.

#### **Investment Options**

Participants can direct that their pre-tax and Company contributions, plus earnings or losses thereon, be invested in any of the participant directed investment options offered pursuant to the Plan. The Plan allows participants to change their investment elections on a daily basis.

The investments of the Plan consist of diverse portfolios with no significant concentration of risk by issuer, industry, or geographic location.

# St. Anne Home Employees' Retirement Plan

## Notes to Financial Statements (continued)

### 1. Description of the Plan (continued)

#### Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and Plan earnings (losses), and is charged with his or her withdrawals and an allocation of other administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### Vesting

Participants are immediately vested in their contributions, including rollovers, plus actual investment earnings or losses thereon. Vesting in the Company's matching contribution is based upon years of service. Participants become 20 percent vested in the Company's contribution after one year of service and increase by 20 percent each year, until they become 100 percent vested after 5 years of service.

#### Forfeitures

Participants who terminate employment prior to becoming fully vested must forfeit a percentage of their employer contribution amount. These forfeitures are used to reduce employer contributions or pay Plan administrative expenses. During the year ended December 31, 2023 and 2022, forfeitures totaling approximately \$9,673 and \$14,926, respectively, were used to reduce Plan administrative expenses. At December 31, 2023 and 2022, there was \$5 and \$165, respectively, in the forfeiture account to pay Plan administrative expenses or reduce future employer contributions.

#### Benefit Payments

Normal retirement age under the Plan is 65 years, with the option to withdraw funds at the age of 59½. On termination of service or retirement, a participant has the following options regarding his or her value of the vested interest: a) receive a lump-sum payment, b) rollover the balance into another qualified plan, or c) remain in the Plan as an inactive participant. However, if a terminated participant's vested account balance is \$1,000 or less and they have not elected a rollover, they will receive a lump-sum distribution. If a participant is still a current employee and has not yet reached retirement age, the participant (or beneficiary) can only withdraw funds in the event of death, a disability which prevents them from working, or through a hardship withdrawal. Hardship withdrawals are only allowed from the fully vested portion of a participant's account balance with certain restrictions, as outlined in the Plan document.

### Notes to Financial Statements (continued)

#### **1. Description of the Plan (continued)**

##### **Plan Termination**

Although the Company has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan termination, participants will become 100 percent vested in their employer contributions.

#### **2. Significant Accounting Policies**

##### **Basis of Accounting**

The financial statements have been prepared on the accrual basis of accounting.

##### **Investments**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See *Note 5* for discussion of fair value measurements.

Purchases and sales of securities are accounted for on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Capital gains distributions are included in dividend income.

The Plan includes in the statements of changes in assets available for benefits the net appreciation (depreciation) in the fair value of its investments, which consists of the realized gains (losses) and the unrealized appreciation (depreciation) on those investments. Unrealized appreciation or depreciation in the aggregate fair value of investments represents the change in the difference between aggregate fair value and the cost of investments, including reinvestment of earnings. The realized gain or loss on sale of investments is the difference between the proceeds received and the average cost of investments sold.

##### **Benefit of Payments**

Benefits are recorded when paid.

## St. Anne Home Employees' Retirement Plan

### Notes to Financial Statements (continued)

#### **2. Significant Accounting Policies (continued)**

##### **Administrative Expenses**

Certain expenses of maintaining the Plan were paid directly by the Company and excluded from these financial statements. Plan recordkeeping fees are paid by the Plan and are reflected in the financial statements as administrative expenses. Investment management fees are charged to the Plan as a reduction of investment return and included in the investment income (loss) reported by the Plan.

##### **Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities may occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of assets available for benefits.

##### **Use of Estimates**

Preparation of the Plan's financial statements requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from these estimates.

##### **Reclassifications**

Certain 2023 amounts have been reclassified to conform with the 2022 presentation.

#### **3. Income Tax Status**

The plan administrator believes that the Plan, as amended, is being operated in compliance with the applicable requirements of Section 403(b) of the Internal Revenue Code and, therefore, believes that the Plan is qualified and the related trust is tax exempt and the Plan has no income subject to unrelated business income. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained

upon examination by the taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to December 31, 2020.

#### 4. Investments

Certain information related to investments disclosed in the accompanying financial statements and schedule, including investments held at December 31, 2023 and 2022 and net appreciation (depreciation) in fair value of investments and interest and dividend income for the years then ended, were obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Charles Schwab Bank, the custodian of the Plan.

#### 5. Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820 (ASC 820), *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

- Level 1    Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2    Inputs to the valuation methodology include:
  - Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;

#### 5. Fair Value Measurements (continued)

- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

*Money market fund:* Valued at quoted market prices in an exchange and active markets, which represent the net asset value (NAV) of shares held by the Plan at year-end.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

#### 6. Related Party Transactions

Certain Plan investments are shares in the Schwab Municipal Money Fund, a fund affiliated with The Charles Schwab Corporation. Charles Schwab Bank is the custodian as defined by the Plan, and therefore, transactions in the Schwab Municipal Money Fund qualify as party-in-interest transactions. Furthermore, the Plan paid other related parties for investment management and recordkeeping services. Fees paid by the Plan were \$48,609 and \$48,626 for the years ended December 31, 2023 and 2022, respectively.

#### 7. Subsequent Events

Management has evaluated subsequent events through October 2, 2024, the date on which the financial statements were available to be issued.
