To the Administrative Committee of the
M & J Valve Services, Inc 401(K) Profit Sharing Plan and Trust

We have audited the financial statements M & J Valve Services, Inc 401(K) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2023 and we have issued our report thereon dated October 3, 2024. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Mid Atlantic Trust Company, the custodian, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated April 17, 2024. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by M & J Valve Services, Inc 401(K) Profit Sharing Plan and Trust are described in Note B to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2023. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. We reviewed management's estimates in consideration of all facts and circumstances noting such appeared reasonable in their circumstances.

To the Administrative Committee of the
M & J Valve Services, Inc 401(K) Profit Sharing Plan and Trust
October 3, 2024
Page 2

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements was:

The disclosure of risk associated with investment securities in Note H to the financial statements describing the possible exposure to the asset values of the Plan.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated October 3, 2024.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the use of the administrative committee of the M & J Valve Services, Inc 401(K) Profit Sharing Plan and Trust and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

INDEPENDENT AUDITORS' REPORT

**To the Administrative Committee and Plan Participants of
the M & J Valve Services, Inc. 401(k) Profit Sharing Plan and Trust
Lafayette, LA**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the M & J Valve Services, Inc. 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of M & J Valve Services, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 250.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of M & J Valve Services, Inc. 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for the ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about M & J Valve Services, Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibility for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of M & J Valve Services, Inc. 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about M & J Valve Services, Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Auditors' Responsibility for the Audit of the Financial Statements, continued

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule H, line 4i-schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter - Supplemental Schedules Required by ERISA, continued

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

NOTE A - PLAN DESCRIPTION

The following description of the M & J Valve Services, Inc. (the "Company" or "Employer") 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of the Company and its Subsidiary, as defined by the Plan, who are eighteen years of age or older. There are no service requirements. The Plan is subject to the provisions of the Employment Retirement Income Security Act of 1974 (ERISA). The administrative committee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Participant Contributions

All eligible employees are entitled to designate all or any portion of elective deferrals as Roth 401(k) deferrals. All eligible employees are entitled to make elective deferrals up to ninety two percent (92%) of his or her compensation not to exceed the maximum annual contribution limit. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate beginning at three percent of eligible compensation. Participants who have attained age fifty before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing rollover distributions from other qualified retirement plans. Contributions are subject to certain IRS limitations. Additional voluntary contributions are not allowed. Participants direct the investment of contributions into various investment options offered by the Plan.

Employer Contributions

The Employer elected to operate under a Qualified Automatic Contribution Arrangement (QACA) safe harbor plan. Under the QACA safe harbor plan, the Employer will make QACA safe harbor matching contributions in an amount equal to 100% of the first 1% of elective deferral percentage, and 50% of the next 5% of elective deferral percentage. The Employer is not obligated to make profit sharing contributions. However, the Employer can elect to make a discretionary profit sharing contribution in an amount determined annually by the Employer. For the year ended December 31, 2023, the Employer QACA safe harbor matching contributions amounted to \$209,107.

M & J VALVE SERVICES, INC. 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

NOTE A - PLAN DESCRIPTION, continued

Participant Accounts

Each participant's account is credited with the participant's voluntary contribution and the Employer's QACA safe harbor matching contribution, and an allocation of (a) the Employer's discretionary profit sharing contribution, if any, and (b) Plan earnings and charged with certain administrative expenses, where applicable. Allocations are based on participant's voluntary contributions, participant earnings or account balances, or specific participant transactions, as defined. With respect to these participant-directed assets, the earnings, losses, and transactional expenses of such assets are allocated to the account of the participant having the authority to direct the investment. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions, plus actual earnings thereon. Vesting in QACA safe harbor matching contributions and profit sharing contributions plus accrued earnings is based on years of continuous service.

A participant becomes vested in QACA safe harbor matching contributions in the following manner:

<u>Years of Service</u>	<u>Vesting Schedule</u>
1	0%
2	100%

A participant becomes vested in profit sharing contributions in the following manner:

<u>Years of Service</u>	<u>Vesting Schedule</u>
1	20%
2	40%
3	60%
4	80%
5	100%

Forfeited Accounts

At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$250 and \$1,520, respectively. These accounts, if available, may be used to offset administrative expenses of the Plan, provide restoration of the participants' accounts, or to reduce Employer contributions. Forfeitures utilized to reduce administrative expenses totaled \$1,396 for the year ended December 31, 2023.

M & J VALVE SERVICES, INC. 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

NOTE A - PLAN DESCRIPTION, continued

Payment of Benefits

Upon termination of service, a participant may elect to receive a distribution in the form of a lump-sum payment, partial payments, installment payments, annuity contract, or an eligible rollover distribution, equal to the value of the participant's vested interest in his or her account. If the participant's vested balance does not exceed \$5,000 and the participant has terminated employment, the administrator has the discretion to roll over the vested balance into an individual retirement account without the participant's consent. However, if the participant's vested account balance is greater than \$5,000, the participant must consent to the benefits. There were no net assets of the Plan allocated to the accounts of participants who had elected to withdraw from the Plan but had not yet received such distributions as of December 31, 2023 and 2022.

Notes Receivable from Participants

Under the terms of the Plan, participants may borrow from their accounts a minimum of \$1,000 up to \$50,000 or 50% of their vested balance, whichever is less. The notes receivable are secured by the balance in the participant's account. The interest rate for a loan is established at the inception of the loan and is set at the prime rate, as posted in the Wall Street Journal, plus 1% when the loan is made. Principal and interest are paid ratably through payroll deductions. A participant may have a maximum of two loans outstanding at a time.

Investment Options

The Plan administrator entered into a contract with Mid Atlantic Trust Company ("Mid Atlantic"). All funds sent to Mid Atlantic are to be invested, at the direction of each participant with respect to their account balances, into variable investment funding options through a number of underlying mutual funds or a common/collective trust (Note D). Participants may change their investment options at any time.

Distributions

In service distributions may be made to active participants who continue to work upon attainment of age 59½. Early withdrawal prior to age 59½ is permitted through hardship distributions subject to certain limitations.

SECURE Act

SECURE 2.0 Act of 2022 was signed into law in December 2022. The provisions of SECURE 2.0 continue the themes and reforms that began with the 2019 SECURE Act. The provisions of SECURE 2.0 Act include both required and optional changes with various effective dates starting in 2023 and forward. The Plan administrator will determine the optional provisions to elect and amend the Plan document accordingly at a later date.

M & J VALVE SERVICES, INC. 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the Plan are prepared using the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America, except for the recording of benefits paid. Investments held by defined contribution plans are required to be reported at fair value, except for fully benefit responsive investments, which are reported at contract value.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments in mutual funds are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by the investment adviser and custodian. See Note E for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

M & J VALVE SERVICES, INC. 401(K) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Administrative Expenses

Certain administrative expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements, as further described in Note G. Participants who elect to enter into certain transactions not covered by the Company are charged directly to the participant's account and are included in administrative expenses. Other administrative expenses paid for by the Plan are allocated to participant accounts, as defined by the Plan. Investment related expenses are included in net appreciation of fair value of investments.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. At December 31, 2023 and 2022, there was no liability for excess contributions recorded in the financial statements.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2023 or 2022.

Subsequent Events

The Plan has been evaluated for subsequent events through October 3, 2024, which is the date the financial statements were available to be issued.

NOTE C - INFORMATION CERTIFIED BY THE CUSTODIAN

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2023 and 2022, net appreciation in fair value of investments and dividend income for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Mid Atlantic Trust Company (the custodian of the Plan).

M & J VALVE SERVICES, INC. 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

NOTE D – COMMON COLLECTIVE TRUST

At December 31, 2023 and 2022, the Plan's common collective trust funds include an investment in Invesco Stable Value Trust Class III ("Invesco"). The investment objective of Invesco is to preserve the principal investment while earning a level of interest income that is consistent with principal preservation. Invesco seeks to maintain a stable net asset value of \$1 per share, but it cannot guarantee that it will be able to do so. The yield of the fund may fluctuate. To achieve its investment objectives, Invesco invests primarily in fully benefit responsive investment contracts issued by insurance companies and other financial institutions. To minimize the risk of investment losses, Invesco invests in wrapper agreements. The ability for Invesco to receive amounts due pursuant to their contracts is dependent upon the issuers' ability to meet their financial obligations.

NOTE E - FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification 820, *Fair Value Measurements*, defines fair value and establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in the active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.
- Level 2 Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

M & J VALVE SERVICES, INC. 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

NOTE E - FAIR VALUE MEASUREMENTS, continued

The asset or liability's fair value measurement within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust funds – The underlying common collective trust fund investments generally include fixed income investments whose values are determined by the administrator of the fund. The Plan's common collective trust fund investments are valued based on NAV per share as a practical expedient as reported by the custodian, multiplied by the number of shares held as of the measurement date. Accordingly, this NAV based investment has been excluded from the fair value hierarchy.

The table below and on the next page sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

December 31, 2023

<u>Asset Category</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 5,790,035	\$ -	\$ -	\$ 5,790,035
Common collective trust ^(a)	-	-	-	1,906
Totals	<u>\$ 5,790,035</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 5,791,941</u>

M & J VALVE SERVICES, INC. 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

NOTE E - FAIR VALUE MEASUREMENTS, continued

December 31, 2022

<u>Asset Category</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 4,457,633	\$ -	\$ -	\$ 4,457,633
Common collective trust ^(a)	-	-	-	4,428
Totals	\$ 4,457,633	\$ -	\$ -	\$ 4,462,061

(a) In accordance with ASC 820-10, certain investments that are measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The common collective trust ("CCT") provides participant daily redemptions by the Plan with no advance notice requirements (other than complete termination of the fund) utilizing prices that are determined by the fund's net asset value as of the redemption date. Upon termination of a fund, the CCT requires a 12 month redemption notice period. The practical expedient is used for valuation, unless it is probable that the Plan will sell a portion of the investment at an amount different from net asset value. The CCT had no unfunded commitments at December 31, 2023.

NOTE F - TAX STATUS

The Plan has not received a separate determination letter from the Internal Revenue Service stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code. However, the Company adopted a non-standardized pre-approved profit sharing plan which received a favorable opinion letter from the Internal Revenue Service which stated that the Plan is designed in accordance with applicable sections of the Internal Revenue Code. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and therefore, believes that the Plan is qualified and the related trust is exempt from taxation as of December 31, 2023.

M & J VALVE SERVICES, INC. 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

NOTE F - TAX STATUS

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan administrator has concluded that there are no uncertain tax positions at December 31, 2023. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE G - RELATED PARTY TRANSACTIONS

The Plan does not consider Employer contributions to the Plan to be a party-in-interest transaction. The Employer provides certain accounting and administrative services to the Plan for which no fees are charged. Also, the Company absorbs certain administrative expenses of the Plan.

Parties-in-interest are defined under the Department of Labor's (DOL) Rules and Regulations as any fiduciary of the Plan, any party rendering services to the Plan, the Employer, and certain others. The Plan has a number of service providers, including custodian, third party administrator ("TPA"), investment advisors, and auditors. All of these party-in-interest transactions are intended to qualify as exempt from the prohibited transaction rules of ERISA.

Certain administrative services incurred by the Plan are pursuant to service agreements between the Employer and the individual party-in-interest.

Mid Atlantic receives revenue from mutual fund service providers for services Mid Atlantic provides to the funds. The revenue is used to offset certain amounts owed to Mid Atlantic for its administrative services to the Plan. The Employer may make payment to Mid Atlantic for administrative expenses not covered by revenue sharing.

Fees paid directly by the plan to parties-in-interest amounted to \$30,695 for the year ended December 31, 2023 and are included in administrative expenses.

M & J VALVE SERVICES, INC. 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, currency, market, and credit risks. Market risks include U.S. and global events which could impact the value of Plan investments. Such events would include healthcare crises, such as a pandemic, international conflicts, supply chain disruptions, global monetary policy decisions, significant exogenous economic influences, significant cyber-security attacks, etc. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE I - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions. All unallocated assets of the Plan shall be allocated to participant accounts and distributed in accordance with the provisions of the Plan.
