Independent Auditors' Report

To the Plan Administrator and Participants of the
Travis County Medical Society's 401(k) Savings Plan
Austin, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Travis County Medical Society's 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TRAVIS COUNTY MEDICAL SOCIETY'S 401(K) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE A - DESCRIPTION OF PLAN

The following description of the Travis County Medical Society's 401(k) Savings Plan (the Plan), sponsored by Travis County Medical Society, provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Travis County Medical Society and its wholly-owned subsidiary, Medical Service Bureau, Inc. and We Are Blood and its wholly-owned subsidiary United Tissue Resources (collectively, the Company). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Newport Trust Company (Newport) was the custodian, trustee, and record keeper of the Plan.

On December 29, 2021, the Plan changed its custodian from Newport, the former trustee of the Plan, to Empower Retirement (Empower or Custodian), the current trustee of the Plan. The Plan was restated, as of the effective date, to operate under a non-standardized defined contribution plan sponsored by Empower.

Eligibility

All employees of the Company who have attained the age of 20.5 years and have been employed for one-half year are eligible to participate in the Plan. Under the enrollment provisions of the Plan, eligible employees are allowed to enter the Plan on the first day of the calendar quarter coinciding with or following the date the eligibility requirements are satisfied.

Contributions

A participant may authorize the Company to withhold eligible compensation on a pre-tax basis, not to exceed the annual limit established by the Internal Revenue Code (IRC). Eligible employees are automatically enrolled at a rate of 4% of eligible compensation unless they elect otherwise. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The employer contributes 100% of the employee's deferrals up to 4% of annual plan compensation as a safe harbor matching contribution. The employer also contributes a safe harbor non-elective contribution equal to 3% of the participant's compensation. The participant is not required to make a contribution in order to share in the employer safe harbor non-elective contribution.

DECEMBER 31, 2023 AND 2022

NOTE A - DESCRIPTION OF PLAN - CONTINUED

Contributions (continued)

Participants direct the investment of contributions into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of the Company's contribution and plan earnings, and an allocation of plan expenses. Allocations are based on the participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are immediately vested in their voluntary and non-elective contributions plus actual earnings thereon. The Company contributions and related investment earnings vest according to a graduated schedule over three years. A participant becomes 40% vested after two years of service, and 100% vested after three years of service. However, if an active participant dies or becomes totally and permanently disabled prior to attaining the normal retirement age, the participant becomes 100% vested.

Payment of Benefits

Upon death, disability, retirement, or termination of employment, a participant may elect to receive a lump-sum payment equal to the participant's vested account balance, or life annuity. For terminated participants' account balances that are less than \$1,000, the Plan Administrator may distribute the entire amount in a lump-sum without the participant's consent. For terminated participants' account balances that are at least \$1,000 but less than \$5,000, the Plan Administrator may transfer the entire amount into an individual retirement account without the participant's consent. Withdrawals of elective deferrals for reasons of hardship may be made and will result in a six-month suspension during which no contributions may be made to the participant's account.

NOTE A - DESCRIPTION OF PLAN - CONTINUED

Participant Loans

Participants may borrow from their accounts a minimum of \$1,000 and up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. Participant loans are secured by the balance in the participant's account and bear interest at 1% above the prime interest rate, unless some other determination is made for reasonableness at the time the loan is made. Participants can only have one loan outstanding at a time, which is repaid over a period generally not to exceed five years; or up to thirty years for a home loan. Principal and interest is paid ratably through payroll deductions.

Forfeitures

Forfeitures of employer matching contributions are used to reduce future employer matching contributions and to pay plan expenses. Forfeitures used to reduce employer matching contributions and expenses during the year ended December 31, 2023, were \$4 and \$0, respectfully. Forfeitures used to reduce employer matching contributions and expenses during the year ended December 31, 2022, were \$78,127 and \$0, respectfully. The forfeiture balance at December 31, 2023 and 2022, was \$15,793 and \$15,337, respectively.

Administrative Expenses

The Company may pay certain administrative and operating costs of the Plan at no obligation to the Plan.

Federal Income Tax Status

The Plan adopted a standardized form of a volume submitter plan sponsored by Verisight. The volume submitter plan had received an opinion letter from the Internal Revenue Service (IRS), dated March 31, 2014, as to the volume submitter plan's qualified status. On December 29, 2021, the Plan adopted a non-standardized defined contribution plan sponsored by Empower. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE A - DESCRIPTION OF PLAN - CONTINUED

Federal Income Tax Status (continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2020.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts and distributions will be made as soon as administratively practicable after the Plan terminates.

NOTE B - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America requires plan management to use estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investments

Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE B - SUMMARY OF ACCOUNTING POLICIES - CONTINUED

Fair Value Measurement

The Plan follows Accounting Standard Codification (ASC) 820, issued by the Financial Accounting Standards Board (FASB). That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

Quoted prices for similar assets or liabilities in active markets;

Quoted prices for identical or similar assets or liabilities in inactive markets;

Inputs other than quoted prices that are observable for the asset or liability;

Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE B - SUMMARY OF ACCOUNTING POLICIES - CONTINUED

Fair Value Measurement (continued)

Mutual funds: Mutual funds held by the Plan are open-end mutual funds that are required to publish their daily net asset value (NAV) and to transact at that price.

Fixed annuities: Fixed annuities' reported values are reported daily based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider.

Collective trust funds: Collective trust funds reported values are based on share prices or NAV's reported on the Plan Summary Reports for Collective Trust Funds are generally obtained directly from the fund house or other investment provider.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Contributions

Employee contributions are recorded in the period during which the Company makes payroll deductions from the participants' earnings. Matching company contributions are recorded in the same period.

Benefit Payments

Benefit claims are recorded as expenses when they have been approved for payment and paid by the Plan.

Subsequent Events

The Plan Administrator evaluated subsequent events through the date of the Independent Auditors' Report, the date these financial statements were available to be issued.
