INDEPENDENT AUDITORS' REPORT

To the Investment Committee of the
Signet Jewelers Retirement Savings Plan
Akron, OH

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Signet Jewelers Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audits is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of Signet Jewelers Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering substantially all U.S. employees of Signet Jewelers Limited (the “Company”) who have 30 days of service and are 18 years or older. The Plan is formally sponsored by Signet Group Services US Inc. (the “Plan Sponsor”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

Merging of Acquired Plans

On October 1, 2022, the Diamonds Direct USA, Inc. 401(k) Plan was merged into the Plan. Employees under Diamonds Direct, USA, Inc. began contributing to the Plan effective October 1, 2022, and their balances from the Diamonds Direct USA, Inc. 401(k) Plan were transferred into the Plan on October 4, 2022.

On July 17, 2023, the Plan document was restated to include the participants of the Blue Nile 401(k) Retirement Savings Plan & Trust. Following the amendment, the participants in the Blue Nile 401(k) Retirement Savings Plan & Trust had their balances transferred into the Plan.

Contributions

Each year participants can contribute all eligible compensation, not to exceed Internal Revenue Service (“IRS”) limitations. Effective January 1, 2024, participants who are considered highly compensated employees for IRS compliance testing may only contribute up to 6% of eligible compensation on either a pre-tax or Roth basis. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Discretionary contributions may be contributed at the option of the Company’s board of directors annually.

The Company has a discretionary match (equal to a uniform percentage or dollar amount of a participant’s elective deferral, 50 percent of the first 6 percent of compensation that a participant contributes). Participants are eligible for the Company match after 1 year of service.

Participant Accounts

Each participant’s account is credited with the participant’s contribution, the Company’s contribution, and an allocation of the investment income (loss) based on account balances. Such amounts are allocated at the discretion of the participant.

Vesting

Participants are immediately vested in their voluntary contributions plus earnings thereon. Vesting in the Company’s contribution portion of participant’s accounts plus actual earnings thereon are based on years of

NOTES TO FINANCIAL STATEMENTS

credited service. Participants are partially vested after two years of credited service and become fully vested after five years of credited service. Participants who transferred in from the Diamonds Direct USA, Inc. 401(k) Plan and Blue Nile 401(k) Retirement Savings Plan & Trust become 25% vested after one year of service and increase 25% for each year of service until reaching 100% vested after four years of service. The participants from the Blue Nile 401(k) Retirement Savings Plan & Trust also become fully vested after obtaining age 55 and completing four years of service.

Forfeitures

The forfeited balances of terminated participants' non-vested accounts ("forfeitures") are used to reduce Company matching contributions or to reduce administrative fees paid by the Company. Forfeitures remaining for future use totaled \$870,889 and \$776,206 at December 31, 2023 and 2022, respectively. Forfeitures used amounted to \$657,818 and \$612,804 for the years ended December 31, 2023 and 2022, respectively.

Participant Notes Receivable

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. Loan terms range from 1 to 5 years or up to 10 years for the purchase of a primary residence. Prior to January 1, 2016, the loan terms ranged from 1 to 5 years, or up to 20 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates, typically the Prime rate plus 1 percent, at the time of granting the loan. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon termination of service due to retirement, death, or termination of employment a participant's vested account balance may be distributed in the form of a lump sum payment. Vested account balances of less than \$5,000 are rolled into a qualified Individual Retirement Account. Withdrawals for financial hardship, as defined, are also permitted under the Plan document.

Administrative Expenses

Fees paid by the Plan for trust services to Great-West amounted to \$931,649 and \$894,528 for the years ended December 31, 2023 and 2022, respectively. There are also indirect fees deducted directly from investment earnings of the Plan.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting and in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

In preparing the Plan's financial statements, management is required to make estimates and assumptions that affect the reported amounts of Plan assets, liabilities, and the reported increases and reductions of Plan assets during the reporting period. Actual results could differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair market value. The Statements of Changes in Net Assets Available for Benefits presents net appreciation (depreciation) in fair value of investments, which includes both unrealized and realized gains and losses. The change in the difference between fair value and the cost of investments is reflected as unrealized appreciation or depreciation. The realized gain or loss on the sale of investments is the difference between the proceeds received and the cost of the investments sold. Securities listed on any generally recognized stock exchange are valued at the last sale price reported on an exchange on the valuation date, or, if there were no sales on the valuation date, then on the quoted bid price on the valuation date. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Fair Value Measurements

Fair value estimates are made at a specific point in time based on relevant market information about the financial instrument. These estimates are subjective in nature and involve uncertainties and matters of significant judgment and, therefore, cannot be determined with precision. Changes in assumptions could significantly affect the estimates.

Administrative Expenses

The Plan pays all administrative fees, unless paid by the Company.

Payment of Benefits

Benefits are recorded when paid, except for corrective distributions required to be paid for the purpose of complying with non-discrimination regulations.

Subsequent Events

The Plan has evaluated subsequent events through September 30, 2024, the date the financial statements were available to be issued.

NOTE 3 – TRUSTEE CERTIFICATIONS

Great-West has certified as to the completeness and accuracy of the investments it holds at December 31, 2023 and 2022 and the changes in net assets arising from the investment activity for the years ended December 31, 2023 and 2022. Great-West holds all of the Plan's investments. Great-West has also certified the notes receivable from participants and the related interest on the participant notes receivable as of and for the years ended December 31, 2023 and 2022.

NOTE 4 – NON-PARTICIPANT DIRECTED INVESTMENT

The common stock held by the Plan originated from the merger of an acquired company's defined contribution benefit plan and is not an active investment option of the Plan; therefore, participants are unable to direct their contributions into this fund. The stock fund is comprised of shares in Signet Jewelers Limited, the ultimate parent of the Plan Sponsor, and a small portion of cash maintained for liquidity purposes. The stock fund is recorded on a unit basis. The valuation per share of the Signet Jewelers Limited common stock was \$107.26 and \$68.00 at December 31, 2023 and 2022, respectively. At December 31, 2023 and 2022, shares held of Signet Jewelers Limited common stock was 10,045 and 10,149 shares, respectively, with fair values of \$1,077,427 and \$690,132, respectively. The valuation per share of the stock fund was \$8.87 and \$5.67 at December 31, 2023 and 2022, respectively. At December 31, 2023 and 2022, the stock fund held 122,550 and 123,201 shares, respectively, with fair values of \$1,086,831 and \$698,799, respectively.

NOTE 5 – FAIR VALUE MEASUREMENTS

Fair value is a market-based measurement that is determined based on assumptions that market participants would use in pricing an asset or liability. As a basis for considering such assumptions, the Plan uses a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

Level 1: Valuation is based upon quoted prices (unadjusted) for identical assets or liabilities in active markets.

Level 2: Valuation is based upon quoted prices for similar assets or liabilities in active markets, or other inputs that are observable for the asset or liability, either directly or indirectly for substantially the full term of the financial instrument.

Level 3: Valuation is based upon other unobservable inputs that are significant to the fair value measurement.

The classification of fair value measurement within the hierarchy is based upon the lowest level of input that is significant to the measurement. Investments that were measured at net asset value ("NAV") per share are not classified in the fair value hierarchy. The fair value amounts presented in the below tables are intended to permit reconciliation of the fair value hierarchy to total investments at fair value. Valuation methodologies used for assets measured at fair value are as follows:

Mutual funds and common stock: Determined by quoted market prices on an active market and are classified within Level 1 of the valuation hierarchy.

Common collective trusts: Valued at the respective NAV as reported by such trusts. The net asset value for certain investments is based on a quoted price that is readily determinable in a market that is not active and are thus classified as Level 2 of the valuation hierarchy. Investments where quoted prices are not readily

SIGNET JEWELERS RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

determinable are valued at the fair value of the underlying investments held by the funds, less their liabilities. For these investments, NAV is used as a practical expedient to estimate fair value and are not required to be reported in the valuation hierarchy.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022.

Units of the Plan's investments in common collective trusts measured at fair value using NAV as a practical expedient may be redeemed daily and require a one-day redemption notice. There are no unfunded commitments related to the funds. Certain investments seek to provide the same risk and return as their market index.

NOTE 6 – PLAN TERMINATION

Although it has not been expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their accounts.

NOTE 7 – TAX STATUS

The Plan adopted the Great-West Trust Company Defined Contribution Prototype Plan and Trust ("Great-West Prototype Plan"). The Great-West Prototype Plan obtained its latest opinion letter on November 14, 2022, in which the IRS stated that the Great-West Prototype Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Great-West Prototype Plan has been amended since receiving the determination letter. However, the Plan administrator is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status and believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC at year end. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. Management has analyzed the tax positions taken by the Plan, and has concluded that as of and for the years ended December 31, 2023 and 2022, there are no uncertain tax positions taken or

expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan files the United States Federal Form 5500.

NOTE 8 – PARTY-IN-INTEREST TRANSACTIONS

The stock fund holds shares of common stock of the parent company of the Plan Sponsor, Signet Jewelers Limited. Such transactions with this investment qualified as party-in-interest transactions.
