Independent Auditor's Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of the Sbarro, Inc. Employees' 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in the notes to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements December 31, 2023 and 2022

Plan Description

The following description of the Sbarro, Inc. Employees’ 401(k) Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement or Summary Plan Description for a more complete description of the Plan’s provisions.

General

The Plan is a participant-directed defined contribution plan covering all eligible employees of Sbarro, Inc. and certain affiliated companies (the Company). The Plan was established effective February 1, 1994 and is subject to the provisions of the Employee Retirement Security Act of 1974, as amended (ERISA). The Plan administrator is the Company.

Eligibility

All eligible employees age twenty-one (21) or older are eligible to contribute to the Plan effective the first day of the month following the completion of six months of service and 500 hours. Nonresident aliens or collective bargaining employees are not eligible to participate in the Plan.

Contributions

Participants may enter into an elective salary deferral agreement with the Company to contribute up to 100% of their annual pre-tax compensation, not to exceed limits prescribed by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers).

The Plan adopted Safe Harbor provisions providing for matching contributions equal to 100% of salary deferrals up to 4% of compensation.

The Plan also permits the Company to make a discretionary employer non-matching contribution, in which each participant is allocated an equal percentage of compensation that is dependent on the amount contributed by the Employer, subject to certain limitations. The Company did not make employer non-matching contributions for 2023 or 2022.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and allocations of (a) the Company’s contributions, (b) plan earnings and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Plan Description (continued)

Vesting

Participants are vested immediately in their contributions and safe harbor employer contributions plus actual earnings thereon. Vesting in the discretionary employer non-matching contributions, plus actual earnings thereon, is based on the following vesting schedule:

Vesting Year	Vesting Percentage
1	20%
2	40%
3	60%
4	80%
5	100%

Investment Options

A participant may direct contributions in any of the investment funds offered by the Plan. Participants may change their investment options at any time.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of the participant’s vested account balance, whichever is less. Loans must be repaid within five years unless the loan is granted to allow the participant to purchase his or her principal residence. The loans are secured by the balance in the participant’s account and bear interest at a rate equal to the Federal prime rate in effect on the date the loan is made plus 1%. Participants are also charged a reasonable loan origination fee, which is deducted from the participant’s account. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

A participant may receive the value of his or her vested account upon retirement, disability or termination. Upon death of a participant, the beneficiary shall be entitled to the full value of the account. Distributions are made in either a lump-sum or equal installments not to exceed the life expectancy of the participant. Hardship withdrawals, as defined in the Plan, are also available to participants.

Forfeited Accounts

As of December 31, 2023 and 2022, forfeitures amounted to \$14,851 and \$17,470, respectively. Forfeitures resulting from the non-vested portions of participant's accounts who terminate prior to being fully vested are used to pay administrative expenses or to reduce Company contributions. During 2023 and 2022, \$4,006 and \$1,538 was used to reduce Company contributions, respectively. During 2023 and 2022, no significant forfeitures were used to pay administrative expenses.

Plan Description (continued)

SECURE Act 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2023 or 2022 financial statements.

Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. For additional disclosure regarding contract and fair value of investments, see the *Investment Contract with Transamerica* and *Fair Value Measurements* footnotes herein.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses have been recorded as of December 31, 2023 or 2022. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Summary of Significant Accounting Policies (continued)

Contributions

Contributions from Plan participants and Employer's contributions are recorded in the year in which the employee contributions are withheld from compensation.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the plan agreement.

Information Prepared and Certified by Transamerica

The following information included in the accompanying financial statements and supplemental schedule (Form 5500, Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year)) was obtained from data that has been prepared and certified to as complete and accurate by Transamerica, the custodian of the Plan.

	2023	2022
Stable value fund	\$ 518,105	\$ 471,440
Pooled separate accounts	6,104,811	4,767,217
Notes receivable from participants	92,843	84,440
	\$ 6,715,759	\$ 5,323,097

The custodian also certified the completeness and accuracy of the following related to the aforementioned assets for the years ended December 31:

	2023	2022
Net appreciation (depreciation) in fair value of investments	\$ 865,857	\$ (941,911)
Interest income	5,884	3,878
Interest on notes receivable from participants	4,613	3,207

Investment Contract with Transamerica

The Plan entered into a fully benefit-responsive investment contract, the Transamerica Stable Value Core Account with Transamerica. Contributions are maintained in a general account, which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The repayment of principal and interest credited to participants holding the investment is a financial obligation of Transamerica.

**SBARRO, INC. EMPLOYEES'
401(k) SAVINGS PLAN
Notes to Financial Statements
December 31, 2023 and 2022**

Investment Contract with Transamerica (continued)

Because the investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the investment contract. Contract value, as reported to the Plan by Transamerica, represents contributions made under the contract, plus interest, less participant withdrawals and contract charges. The Stable Value Option investment choices are not considered a Guaranteed Investment Contract and there is no stated minimum or maximum interest rate. The terms of the contract require all permitted participant-initiated transactions involving the investment to occur at contract value with no conditions, limits or restrictions. Permitted participant-initiated transactions are those allowed by the Plan such as withdrawals for benefits, loans or transfers to other investment choices within the Plan.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The investment choices have a portfolio investment rate design in which all deposits in the particular investment choice are credited with the same interest rate on a daily basis, and with no set maturity. Interest is credited, based upon the daily balance, at a rate that is the daily equivalent of the effective annual rate of interest applicable for the six-month period. The effective guaranteed credited interest rate is set on a semi-annual basis and announced at least 45 days in advance of the date the new rate becomes effective. The guaranteed rate of interest shall not change during the six-month period for which it is effective.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to Plan's prohibition on competing investment options, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan or (4) the failure of the Trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

Fair Value Measurements

U.S. GAAP established a fair value hierarchy that prioritizes the inputs to measure the fair value of the assets or liabilities being measured. Fair value is defined as the exchange value that would be received on the measurement date to sell an asset or to value the amount paid to transfer a liability in the principal or most advantageous market available to the entity in an orderly transaction between market participants. The three levels of the fair value hierarchy are as follows:

- Level 1 Inputs are unadjusted quoted market prices in active markets for identical assets or liabilities that the entity has the ability to access at the measurement date. Level 1 inputs provide the most reliable measure of fair value as of the measurement date.

**SBARRO, INC. EMPLOYEES’
401(k) SAVINGS PLAN
Notes to Financial Statements
December 31, 2023 and 2022**

.....

Fair Value Measurements (continued)

Level 2 Inputs are based on significant observable inputs, including unadjusted quoted market prices for similar assets and liabilities in active markets, unadjusted quoted prices for identical or similar assets or liabilities in markets that are not active, or inputs other than quoted prices that are observable for the asset or liability.

Level 3 Level 3 are significant unobservable inputs for the asset or liability.

The level of the fair value hierarchy within which a fair value measurement in its entirety falls is based on the lowest level input that is significant to the fair value measurement in its entirety.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

*Pooled
Separate*

Accounts: Valued at fair value based on the underlying investments reported to the Plan by Transamerica.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The pooled separate accounts are considered Level 2 investments as of December 31, 2023 and 2022.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Tax Status

The Plan has adopted a Transamerica Prototype Non-standardized Pre-Approved Profit Sharing Plan with a cash or deferral arrangement, which has received an opinion letter from the Internal Revenue Service (IRS), dated June 30, 2020. The opinion letter stated that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan administrator believes that the Plan was qualified and the related trust was tax exempt as of December 31, 2023 and 2022, and no provision for income taxes has been included in the Plan’s financial statements.

SBARRO, INC. EMPLOYEES’ 401(k) SAVINGS PLAN

Notes to Financial Statements December 31, 2023 and 2022

Tax Status (continued)

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Party-in-Interest Transactions

Certain plan investments are units in pooled separate accounts and a stable value fund managed by Transamerica. Transamerica is the custodian as defined by the Plan agreement and, therefore, these transactions qualify as party-in-interest. Fees paid by the Plan for administrative expenses were \$15,220 and \$21,938 in 2023 and 2022, respectively.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the accompanying 2023 statement of net assets available for benefits.

Subsequent Events – Date of Management’s Evaluation

The Plan has evaluated subsequent events through the date of the Independent Auditor’s Report, the date on which the financial statements were available to be issued.
